**Item 8.01. Other Events**

On November 15, 2010, the Company issued a press release announcing the pricing of its \$100,000,000 aggregate principal amount of 3.25% convertible senior notes due 2017 (the Convertible Notes). The Convertible Notes were offered in a private placement solely to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended.

The \$100,000,000 aggregate principal amount of Convertible Notes were priced at par; will pay interest semiannually at a rate of 3.25% per annum; and have a conversion rate of 29.4499 shares of common stock per \$1,000 principal amount of Convertible Notes (equivalent to a conversion price of approximately \$33.96 per share), subject to adjustment. The sale of the Convertible Notes is expected to close on or about November 19, 2010. The Company also granted the initial purchasers of the Convertible Notes a 13-day option to purchase up to an additional \$15,000,000 aggregate principal amount of Convertible Notes. The Company will settle the Convertible Notes upon conversion in cash, up to the principal amount, and will settle amounts in excess of the principal amount, if any, in cash, shares or a combination thereof, at the Company's election.

In connection with this offering, to reduce the potential dilution upon conversion of the Convertible Notes, the Company is entering into convertible note hedge transactions with counterparties, one or more of which are affiliated with the initial purchasers of the Convertible Notes. Further, the Company is entering into warrant transactions with the counterparties. The warrant transactions could separately have a dilutive effect on the Company's earnings per share to the extent that the market price of the Company's common stock during the measurement period at maturity of the warrants exceeds the strike price of the warrants. These transactions have the economic effect of increasing the conversion price to approximately \$44.40.

This notice does not constitute an offer to sell or the solicitation of an offer to buy securities. Any offer of the securities will be made only by means of a private offering memorandum. The Convertible Notes and the shares of the Company's common stock issuable upon conversion have not been, and will not be, registered under the Securities Act or the securities laws of any other jurisdiction and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

A copy of this press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference in response to this Item 8.01.
