This free writing prospectus relates only to the shares of common stock described below and should be read together with the preliminary prospectus, subject to completion, dated August 5, 2013 (the **Preliminary Prospectus**), of Frank's International N.V. (the **Company**) relating to its initial public offering of common stock. RESIGNATION OF ROBERT R. GILBERT AS AN EXECUTIVE OFFICER

In the course of preparing for this offering, we became aware that Robert R. Gilbert, who served as our Executive Vice President and Chief Operating Officer U.S. Services and Pipe and Products, misstated his educational credentials. Specifically, though he completed approximately 30 hours of coursework, Mr. Gilbert did not actually obtain a Masters of Business Administration degree. As a result of this discovery, Mr. Gilbert resigned from his position and has agreed to accept a non-executive role with the company and will no longer serve as an executive officer. Accordingly, our management and compensation disclosures reflect that Mr. Gilbert is no longer one of our executive officers. See Management, Compensation Discussion and Analysis and Executive Compensation. We do not believe that Mr. Gilbert's misstatement about his educational credentials has any bearing on the accuracy of our disclosure or the integrity of our operations and management.

In addition, Mr. Gilbert will not enter into a new employment agreement and instead will continue under his existing employment agreement with the Company.
