Danna are the Class I Directors; John W. Casey and James Musbach are the Class II Directors; and Thomas R. McGuire and Ben A. Frydman are the Class III Directors. Set forth below is information regarding the Company's Directors:

Name	Age	Position	Director Since	Current Term Expires

Leonard P. Danna	58	Director	2003	2013
Class II Directors:

Ben A. Frydman	64	Director	1988	2012

Class I Directors

Robert S. Throop has served as a director of the Company since 1995. Until his retirement in late 1996, and for more than the prior five years, Mr. Throop was the Chairman and Chief Executive Officer of Anthem Electronics, Inc., which is a national distributor of semiconductor and computer products and was, during Mr. Throop's tenure as its Chairman and CEO, a New York Stock Exchange listed company. Mr. Throop served as a director of the Manitowoc Company, a publicly traded company that is a leading manufacturer of industrial cranes, until he retired from its board in 2007. Mr. Throop also is a director of Azerity, which is a privately owned business. Having been the CEO of a publicly owned national distribution company for many years, Mr. Throop brings a wealth of knowledge regarding the management and operation and the risks faced by product distribution companies.

Leonard P. Danna has served as a director of the Company and Chairman of the Audit Committee of the Board of Directors since November 2003. Mr. Danna is, and since April 1999 has been, an audit partner with the accounting firm of Vavrinek, Trine Day & Co., LLP. From August 1985 to April 1999, Mr. Danna was an audit partner with Grant Thornton LLP. As a result of his accounting experience, Mr. Danna is familiar with financial reporting requirements and financial issues faced by publicly traded companies, making him an effective member of Audit Committee, of which he is the Chairman.

Class II Directors

John W. Casey has served as a director of the Company since August 1998. From 1980 and until his retirement in 1994, Mr. Casey was President and Chief Executive Officer of Shurflo Pump Mfg. Company (Shurflo), which is engaged in the manufacture and sale of pumps used in pumping and circulating water or other liquids in a variety of products and equipment, including recreational vehicles (RVs) and soft drink dispensing machines. Mr. Casey also serves as a trustee of the Deschutes Land Trust. Having been the CEO of Shurflo, which is a supplier of products to the RV manufacturers and distributors, Mr. Casey brings to the Board considerable knowledge regarding the RV market generally and also the perspective of an aftermarket product manufacturer and supplier to the RV industry, which is valuable to the Board and management due to the Company's reliance on such manufacturers and suppliers for the products it sells.

Table of Contents

James Musbach is and since April 2008 has been the Chief Executive Officer of the Company. From September 2006 until his promotion to CEO in 2008, Mr. Musbach was the Company's President and Chief Operating Officer and since November 2007 has been a member of the Board of Directors. From 1995 until 2004, Mr. Musbach was Executive Vice President of Raytek Corporation, a manufacturer of infrared non-contact temperature measurement tools, sensors and systems. While at Raytek, Mr. Musbach also served as General Manager of Raytek's Portable Products Division and, in that capacity, directed that Division's global operations. Prior to joining Raytek, Mr. Musbach held various executive positions, including Executive Vice President and General Manager and Vice President of Sales and Marketing, with Import Parts America, a North America automotive aftermarket importer and distributor with relationships in Asia and Europe. As a result, Mr. Musbach has extensive experience and knowledge about managing and growing businesses, managing foreign business relationships and developing and implementing product marketing and distribution programs. Such knowledge and experience already have been and will continue to be of considerable importance to the Company in implementing and expanding its proprietary products strategy and its initiative to sell products not only into the RV and boating markets, but also into other markets, such as the outdoor power equipment market.

Class III Directors

Thomas R. McGuire is a founder of the Company and has been Chairman of the Board of the Company since its inception in 1977. Mr. McGuire also served as the Company's Chief Executive Officer from 1977 until April 2008, when he relinquished that position upon Mr. Musbach's promotion to CEO. Mr. McGuire retains the position of Executive Chairman of the Company and continues as Chairman of the Board of Directors. Having been the Company's founder and CEO, and having been the principal architect of its growth strategies, Mr. McGuire brings a wealth of knowledge to the Board regarding the Company's operations, markets and growth strategies.

Ben A. Frydman has served as a director of the Company since 1988. Mr. Frydman is, and for more than the past thirty years has been, engaged in the private practice of law, as a member and shareholder of Stradling Yocca Carlson & Rauth, a Professional Corporation, which provided legal services to the Company in 2009 and is providing legal services to the Company in 2010. Mr. Frydman received a Bachelor's Degree from UCLA in 1968 and graduated with honors with a J.D. Degree from Harvard Law School in 1973. Mr. Frydman has been the Company's outside counsel since 1983 and, in that capacity, has been an advisor to management and the Board in connection with virtually all of the Company's major corporate transactions and acquisitions and the implementation of its growth strategy. As a result, he has a keen knowledge of the Company's business and the management of business risks that the Company encounters in connection with its operations and growth strategies.

THE BOARD OF DIRECTORS

Role of the Board of Directors. In accordance with Delaware law and our Bylaws, the Board of Directors oversees the management of the business and affairs of the Company. The members of the Board keep informed about our business through discussions with management of the Company, by reviewing analyses and reports sent to them by management and outside consultants, and by participating in Board and in Board committee meetings.

Our Board members are encouraged to prepare for and to attend all meetings of the Board and the Board committees of which they are members and all stockholder meetings. During the fiscal year ended December 31, 2010, the Board of Directors of the Company held a total of four meetings and all of the directors attended at least 80% of the total of those meetings and the meetings of the Board committees on which they served during 2010. All of our directors, with the exception of Mr. Danna, also attended the 2010 Annual Meeting of Stockholders.

Committees of the Board of Directors

The Board has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Governance Committee. Information regarding the members of each of those Committees and their responsibilities and the number of meetings held by those Committees in 2010 is set forth below.

Audit Committee and Financial Experts. The members of the Audit Committee are Leonard P. Danna, its Chairman, and Robert S. Throop and John W. Casey. The Board of Directors has determined that all of the members of the Audit Committee are independent within the meaning of the AMEX listed company rules and the enhanced independence requirements for audit committee members contained in Rule 10A-3 under the Securities Exchange Act of 1934, as amended. Our Board of Directors also has determined that each of Messrs. Danna and Throop meets the definition of audit committee financial expert adopted by the Securities and Exchange Commission (the SEC). The Audit Committee has a written charter that specifies its responsibilities, which include oversight of the financial reporting process and system of internal accounting controls of the Company, and appointment and oversight of the independent registered public accounting firm engaged to audit the Company's financial statements. Interested stockholders can obtain a copy of that charter at our Internet website at www.coastdistribution.com. To ensure independence, the Audit Committee meets separately with our outside auditors and members of management, respectively. The Audit Committee held a total of four meetings during fiscal 2010.

Compensation Committee. The members of the Compensation Committee are John W. Casey, who serves as the Committee's Chairman, and Robert S. Throop and Leonard P. Danna, each of whom is independent (as defined in the AMEX listed company rules). The Compensation Committee (i) sets the salaries of the Company's executive officers, (ii) adopts incentive compensation and other benefit plans for our executive officers, and sets the performance targets and determines the incentive compensation awards under management bonus programs; and (iii) administers the Company's stock incentive plans and makes determinations with respect to the granting and terms of stock options and restricted shares under those plans. The Compensation Committee operates under a charter that sets forth the role and responsibilities of the Committee. A copy of that charter is accessible at our website at www.coastdistribution.com. The Compensation Committee held two meetings during fiscal 2010.

Nominating and Governance Committee. The members of the Nominating and Governance Committee (the Nominating Committee) are Robert S. Throop, its Chairman, Ben A. Frydman and John W. Casey, each of whom is independent within the meaning of the AMEX Listing Rules. This Committee has a written charter that specifies its responsibilities, which include identifying and recommending nominees for election to the Board; making recommendations to the Board regarding the directors to be appointed to each of its standing Committees; developing and recommending corporate governance guidelines for adoption by the Board of Directors; and overseeing the annual self-assessments by the Company's Directors of the performance of the Board of Directors and its Committees. A copy of the Committee's charter is accessible at our website at www.coastdistribution.com. The Committee held one meeting during 2010.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

Our Directors believe that sound governance policies and practices provide an important framework to assist them in fulfilling their duties to the Company's stockholders. Our Board has adopted the following governance guidelines, which include a number of policies and practices under which our Board has operated for some time, together with concepts suggested by various authorities in corporate governance and the requirements under the AMEX listed company rules and the Sarbanes-Oxley Act of 2002. Some of the principal subjects covered by those guidelines include:

Director Qualifications. Candidates for election to the Board will be evaluated on the basis of each candidate's independence and freedom from conflicts of interest, experience, knowledge, skills, expertise, integrity, ability to make independent analytical inquiries; his or her understanding of our business and the business environment in which we operate; and his or her ability and willingness to devote adequate time and effort to Board responsibilities.

Independence and Responsibilities of Directors. A majority of the Directors, but in no event less than three directors, will be independent directors (as defined in the AMEX listed company rules). Additionally, Directors are expected to act in the best interests of all stockholders; develop and maintain a sound understanding of our business and the industry in which we operate; prepare for and attend Board and Board committee meetings; and provide active, objective and constructive participation at those meetings.

Director Access to Management. Directors are to be permitted access to members of management and members of management are to provide Board presentations regarding the functional areas of our business for which they are responsible.

Adequate Funding for the Board and its Committees. The Company will provide the funding necessary to enable the Board of Directors and each of its committees to retain independent advisors as the Board, or such committees acting independently of the Board, deem to be necessary or appropriate.

Director Participation in Continuing Education Programs. New directors will participate in programs designed to familiarize them with our business, strategic plans, significant financial, accounting and risk management issues, compliance programs, conflicts policies, code of business conduct and corporate governance guidelines. In addition, each incumbent director is expected to participate in continuing education programs relating to developments in the Company's business and to corporate governance.

Annual Performance Evaluations. The Board and each Board committee will conduct an annual self-assessment of its performance.

Executive Sessions Without Management. The independent directors of the Board will hold separate sessions, outside the presence of management, to consider and evaluate the performance of the Company and its management and such other matters as they deem appropriate. In addition, the Audit Committee shall meet separately with the Company's outside auditors.

Director Independence and Diversity

As discussed above, Coast's corporate governance guidelines require that the Board be comprised of at least a majority of independent directors. For a director to be considered independent, the Board must affirmatively determine that he does not have any direct or indirect material relationship with Coast that, in the opinion of the Board, would interfere with the exercise of that director's independent judgment in carrying out his responsibilities as a director. A director will not be deemed to be an independent director if, within the preceding three years:

Edgar Filing: COAST DISTRIBUTION SYSTEM INC - Form 10-K/A

The director was employed by Coast;

An immediate family member of the director was employed as an executive officer of Coast;

Table of Contents

The director was employed by or affiliated with, or an immediate family member of the director was employed in a professional capacity by or affiliated with, Coast's independent registered public accounting firm;

A present Coast executive officer was on the compensation committee of the board of directors of a company that concurrently employed the Coast director, or an immediate family member of the director, as an executive officer;

The director, or an immediate family member of the director, received more than \$60,000 in direct compensation from Coast during any 12 month period within the preceding three years, other than director and committee fees and any deferred compensation for prior service (provided such deferred compensation is not contingent in any way on continued service with the Company); or

The director, or an immediate family member of the director, is a partner, executive officer, or controlling stockholder of another company or professional entity (including any law firm or investment banking firm) to which Coast made, or from which Coast received, payments for property or services in the current or any of the past three fiscal years that exceeded the greater of (i) 5% of consolidated gross revenues of that company or professional entity for that year, or (ii) \$200,000.

On the basis of the above criteria, the Board has determined that four of the Company's six directors are independent, including Mr. Frydman. As Messrs. McGuire and Musbach are executive officers of the Company, they are not deemed to be independent directors under the criteria set forth above. In determining that Mr. Frydman is independent, the other independent directors considered the fact that Mr. Frydman is a stockholder in the law firm of Stradling Yocca Carlson & Rauth, which provided legal services to Coast during the past three years and is providing legal services to Coast in 2011. However, on the basis of the criteria set forth above and their evaluation of Mr. Frydman's past performance as a director, the other independent directors determined that his relationship did not interfere with the exercise of his independent judgment in carrying out his responsibilities as a director of Coast.

The Nominating Committee believes that differences in experience, knowledge, skills and viewpoints enhance the Board of Directors performance. Accordingly, the Nominating Committee considers such diversity in selecting, evaluating and recommending proposed Board nominees. However, neither the Board of Directors nor the Nominating Committee has implemented a formal policy with respect to the consideration of diversity for the composition of the Board of Directors.

Code of Business Conduct

We have adopted a Code of Business Conduct for our officers and employees that has been approved by the Board of Directors. The Code sets forth specific ethical policies and principles that apply to our Chief Executive Officer, Executive Chairman, Chief Financial Officer and other key accounting and financial personnel. A copy of our Code of Business Conduct is posted on our Internet website at www.coastdistribution.com. We also intend to disclose, on that website, any amendments to the Code and any waivers of its requirements that may be granted to our Chief Executive Officer, Executive Chairman or Chief Financial Officer. To date, no such waivers have been granted.

Communications with the Board

Stockholders and other parties interested in communicating with the non-management directors as a group may do so by writing to the Corporate Secretary, The Coast Distribution System, Inc., 350 Woodview Avenue, Morgan Hill, California 95037. The Corporate Secretary will review and forward to the appropriate member or members of the Board copies of all such correspondence that, in the opinion of the Corporate Secretary, deals with the functions of the Board or its committees or that she otherwise determines requires their attention. Concerns relating to accounting, internal controls or auditing matters will be brought promptly to the attention of the Chairman of the Audit Committee and will be handled in accordance with procedures established by that Committee.

The Audit Committee also has established a financial integrity hotline for (i) Company employees and others to be able to communicate, anonymously, to the Audit Committee any concerns or issues they may have regarding accounting or auditing matters and (ii) for the receipt, retention and treatment of those communications and any complaints received with respect to such matters.

Table of Contents

Nomination of Directors

In identifying candidates for membership on the Board, the Nominating Committee will seek recommendations from existing Board members and executive officers. In addition, the Nominating Committee will consider any candidates that may be recommended by any of the Company's stockholders who make those recommendations in accordance with the procedures described below. The Committee also has the authority to engage an executive search firm and other advisors as it deems appropriate to assist it in identifying qualified Board candidates.

In assessing and selecting new candidates for Board membership, the Nominating Committee will consider such factors, among others, as the candidate's independence and freedom from conflicts of interest, experience, knowledge, skills and expertise, as demonstrated by past employment and board experience and the candidate's reputation for integrity. When selecting a nominee from among candidates under consideration, the Nominating Committee will conduct background inquiries of and interviews with those candidates which the members of the Nominating Committee believe are best qualified to serve as directors of the Company. The Nominating Committee will consider a number of factors in making its selection of a nominee from among those candidates, including, among others, whether the candidate has the ability, willingness and enthusiasm to devote the time and effort required of members of the Board; the candidate's independence, including whether the candidate has any conflicts of interest or commitments that would interfere with the candidate's ability to fulfill the responsibilities of a director; whether the candidate's skills and experience would add to the overall competencies of the Board; and whether the candidate has any special background or experience relevant to the Company's business.

Stockholder Recommendation of Board Candidates. Any stockholder desiring to submit a recommendation for consideration by the Nominating Committee of a candidate that the stockholder believes is qualified to be a Board nominee at any annual stockholders meeting may do so by submitting that recommendation in writing to the Board of Directors not later 120 days prior to the first anniversary of the date on which the proxy materials for the prior year's annual meeting were first sent to stockholders. However, if the date of an annual meeting has been changed by more than 30 days from the anniversary date of the prior year's annual meeting, the recommendation must be received within a reasonable time before the Company begins to print and mail its proxy materials for that annual meeting. In addition, the recommendation should be accompanied by the following information: (i) the name and address of the nominating stockholder and the person that the nominating stockholder is recommending for consideration as a candidate for Board membership; (ii) the number of shares of voting stock of the Company that are owned by the nominating stockholder, his or her recommended candidate and any other stockholders known by the nominating stockholder to be supporting the nomination of that candidate; (iii) a description of any arrangements or understandings that relate to the election of directors of the Company, between the nominating stockholder, or any person that (directly or indirectly through one or more intermediaries) controls, or is controlled by, or is under common control with, such stockholder, on the one hand, and the person that the nominating stockholder is recommending for election to the Board or any other person or persons (naming each such person), on the other hand; (iv) such other information regarding the recommended candidate as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC; and (v) the written consent of the recommended candidate to be named as a nominee and, if nominated and elected, to serve as a director.

Stockholder Nominations. Our Bylaws provide that any stockholder also may nominate, at any annual meeting of stockholders, one or more candidates for election to the Board of Directors, by giving the Company written notice (addressed to the Secretary of the Company at the Company's principal offices) of such stockholder's intention to do so not later than 120 days prior to the first anniversary of the date on which the proxy materials for the prior year's annual meeting were first sent to stockholders. Such notice must be accompanied by the same information, described in the immediately preceding paragraph, regarding such candidate or candidates to be nominated for election to the Board and the nominating stockholder and the written consent of each such candidate to be named as a nominee and, if nominated and elected, to serve as a director. Any stockholder nomination at any annual meeting that does not comply with these Bylaw requirements will be ineffective and disregarded.

- (1) Effective April 7, 2008, Mr. Musbach was promoted to the position of CEO. Although, as a result of that promotion, the Compensation Committee approved an increase in Mr. Musbach's annual base salary from \$250,000 to \$300,000, Mr. Musbach declined to accept that increase as his contribution to a Company cost reduction program. Mr. Musbach voluntarily reduced his annual base salary by 10%, effective February 1, 2009, in conjunction with a 10% across-the-board reduction in salaries and wages throughout the Company. In July 2010, one-half of that 10% reduction was restored for all Company employees, including Mr. Musbach. As a result, Mr. Musbach's annual base salary is now, and since July, 2010 has been, \$237,500. See Narrative to Summary Compensation Table below.
- (2) Effective April 7, 2008, Mr. McGuire was appointed as Executive Chairman, a full time management position with the Company, in conjunction with the promotion of Mr. Musbach as CEO in furtherance of the Board's management succession plan. There was no change made to Mr. McGuire's compensation in connection with that change in his position. However, effective June 1, 2008, Mr. McGuire voluntarily reduced his annual base salary by \$50,000 to \$310,000 and effective December 1, 2008, he voluntarily reduced his annual base salary further, by \$60,000, to \$250,000 as his contributions to a Company cost reduction program. Like the other Named Executive Officers, Mr. McGuire voluntarily reduced his annual base salary by another 10%, effective as of February 1, 2009. In July 2010, one-half of that reduction was restored for all Company employees, including Mr. McGuire. Mr. McGuire's annual base salary is now \$237,500. See Narrative to Summary Compensation Table below.
- (3) Like the other NEOs, Ms. Knell voluntarily reduced her annual base salary by 10%, effective as of February 1, 2009, to \$185,000, and in July 2010 one-half of that pay reduction was restored. Mrs. Knell's annual base salary is now \$195,500. See Narrative to Summary Compensation Table below.
- (4) None of the NEOs received any non-equity incentive compensation awards for 2010 or 2009. See Narrative to Summary Compensation Table below.
- (5) Amounts in this column represent the grant date fair values of equity plan awards granted to the NEOs calculated in accordance with FASB ASC 718. The fair values of the options granted to the NEOs were estimated using a binomial option valuation model which incorporates certain assumptions relating to a risk-free market interest rate, expected dividend yield of the Company's common stock, expected option life and expected volatility in the market value of the our common stock. For a complete description of the valuation methodology and the assumptions used in the estimation, please refer to Note E, STOCK OPTIONS AND STOCK PURCHASE PLANS to the Company's consolidated financial statements included in Item 8 of this Annual Report on Form 10-K.

- (6) The other compensation received by Messrs. Musbach and McGuire in 2010 and 2009 consisted solely of automobile allowances to reimburse them for the expenses they incurred in using their personal automobiles on Company business.

Narrative to Summary Compensation Table

Annual Base Salaries

Mr. Musbach served as the Company's President and Chief Operating Officer until April 2008, when he was promoted to Chief Executive Officer. Although the Compensation Committee approved an increase in Mr. Musbach's annual base salary from \$250,000 to \$300,000 in conjunction with his promotion to CEO, he declined to accept that increase as his contribution to a cost reduction program adopted by the Board in response to the economic recession and credit crisis which were adversely affecting the Company's results of operations and cash flows (the Cost Reduction Program). As a result, Mr. Musbach's annual base salary in 2008 was \$250,000, unchanged from his annual base salary in 2007. Mr. Musbach voluntarily reduced his annual base salary by 10%, effective as of February 1, 2009, in conjunction with a 10% across-the-board reduction in salaries and wages throughout the Company. In July 2010, one-half of the February 2009 pay reductions were restored for all of the Company's officers and employees, including Mr. Musbach. As a result, Mr. Musbach's current annual base salary is \$237,500.

In 2008, Mr. McGuire's annual base salary was \$360,000. However, as his contribution to the Company's Cost Reduction Program, Mr. McGuire voluntarily reduced his annual base salary on two occasions in 2008: (i) a \$50,000 reduction, effective June 1, 2008, bringing his annual base salary from \$360,000 to \$310,000 and (ii) an additional \$60,000 reduction, effective December 1, 2008, bringing his annual base salary from \$310,000 to \$250,000, which was 30% lower than the amount of his annual base salary at the beginning of 2008. As a result, the salary paid to Mr. McGuire in 2008 totaled approximately \$331,000, as compared to \$360,000 in 2007. Mr. McGuire's annual base salary for 2009 reflects a full year of those two salary reductions in 2008 and an additional 10% voluntary reduction in his then salary effective February 1, 2009. In July 2010, one-half of the February 2009 pay reductions were restored for all of the Company's officers and employees, including Mr. McGuire. As a result, Mr. McGuire's current annual base salary is \$237,500.

Effective September 1, 2008, the Compensation Committee approved a 3% increase in Ms. Knell's annual base salary to \$206,000 in order (i) to make her annual base salary more competitive with salaries paid to chief financial officers of California based companies of similar size and capitalization, and (ii) to recognize and reward Ms. Knell for her past service and individual performance as the Company's Chief Financial Officer. In 2009, however, like the other NEOs, Ms. Knell agreed to reduce her annual base salary by 10%, effective February 1, 2009, in conjunction with a 10% across-the-board reduction in salaries and wages throughout the Company. In July 2010, one-half of the February 2009 pay reductions were restored for all of the Company's officers and employees, including Ms. Knell. As a result, Ms. Knell's current annual base salary is \$195,500.

Non-Equity and Equity Incentive Compensation

Cash Incentive Plans. Our Compensation Committee usually adopts annual cash incentive or bonus plans which provide opportunities to our executive officers and other key management employees (Plan Participants) to earn cash incentive awards or bonuses in an amount equal to a percentage of their respective base salaries. The payment of bonuses under these plans is conditioned on the Company's achievement of a threshold financial performance goal for the fiscal year for which the plan is adopted. If that goal is met or exceeded, the amounts of the bonus awards will depend on the extent to which the Company's financial performance for that year exceeded that threshold performance goal. The primary purposes of these annual cash bonus plans is to (i) provide meaningful incentives in the form of financial awards to Plan Participants for making significant contributions to the achievement, by the Company, of one or more financial goals for the fiscal year, and (ii) to make a significant portion of the compensation of each Participant, in excess of his or her annual base salary, dependent on the Company's financial performance and, thereby, promote the interests of the Company and its stockholders. In 2010, the amounts of potential incentive compensation awards that NEOs could earn under the bonus plan ranged from 10% to 55% of their respective base annual salaries. However, no cash bonus awards were earned or paid under the bonus plan to any of the NEOs in 2010, because the Company did not achieve the 2010 threshold financial performance goal under that plan.

In 2009, the Compensation Committee decided to grant additional equity incentives, in the form of stock options, to each of the NEOs in lieu of the adoption of a non-equity incentive compensation program.

Equity Incentive Compensation Plans. With the approval of our stockholders, we adopted an equity incentive plan in 2008 (the 2008 Plan), which sets aside shares of our common stock for grants of equity awards which, to date, have consisted of stock options and restricted stock awards. Those awards are intended to create incentives, in the form of financial rewards, to NEOs and other management employees for performance that leads to increases in our stock price, so as to better align the financial interests of our NEOs and other management employees with those of our stockholders. Additionally, such awards ordinarily contain vesting conditions which the recipients of the awards to remain in the Company's employ over vesting periods that, in most cases, range from three-to-five years, in order to earn those awards. Generally, if an executive's employment with the Company is terminated (whether by the executive or the Company) prior to the expiration of the multi-year vesting period, the unvested portion of the equity award is forfeited. As a result, such awards also provide an incentive for executives to remain in the Company's employ for such multi-year vesting periods.

Table of Contents

The Compensation Committee administers the 2008 Equity Incentive Plan and, in that capacity, determines (i) the officers and other management employees who will be granted equity incentive awards, the number of shares that a participant may receive pursuant to the award, and the nature and terms of, and the vesting conditions that will apply to, such awards, which may take the form of stock options, restricted stock awards, restricted stock units or stock appreciation rights. Generally, the Compensation Committee grants equity awards to our NEOs and other key management employees on the commencement of their employment with the Company, and annually thereafter, at a regularly scheduled Committee meeting usually held during the first quarter of each year.

Table of Contents***Option Exercises and Restricted Stock Vested in Fiscal Year Ended December 31, 2010***

None of the NEOs exercised any of their stock options, and none of their restricted shares became vested, during 2010.

Pension Benefits

We have not established any pension arrangements and we do not provide any post-retirement health coverage for our NEOs or other employees. Our NEOs, as well as all other full time employees, are eligible to participate in our 401(K) defined contribution plan on a non-discriminatory basis. The Company did not make any matching contributions to the 401(K) plan for 2010.

Nonqualified Deferred Compensation Plans

We have not established any nonqualified deferred compensation programs for our NEOs or any other employees.

Potential Payments on Termination or Change of Control

We currently do not have employment agreements, severance agreements, change of control agreements or any other forms of agreement with our NEOs which provide for the payment of compensation or non-equity awards or the provision of benefits on a termination of employment or as a result of a change of control transaction.

Our stock incentive plans provide that all unvested options or restricted shares, whether held by the NEOs or other employees, will become vested on a change of control of the Company unless the party acquiring control of the Company agrees to assume or substitute comparable equity incentives for those outstanding options on terms approved by the Compensation Committee.

Director Compensation

Only non-employee directors receive compensation for service on the Board of Directors and Committees of the Board. In 2010, non-employee directors were entitled to receive a retainer of \$8,000 per year and a fee of \$2,000 for (i) attendance at each Board of Directors meeting, and (ii) each Committee meeting that was held on a date other than a date on which a Board meeting was held. Non-employee directors were reimbursed for their out-of-pocket expenses incurred in attending those meetings.

Pursuant to the Company's stockholder-approved employee stock incentive plans, each year each non-employee director is automatically granted an option to purchase 2,000 shares of common stock at an exercise price that is equal to the per share closing price of the Company's shares on the date of grant, as reported by the American Stock Exchange. These options become fully exercisable six months after the date of grant. Upon joining the Board, any new non-employee director is granted an option to purchase 2,000 shares, which becomes exercisable in full one year after the date of grant.

The following table sets forth, for each non-employee director, information regarding the cash compensation paid and the stock options granted for service on the Board and its Committees during 2010.
