## Section 2 Financial Information

### Item 2.02. Results of Operations and Financial Condition.

On January 23, 2013, United Technologies Corporation ( UTC or the Company ) issued a press release announcing its fourth quarter 2012 results.

The press release issued January 23, 2013 is furnished herewith as Exhibit No. 99 to this Report, and shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act ), or otherwise subject to the liabilities of that Section and shall not be deemed to be incorporated by reference into any filing by the Company under the Securities Act of 1933, as amended (the Securities Act ) or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

## Section 7 Regulation FD

### Item 7.01. Regulation FD Disclosure.

The Committee on Compensation and Executive Development of UTC s Board of Directors has considered and adopted a number of changes to UTC s executive compensation programs and practices as follows:

(1) The benchmark target for the value of long-term incentive awards to members of UTC s Executive Leadership Group (the ELG ) has been reduced from the 65th percentile to the 50th percentile relative to the value of similar awards to senior executives at companies included in UTC s compensation peer group or CPG . UTC s Executive Leadership Group is made up of approximately 25 to 30 of the Company s most senior executives, and includes the named executive officers listed in the Summary Compensation Table included in UTC s annual proxy statement. UTC s annual proxy statement also includes a list of the companies included in the compensation peer group identified and used by UTC in assessing the market-competitiveness of its executive compensation programs and practices. The value of long-term incentive awards granted on January 3, 2013 reflects the new benchmark target.

(2) The primary financial metric used to determine cash bonus awards under UTC s Annual Executive Incentive Plan for corporate office executives, beginning with the 2013 performance period, will be net income from continuing operations, rather than the earnings per share metric used previously.

(3) The earnings per share metric utilized to measure vesting performance for performance share unit awards under UTC s Long-Term Incentive Plan, beginning with the 2013 award grants, will be calculated on the basis of three-year cumulative performance rather than the combined performance of each one-year period calculated separately as used previous in recent awards.

The information in this Item 7.01 is furnished herewith and shall not be deemed filed for purposes of Section 18 of the Exchange Act, as amended, or otherwise subject to the liabilities of that Section and shall not be deemed to be incorporated by reference into any filing by the Company under the Securities Act or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
