Item 1.01 Entry into a Material Definitive Agreement.

Stock Purchase Agreement

On April 5, 2014, The Laclede Group, Inc. (*Laclede*), entered into a definitive agreement to acquire from Energen Corporation (*Energen*) all of the outstanding shares of stock (the *Transaction*) of Alabama Gas Corporation (*Alagasco*). The acquisition will be effected pursuant to a stock purchase agreement among Laclede, Energen and Alagasco (the *Acquisition Agreement*). The consideration for the *Transaction* is \$1.6 billion, including the assumption of approximately \$250 million of long-term debt. Laclede has agreed to make an election under Section 338(h)(10) of the Internal Revenue Code of 1986, as amended, to treat the *Transaction* as a deemed purchase and sale of assets for tax purposes. The consideration will be subject to a customary post-closing adjustment for cash, indebtedness and working capital. Following completion of the *Transaction*, Alagasco will be a wholly-owned subsidiary of Laclede.

Representations, Warranties and Covenants

The *Acquisition Agreement* includes customary representations, warranties and covenants of Alagasco, Energen and Laclede. During the executory period, Alagasco will operate the business in the ordinary course until the *Transaction* is consummated, with specific limitations on dividends, entry into material contracts and employee benefits, among others. Energen and Alagasco have also agreed to cooperate with Laclede's efforts to obtain permanent financing. The *Transaction* is not subject to any financing condition. See *Financing Commitment* below.

Upon the closing (and subject thereto), Laclede will repay Alagasco's outstanding indebtedness under its existing credit facility and will make, or cause Alagasco to make, a customary change-of-control offer to prepay certain outstanding privately-held notes of Alagasco.

The parties have agreed to indemnify each other for breaches of representations, warranties and covenants, as well as losses resulting from assets or liabilities assumed or retained by each party, as applicable. Generally, Energen's aggregate liability with respect to such indemnification obligations in the *Acquisition Agreement*, after a \$15 million deductible, is capped at \$25 million, however, certain fundamental representations and certain covenants are not subject to such limitations.

Conditions to Closing

Consummation of the *Transaction* is subject to customary conditions, including, without limitation: (i) the expiration or early termination of the waiting period applicable to the *Transaction* under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and any required approvals thereunder, (ii) the receipt of required approvals from the Alabama Public Service Commission, as applicable, and (iii) the absence of any law, injunction, judgment or ruling prohibiting or restraining the *Transaction*. In addition, it is a condition to Energen's obligations to close the *Transaction* that it amend or refinance its outstanding credit facilities on terms which are reasonably acceptable to Energen so as to not cause the obligations thereunder to be in default upon the closing of the *Transactions*.

Termination

The *Acquisition Agreement* contains certain termination rights for both Laclede and Energen, including, among others, the right to terminate if the *Transaction* is not completed by May 1, 2015 (subject to extension to August 3, 2015, under certain circumstances related to fulfillment of regulatory closing conditions).

The Acquisition Agreement is filed as Exhibit 2.1 to this report and is incorporated herein by reference. The foregoing description of the Acquisition Agreement does not purport to be complete and is qualified in its entirety by reference to the Acquisition Agreement.

The Acquisition Agreement has been included to provide security holders with information regarding its terms. It is not intended to provide factual information about Laclede, Energen or Alagasco and should not be relied on by any other person or entity for any purposes. The Acquisition Agreement contains representations and warranties that each of the parties have made to each other as of specific dates and to evidence their agreement on various issues. The assertions and other statements or disclosures embodied in those representations and warranties were made solely for purposes of the contract between such parties and may be subject to important qualifications and limitations or other factors agreed to by each such party in connection with the negotiated terms, which qualifications and limitations are not necessarily reflected in the Acquisition Agreement. Moreover, some of those representations and warranties may not be accurate or complete as of any specified date, may be subject to a contractual standard of materiality different from those generally applicable to investors or may have been used for purposes of allocating risk between each party rather than establishing matters as fact. Based on the foregoing, you should not rely on the representations, warranties and disclosures included in the Acquisition Agreement as statements of factual information.

Financing Commitment

On April 5, 2014, Laclede entered into a commitment letter (the Commitment Letter) with Credit Suisse AG, and its affiliates (collectively Credit Suisse) and Wells Fargo Bank, National Association, and its affiliates (collectively Wells Fargo together with Credit Suisse, the Banks). Pursuant to the Commitment Letter, the Banks have committed to provide a 364-day senior bridge term loan credit facility (the Bridge Term Facility) in an aggregate principal amount of \$1.35 billion to fund the Transaction. The commitment is subject to various conditions, including, (i) the absence of a material adverse effect having occurred with respect to either Laclede (on a combined basis with Alagasco) or Alagasco, (ii) no default created under any material contractual obligation or creation or imposition of any security interest or lien, in each case, related to Laclede s entering into and performance of the Bridge Term Facility, (iii) the execution of satisfactory definitive documentation and (iv) other customary closing conditions. Any permanent debt and equity financing obtained by Laclede on or prior to the closing of the Transaction will reduce the amount of the commitment under the Commitment Letter.

A copy of the Commitment Letter is filed as Exhibit 99.1 to this report and is incorporated herein by reference. The foregoing description of the Commitment Letter and the transaction contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Commitment Letter.
