#### Item 11

(a) **Agreements, Regulatory Requirements and Legal Proceedings.** Item 11(a) of the Schedule TO is hereby amended and supplemented by adding the following paragraphs immediately after the last paragraph of the sub-section captioned Stockholder Litigation Delaware Litigation.

On July 9, 2012, a putative stockholder class action complaint was filed in the Court of Chancery of the State of Delaware, captioned Halberstam v. Amylin Pharmaceuticals, Inc., Case No. 7682. The complaint names as defendants the Company, the Individual Defendants, Parent and Purchaser. The complaint alleges generally that the Individual Defendants breached their fiduciary duties and that the Individual Defendants, Company, Parent and Purchaser aided and abetted the purported breaches of such fiduciary duties. The complaint includes allegations that the Individual Defendants breached their fiduciary duties by contractually preventing a higher offer from other interested buyers and attempting to unfairly deprive stockholders of the value of their investment in the Company and by putting their personal interests ahead of the interest of the Company's stockholders. The relief sought includes declaratory judgment, an injunction prohibiting consummation of the proposed transaction, rescission or actual and punitive damages (in the event the proposed transaction has already been consummated), and an award of plaintiff fees and expenses. The Company believes the plaintiffs' allegations lack merit and will vigorously contest them. The foregoing description is qualified in its entirety by reference to the complaint which is filed as Exhibit (a)(5)(G). On July 10, 2012, plaintiff filed a notice and proposed order of voluntary dismissal, which is currently pending before the court.

On July 10, 2012, a putative stockholder class action complaint was filed in the court of Chancery of the State of Delaware captioned Solak v. Amylin Pharmaceuticals, Inc., Case No. 7684. On July 12, 2012, a putative stockholder class action complaint was filed in the court of Chancery of the State of Delaware captioned Jurko v. Amylin Pharmaceuticals, Inc., Case No. 7695. Each complaint names as defendants the Company, the Individual Defendants, Parent and Purchaser, and each complaint was subsequently consolidated as described below.

On July 10, 2012, the Court of Chancery of the State of Delaware approved a stipulated order of class certification and case management, which certified a conditional class in the case captioned Phillips v. Amylin Pharmaceuticals, Inc., Case No. 7673-CS (the Delaware Action ) and named Maxine Phillips as lead plaintiff for the class (the Lead Plaintiff ). The terms of the order provide that it shall apply to each case subsequently filed in the Court of Chancery or transferred to the Court of Chancery that relate substantially to the same matter as the Delaware Action and that the Lead Plaintiff shall promptly seek to have any such case consolidated with the Delaware Action. The parties to the Delaware Action have agreed to expedited discovery and a preliminary injunction hearing has been scheduled for August 6, 2012. The description in this paragraph is qualified in its entirety by reference to the Stipulated Order of Class Certification and Case Management filed as Exhibit (a)(5)(H).

On July 12, 2012, attorneys for the Lead Plaintiff filed a verified amended class action complaint in connection with the Delaware Action (the Amended Complaint ). The Amended Complaint names as defendants the Company, the Individual Defendants, the Parent and Purchaser. The Amended Complaint alleges generally that the Individual Defendants breached their fiduciary duties and Parent and Purchaser aided and abetting the purported breaches of such fiduciary duties. The Amended Complaint includes allegations that the Individual Defendants breached their fiduciary duties by failing to take steps to maximize the value of Amylin to its public shareholders. The relief sought includes an injunction, rescission (to the extent the proposed transaction has already been consummated) or rescissory damages, exclusion of certain shares from any vote in favor of the proposed transaction, and costs and disbursements, including attorneys' and experts' fees. The description in this paragraph is qualified in its entirety by reference to the Amended Complaint filed as Exhibit (a)(5)(I).

On July 17, 2012, the court entered an order consolidating three of the purported stockholder class action complaints filed in the Court of Chancery of the State of Delaware, captioned Phillips v. Amylin Pharmaceuticals, Inc., et al., Case No. 7673, Solak v. Amylin Pharmaceuticals, Inc., et al., Case No. 7684, and Jurko v. Amylin Pharmaceuticals, Inc., et al., Case No. 7695. The consolidated case is captioned In re Amylin Pharmaceuticals, Inc. Shareholders Litigation, Case No. 7673-CS (the Consolidated Delaware Action ), and the Amended Complaint is designated as the operative complaint.

Item 11(a) of the Schedule TO is further amended and supplemented by adding the following paragraph immediately after the last paragraph of the sub-section captioned Stockholder Litigation California Litigation.

## Edgar Filing: AMYLIN PHARMACEUTICALS INC - Form SC TO-T/A

On July 10, 2012, a putative stockholder class action complaint was filed in the Superior Court of California, County of San Diego, captioned Warnock v. Amylin Pharmaceuticals, Inc., Case No. 37-2012-00100410-CU-SL-CTL. The complaint names as defendants, the Company, the Individual Defendants, Parent and Purchaser. The complaint alleges generally that the Individual Defendants have violated fiduciary duties owed to public shareholders of the Company, have failed to obtain for such shareholders the highest value available for the Company and have failed to take steps to maximize the value of the Company in a change of control transaction. The complaint alleges that Parent, Purchaser and the Company have participated in the Individual Defendants' breaches of fiduciary duty and have aided and abetted the wrongdoing alleged therein. The relief sought includes an injunction enjoining the defendants from consummating the proposed transaction, rescission or the award of rescissory damages (in the event that the proposed transaction is consummated), compensatory damages, and the award of the costs and disbursements of the action, including attorneys' and experts' fees. The Company believes the plaintiffs' allegations lack merit and will vigorously contest them.
