Item 1.01. Entry into Material Definitive Agreement

Issuance of \$200.0 Million Aggregate Principal Amount of 2020 Notes

On November 16, 2010, Asbury Automotive Group, Inc. (Asbury , we or the Company) issued \$200,000,000 aggregate principal amount of its 8.375% Senior Subordinated Notes due 2020 (the 2020 Notes) pursuant to an indenture, dated November 16, 2010 (the Indenture) among the Company, the subsidiary guarantors party thereto (the Guarantors) and The Bank of New York Mellon, as trustee (the Trustee). The 2020 Notes were offered and sold either to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933 (the Securities Act) or to persons outside the United States under Regulation S of the Securities Act.

The 2020 Notes mature on November 15, 2020. Interest accrues on the 2020 Notes from November 16, 2010, and interest is payable semiannually, on May 15 and November 15 of each year. The first interest payment date is May 15, 2011. We may redeem some or all of the 2020 Notes at any time after November 15, 2015 at specified redemption prices. We may also redeem up to 35% of the aggregate principal amount of the 2020 Notes using the proceeds from certain equity offerings completed before November 15, 2013. In addition, we may redeem some or all of the 2020 Notes at any time prior to November 15, 2015 at a price equal to 100% of the principal amount thereof plus a make whole premium set forth in the Indenture, and accrued and unpaid interest. If we sell certain of our assets or experience specific kinds of changes of control, we must offer to repurchase the 2020 Notes. The terms of the 2020 Notes are set out in detail in the Indenture.

In connection with the issuance of the 2020 Notes, Asbury, the Guarantors and the initial purchasers of the 2020 Notes entered into a Registration Rights Agreement (the Registration Rights Agreement), dated November 16, 2010. The Registration Rights Agreement requires the Company and the Guarantors to file an exchange offer registration statement with the SEC relating to the 2020 Notes and related guarantees within 180 days after the date the 2020 Notes and related guarantees were issued, and to use their commercially reasonable efforts to have the exchange offer registration statement declared effective by the SEC on or prior to 240 days after the 2020 Notes were issued. If, under certain circumstances, an exchange offer cannot be completed, the Company and the Guarantors must use their commercially reasonable efforts to file with the SEC a shelf registration statement covering resales of the 2020 Notes and related guarantees and use their commercially reasonable efforts to cause such registration statement to be declared effective as provided for in the Registration Rights Agreement. In such instance, the Company would be obligated to keep such shelf registration statement effective for up to one year from the date of the initial effectiveness of the shelf registration statement. If the Company fails to satisfy its obligations under the Registration Rights Agreement, it will, under certain circumstances, be required to pay additional interest to the holders of the 2020 Notes.

Copies of the Indenture, the form of the 2020 Notes, and the Registration Rights Agreement are attached to this current report on Form 8-K as exhibits 4.1, 4.2 and 4.3, respectively, and are incorporated by reference as though fully set forth herein.
