Item 1.01. Entry into a Material Definitive Agreement

Avis Budget Group, Inc. (the Company) announced today that it entered into a purchase agreement on March 5, 2010 with respect to the sale by its wholly-owned subsidiary, Avis Budget Car Rental, LLC (ABCR), of \$450 million aggregate principal amount of 8% senior notes due 2018 at an issue price of 98.634% (the Notes).

The Notes will be issued in a private offering that is exempt from the registration requirements of the Securities Act of 1933, as amended (the Securities Act), to qualified institutional buyers in accordance with Rule 144A and to persons outside of the United States pursuant to Regulation S under the Securities Act. The Notes will be senior unsecured obligations of ABCR and will be guaranteed on a senior basis by the Company and certain of its domestic subsidiaries. The offering is subject to customary closing conditions.

The purchase agreement contains customary representations, warranties and agreements by the Company. In addition, the Company has agreed to indemnify the initial purchasers against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the initial purchasers may be required to make in respect of those liabilities. Furthermore, the Company has agreed with the initial purchasers not to offer or sell any debt securities issued or guaranteed by the Company for a period of 90 days after the date of the purchase agreement without the prior written consent of the representative of the initial purchasers. Subject to customary closing conditions, the sale of the Notes is expected to close on or about March 10, 2010.

The Company intends to use the net proceeds of the offering, together with cash on hand, to repay outstanding indebtedness under its floating rate term loan (which, including the effect of interest rate hedges, has an effective interest rate of approximately 9.2%) and for general corporate purposes.

The initial offering of the Notes and the related guarantees will not be registered under the Securities Act and the Notes and the Guarantees may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. This current report on Form 8-K is neither an offer to sell nor a solicitation of an offer to buy the Notes or any other securities and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offering, solicitation or sale would be unlawful.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the complete terms of the purchase agreement, a copy of which is filed as Exhibit 1.1 hereto and incorporated herein by reference.
