GRACO INC. AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(Unaudited)

1. The consolidated balance sheet of Graco Inc. and Subsidiaries (the Company) as of July 1, 2011 and the related statements of earnings for the thirteen and twenty-six weeks ended July 1, 2011 and June 25, 2010, and cash flows for the twenty-six weeks ended July 1, 2011 and June 25, 2010 have been prepared by the Company and have not been audited.

In the opinion of management, these consolidated financial statements reflect all adjustments (consisting of only normal recurring adjustments) necessary to present fairly the financial position of Graco Inc. and Subsidiaries as of July 1, 2011, and the results of operations and cash flows for all periods presented.

In the fourth quarter of 2010, the Company changed its cash flow presentation of notes payable activity, for all periods presented, to separately disclose borrowings and payments. The Company also changed the cash flow presentation of activity on the swingline portion of its long-term revolving credit arrangement by changing the method it uses to accumulate borrowing and payment amounts. In prior periods, such activity was disclosed on a net basis. The effect of this change was to increase both borrowings and payments on long-term line of credit by \$46 million in the first half of 2010. These changes had no impact on net cash used in financing activities.

Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted. Therefore, these statements should be read in conjunction with the financial statements and notes thereto included in the Company's 2010 Annual Report on Form 10-K.

The results of operations for interim periods are not necessarily indicative of results that will be realized for the full fiscal year.
