**EXPLANATORY STATEMENT**

**Explanatory Statement for Resolutions mentioned under Item Nos. 1 to 5 pursuant to Section 173(2) of the Companies Act, 1956 ( the Act ).**

**Item No.1 :**

The Company has growth plans for expanding its product range and presence in the domestic and global markets in commercial and passenger vehicles. As a part of its future growth strategy for the domestic and international markets, the Company plans to incur about Rs. 10,000 crores in the next 2-3 years towards product development, capital expenditure in capacity enhancement, plant renewal and modernization and other meaningful growth opportunities. The capital expenditure required for meeting these plans would be spread over the next 2-3 years and a long term financing plan would be evolved in the near future.

Further, the Company has on its Balance Sheet various high cost debts. The Company is leveraged with a net debt equity ratio of 1:1 on a stand-alone basis (consolidated basis 3.3:1) as on March 31, 2010.

While it is envisaged that the internal generation of funds would partially fund the above capital expenditure programme, it is thought prudent at this stage for the Company to meet a part of this fund requirement for the said capital expenditure, product development, long term working capital as well as for such corporate purposes including investments in subsidiary companies in India or overseas for their business growth/other requirement, as may be permitted under applicable laws through issue of Securities as defined in the resolution at Item No.1 of the Notice. In view of the good performance of the Company and positive outlook of the automobile industry globally as also Company's fund requirements, it is thought prudent to raise resources at an opportune time.

It is therefore proposed to issue the said Securities for an amount not exceeding Rs.4,700 crores of incremental funds, in one or more tranches, in such form, in such manner, at such price or prices and at such time as may be considered appropriate by the Board, to the various categories of Investors in the domestic and/or international market as set out in the Resolution at Item No.1 of the Notice.

While the fund raising programme may be through a mix of equity/debt/equity related instruments, to the extent that any part of the above mentioned capital raising plan includes issue of securities linked to or convertible into ordinary shares and/or A ordinary shares of the Company, members' approval is being sought. Section 81 of the Act, provides, *inter alia* that whenever it is proposed to increase the subscribed capital of a company by allotment of further shares, such further shares shall be offered to the persons who on the date of the offer are holders of the equity shares of the company in proportion to the capital paid-up on that date unless shareholders in General Meeting decide otherwise. The Listing Agreement executed by the Company with various Stock Exchanges also provides that the Company shall in the first instance, offer all securities for subscription *pro rata* to the Shareholders, unless the Shareholders, in the General Meeting decide otherwise. Whilst no specific instrument(s) have been identified at this stage, in the event that the Company issues any equity linked instruments, the issue(s) will be structured in a manner such that the additional ordinary and/or A ordinary share that may be issued would not be more than 15% of the paid-up ordinary and A ordinary Share Capital of the Company. The ordinary shares/ A ordinary shares, if any, allotted on issue, conversion of securities or exercise of Warrants shall rank *pari passu inter se* and with the existing ordinary shares/ A ordinary shares of the Company, as the case may be.

In the event of the issue of Eligible Securities as aforesaid by way of Qualified Institutional Placements, it will be ensured that:-

the relevant date for the purpose of pricing of the Ordinary Shares and/or detachable warrants would, pursuant to Chapter VIII of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 ( the SEBI ICDR Regulations ) and/or other applicable regulations, be the date of the meeting in which the Board decides to open the proposed issue of the specified securities, subsequent to the receipt of Members approval in terms of Section 81(1A) and other applicable provisions, if any of the Act, and other applicable laws, rules, regulations and guidelines in relation to the proposed issue of securities;

the issue and allotment of securities shall be made only to Qualified Institutional Buyers (QIBs) within the meaning of the SEBI ICDR Regulations and such securities shall be fully paid up on its allotment, which shall be completed within 12 months of the date of passing this Resolution;

the total amount raised in such manner, including the over allotment option as per the terms of the issue of securities, would not exceed 5 times of the Company's networth as per the audited balance sheet of the previous financial year; and

the securities shall not be eligible to be sold for a period of 1 year from the date of allotment, except on a recognized stock exchange or except as may be permitted from time to time by the SEBI ICDR Regulations.

The proposed offer is in the interest of the Company and your Directors commend the resolution for approval.

The Directors of the Company may be deemed to be concerned or interested in the Resolution at Item No.1 to the extent of the securities that may be subscribed by the companies/institutions of which they are Directors or Members.

**Item No. 2 :**

The members, had at the Annual General Meeting held on July 11, 2006, approved the raising of funds upto Rs.3,000 crores and issue of securities at such price and at such time as may be considered appropriate by the Board, to various categories of investors in the domestic/international market. Pursuant to this, in July 2007, the Company raised US\$490 million by issuance of Zero Coupon Convertible Alternative Reference Securities (CARS) due 2012 to international investors. The terms of the CARS Offering allow the Company to give the holders an option to convert the CARS into Qualifying Securities i.e. ADSs/ GDSs, non voting/ differential voting shares subject to the same meeting certain criteria for investor base and liquidity pool.

Subsequently, members had vide postal ballot on July 14, 2008 approved of *inter alia* (a) Alteration of Articles of Association to provide for issuance of shares with differential rights (b) Increase in authorised share capital (c) Raising of additional long term resources through Issue of Securities, including A ordinary shares. Pursuant to this in October, 2008, the Company raised Rs.4,146 crores through simultaneous but unlinked Rights Issue of 64,276,164 ordinary shares at a price of Rs 340/- per share and 64,276,164 A ordinary shares at a price of Rs 305/- per share. This issue of A ordinary shares was in accordance with Companies (Issuance of Share Capital with Differential Voting Rights) Rules, 2001( DVR Rules). As per the terms of Rights Issue, the A ordinary shares issued are of the same class as the ordinary shares of the Company and shall enjoy all the rights and privileges that are attached to the ordinary shares in law and under the Company's Articles of Association, except rights as regards voting (1/10th of the voting power as compared to Ordinary Shares) and dividend (additional five percentage points more than the aggregate rate of dividend declared on the ordinary shares for that financial year).

As per the terms of issue of CARS, it is now proposed to issue upto 50 million A ordinary shares on execution of conversion option by the holders of outstanding CARS aggregating US\$ 473 million. Any CARS which are not converted would be redeemed at a redemption price of 131.82% of the principal amount in July 2012 as per the terms of the CARS issuance. The proposed option for conversion of CARS into A ordinary shares will enable the Company to conserve funds, reduce its debt and simultaneously increase its share capital without significantly diluting the voting rights of the existing shareholders.

As a matter of good governance practice, the Company is seeking the shareholders approval for issue of A ordinary shares on exercise of conversion option by the holders of CARS taking into consideration, that the A ordinary shares did not exist at the time when the members approved the CARS issuance in July 2006.

The issuance and price of the CARS conversion and other terms would be as per the Issue of FCCBs and Ordinary Shares (Through Depository Receipt Mechanism) Scheme, 1993 as amended from time to time and would be within the limit of 25% of the total issued share capital of the Company as prescribed under the said DVR Rules.

It may be noted that the Company retains the option to convert the CARS into ordinary shares of the Company and that the Board would at an appropriate time exercise its discretion for offering an option to the CARS holders to convert into either the ordinary shares or A ordinary shares of the Company.

The proposed issue is in the interest of the Company and your Directors commend the Resolution for your approval.

The Directors of the Company may be deemed to be concerned or interested in the Resolution at Item No.2 to the extent of the A ordinary shares that may be issued to the companies/institutions of which they are Directors or Members.

**Item Nos.3 and 4 :**

Under Section 293(1)(d) of the Act, the Board of Directors of a company cannot, except with the consent of the Company in a general meeting, borrow monies, apart from temporary loans obtained from the Company's bankers in the ordinary course of business, in excess of the aggregate of the paid-up capital and free reserves of the Company, that is to say, reserves not set apart for any specific purpose. The members had vide a Postal Ballot, on July 14, 2008, had accorded their consent to the Board of Directors for borrowing upto Rs.20,000 crores. To meet the capital expenditure requirements and for additional working capital needs, as also to provide for the issue of any debt/debt related instrument in the Indian and/or international market, it is necessary to enhance the present borrowing limit. The Members' approval is therefore being sought pursuant to Section 293(1)(d) of the Act to increase the borrowing limit to Rs.30,000 crores. Even with the proposed borrowing, the debt equity ratio will be within normally accepted prudential accounting norms.

The proposed borrowings and any further borrowings of the Company may, if necessary, be secured by way of a charge, mortgage, hypothecation of the Company's assets in favour of the secured lenders, security holders, trustees for the holders of the said securities. The documents to be executed between the security holders, trustees for the holders of the said securities and any other secured lender/trustee and the Company may contain the power to take over the management of the Company in certain events. The members vide the said Postal Ballot had also accorded their consent to the Board of Directors for the creation of charges, mortgages and hypothecations on the Company's properties which together with the existing charges would not exceed a limit of Rs.20,000 crores at any point of time. Considering that the Company may in future borrow additional funds as mentioned above, which may require to be secured by a charge, mortgage, hypothecation on the Company's properties, it is necessary for the Company to pass a Resolution under Section 293(1)(a) of the Act for creation of such charges, mortgages and hypothecations for an amount not exceeding Rs.30,000 crores at any point of time.

The above proposal is in the interest of the Company and your Directors commend the said Resolutions at Item Nos. 3 and 4 of the Notice for approval by the Members.

**Item No.5 :**

On retirement of Mr Ravi Kant from his executive capacity as Managing Director, he was appointed as Non-Executive Vice-Chairman w.e.f. June 2, 2009 at the meeting of the Board of Directors held on May 29, 2009. As Vice-Chairman, he has been performing a key function in overseeing and co-ordinating the operations of Jaguar Land Rover and also reviewing the existing manufacturing processes, which would result in substantial cost reduction and rationalization of platforms. Besides these, initiatives have also been taken on joint development programs for engines, vehicles and platforms which would leverage skills of the Company and Jaguar Land Rover resulting in synergies in operations of the Company and its subsidiary. These would yield substantial savings in the operations of the Company and its subsidiaries. In recognition of the significant value and contribution of his services, which are professional in nature, the Board of Directors of the Company have recommended to appoint Mr Kant as an Advisor on an Advisory fee of GB£ 75,000 p.a. with effect from June 2, 2009 to be paid by the Company, either directly or by way of reimbursement to JaguarLandRover Limited (JLRL) for the said payment made by it to Mr Kant. Mr Kant would be entitled to the use of a Company car as also for reimbursement of expenses incurred on travel, boarding and allowances in connection with his official work.

The services rendered by Mr Kant are professional in nature and the Company would be filing an application with the Ministry of Corporate Affairs seeking its opinion in terms of Section 309 of the Act. Further under Section 314 of the Act no director of a company shall hold any office or place of profit in the company or its subsidiary company, except with the consent of the company accorded by a special resolution. Considering that the said appointment of Mr Kant as an Advisor is deemed to be an office or place of profit, the approval of the members is requested as per Section 314 of the Act.

Your Directors commend the Resolution in Item No.5 of the Notice for the approval of the Members.
