Item 1.

BUSINESS

Handleman Company, a Michigan corporation (herein referred to as the Company or Handleman or Registrant), which has its executive offices in Troy, Michigan, is the successor to a proprietorship formed in 1934, and to a partnership formed in 1937. Handleman Company operated as a category manager and distributor of prerecorded music and console video game hardware, software and accessories to leading retailers in the United States (U.S.), United Kingdom (UK) and Canada. The Company was dissolved on May 5, 2009.

Copies of the Forms 10-K, Forms 10-Q, Forms 8-K, all amendments to those reports and certain other materials are available, as soon as reasonably practicable after said material is electronically filed with or furnished to the Securities and Exchange Commission, free of charge on the Registrant s website, www.handleman.com.

Handleman Company has been dissolved and continues only for purposes of winding down its affairs. In connection with the completion of its liquidation, the Company must resolve tax matters that may require management to adjust tax assets and liabilities, perhaps significantly.

Based on the Company s net asset balance as of April 28, 2012, the Company believes that it will have sufficient liquidity to fund the Company s remaining wind down related costs and provide payment in full to its creditors. These distributions are primarily dependent upon the resolution of all open items and periods with taxing authorities. If the Company is unable to resolve outstanding tax issues in a reasonable period of time, the Company s ability to settle its liabilities in full while incurring necessary wind down costs could be in doubt. If the Company is able to generate cash proceeds in excess of what is needed to satisfy all of the Company s obligations, the Company will distribute any such proceeds to shareholders. Whether there will be any excess cash proceeds for distribution to shareholders is subject to a number of material risks and uncertainties that may prevent any such distribution from occurring. Accordingly, while the Company believes that a cash distribution is possible, actual results may differ from current estimates, perhaps materially, possibly resulting in no excess cash proceeds available for distribution to shareholders or in increasing the final distribution from that currently anticipated.

Basis of Accounting

At the Company s annual shareholders meeting on October 1, 2008, the Company s shareholders approved a Plan of Final Liquidation of the Company. As a result of this approval, the Company adopted the liquidation basis of accounting as of October 5, 2008. This basis of accounting is appropriate when the liquidation of a company appears imminent and the net realizable value of its assets is reasonably determinable. Under this basis of accounting, assets and liabilities are stated at their net realizable value, and estimated costs through the liquidation date are accrued for, to the extent reasonably determinable.

Dissolution Filed with State of Michigan

On May 5, 2009, Handleman Company filed a Certificate of Dissolution with the Michigan Department of Energy, Labor and Economic Growth, Bureau of Commercial Services, Corporate Division. As a dissolved company, Handleman will continue its corporate existence, but will not conduct business, except for the purpose of winding down its affairs. Under State of Michigan law, before making any distribution to shareholders, a dissolved corporation must pay or make provision for its non-barred, valid debts, including those obligations that arise after the effective date of dissolution, but before the bar date and before the distribution. Accordingly, Handleman s activities are now limited to: selling, collecting or otherwise realizing the value of its remaining assets; making tax and other regulatory filings; winding down the Company s remaining business activities; paying (or adequately providing for the payment) of all non-barred, valid creditor claims and obligations; and making a distribution to Handleman Company shareholders.

On June 20, 2009, Handleman Company's shares of common stock became non-transferable. The Company will distribute proceeds, if any, to shareholders in proportion to their interests as of the close of business on June 20, 2009, the date of record.

DESCRIPTION OF FORMER BUSINESS OPERATIONS

Prior to the wind down of business operations, the reportable segments of the Company were category management and distribution operations, video game operations and all other.

* * * * *

See Management's Discussion and Analysis of Financial Condition and Results of Operations for additional information regarding the Company's wind down activities.

As of April 28, 2012, Handleman Company had two full-time employees and one part-time employee remaining, with none belonging to a labor union.

Item 1A.

RISK FACTORS

Cautionary Statement for Purposes of the Safe Harbor Provisions of the Private Securities Litigation Reform Act of 1995 The discussion of the Company's future plans contains various forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. There are risks associated with forward looking statements. Forward-looking statements are based on current expectations or beliefs concerning future events. Such statements can be identified by the use of terminology such as anticipate, believe, estimate, expect, intend, may, could, possible, plan, project, will, forecast, and other similar expressions. Do not place undue reliance on forward-looking statements since actual results may vary significantly.

Handleman cannot assure that it will have adequate cash to complete an orderly liquidation of the Company.

Based on the Company's net asset balance as of April 28, 2012, the Company believes that it will have sufficient liquidity to fund the Company's wind down related costs and provide payment in full to its creditors. These distributions are primarily dependent upon the resolution of all open items and periods with taxing authorities. If the Company is unable to resolve outstanding tax issues in a reasonable period of time, the Company's ability to settle its liabilities in full while incurring necessary wind down costs would be in doubt. If the Company is able to generate cash proceeds in excess of what is needed to satisfy all of the Company's obligations, the Company will distribute any such proceeds to shareholders. Whether there will be any excess cash proceeds for distribution to shareholders is subject to a number of material risks and uncertainties that may prevent any such distribution from occurring. Accordingly, while the Company believes that a cash distribution is possible, actual results may differ from current estimates, perhaps materially, possibly resulting in no excess cash proceeds available for distribution to shareholders.

Handleman cannot assure the timing of distributions to creditors and shareholders.

As the Company is still subject to the unresolved contingency described in Note 6 of Notes to Consolidated Financial Statements, the Company cannot ascertain when the payment of creditor claims and distribution to shareholders is likely to occur.

Handleman Company must resolve tax matters.

The Company is continuing to address on-going tax matters, including federal income taxes, state taxes and other taxing jurisdictions. Management continually monitors factors that may result in changes to tax estimates and may require management to adjust its tax assets and liabilities, perhaps significantly.

Handleman cannot assure that there will not be any unanticipated complications relating to its divested businesses.

Handleman cannot assure that there will not be unanticipated complications related to its divested businesses. Handleman may be subject to claims filed by customers, Anderson Merchandisers L.P. (Anderson), Tesco Stores Limited (Tesco), Fillpoint LLC (Fillpoint) and/or Mosaic Sales Solutions US Operations Co. LLC (Mosaic) related to the sale of those businesses. Although no disputes with such entities are currently pending, such disputes could arise in the future.

The Company's decision to wind down all business operations has resulted in the termination of employee relationships. Handleman is, therefore, subject to risk of employee lawsuits. While Handleman has made every effort to comply with laws related to these situations, there is a risk that an employee might assert that Handleman terminated his/her relationship in violation of certain laws, and that Handleman is required to pay the employee damages related to the employment termination. Even if Handleman were to prevail in such matters, Handleman would have to defend itself in matters related to employee rights and benefits.

Handleman Company cannot provide assurance that shareholder distributions will occur.

The Company's Board of Directors will consider the appropriate application of the remaining cash balances, if any, including a distribution to shareholders after Handleman has settled all, or substantially all, of its obligations.

Handleman may eventually rely on outside consultants and advisors to perform critical functions.

As Handleman progresses in the wind down of operations, it may become more dependent on outside consultants and advisors to perform critical functions. While Handleman anticipates that it will maintain Handleman employees in certain critical accounting, finance and tax positions, Handleman may have to rely on consultants, outside legal counsel and other contractors to perform day-to-day tasks. There is a risk that these non-Handleman employees will have interests and arrangements that may be different from the Company's shareholders' interests, including, but not limited to, other client priorities. Further, if the Company were to be unable to continue to employ qualified outside advisors and consultants to perform critical functions, the Company might be unable to meet its regulatory reporting obligations in a timely manner and the system of internal accounting controls may not function as intended.

UNRESOLVED STAFF COMMENTS

Item 2.

PROPERTIES

The Company currently occupies leased office space located in Troy, Michigan. The lease expires on December 31, 2012.

Item 3.

LEGAL PROCEEDINGS

See Note 6 of Notes to Consolidated Financial Statements for a discussion of the Company's contingencies.

Except as set forth in Note 6 of Notes to Consolidated Financial Statements, Handleman Company is not currently involved in any legal proceedings that are material or for which it does not believe it has adequate reserves. Any other legal proceedings in which the Company is involved are routine legal matters that are incidental to the wind down of business operations. The Company establishes reserves for all claims and legal proceedings based on its best estimate of the amounts it expects to pay.

MARKET FOR REGISTRANT'S COMMON EQUITY,
RELATED STOCKHOLDER MATTERS AND ISSUER

PURCHASES OF EQUITY SECURITIES

On May 6, 2009, Handleman Company petitioned the Circuit Court for Oakland County, State of Michigan, for an Order of Limited Supervision over the Liquidation of Handleman post-dissolution. On May 20, 2009, the court order was granted and declared that shares of Handleman common stock will become non-transferable 30 days after notification to shareholders. Accordingly, Handleman Company's shares of common stock became non-transferable on June 20, 2009. As of June 20, 2009, the Company had 2,551 shareholders of record.

Handleman Company's stock is traded on the Pink Sheet Electronic Quotation Service, trading symbol HDLM.PK. There can be no assurance that the Company's common stock will continue to be quoted on the Pink Sheet Electronic Quotation Service or any other service.

Below is a summary of the market price of the Company's common stock:

Quarter	Fiscal Years Ended					
	April 28, 2012			April 30, 2011		
	Low	High	Close	Low	High	Close
First	\$0.09	\$0.11	\$0.09	\$0.06	\$0.11	\$0.06

Fourth	0.02	0.05	0.02	0.08	0.14	0.09

During the fourth quarter of fiscal 2007, the Company suspended indefinitely its quarterly cash dividends. Accordingly, no dividends were declared during the past two fiscal years.

Item 7.

MANAGEMENT'S DISCUSSION AND ANALYSIS
OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The Company's fiscal year 2012 ended on April 28, 2012 and its fiscal year 2011 ended on April 30, 2011. Both fiscal years consisted of 52 weeks.

At the Company's annual shareholders' meeting on October 1, 2008, the Company's shareholders approved a Plan of Final Liquidation of the Company. As a result of this approval, the Company adopted the liquidation basis of accounting as of October 5, 2008. This basis of accounting is appropriate when the liquidation of a company appears imminent and the net realizable value of its assets is reasonably determinable. Under this basis of accounting, assets and liabilities are stated at their net realizable value, and estimated costs through the liquidation date are accrued for, to the extent reasonably determinable.

On May 5, 2009, Handleman Company filed a Certificate of Dissolution with the Michigan Department of Energy, Labor and Economic Growth, Bureau of Commercial Services, Corporate Division. As a dissolved company, Handleman will continue its corporate existence, but will not conduct business, except for the purpose of winding down its affairs. Under State of Michigan law, before making any distribution to shareholders, a dissolved corporation must pay or make provision for its non-barred, valid debts, including those obligations that arise after the effective date of dissolution, but before the bar date and before the distribution. Accordingly, Handleman's activities are now limited to: selling, collecting or otherwise realizing the value of its remaining assets; making tax and other regulatory filings; winding down the Company's remaining business activities; paying (or adequately providing for the payment) of all non-barred, valid creditor claims and obligations; and making a distribution to Handleman's shareholders.

The Company must complete the termination of the United States (U.S.) and Canadian pension plans. Pursuant to Board of Directors' approval on March 11, 2009 for the termination of the U.S. pension plan, and the subsequent approval of an amendment on November 22, 2010, the Company terminated this pension plan and paid participants either in a lump sum payout or through the purchase of an annuity contract, dependent upon the participant's selection of payment. U.S. pension plan participants had until February 24, 2012 to elect the lump sum payout option. As of April 28, 2012, the Company had purchased non-participating annuity contracts from Metropolitan Life Insurance Company (MetLife) or issued lump sum payments to the U.S. participants. MetLife completed an audit of the census data and will issue a final contract. The Company is preparing all final filings as required for the pension plan.

The Canadian pension plan, which received Board of Directors approval for termination early in fiscal 2009, paid participants either by lump sum payout or through the purchase of an annuity contract, dependent upon the participant's selection of payment. As of April 30, 2011, the Company had purchased non-participating annuity contracts from Desjardins Financial Security or issued lump sum payments to the majority of the Canadian participants. The remaining participants were issued payments in fiscal 2012.

Based on the Company's net asset balance as of April 28, 2012, the Company believes that it will have sufficient liquidity to fund the Company's wind down related costs and provide payment in full to its creditors. These distributions are primarily dependent upon the resolution of all open items and periods with taxing authorities. If the Company is unable to resolve outstanding tax issues in a reasonable period of time, the Company's ability to settle its liabilities in full while incurring necessary wind down costs could be in doubt. If the Company is able to generate cash proceeds in excess of what is needed to satisfy all of the Company's obligations, the Company will distribute any such proceeds to shareholders. Whether there will be any excess cash proceeds for distribution to shareholders is subject to a number of material risks and uncertainties that may prevent any such distribution from occurring. Accordingly, while the Company believes that a cash distribution is possible, actual results may differ from current estimates, perhaps materially, possibly resulting in no excess cash proceeds available for distribution to shareholders or in increasing the final distribution from that currently anticipated.

Payments during the liquidation period will be prioritized in the following hierarchy: (i) wind down related costs, including supplier costs necessary to the wind down of the business, employee obligations such as on-going salaries, fringe benefits and retention costs; (ii) income tax payments and other regulatory filing fees; (iii) payment of unsecured valid creditor claims and obligations, including the settlement of the terminated U.S. and Canadian pension plans; and (iv) distribution to shareholders.

On June 20, 2009, Handleman Company's common shares became non-transferable. This allows the Company to reduce costs during liquidation and maximize the liquidated value of the Company for the benefit of its creditors and potential benefit to its shareholders. The Company will distribute proceeds, if any, to shareholders in proportion to their interests as of the close of business on June 20, 2009, the date of record.

Prior to the wind down of business operations, Handleman Company operated as a category manager and distributor of prerecorded music and console video game hardware, software and accessories to leading retailers in the U.S., United Kingdom (UK) and Canada. During fiscal 2009, the Company completed sales agreements for certain assets related to the U.S., UK and Canadian category management and distribution operations, as well as the Crave Entertainment Group, Inc. (Crave) video game operations and the REPS LLC (REPS) field service business unit. All of those operations were wound down and the Company has no continuing involvement in those businesses.

Critical Accounting Estimates

The Company's discussion and analysis of its financial condition and results of operations are based upon the Company's consolidated financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America. The preparation of these financial statements requires the Company to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, and the related disclosure of contingent assets and liabilities. The Company continually evaluates its estimates and assumptions, which are based on historical experience, future expectations and other various factors that are believed to be reasonable under the circumstances. The results of these estimates and assumptions form the basis for making judgments about the carrying values of certain assets and liabilities.

The following are the Company's critical accounting estimates under the liquidation basis of accounting:

Accrued Liquidation Costs

The Company adopted the liquidation basis of accounting as of October 5, 2008. This basis of accounting is appropriate when the liquidation of a company appears imminent and the net realizable value of its assets is reasonably determinable. Under this basis of accounting, assets and liabilities are stated at their net realizable value, and estimated costs through the liquidation date are accrued for, to the extent reasonably determinable.

The Company reviews, on a quarterly basis, all remaining operating expenses and contractual commitments such as payroll and related expenses, professional fees and other outside services to determine the estimated costs to be incurred during the liquidation period. The Company expects most of the activities will cease by the end of calendar year 2012 and assumed costs through November 2012.

Income Taxes

Deferred income taxes are provided for the effect of temporary differences between the amounts of assets and liabilities recognized for financial reporting purposes and amounts recognized for income tax purposes. Valuation allowances are recognized to reduce deferred tax assets when it is more likely than not that the assets will not be realized. In assessing the likelihood of realization, consideration is given to all available evidence including estimates of future taxable income and the character of income needed to realize future benefits.

Based on information available to date, the Company recorded any income tax receivable or payable for the ultimate tax amount owed to wind down the Company. The calculation of current and deferred tax assets (including valuation allowances) and liabilities requires management to apply significant judgment related to the application of complex tax laws, changes in tax laws or related interpretations, uncertainties related to the outcomes of tax audits and changes in the

Company's operations or other facts and circumstances. Further, management must continually monitor changes in these factors. Changes in such factors may result in changes to management estimates and could require the Company to adjust its tax assets and liabilities, perhaps significantly, and record additional income tax expense or benefits. Handleman Company makes assumptions about individual tax positions before any part of the related benefit can be recognized in its financial statements. A company must consider whether it is more likely than not that a tax position will be sustained upon examination by a taxing authority. Significant judgment is required in assessing the timing and amounts of deductible and taxable items. The Company establishes reserves when, despite its belief that its tax return positions are supportable, it is determined that certain positions may be successfully challenged by the taxing authorities. When facts and circumstances change, the Company adjusts these reserves through its provision for income taxes.

The Company's estimates of tax implications related to the liquidation of the Company are subject to change, perhaps significantly, as the Company continues to finalize tax matters. Accordingly, the amount of liability, if any, will be included in the Company's financial statements as changes in estimates occur.

Liquidity and Capital Resources

Based on the Company's net asset balance as of April 28, 2012, the Company believes proceeds from the liquidation of assets will be sufficient to provide payment in full to its creditors; however, there can be no assurances. Payments are estimated as follows (in thousands of dollars):

Category	Total Liabilities	Proration Percentage	Total Assets Available for Distribution
Wind down related costs	\$ 954	100%	\$ 954
Taxes (income and other)	130	100%	130
Unsecured creditor claims	9,753	100%	9,753
Total liabilities	\$ 10,837		\$ 10,837
Available for shareholder distribution			769
Total assets for distribution			\$ 11,606

These projected payments are based on significant estimates and judgments. Through the liquidation period, if the Company is able to generate cash proceeds in excess of what is needed to satisfy all the Company's obligations, the Company will distribute any such proceeds to shareholders. The actual amount and timing of future liquidating distributions, if any, to shareholders is dependent upon the resolution of all open items and periods with taxing authorities; the ultimate settlement amounts of the Company's liabilities and obligations; and, actual costs incurred in connection with carrying out the Company's Plan of Final Liquidation, including administrative costs during the liquidation period. Included in the net assets of \$0.8 million as of April 28, 2012, was \$11.5 million of cash and cash equivalents. The unsecured creditor claims of April 28, 2012 relate primarily to amounts payable to taxing authorities. The aggregate amount of distributions to shareholders is currently expected to be approximately \$0.04 per share of common stock based on net assets as of April 28, 2012; however, the actual amount of cash remaining for distribution to shareholders following completion of the liquidation, and the dissolution of the Company could vary significantly from current estimates and could even result in no excess cash available for distribution or cash available for distribution in excess of the current estimate.

Included in the net assets of \$2.5 million as of April 30, 2011, was \$24.2 million of cash and cash equivalents with original maturities of less than six months.

Other Information

Except as discussed in Note 6 of Notes to Consolidated Financial Statements, the Company is not currently involved in any legal proceedings that are material or for which it does not believe it has adequate reserves. Any other legal proceedings in which the Company is involved are routine legal matters that are incidental to the wind down of business operations. The Company establishes reserves for all claims and legal proceedings based on its best estimate of the amounts it expects to pay.

The Company has no investments that are accounted for under the equity method in accordance with accounting principles generally accepted in the United States of America. Accordingly, there are no liabilities associated with investments accounted for under the equity method that would be considered material to the Company. In addition, the Company had no significant off-balance sheet arrangements as of April 28, 2012.

On November 27, 2007, the Board of Directors appointed Mr. Albert A. Koch as Handleman's President and Chief Executive Officer through Handleman's engagement of AP Services, LLC ("APS"). AP Services is affiliated with AlixPartners, a financial advisory and consulting firm, where Mr. Koch is a Vice Chairman, Managing Director and Partner. In addition to an hourly rate and time commitment for services, Handleman's agreement, as amended, provides that Handleman will pay APS a success fee based on 5% (currently estimated to be \$38,000) of the fair value of cash and/or other assets that is distributed to shareholders if such a distribution is approved by the Company's Board of Directors. The success fee shall be paid in cash, concurrent with the date or dates that distributions are made to Handleman Company's shareholders. All APS staffing was approved, in advance of their joining Handleman, by the CEO Governing Committee, which was a Committee of the Board that was formed to oversee the AlixPartners engagement. The Company now engages Mr. Koch on a part-time basis. All invoices greater than \$100,000 from AlixPartners to the Company are reviewed and approved by a member of the Board of Directors prior to their payment. In accordance with accounting guidance, this relationship is viewed as a related party transaction since the APS consultants may control or significantly influence the management and operating policies of the Company.

The Company has not engaged in any other related party transactions, which would have had a material effect on the Company's financial position, results of operations or cash flows.

On November 22, 2010, the Company's Board of Directors approved a change in the employment status for Rozanne Kokko effective January 2, 2011. Ms. Kokko continues to serve as the Company's Senior Vice President and Chief Financial Officer, but does so on a consulting basis due to the reduced workload during the wind down period. Ms. Kokko remains eligible for a discretionary bonus as of the Company's ultimate termination date and also received a discretionary bonus for the year ending on her termination as an employee of the Company.

During the first quarter of fiscal 2010, the Company's two remaining members of its Board of Directors agreed to discontinue receiving director fees for their services.

Item 8. FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA

The following financial statements and supplementary data are filed as a part of this report:

Report of Independent Registered Public Accounting Firm

Consolidated Statements of Changes in Net Assets For the Period May 1, 2010 to April 28, 2012

Consolidated Statements of Net Assets as of April 28, 2012 and April 30, 2011

Notes to Consolidated Financial Statements

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors and Shareholders

Handleman Company

We have audited the accompanying consolidated statements of net assets of Handleman Company and subsidiaries (the Company) as of April 28, 2012 and April 30, 2011, and the related consolidated statements of changes in net assets for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As discussed in Note 1 to the consolidated financial statements, the shareholders of the Company approved a plan of liquidation on October 1, 2008. As a result, the Company changed its basis of accounting from the going concern basis to a liquidation basis effective October 5, 2008.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated net assets of Handleman Company and subsidiaries as of April 28, 2012 and April 30, 2011, and the consolidated changes in net assets for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Basis of Presentation

At the annual shareholders meeting on October 1, 2008, the Company's shareholders approved a Plan of Final Liquidation of the Company and on May 5, 2009, the Company filed a Certificate of Dissolution with the State of Michigan. Through the liquidation period, if the Company is able to generate cash proceeds in excess of what is needed to satisfy all the Company's obligations, the Company will distribute any such proceeds to shareholders. The actual amount and timing of future liquidating distributions, if any, to shareholders is dependent upon the resolution of all open items and periods with taxing authorities; the ultimate settlement amounts of the Company's liabilities and obligations, in particular the Company's pension obligations; actual costs incurred in connection with carrying out the Company's Plan of Final Liquidation, including administrative costs during the liquidation period; and market fluctuations in the discount rate as it relates to the settlement of pension plans.

As a result of the Company's shareholders approval of the Plan of Final Liquidation, the Company adopted the liquidation basis of accounting as of October 5, 2008, which was the beginning of the fiscal month closest to the shareholders approval date.

Liquidation Basis of Accounting

The liquidation basis of accounting is appropriate when the liquidation of a company appears imminent and the net realizable value of its assets is reasonably determinable. Under this basis of accounting, assets are stated at their net realizable value, liabilities are stated at their estimated settlement amounts, and estimated costs through the liquidation date are provided to the extent reasonably determinable.

Fiscal 2012

The Company is required to make significant estimates and exercise judgment in determining accrued liquidation costs. The Company accrued costs expected to be incurred in liquidation and recorded payments made related to the accrued liquidation costs as follows (in thousands of dollars):

	As Booked April 30, 2011	Adjustments To Reserves	Payments	Balance at April 28, 2012
Accrued Liquidation Costs				
U.S. and Canadian pension plan costs	\$ 11,559	\$ 1,077	\$ (12,980)	\$ (344)
Outside services	1,660	272	(971)	961
Contractual commitments	5	3	(8)	--
Payroll related costs	411	280	(431)	260
Other	254	(78)	(99)	77
Total	\$ 13,889	\$ 1,554	\$ (14,489)	\$ 954

The Company has a qualified defined benefit pension plan that covers substantially all full-time United States (U.S.) employees. On November 22, 2010, the Company's Board of Director's approved an amendment to the U.S. pension plan, which would allow participants to settle their pension with either a lump sum payout or the purchase of a non-participating group annuity contract.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS, continued

On March 11, 2011, the Company filed Form 5310, Application for Determination for Terminating Plan, with the Internal Revenue Service (the IRS) seeking a favorable determination letter. A favorable determination letter represents the concurrence of the IRS that the plan has met all of the qualification requirements at the time of the plan termination.

During the third quarter of fiscal 2012, the Company received a favorable determination letter from the IRS. Due to the amount of time that passed since the 2011 election period, all elections previously made by the U.S. pension plan participants expired. In January 2012, a new election period commenced requiring elections for a lump sum payout to be submitted by February 24, 2012. Based on the new elections, as of April 28, 2012, the Company has purchased non-participating annuity contracts from Metropolitan Life Insurance Company (MetLife) or issued lump sum payments to the U.S. participants. In June 2012, MetLife completed their audit of the census data resulting in a purchase price adjustment of \$94,000. The Company has accrued the remaining termination cost under Accrued liquidation costs.

During 2012, the Company made contributions to the U.S. pension plan totaling \$12,975,000.

The remaining accrued termination cost for the Canadian pension plan as of April 30, 2011 totaled \$23,000 and has been paid during fiscal 2012.

On a quarterly basis, the Company reviews all other remaining operating expenses and contractual commitments such as payroll and related expenses, professional fees and other outside services to determine the estimated costs to be incurred during the liquidation period. The Company anticipates that wind down related costs will extend through calendar 2012 as it settles the remaining matters. Adjustments were made in fiscal 2012 to reflect additional costs through late 2012.

The estimate for outside services in Accrued liquidation costs was increased by \$272,000 during fiscal 2012. The Company increased its accrual for pension-related costs, audit and other miscellaneous charges to reflect wind down costs to late 2012.

The estimate of payroll related costs in Accrued liquidation costs was increased by \$280,000 during fiscal 2012 due to the extension of payroll and related expenses to late calendar 2012. Consultants may be retained after this time for any matters that may arise.

The estimate of other costs in the accrued costs of liquidation was decreased by \$78,000 during fiscal 2012.

Fiscal 2011

During fiscal 2011, the Company accrued costs expected to be incurred in liquidation and recorded payments made related to the accrued liquidation costs as follows (in thousands of dollars):

	As Booked May 1, 2010	Adjustments To Reserves	Payments	Balance at April 30, 2011
Accrued Liquidation Costs				
U.S. and Canadian Pension plan costs	\$ 17,171	\$ (5,612)	\$ --	\$ 11,559
Outside services	2,929	201	(1,470)	1,660
Contractual commitments	2,279	(46)	(2,228)	5
Payroll related costs	1,164	472	(1,225)	411
Other	1,352	97	(1,195)	254
Total	\$ 24,895	\$ (4,888)	\$ (6,118)	\$ 13,889

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS, continued

The Company performed an actuarial valuation analysis as of April 30, 2011 based upon actual elections received from plan participants. This resulted in an estimated termination cost of \$11,536,000 at April 30, 2011. The U.S. pension plan assets were \$46,167,000 and the U.S. pension plan liability totaled \$57,703,000, using an average discount rate of 5.27% derived from rates published by the Pension Benefit Guaranty Corporation (PBGC).

The remaining estimated termination cost for the Canadian pension plan as of April 30, 2011 totaled \$23,000 and has been accrued under Accrued liquidation costs in the Company's Consolidated Statements of Net Assets.

The estimate for outside services in Accrued liquidation costs was increased by \$201,000 during fiscal 2011 primarily due to pension-related costs including actuarial fees, plan administration fees and termination cost.

The estimate of payroll related costs in Accrued liquidation costs was increased by \$472,000 during fiscal 2011. The Company accrued an additional \$225,000 for a discretionary bonus. In addition, the remaining increase in the accrual primarily relates to the pension plan termination and the wind down occurring at a slower pace than anticipated.

The estimate of other costs in the accrued costs of liquidation was increased by \$97,000 during fiscal 2011.

2. Accounting Policies

Accrued Liquidation Costs

Under the liquidation basis of accounting, assets are stated at their net realizable value, liabilities are stated at their estimated settlement amounts and estimated costs through the liquidation date are accrued for, to the extent reasonably determinable.

The Company is required to make significant estimates and judgments in many areas. These estimates are subject to change. The Company reviews, on a quarterly basis, the estimated fair value of its assets and all other remaining operating expenses and contractual commitments such as payroll and related expenses, lease termination costs, professional fees and other outside services to determine the estimated costs to be incurred during the liquidation period.

Pension Expense

Handleman Company terminated its U.S. pension plan during the fourth quarter of fiscal 2011 and purchased either a non-participating group annuity contract or made lump sum payments to all plan participants during fiscal 2012. Under the liquidation basis of accounting, actuarial valuation analyses are prepared quarterly to determine the fair value, or termination value, of the plan. The Company has adjusted the accrual to reflect the actual liability paid to settle the plan.

Handleman Company terminated its Canadian pension plan in the first quarter of fiscal 2009. As of April 30, 2011, the Company has purchased non-participating annuity contracts or issued lump sum payment to the majority of the Canadian participants. The Company has accrued the remaining termination cost of \$23,000 under Accrued liquidation costs.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS, continued

Income Taxes

The Company has reported under the liquidation basis of accounting since October 5, 2008. Since this time the Company has not reported an income statement and, as such, has not reported income tax expense.

The Company's estimated net tax liability was \$9,767,000 as of April 28, 2012. The Company's estimates of tax implications related to the liquidation of the Company are subject to change, perhaps significantly, as the Company continues to finalize tax matters.

Based on information available to date, the Company recorded any income tax receivable or payable for the ultimate tax amount expected to be collected or paid. This estimate requires management to apply significant judgment related to the application of complex tax laws, changes in tax laws or related interpretations, uncertainties related to the outcomes of tax audits and changes in the Company's operations or other facts and circumstances. Further, management must continually monitor changes in these factors. Changes in such factors may result in changes to management estimates and could require the Company to significantly adjust its tax assets and liabilities. Handleman Company makes assumptions about individual tax positions before any part of the related benefit can be recognized in its financial statements. A company must consider whether it is more likely than not that a tax position will be sustained upon examination by a taxing authority. Significant judgment is required in assessing the timing and amounts of deductible and taxable items. The Company establishes reserves when, despite its belief that its tax return positions are supportable, it is determined that certain positions may be successfully challenged by the taxing authorities.

In Canada, fiscal 2006 to fiscal 2010 are open for examination.

The Company's estimates of tax implications related to the liquidation of the Company are subject to change, perhaps significantly, as the Company continues to finalize tax matters. Accordingly, the amount of liability, if any, will be updated in the Company's financial statements as changes in estimates occur.

Business

Handleman Company previously had the following reporting segments: category management and distribution operations, video game operations and all other. As a category manager and distributor of music product and prior to fiscal 2009, the Company predominately provided full category management services for prerecorded music product to leading retail chains in the U.S., United Kingdom (UK) and Canada. The video game operations were related to Crave and the all other segment primarily represented REPS.

Fiscal Year

The Company's fiscal year ends on the Saturday closest to April 30. The fiscal years ended April 28, 2012 (fiscal 2012) and April 30, 2011 (fiscal 2011) each consisted of 52 weeks.

Principles of Consolidation

The consolidated financial statements include the accounts of the Company and all subsidiaries where the Company has voting control. All intercompany accounts and transactions have been eliminated. All subsidiary companies are wholly owned. The Company does not have any significant equity investments other than in companies in which it has voting control.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS, continued

Foreign Currency Translation

The Company's foreign subsidiaries utilized the local currency as their functional currency. Therefore, the Company converted the balance sheets and statements of operations of its foreign subsidiaries to United States dollars. The Company used an average exchange rate for the period, based on published daily rates, to convert foreign operational transactions to United States dollars. Assets and liabilities of foreign subsidiaries were converted to United States dollars using the prevailing published exchange rate on the last business day of the fiscal period.

Cash and Cash Equivalents

The Company considers all highly liquid debt instruments purchased with an original maturity of six months or less to be cash equivalents. The Company has deposits in a bank account in excess of FDIC limits.

3. Other Current Assets

The Other current assets line item in the Company's Consolidated Statements of Net Assets as of April 28, 2012 consisted of the AP Services, LLC prepaid retainer of \$100,000. The Other current assets line item in the Company's Consolidated Statements of Net Assets as of April 30, 2011 consisted of taxes receivable of \$379,000, estimated net settlement of worker compensation activities of \$312,000, the AP Services, LLC prepaid retainer of \$100,000 and other various current assets of \$3,000.

4. Pension Plan

The Company has two qualified defined benefit pension plans (pension plans) that cover substantially all full-time U.S. and Canadian employees.

Pension Plans

On November 22, 2010, the Company's Board of Directors approved an amendment to terminate the U.S. pension plan on February 1, 2011, and allow participants to settle their pension with either a lump sum payout or the purchase of a non-participating group annuity contract. Approval from the Internal Revenue Service and Pension Benefit Guaranty Corporation was received during fiscal 2012. New elections were submitted by pensioners in February 2012. Based on these new elections, the Company has purchased non-participating annuity contracts from MetLife or issued lump sum payments to the U.S. participants. See Note 1 of Notes to Consolidated Financial Statements for additional information related to the U.S. pension plan termination.

On July 31, 2008, the Company's Compensation Committee of the Board of Directors approved the termination of the Canadian pension plan. Approval to terminate the Canadian pension plan was received from the Financial Services Commission of Ontario in fiscal 2010. During fiscal 2011, the Company purchased non-participating annuity contracts from Desjardins Financial Security or issued lump sum payments to the majority of the Canadian plan participants. The Company issued the final lump sum payments to the remaining pensioners in the first quarter of fiscal 2012.

Plan Assets

As of April 28, 2012, all plan assets have been disbursed to the pension plan participants either through a lump sum election or the purchase of a non-participating group annuity with MetLife.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS, continued

Cash Flows

The Company contributed \$12,975,000 to the U.S. pension plan during fiscal 2012.

5. Stock-Based Compensation

Handleman Company cancelled all stock plans effective with the suspension in trading of common stock as of June 20, 2009. All stock options, performance shares and performance units were terminated as of June 20, 2009 as shares of the Company's stock could no longer be transferred. In addition, during fiscal 2010, the restrictions lapsed and all restricted shares fully vested.

6. Commitments and Contingencies

Contingencies

During the second quarter of fiscal 2011, the Company identified a contingent liability with a certain taxing authority related to the acquisition of Crave Entertainment Group, Inc. (Crave). The 2004 and 2005 tax records of Crave have been reviewed by said taxing authority and an assessment has been issued. The assessment is currently being appealed with the taxing authority. At the time of acquisition in fiscal 2006, the former owners of Crave provided the Company with indemnification agreements. Based on the initial review of the terms of the agreements, Handleman established a reserve of \$150,000 in the Accrued liquidation costs as of October 30, 2010 related to this contingent liability for these tax issues. Further review of the tax indemnification agreement has determined that certain former owners have indemnified the Company from tax claims completely, without any \$150,000 deduction. During the first quarter of fiscal 2012, the Company reversed the reserve of \$150,000, originally established. Because the Company is obligated in the first instance to the taxing authority for any liability, and must then be reimbursed by the former owners, resolution of this matter requires that a final outcome be reached with said taxing authority and, if necessary, that the assessment be collected from the former owners. The Company does not know when the final outcome with the taxing authority will be reached or the length of time that collection from the former owners will take. In order to reduce the time required for collection from the former owners, on February 3, 2012, the Company filed an action in United States District Court for the Central District of California, seeking a declaratory judgment that certain of the former owners of Crave are obligated to indemnify the Company against any assessment ultimately made against the Company.

The Company has tax indemnification agreements related to the sale of each subsidiary company. Under the terms of the agreements, the Company may be responsible for any tax liabilities identified subsequent to the sale of those companies.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS, continued

Litigation

Other than as set forth above, the Company is not currently involved in any legal proceedings that are material or for which it does not believe it has adequate reserves. Any other legal proceedings in which the Company is involved are routine legal matters that are incidental to the wind down of business operations.

The Company establishes reserves for all claims and legal proceedings based on its best estimate of the amounts it expects to pay.

7. Related Party Transactions

In November 2007, the Board of Directors appointed Mr. Albert A. Koch as Handleman's President and Chief Executive Officer through Handleman's engagement of AP Services, LLC ("APS"). AP Services is affiliated with AlixPartners, a financial advisory and consulting firm, where Mr. Koch is a Vice Chairman, Managing Director and Partner.

All APS staffing was approved, in advance of their engagement by Handleman, by the CEO Governing Committee, which was a Committee of the Board that was formed to oversee the AlixPartners engagement. The Company now engages Mr. Koch on a part-time basis.

In addition to an hourly rate and time commitment for services, Handleman's agreement, as amended, provides that Handleman will pay APS a success fee based on 5% of the fair value of cash and/or other assets that is distributed to shareholders if such a distribution is approved by the Company's Board of Directors. The success fee shall be paid in cash, concurrent with the date or dates that distributions are made to Handleman Company's shareholders. As of April 28, 2012, the Company has accrued \$38,000 for the success fee, which is included in the Accrued liquidation costs in the Company's Consolidated Statements of Net Assets.

This relationship is viewed as related party transactions because the APS consultants may control or significantly influence the management and operating policies of the Company.

The remaining \$100,000 prepaid retainer is included in Other current assets in the Company's Consolidated Statements of Net Assets. For the fiscal year ended April 30, 2011, the Company has recorded total costs of \$79,000 related to the APS agreement and has another \$402,000 included in accrued liquidation costs in the Company's Consolidated Statements of Net Assets as of April 30, 2011. For the fiscal year ended April 30, 2012, the Company had recorded total costs of \$28,000 and had another \$281,000 included in Accrued liquidation costs.

8. Subsequent Events

Events and transactions have been evaluated subsequent to April 28, 2012 for the items that could potentially be recognized or disclosed in these financial statements through the date they were issued.

Item 9.

CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS
ON ACCOUNTING AND FINANCIAL DISCLOSURE

None.

Item 9A.

CONTROLS AND PROCEDURES

The Company maintains disclosure controls and procedures that are designed to ensure that information required to be disclosed in the Company's reports under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms, and that such information is accumulated and communicated to management, including the Company's Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure. The Company completed an evaluation of the Company's disclosure controls and procedures (as defined in Rule 13a-15(e) of the Securities Exchange Act of 1934 (the "Act")) as of April 28, 2012, under the supervision and with the participation of the Company's Chief Executive Officer and Chief Financial Officer. Based on that evaluation, the Company's Chief Executive Officer and Chief Financial Officer concluded that the Company's disclosure controls and procedures were effective as of the end of the period covered by this annual report on Form 10-K.

MANAGEMENT'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING

Management is responsible for establishing and maintaining adequate internal control over financial reporting, as such term is defined in Rule 13a-15(f) under the Exchange Act. The Company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles, and includes those policies and procedures that:

- (i) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Under the supervision and with the participation of management, including the Chief Executive Officer and Chief Financial Officer, the Company conducted an assessment of the effectiveness of its internal control over financial reporting as of April 28, 2012. The assessment was based on criteria established in *Internal Control - Integrated Framework*, issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). Based on this assessment, management concluded that our internal control over financial reporting was effective as of April 28, 2012.

This annual report does not include an attestation report of the Company's registered public accounting firm regarding internal control over financial reporting. Management's report was not subject to attestation by the Company's registered public accounting firm pursuant to temporary rules of the Securities and Exchange Commission that permit the Company to provide only management's report in this annual report.

CHANGES IN INTERNAL CONTROL OVER FINANCIAL REPORTING

There were no changes in internal control over financial reporting (as defined in Rule 13a-15(f) of the Act), that occurred during the fourth fiscal quarter ended April 28, 2012, that have materially affected, or are reasonably likely to materially affect, the Company's internal control over financial reporting.

Item 9B. OTHER INFORMATION
None.

PART III

Item 10. DIRECTORS, EXECUTIVE OFFICERS AND CORPORATE GOVERNANCE
CORPORATE GOVERNANCE

Because the Company is focused on the reduction of costs during its liquidation and the maximization of the liquidated value of the Company, for the benefit of its creditors and potential benefit to its shareholders, the Company is not actively considering the expansion of the Board and, therefore, has not focused on how diversity would be considered in the Director process.

The current members of the Board of Directors have agreed to serve without compensation to see the Company through the liquidation process.

ANNUAL SHAREHOLDERS MEETING

The Company did not hold an Annual Shareholders' meeting during its fiscal years ended April 28, 2012, or April 30, 2011, nor does it intend to hold any future Annual Meetings during its liquidation.

DIRECTORS

The discussion below sets forth information as of April 30, 2011 regarding the Company's two Directors.

Eugene A. Miller

Director since 2002

Age 74

Mr. Miller served as Chairman of the Board of Comerica Incorporated and Comerica Bank from January 2002 through his retirement in October 2002. From June 1999 through December 2001, Mr. Miller served as Chairman, President and Chief Executive Officer of Comerica Incorporated and Comerica Bank. From June 1993 until June 1999, Mr. Miller served as Chairman and Chief Executive Officer of Comerica Incorporated and Comerica Bank. Mr. Miller's banking career began in 1955 with The Detroit Bank, forerunner of Comerica Bank. He rose to chairman, president and chief executive officer of Comerica Incorporated and Comerica Bank prior to the merger of Comerica Incorporated and Manufacturers National Corporation. Mr. Miller earned a bachelor of business administration degree with honors from the Detroit Institute of Technology. Mr. Miller is also a director of DTE Energy, Inc. and TriMas Corporation.

James B. Nicholson

Director since 1991

Age 69

Mr. Nicholson has served as President, Chief Executive Officer and Director of PVS Chemicals, Inc. since 1979. PVS manufactures, markets and distributes chemicals for water treatment and industrial use. Operations include six manufacturing facilities and a highly diversified product distribution network. In addition to an extensive customer base in the United States, PVS has established itself in markets throughout the world, most notably in Belgium, Canada and

Thailand. A 1965 graduate of Stanford University, Mr. Nicholson holds an undergraduate degree in Economics. He earned an MBA degree from the University of Chicago in 1967 and an MS degree in Economics from the London (England) School of Economics in 1968. Mr. Nicholson worked at the London England branch of the First National Bank of Chicago from 1967 to 1970. From 1970 to 1972, he was manager of a Dublin, Ireland office of the same bank. In 1972, Mr. Nicholson joined PVS as a Vice President and assumed the additional duties of Treasurer in 1977. He became President of PVS in 1979 and has served as Chief Executive Officer since that date. Mr. Nicholson is Chairman of the Board of Amerisure Companies and is also a director of The Private Bank and DTE Energy.

Any shareholder or internal party who desires to communicate with the Board or with either Director may write to Handleman Company, 500 Kirts Blvd., Troy, Michigan 48084. Handleman management may not forward the communication to the Director if it is commercial in nature or relating to an improper or irrelevant topic.

COMMITTEES OF THE BOARD

None.

EXECUTIVE OFFICERS OF THE REGISTRANT

The table below sets forth information as of April 28, 2012 regarding the executive officers of the Company. Executive officers serve at the pleasure of the Board.

Name and Age	Office and Year First Elected or Appointed		
A.A. Koch	70	(1)	President and Chief Executive Officer (2007)
Rozanne Kokko	58	(2)	Senior Vice President and Chief Financial Officer (2008)

1. A. A. Koch has served as President and Chief Executive Officer through the Company's engagement of AP Services, LLC since November 2007. AP Services is affiliated with AlixPartners, a financial advisory and consulting firm, where Mr. Koch is a Vice Chairman, Managing Director and Partner.
2. Rozanne Kokko was named Senior Vice President and Chief Financial Officer in July 2008. Previously, Ms. Kokko served as Senior Vice President, Finance and National Team since February 2008; Vice President, Wal-Mart United States since October 2006 and Vice President, National Team since July 2004. On November 22, 2010, the Company's Board of Directors approved a change in the employment status for Rozanne Kokko effective January 2, 2011. Ms. Kokko will continue to serve as the Company's Senior Vice President and Chief Financial Officer, but will do so on a consulting basis due to the reduced workload during the wind down period.

CODE OF BUSINESS CONDUCT AND ETHICS

The Company has adopted a Code of Business Conduct and Ethics applicable to all directors, officers and employees of the Company including the Company's principal executive officer and principal financial officer.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's executive officers and Directors and persons who beneficially own more than 10% of a registered class of the Company's equity securities ("insiders") to file reports with the SEC regarding their pecuniary interest in any of the Company's equity securities and any changes thereto, and to furnish copies of these reports to the Company. Based on the Company's review of the insiders' forms furnished to the Company or filed with the SEC and representations made by the Directors and executive officers of the Company, no insider failed to file on a timely basis a Section 16(a) report in fiscal 2012.

AUDIT COMMITTEE

The Company does not have a separately designated audit committee. Because the Company has only two directors, the full Board of Directors functions as the Company's Audit Committee.

Item 11.

EXECUTIVE COMPENSATION
DIRECTOR COMPENSATION

During the first quarter of fiscal 2010, the Company's two remaining members of its Board of Directors agreed to discontinue receiving director fees for their services. As such, the Company incurred no director compensation for non-employee directors in fiscal 2012.

COMPENSATION DISCUSSION AND ANALYSIS

The Company's Board of Directors administers the Company's executive compensation program.

The compensation of Albert A. Koch, the Company's Chief Executive Officer, has been determined pursuant to the Company's agreement with AP Services, LLP, which is described under Item 13. Certain Relationships and Related Transactions. The Board of Directors thus exercises no ongoing discretion with respect to the compensation of Mr. Koch.

The Board of Directors is also responsible for the oversight of the Company's retirement plans and health and welfare benefit plans. Additionally, the Board of Directors administers the Company's various equity compensation plans, and exercises general oversight over the Company's compensation practices.

- (1) Mr. Koch is not a Handleman Company employee. AP Services, LLC, a subsidiary of AlixPartners, LLP, provided his services to the Company under contract. The amount shown under "All Other Compensation" is the amount expensed for fees to AP Services, LLC for Mr. Koch's services in all capacities, excluding travel/communication related expenses.
- (2) Ms. Kokko's base salary decreased from \$140,660 in fiscal 2011. Ms. Kokko's management bonus and retention bonus were \$87,000 and \$50,000, respectively, which were paid in fiscal 2011. On November 22, 2010, the Company's Board of Directors approved a change in Ms. Kokko's employment status effective January 2, 2011. Due to her continued reduced workload during the wind down she will continue to serve as the Company's Senior Vice President and Chief Financial Officer but will do so on a consulting basis. Ms. Kokko received a discretionary bonus of \$225,000 in January 2011 upon her change in employment status. Ms. Kokko remains eligible for a discretionary bonus upon completion of her contract.
- (3) The fiscal 2011 amount includes annual change in the actuarial present value of accumulated pension for Ms. Kokko as a result of her electing a consensual lump sum pension payment in January 2011. Ms. Kokko's fiscal 2012 change in pension value is based on the actual consensual lump sum pension payment made to her in fiscal 2012. The increase of \$7,285 in Ms. Kokko's fiscal 2012 pension value represents the passage of time—both interest and mortality.
- (4) Included in all other compensation for fiscal 2011 is \$11,750 for consulting payments made to Ms. Kokko between January 2, 2011 and April 30, 2011. Fiscal 2011 also included company car benefits of \$5,840 paid to Ms. Kokko and \$7,060 for certain life and health insurance benefits paid on behalf of Ms. Kokko. Fiscal 2012 all other compensation consists of amounts paid to Ms. Kokko for consulting payments.

Item 13.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND
DIRECTOR INDEPENDENCE

RELATED PERSON TRANSACTIONS

Payments to AP Services, LLC

Mr. Albert Koch, the President and Chief Executive Officer of the Company, has served in those capacities since November 2007 through the Company's engagement of AP Services, LLC, a Michigan limited liability company. AP Services is affiliated with AlixPartners, a financial advisory and consulting firm, of which Mr. Koch is a Vice Chairman and has served as a Managing Director since 1995 and Partner since 2007. Upon commencement of the agreement a retainer of \$250,000 was paid to AP Services to be applied against expenses of AP Services' personnel upon the completion of the engagement. During the second quarter of fiscal 2010, the Company received a refund of \$150,000 of the retainer.

During the fiscal years ended April 28, 2012 and April 30, 2011, Handleman Company paid \$28,000 and \$79,000, respectively, (exclusive of the retainer noted above and the success fee discussed below) to AP Services for interim management services provided by AP Services' personnel, including the services of its employee, Albert Koch. Mr. Koch is a partner in AlixPartners and thus an indirect equity owner in AP Services. His ownership in AP Services amounts to less than 10% of its total equity.

Per the agreement with AP Services, as amended, Handleman will pay AP Services a success fee based on 5% of the fair value of cash and/or other assets that is distributed to shareholders. The success fee shall be paid in cash, concurrent with the date or dates that distributions are made to Handleman's shareholders. As of April 28, 2012, the Company has accrued \$38,000 for the success fee.

Item 14.

PRINCIPAL ACCOUNTING FEES AND SERVICES
PRE-APPROVAL POLICIES AND PROCEDURES FOR AUDIT AND NON-AUDIT SERVICES

Pursuant to its charter, the Board of Directors must pre-approve the performance of audit and non-audit services. In pre-approving all audit services and permitted non-audit services, the Board of Directors considers whether the provision of the permitted non-audit services is consistent with applicable law and stock exchange policies and with maintaining the independence of the Company's independent registered public accounting firm.

Fees of Independent Registered Public Accounting Firm in Fiscal 2012 and Fiscal 2011

The following information sets forth the fees that were billed in fiscal 2012 and fiscal 2011 for audit and other services provided by Grant Thornton, the Company's independent registered public accounting firm. The Board of Directors, based on its review and discussions with management and Grant Thornton, determined that the provision of these services was compatible with maintaining Grant Thornton's independence. All of such services were approved in conformity with the pre-approval policies and procedures described above.

	Fiscal Year Ended April 28, 2012	Fiscal Year Ended April 30, 2011
Audit fees ⁽¹⁾	\$ 131,305	\$ 243,036
Audit-related fees ⁽²⁾	48,888	49,775
Tax fees ⁽³⁾	120,818	252,768
Total fees	\$ 301,011	\$ 545,579

- (1) Includes recurring audit of consolidated financial statements including statutory audits in accordance with the standards of the Public Company Accounting Oversight Board (United States); and services related to SEC registration statements and financial reporting.
- (2) Includes audits of employee benefit plans.
- (3) Includes tax return review and tax planning services.
