***Business Segments***

As previously disclosed in our Annual Report on Form 10-K for the year ended December 31, 2009 (the Annual Report ), the Company realigned its reportable segments effective January 4, 2010, following the Company's acquisition of Bluehill ID AG and the subsequent reorganization of its businesses. Beginning in fiscal 2010, to reflect its new organizational structure and business focus, the Company now reports its business under two new reportable segments: Identity Management Solutions & Services ( ID Management ) and Identification Products & Components ( ID Products ). As a result, the Company has re-presented the segment information in this filing to reflect the new segments.

***Reclassifications:***

As a result, the Company reclassified these costs in this filing to conform to the current presentation. The reclassification did not impact the Company's previously reported net revenues, operating income, net income, or earnings per share.
