**Item 8.01 Other Events**

**Common Stock Offering.** On January 20, 2011, Fifth Third Bancorp announced that it priced a \$1.7 billion public offering of its common stock at a price of \$14.00 per share (the Common Stock Offering ). In connection with the Common Stock Offering, on January 20, 2011, Fifth Third entered into an Underwriting Agreement (the Common Stock Underwriting Agreement ) with J.P. Morgan Securities LLC, as representative of the several underwriters listed therein (the Common Stock Underwriters ), with J.P. Morgan Securities LLC in its capacity as agent for an affiliate (the Forward Seller ), and with JPMorgan Chase Bank, National Association (the Forward Purchaser ). The Common Stock Underwriting Agreement provides for the sale by Fifth Third to the Common Stock Underwriters of 121,428,572 shares of Fifth Third Common Stock. The Underwriting Agreement further provides the Common Stock Underwriters with an option, exercisable for 30 days, to purchase up to an additional 12,142,857 shares of Fifth Third Common Stock to cover over-allotments. If such option is exercised, Fifth Third may elect in its sole discretion that all or any portion of such additional shares be sold to the Common Stock Underwriters by the Forward Seller, in which case Fifth Third would enter into a forward sale agreement with the Forward Purchaser in respect of such additional shares.

On January 24, 2011, the Common Stock Underwriters notified Fifth Third that they have exercised their option in full to purchase the additional 12,142,857 shares of Fifth Third Common Stock at the public offering price of \$14.00 per share. In connection with such exercise, Fifth Third elected that all such additional shares be sold by the Forward Seller and Fifth Third entered into a forward sale agreement dated January 24, 2011 with the Forward Purchaser (the Forward Sale Agreement ).

On January 25, 2011, Fifth Third closed the Common Stock Offering. At the closing, Fifth Third sold 121,428,572 shares of its common stock to the Common Stock Underwriters for proceeds to Fifth Third of \$1,700,000,008 or \$1,649,000,008, net of underwriting discounts. Also at the closing, in satisfaction of the additional shares subject to the over-allotment option, the Forward Seller borrowed and sold 12,147,857 shares of Fifth Third Common Stock to the Common Stock Underwriters in accordance with the terms of the Common Stock Underwriting Agreement and the Forward Sale Agreement. Fifth Third does not expect to receive any cash proceeds from the sale of the additional shares in satisfaction of the over-allotment option. Fifth Third expects that the number of any additional new shares of its common stock necessary to be issued by Fifth Third in settlement of the Forward Sale Agreement will not be significant.

The Common Stock Offering is described in Fifth Third s prospectus supplement dated January 20, 2011, together with the related prospectus dated March 25, 2010, filed with the Securities and Exchange Commission under Rule 424(b) on January 21, 2011.

In connection with the issuance and sale of the Senior Notes, Fifth Third entered into a Supplemental Indenture dated as of January 25, 2011 with Wilmington Trust Company, as Trustee, which modifies the existing Indenture for Senior Debt Securities dated as of April 30, 2008 between Fifth Third and the Trustee. The Supplemental Indenture and the Indenture define the rights of the Senior Notes, which Senior Notes are represented by Global Securities dated as of January 25, 2011.
