FOR IMMEDIATE RELEASE

Sparton Proposes Corporate Governance Changes to Advance Shareholder Relationships

SCHAUMBURG, Illinois October 19, 2010 Sparton Corporation (NYSE: SPA), a supplier of complex and reliable electronic and electro-mechanical products, sub-assemblies and related services to the highly regulated Medical, Defense & Security, and Aerospace markets announces that on October 27th, 2010 it will conduct its fiscal 2010 Annual Meeting of Shareholders at 425 N. Martingale Road, Schaumburg, Illinois at 10:00 a.m. local time. Cary Wood, President & CEO will discuss Sparton's fiscal 2010 results and Sparton's business strategy moving forward. There will also be a question and answer period at the end of the annual meeting. Following the annual meeting, the presentation will be available at Sparton's website, www.sparton.com.

As described in its recent proxy statement, Sparton has proposed significant changes to its corporate governance, with proposals 3 and 4 introducing proposed changes to the Company's Articles of Incorporation and Amended and Restated Code of Regulations. Among such proposed changes are:

- The declassification of the board of directors that would require all directors stand for re-election at each annual meeting; and
 - A majority-vote threshold in uncontested election of directors, with a plurality vote standard in contested elections.
- ISS Proxy Advisor Services, Glass Lewis & Company, and Proxy Governance, Inc., leading proxy advisory service firms, have recommended a FOR vote in favor of all proposals as the planned changes will advance shareholder rights.

Cary Wood, President & CEO commented, Sparton's management team and Board of Directors have been working towards enacting corporate governance changes that are in keeping with the contemporary business environment. We anticipate that these proposed actions, endorsed by the leading proxy advisors firms and our largest shareholders, will receive more than the necessary votes required for approval and will take effect immediately upon conclusion of the annual meeting of shareholders on October 27th.

Through our investor relations initiative, we have met with the majority of our shareholders over the past two years and we believe that the proposed corporate governance changes are in-line with their overall expectations of furthering Sparton's corporate governance objectives. At the upcoming annual meeting, we look forward to reviewing the events of Fiscal 2010, including Sparton's return to profitability, the results of the on-going turnaround and the Company's shift in focus to profitable growth, Mr. Wood concluded.

The proxy statement, annual report, and the annual meeting of shareholders agenda can be accessed at Sparton's website at <http://sparton.com/sparton-investor-relations.html>. The proxy advisory service analysis and recommendations may be accessed via subscription through each advisory firm's website.
