PROXY STATEMENT

This Proxy Statement is being furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of InfuSystem Holdings, Inc. (the "Company") to be used at the Annual Meeting of Stockholders to be held on Friday, May 25, 2012, and at any adjournment thereof (the "Meeting"), for the purposes set forth in the accompanying Notice of Meeting. This Proxy Statement and the accompanying materials are expected to be first sent or given to stockholders of the Company on or about May 7, 2012.

The close of business on April 30, 2012 has been fixed as the record date (the "Record Date") for the determination of the stockholders entitled to notice of and to vote at the Meeting. Only holders of shares of the Company's common stock, par value \$0.0001 per share ("Common Stock"), as of the Record Date are entitled to notice of and to vote at the Meeting. Each share of Common Stock entitles the holder thereof to one vote per share on each matter presented to the stockholders for approval at the Meeting. On the Record Date, there were 21,330,235 shares of Common Stock outstanding and entitled to vote.

If your shares are registered directly in your name with the Company's transfer agent, BNY Mellon Shareowner Services, you are considered the stockholder of record of those shares and this Proxy Statement and the accompanying materials are being sent directly to you by the Company.

If you are a stockholder of record (also called a registered stockholder) you can vote your shares in person at the Meeting or you can vote by proxy using the Internet at www.proxyvoting.com/infu by telephone at 1-866-540-5760 or by completing and returning the enclosed proxy card.

Whichever method you use, each valid proxy received in time will be voted at the Meeting in accordance with your instructions. To ensure that your proxy is voted, it should be received by the close of business on May 24, 2012. If you submit a proxy without giving instructions, your shares will be voted as recommended by the Board of Directors.

You may change your vote or revoke your proxy at any time before it is voted at the Meeting by executing a later-voted proxy by telephone, mail or the Internet or by voting by ballot at the Meeting.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name (also called a street name holder), and this Proxy Statement and the accompanying materials are being forwarded to you by your broker, bank or nominee, who is considered the stockholder of record of those shares. As a beneficial owner, you have the right to direct your broker, bank or nominee on how to vote the shares held in your account. If you do not provide instructions to the broker, bank or nominee, that firm will only be able to vote your shares with respect to routine matters. Please note that pursuant to revised broker voting regulations, the only routine matter for the Meeting and the only matter for which brokers, banks and nominees will have the discretion to vote, is Proposal 2 (Ratification of Independent Public Accounting Firm). Your broker, bank or nominee must have proper instructions from you in order to vote with respect to Proposal 1 (Election of Directors), and without proper instructions from you, the broker, bank or nominee will not have the power to vote on, and will be considered a broker non-vote for, such proposal. We recommend that you contact your broker, bank or nominee to assure that your shares are properly voted.

The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock entitled to vote at the Meeting will constitute a quorum.

Table of Contents

The vote required, and the effect of abstentions and broker non-votes with respect to each proposal, is as follows:

The Board of Directors (Proposal 1) will be elected by a plurality of the votes cast by the shares of the Company's Common Stock issued and outstanding as of the Record Date that are present, in person or by proxy. You may vote in favor or withhold your vote with respect to each individual nominee. Votes that are withheld and broker non-votes are not considered votes cast.

The proposal to ratify the selection of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the year ended December 31, 2012 (Proposal 2), will require an affirmative vote of a majority of the shares of the Company's Common Stock issued and outstanding as of the Record Date that are present and entitled to vote in person or by proxy at the Meeting. You may either vote for or against or abstain from voting on such proposal. Abstentions will be treated as shares present or represented and entitled to vote at the Meeting and will have the same effect as a vote against the proposal. Broker non-votes, if any, or a failure to vote by not returning a signed proxy will have no effect on the outcome of such proposal.

UNLESS SPECIFIED OTHERWISE, THE PROXIES WILL BE VOTED AT THE MEETING OR ANY ADJOURNMENT THEREOF:

(I) **FOR THE ELECTION OF THE SEVEN NOMINEES NAMED IN THIS PROXY STATEMENT TO SERVE AS DIRECTORS OF THE COMPANY UNTIL THE ANNUAL MEETING OF STOCKHOLDERS IN 2013 AND UNTIL THEIR SUCCESSORS ARE DULY ELECTED AND QUALIFIED; AND**

by the Board of Directors and of the meetings of each committee on which such director served. In addition to regularly scheduled meetings, the directors discharge their responsibilities through telephonic and other communications with each other and the executive officers.

The Board has no policy regarding director attendance at annual meetings of stockholders. Two members of the Board at that time, Sean McDevitt and Pat LaVecchia, attended the 2011 Annual Meeting.

The Board of Directors has established an Audit Committee, a Nominating and Governance Committee and a Compensation Committee, each of which reports to the Board of Directors.

The Board of Directors has elected Charles Gillman as lead independent director.

Audit Committee

The Audit Committee is composed entirely of independent directors. The following individuals are the current members of the Audit Committee: John Climaco, David Dreyer and Joseph Whitters, and Mr. Whitters serves as Chairman of the Audit Committee. The Audit Committee is responsible for meeting with the Company's independent registered public accounting firm regarding, among other issues, audits and adequacy of the Company's accounting and control systems. The Audit Committee held 12 meetings during the fiscal year ended December 31, 2011.

The Board of Directors has determined that each of Mr. Dreyer and Mr. Whitters qualifies as an "audit committee financial expert" as that term is defined under Item 407 of Regulation S-K of the Exchange Act. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is posted on the Company's website at www.infusystem.com.

Nominating and Governance Committee

The Nominating and Governance Committee is composed entirely of independent directors. The following individuals are current members of the Nominating and Governance Committee (the "Nominating Committee"): John Climaco, David Dreyer and Charles Gillman, and Mr. Climaco serves as Chairman of the Nominating Committee. The Nominating Committee held two meetings and took action by unanimous written consent on one occasion during the fiscal year ended December 31, 2011. The Board of Directors has adopted a written charter for the Nominating Committee, a copy of which is posted on the Company's website at www.infusystem.com.

The Nominating Committee identifies individuals for nomination to the Board of Directors by the full Board of Directors. The Nominating Committee will consider all qualified director candidates identified by members of the Nominating Committee, by senior management and stockholders. Stockholders who would like to propose an independent director candidate for the consideration of the Nominating Committee may do so by submitting the candidate's name, résumé and biographical information care of InfuSystem Holdings, Inc., 31700 Research Park Drive, Madison Heights, Michigan 48071, Attn: Secretary, no later than the deadline for submission of stockholder proposals set forth under the section of this Proxy Statement entitled "Stockholder Proposals for the 2013 Annual Meeting." All proposals for nomination received by the Secretary will be presented to the Nominating Committee for consideration.

The Nominating Committee reviews each director candidate's biographical information and assesses each candidate's independence, skills and expertise based on a variety of factors, including the following criteria:

Whether the candidate has exhibited behavior that indicates he or she is committed to the highest ethical standards.

Whether the candidate has had broad business, governmental, non-profit or professional experience that indicates that the candidate will be able to make a significant and immediate contribution to the Board of Directors' discussion and decision-making.

Table of Contents

Whether the candidate will be able to devote sufficient time and energy to the performance of his or her duties as a director. In addition to above listed criteria, the Nominating Committee considers the diversity of candidates, which may include diversity of skills and experience as well as geographic, gender, age, and ethnic diversity. The Nominating Committee does not, however, have a formal policy with regard to the consideration of diversity in identifying candidates.

Application of these factors requires the exercise of judgment by members of the Nominating Committee and cannot be measured in a quantitative way.

The Nominating Committee applied each of these factors in its review and assessment of the background, independence, skills and expertise of each of the director nominees included in this proxy statement, including the New Directors. Members of the Nominating Committee had several meetings and conversations with each of the director nominees and conducted extensive due diligence and background investigations prior to approving their nomination for election at the Meeting.

Compensation Committee

The Compensation Committee is composed entirely of independent directors. The following individuals are current members of the Compensation Committee: Charles Gillman, Joseph Whitters and Wayne Yetter, and Mr. Gillman serves as Chairman of the Compensation Committee. The Compensation Committee is responsible for approving the salaries, bonuses and other compensation and benefits of executive officers and directors and administering the InfuSystem Holdings, Inc. 2007 Stock Incentive Plan. The Compensation Committee held three meetings and took action by unanimous written consent on two occasions during the fiscal year ended December 31, 2011. The Board of Directors has adopted a written charter for the Compensation Committee, a copy of which is posted on the Company's website at www.infusystem.com.

The Compensation Committee evaluates executive officer performance in light of the Company's strategic objectives and establishes compensation levels based on such evaluation. The objectives of Compensation Committee are to attract and retain experienced and highly qualified personnel and reward our executive officers for advancing critical elements of our strategic plan.
