**Item 1.01. Entry into a Material Definitive Agreement.**

On December 7, 2010, Albemarle Corporation (the Company ) entered into an Underwriting Agreement (the Underwriting Agreement ) among the Company, J.P.Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated and UBS Securities LLC, as representatives of the several underwriters listed in Schedule 1 thereto (the Underwriters ), pursuant to which the Company agreed to sell \$350,000,000 aggregate principal amount of 4.50% Notes due December 15, 2020 (the Notes ) to the Underwriters at a price equal to 98.451 % of the principal amount thereof plus accrued interest. The Notes were offered at a public offering price of 99.101% of the principal amount thereof plus accrued interest, resulting in an underwriting discount of 0.65%. The Underwriting Agreement contains customary representations, warranties and agreements of the Company and customary conditions to closing, indemnification rights and obligations of the parties.

The estimated net proceeds to the Company from the offering of the Notes is approximately \$343.9 million, after deducting underwriting discounts and commissions and estimated offering expenses payable by the Company. The Company will use the net proceeds from this offering to repay indebtedness outstanding under the Company's revolving credit facility and to fund pension related obligations. Certain affiliates of the underwriters are lenders under the revolving credit facility.

The terms of the Notes are governed by an Indenture, dated as of January 20, 2005 (the Base Indenture ), between the Company and The Bank of New York Mellon Trust Company, N.A. (successor to The Bank of New York), as Trustee (the Trustee ), as supplemented and modified by the Second Supplemental Indenture, dated as of December 10, 2010, (the Second Supplemental Indenture and, together with the Base Indenture, the Indenture ).

The Notes bear interest at a rate of 4.50% per year payable semi-annually in arrears on June 15th and December 15th of each year, commencing on June 15, 2011. The Company may redeem some or all of the Notes at any time or from time to time, on terms and at redemption prices as described in the Indenture. In addition, in the event of a Change of Control Triggering Event (as defined in the Indenture), the Company will be required to offer to repurchase the notes at a price equal to 101% of the principal amount thereof, plus accrued and unpaid interest to the repurchase date.

The Indenture contains customary provisions for events of default including for (i) a failure to pay principal or interest when due and payable, (ii) a failure to comply with covenants or agreements in the Indenture or the Notes and failure to cure or obtain a waiver of any such default upon notice, (iii) a default in the performance, or breach, of any covenant that is not cured within 60 days after receipt by the Company of notice of the default by the trustee or holders of not less than 25% in aggregate principal amount of the notes then outstanding, (iv) a default by the Company or any of its Significant Subsidiaries (as defined in the Indenture) under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced indebtedness in an aggregate amount greater than \$40.0 million which default is caused by a failure to pay principal, interest or premium within any applicable grace period, or results in acceleration of the maturity of such debt, and (v) events of bankruptcy, insolvency or reorganization affecting the Company or any of its Significant Subsidiaries. In the case of an event of default, the principal amount of the Notes plus accrued and unpaid interest may be accelerated. The Indenture also contains covenants limiting the ability of the Company and its subsidiaries to incur debt secured by liens and to enter into sale and lease back transactions.

The offering of the Notes was registered under the Securities Act of 1933, as amended, pursuant to the Company's automatic shelf registration statement on Form S-3 filed with the Securities and Exchange Commission on December 7, 2010 (File No. 333-171014, the Registration Statement).

The foregoing description of the Underwriting Agreement, Base Indenture, Second Supplemental Indenture and Notes are qualified in their entirety by the Underwriting Agreement, Base Indenture, Second Supplemental Indenture and form of Note, respectively, which are incorporated herein by reference and are attached hereto as Exhibits 1.1, 4.1, 4.2 and 4.3, respectively.
