**Item 1.02 Termination of a Material Definitive Agreement.**

Ligand Pharmaceuticals Incorporated (the Company) received a notice dated September 1, 2011 from MedImmune, LLC, formerly MedImmune, Inc. (MedImmune) providing that MedImmune was exercising its right to terminate the Collaboration and License Agreement (the Collaboration and License Agreement) effective as of April 19, 2001, by and between MedImmune and the Company, successor in interest to Genaera Corporation. On May 18, 2010, the Company entered into a purchase and sale agreement (the Asset Purchase Agreement) with the Genaera Liquidating Trust (the Trust). Under the Asset Purchase Agreement the Company purchased from the Trust specified intellectual property and the Collaboration and License Agreement that MedImmune entered into with Genaera Corporation (the predecessor to the Trust). Under the terms of the Collaboration and License Agreement, the termination will be effective upon 90 days prior written notice or November 30, 2011.

Upon termination, MedImmune is required to promptly return to the Company all of its materials and know-how. In addition, MedImmune is required to discuss with the Company the granting of a royalty-bearing license to MedImmune's intellectual property with respect to the product licensed under the Collaboration and License Agreement. However, MedImmune has no obligation to grant such a license or to retain the ability to grant such license.

The foregoing summary of the material terms of the Asset Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the Asset Purchase Agreement, a copy of which was filed with the Securities and Exchange Commission by the Company on its Current Report on Form 8-K on May 24, 2010.

The foregoing summary of the material terms of the Collaboration and License Agreement does not purport to be complete and is qualified in its entirety by reference to the Collaboration and License Agreement, a copy of which was filed with the Securities and Exchange Commission by Genaera Corporation on its Quarterly Report on Form 10-Q for the quarter ended March 31, 2001.
