During the quarter, the Company booked \$2.8 billion in new contract wins, extensions and renewals, bringing the last twelve months total bookings to \$6.6 billion, or 106% of revenue. At the end of December 2012, the Company's backlog of signed orders stood at \$18.3 billion, up \$4.7 billion compared with the same period last year.

I am very pleased with our overall performance and with the progress we made with respect to executing our Logica integration plan, which is designed to create incremental and long-term value for all stakeholders, said Michael E. Roach, President and Chief Executive Officer. Our clients continue to respond in a positive manner to the expanded scale and scope of our offerings and operations following our merger.

During the quarter, net debt was reduced by \$140.6 million for a net debt of \$2.96 billion, representing a net debt to capitalization of 44.7% at the end of December 2012. At the end of Q1-2013, the Company had approximately \$1.1 billion in available cash and unused credit facilities.

#### Normal Course Issuer Bid

Over the last twelve months, 1.1 million shares were purchased at an average price of \$20.68 for a total investment of \$21.7 million. On January 30, 2013 the Company's Board of Directors authorized the renewal of the Normal Course Issuer Bid and the purchase of up to an additional 10% of the Company's public float of shares, or approximately 20.7 million shares during the next year, subject to acceptance by the Toronto Stock Exchange.
