The Offer is being made upon the terms and subject to the conditions set forth in the Offer to Purchase, dated April 5, 2013 (the Offer to Purchase), and in the related Letter of Transmittal (the Letter of Transmittal) which, as amended or supplemented from time to time, together constitute the Offer.

The Schedule TO is amended by the information contained in this Amendment No. 4. Only those items amended are reported herein. Except as specifically provided herein, this Amendment No. 4 does not modify any of the information previously reported in the Schedule TO. All information in the Offer to Purchase and the related Letter of Transmittal is hereby expressly incorporated by reference.

ITEM 11. Additional Information.

Item 11 of the Schedule TO is hereby amended and supplemented as follows:

On May 3, 2013, the Company issued a press release announcing the preliminary results of the Offer, which expired at 12:00 midnight, New York City time, at the end of the day on May 2, 2013. Based upon the preliminary count by the depositary for the Offer, a total of 6,008,921 Shares were properly tendered and not properly withdrawn in the Offer, including 122,175 Shares that were tendered through notices of guaranteed delivery. Based on these preliminary results, the Offer is oversubscribed and the Company expects to accept for payment, on a pro rata basis, 4,651,162 Shares at a Purchase Price of \$43.00 per share, for an aggregate cost of approximately \$200 million. The Company has been informed by the depositary for the Offer that the preliminary proration factor for the Offer is approximately 77.4%. This preliminary proration factor is subject to change based on a number of factors including, among others, the actual number of tendered Shares which satisfy the guaranteed delivery procedures.

The number of Shares to be purchased by the Company represents approximately 26.1% of the Company's outstanding Shares as of April 30, 2013.

The number of Shares to be purchased and the proration factor under the Offer are preliminary. Final results will be determined following the expiration of the guaranteed delivery period subject to confirmation by the depositary of the proper delivery of the Shares validly tendered and not validly withdrawn. The actual number of Shares to be purchased and the proration factor will be announced following the completion of the confirmation process. Payment for the Shares accepted for purchase will commence promptly thereafter. Any Shares validly tendered and not purchased due to proration or conditional tenders will be returned at the Company's expense promptly to the tendering stockholder.

A copy of the press release issued by the Company is attached hereto as Exhibit (a)(5)(D) and is incorporated by reference in the Offer to Purchase and the Schedule TO.
