Dear Fellow Stockholders:

You are cordially invited to attend the 2014 Annual Meeting of Stockholders (the Annual Meeting) of Armada Hoffler Properties, Inc., which will be held at The Westin Virginia Beach Town Center, located at 4535 Commerce Street, Virginia Beach, VA 23462, on Wednesday, June 18, 2014, at 10:00 a.m. Eastern Time.

The matters expected to be acted upon at the meeting are described in detail in the accompanying Notice of Annual Meeting of Stockholders and Proxy Statement.

In accordance with U.S. Securities and Exchange Commission rules, we are using the Internet as our primary means of furnishing proxy materials to stockholders. Because we are using the Internet, most stockholders will not receive paper copies of our proxy materials. We will instead send the stockholders a notice with instructions for accessing the proxy materials and voting via the Internet. This notice also provides information on how stockholders may obtain paper copies of our proxy materials if they so choose. We believe the use of the Internet makes the proxy distribution process more efficient and less costly, and helps in conserving natural resources.

The Proxy Statement, the notice of annual meeting and the 2013 Annual Report to Stockholders/Form 10-K are available at <http://www.proxyvote.com> and may also be accessed through our website at www.ArmadaHoffler.com under the Investor Relations section. If you would like to receive a paper or e-mail copy of these documents, you must request one. There is no charge to you for requesting a copy.

Your vote is important. Please cast your vote as soon as possible over the Internet, by telephone, or by completing and returning the proxy card to ensure that your shares are represented. Your vote by written proxy will ensure your representation at the Annual Meeting regardless of whether or not you attend in person. Returning the proxy does not deprive you of your right to attend the Annual Meeting and to vote your shares in person.

On behalf of our Board of Directors and our employees, we thank you for your continued interest in and support of our company. We look forward to seeing you on June 18, 2014.

Sincerely,

Louis S. Haddad

PROXY STATEMENT

ABOUT THE MEETING

Why am I receiving this Proxy Statement?

This Proxy Statement contains information related to the solicitation of proxies for use at our 2014 Annual Meeting of stockholders, to be held at The Westin Virginia Beach Town Center, located at 4535 Commerce Street, Virginia Beach, VA 23462, on Wednesday, June 18, 2014, at 10:00 a.m. Eastern Time, for the purposes stated in the accompanying Notice of Annual Meeting of Stockholders. This solicitation is made by Armada Hoffler Properties, Inc. on behalf of our Board of Directors (also referred to as, the Board in this Proxy Statement). We, our, us, and the Company refer to Armada Hoffler Properties, Inc.

We have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the Notice) to our stockholders of record on April 17, 2014. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or to request to receive a printed set of the proxy materials. Instructions on how to request a printed copy by mail or electronically may be found on the Notice and on the website referred to in the Notice, including an option to request paper copies on an ongoing basis. On or about April 29, 2014, we intend to make this Proxy Statement available on the Internet and to mail the Notice to all stockholders entitled to vote at the Annual Meeting. We intend to mail this Proxy Statement, together with a proxy card, to those stockholders entitled to vote at the Annual Meeting who have properly requested paper copies of such materials, within three business days of such request.

This Proxy Statement and our 2013 Annual Report to Stockholders/Form 10-K for the fiscal year ended December 31, 2013 are available at <http://www.proxyvote.com>. This website address contains the following documents: the Notice, the Proxy Statement and proxy card sample, and the 2013 Annual Report to Stockholders/Form 10-K. You are encouraged to access and review all of the important information contained in the proxy materials before voting.

What am I being asked to vote on?

You are being asked to vote on the following proposals:

Proposal 1 (Election of Directors): The election of the eight director nominees named in this Proxy Statement, each for a term expiring at the 2015 annual meeting of stockholders; and

Proposal 2 (Ratification of Ernst & Young LLP): The ratification of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2014.

To transact any other business that may properly come before the Annual Meeting or any adjournment(s) or postponements of the Annual Meeting.

What are the Board's voting recommendations?

The Board recommends that you vote as follows:

Proposal 1 (Election of Directors): FOR each of the Board nominees for election as directors; and

Proposal 2 (Ratification of Ernst & Young LLP): FOR the ratification of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2014.

Who is entitled to vote at the Annual Meeting?

Only holders of record of our common stock at the close of business on April 17, 2014, the record date for the Annual Meeting (the Record Date), are entitled to receive notice of the Annual Meeting and to vote at the meeting. Our common stock constitutes the only class of securities entitled to vote at the meeting.

What are the voting rights of stockholders?

Each share of our common stock outstanding on the record date entitles its holder to cast one vote on each matter to be voted on.

No dissenters' rights are provided under the Maryland General Corporation Law, our Articles of Amendment and Restatement or our bylaws with respect to any of the proposals described in this Proxy Statement.

Who can attend the Annual Meeting?

All holders of our common stock at the close of business on the Record Date (April 17, 2014), or their duly appointed proxies, are authorized to attend the Annual Meeting. Admission to the meeting will be on a first-come, first-served basis. If you attend the meeting, you may be asked to present valid photo identification, such as a driver's license or passport, before being admitted. Cameras, recording devices and other electronic devices will not be permitted at the meeting. For directions to the Annual Meeting, contact Investor Relations at (757) 366-6692.

Please also note that if you are the beneficial owner of shares held in street name (that is, through a bank, broker or other nominee), you will need to bring a copy of the brokerage statement reflecting your share ownership as of the Record Date.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Many stockholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of record. If your shares are registered directly in your name with our transfer agent, Broadridge Financial Solutions, you are considered the stockholder of record of those shares and the Notice is being sent directly to you by us.

Beneficial owner of shares held in the street name. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and the Notice is being forwarded to you by your broker or nominee, which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker how to vote your shares and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you bring with you a legal proxy from the organization that holds your shares.

What will constitute a quorum at the Annual Meeting?

The presence at the meeting, in person or by proxy, of the holders of a majority of our common stock outstanding on the Record Date (April 17, 2014) will constitute a quorum, permitting the stockholders to conduct

business at the meeting. We will include abstentions and broker non-votes in the calculation of the number of shares considered to be present at the meeting for purposes of determining the presence of a quorum at the meeting. As of the Record Date, there were 19,254,013 shares of our common stock outstanding.

If a quorum is not present to transact business at the Annual Meeting or if we do not receive sufficient votes in favor of the proposals by the date of the Annual Meeting, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit solicitation of additional proxies. The chairperson of the Annual Meeting shall have the power to adjourn the Annual Meeting.

What are broker non-votes?

Broker non-votes occur when nominees, such as banks and brokers holding shares on behalf of beneficial owners, do not receive voting instructions from the beneficial owners at least ten days before the Annual Meeting. If that happens, the nominees may vote those shares only on matters deemed routine by the New York Stock Exchange (the NYSE), the exchange on which shares of our common stock are listed. On non-routine matters, nominees cannot vote without instructions from the beneficial owner, resulting in a so-called broker non-vote.

Proposal 2 (ratification of Ernst & Young LLP) is the only proposal that is considered routine under the NYSE rules. If you are a beneficial owner and your shares are held in the name of a broker or other nominee, the broker or other nominee is permitted to vote your shares on the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2014, even if the broker or other nominee does not receive voting instructions from you.

Under NYSE rules, Proposal 1 (election of directors) is considered non-routine. Consequently, if you do not give your broker or other nominee instructions, your broker or other nominee will not be able to vote on this proposal, and broker non-votes may exist with respect to the election of directors.

How many votes are needed for the proposals to pass?

The proposals to be voted on at the Annual Meeting have the following voting requirements:

Proposal 1 (Election of Directors): Directors are elected by plurality vote. There is no cumulative voting in the election of directors. Therefore, the eight director nominees receiving the highest number of FOR votes will be elected. For purposes of the election of directors, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

Proposal 2 (Ratification of Ernst & Young LLP): The affirmative vote of a majority of the votes cast is required to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2014, which is considered a routine matter under NYSE rules. For purposes of the vote on the ratification of Ernst & Young LLP as our independent registered public accounting firm, abstentions will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

Will any other matters be voted on?

As of the date of this Proxy Statement, we are not aware of any matters that will come before the Annual Meeting other than those disclosed in this Proxy Statement. If any other matters are properly brought before the Annual

Meeting, the persons named in the accompanying proxy card will vote the shares represented by the proxies on the other matters in the manner recommended by our Board of Directors, or, if no such recommendation is given, in the discretion of the proxy holders.

How do I vote?

If you are a registered stockholder, you may submit your proxy by U.S. mail, Internet or telephone by following the instructions in the Notice. If you requested a paper copy of the proxy materials, you also may submit your proxy by mail by following the instructions included with your proxy card. The deadline for submitting your proxy by Internet or telephone is 11:59 a.m. Eastern Time the day before the Annual Meeting date. The designated proxy will vote according to your instructions. You may also attend the Annual Meeting and vote in person.

If you are a street name or beneficial stockholder because your shares are held in a brokerage account or by a bank or other nominee, your broker or nominee firm will provide you with the Notice. Follow the instructions on the Notice to access our proxy materials and vote by Internet or to request a paper or email copy of our proxy materials. If you receive these materials in paper form, the materials include a voting instruction card so that you can instruct your broker or nominee how to vote your shares.

If you sign and submit your proxy without specifying how you would like your shares voted, your shares will be voted in accordance with the Board's recommendations specified above under "What are the Board's voting recommendations?" and in accordance with the discretion of the proxy holders with respect to any other matters that may be voted upon at the Annual Meeting.

If I plan to attend the Annual Meeting, should I still vote by proxy?

Yes. Voting in advance does not affect your right to attend the Annual Meeting. If you send in your proxy card and also attend the Annual Meeting, you do not need to vote again at the Annual Meeting unless you want to change your vote. Written ballots will be available at the meeting for stockholders of record. Beneficial owners who wish to vote in person at the Annual Meeting must request a legal proxy from the organization that holds their shares and bring that legal proxy to the Annual Meeting.

How are proxy card votes counted?

If the accompanying proxy card is properly signed and returned to us, and not subsequently revoked, it will be voted as directed by you. Unless contrary instructions are given, the persons designated as proxy holders on the proxy card will vote: FOR the election of all nominees for our Board of Directors named in this Proxy Statement; FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014; and as recommended by our Board of Directors with regard to any other matters that may properly come before the Annual Meeting, or, if no such recommendation is given, in their own discretion.

May I revoke my vote after I return my proxy card?

Yes. You may revoke a previously granted proxy and change your vote at any time before the taking of the vote at the Annual Meeting by (i) filing with our Corporate Secretary a written notice of revocation or a duly executed proxy bearing a later date or (ii) attending the Annual Meeting and voting in person.

Who pays the costs of soliciting proxies?

We will pay the costs of soliciting proxies, including preparation and mailing of the Notice, preparation and assembly of this Proxy Statement, the proxy card and the Annual Report for fiscal year 2013, coordination of the Internet and telephone voting process, and any additional information furnished to you by the Company. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons

representing beneficial owners of shares of our common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by Internet and mail may be supplemented by telephone, facsimile, or personal solicitation by our directors, officers or other regular employees.

Implications of being an emerging growth company

We are an emerging growth company, as defined in the Jumpstart Our Business Startups Act, enacted on April 5, 2012 (the JOBS Act). For as long as we are an emerging growth company, we may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not emerging growth companies, including, but not limited to, not being required to comply with the auditor attestation requirements of Section 404(b) of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements, and exemptions from the requirements of holding stockholder advisory say-on-pay votes on executive compensation and stockholder advisory votes on golden parachute compensation.

Under the JOBS Act, we will remain an emerging growth company until the earliest of:

the last day of the fiscal year during which we have total annual gross revenues of \$1 billion or more;

the last day of the fiscal year following the fifth anniversary of our IPO;

the date on which we have, during the previous three-year period, issued more than \$1 billion in non-convertible debt; and

the date on which we are deemed to be a large accelerated filer under the Exchange Act (we will qualify as a large accelerated filer as of the first day of the first fiscal year after we have (i) more than \$700 million in outstanding common equity held by our non-affiliates and (ii) been public for at least 12 months; the value of our outstanding common equity will be measured each year on the last day of our second fiscal quarter).

You should rely only on the information provided in this Proxy Statement. We have not authorized anyone to provide you with different or additional information. You should not assume that the information in this Proxy Statement is accurate as of any date other than the date of this Proxy Statement or, where information relates to another date set forth in this Proxy Statement, then as of that date.

PROPOSALS TO BE VOTED ON
Proposal 1: Election of Directors

Our Board of Directors is currently comprised of eight directors, all of whom have terms expiring at the 2014 Annual Meeting. The nominees, all of whom are currently serving as directors of the Company, have been recommended by our Board of Directors for re-election to serve as directors for one-year terms until the 2015 annual meeting of stockholders and until their successors are duly elected and qualified. Based on its review of the relationships between the director nominees and the Company, our Board of Directors has affirmatively determined that the following directors are independent directors under the rules of the NYSE and under applicable rules of the Securities and Exchange Commission (the SEC): Messrs. John Snow, George F. Allen, James A. Carroll, James C. Cherry and Joseph W. Prueher.

The Board knows of no reason why any nominee would be unable to serve as a director. If any nominee is unavailable for election or service, the Board may designate a substitute nominee and the persons designated as proxy holders on the proxy card will vote for the substitute nominee recommended by the Board. Under these circumstances, the Board may also, as permitted by our bylaws, decrease the size of our Board of Directors.

Vote Required and Recommendation

The affirmative vote of a plurality of all the votes cast at the Annual Meeting is necessary for the election of a director. Therefore, the eight individuals with the highest number of affirmative votes will be elected to the eight directorships. For purposes of the vote on this proposal, abstentions and other shares not voted (whether by broker non-vote or otherwise) will not be counted as votes cast and will have no effect on the result of the vote. There is no cumulative voting with respect to the election of directors.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH OF THE NOMINEES SET FORTH ABOVE.

Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm

The Audit Committee of our Board of Directors, which is composed entirely of independent directors, has appointed Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014. After careful consideration of the matter and in recognition of the importance of this matter to our stockholders, the Board of Directors has determined that it is in the best interests of the Company and our stockholders to seek the ratification by our stockholders of our Audit Committee's selection of our independent registered public accounting firm. A representative of Ernst & Young LLP will be present at the Annual Meeting, will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Vote Required and Recommendation

The affirmative vote of the holders of a majority of all the votes cast at the Annual Meeting with respect to the matter is necessary for the approval of the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm. For purposes of vote on this proposal, abstentions and other shares not voted will not be counted as votes cast and will have no effect on the result of the vote. Even if the appointment of Ernst & Young LLP as our independent registered public accounting firm is ratified, the Audit Committee may, in its discretion, change that appointment at any time during the year should it determine such a change would be in our and our stockholders' best interests. In the event that the appointment of Ernst & Young LLP is not ratified, the Audit Committee will consider the appointment of another independent registered public accounting firm, but will not be required to appoint a different firm.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2014.

CORPORATE GOVERNANCE AND BOARD MATTERS

Corporate Governance Profile

We have structured our corporate governance in a manner we believe closely aligns our interests with those of our stockholders. Notable features of our corporate governance structure include the following:

our Board of Directors is not classified, with each of our directors subject to re-election annually;

of the eight persons who serve on our Board of Directors, our Board of Directors determined that five of our directors satisfy the listing standards for independence of the NYSE and Rule 10A-3 under the Exchange Act;

at least one of our directors qualifies as an Audit Committee financial expert as defined by the SEC;

we comply with the requirements of the NYSE listing standards, including having committees comprised solely of independent directors;

we have opted out of the business combination and control share acquisition statutes in the Maryland General Corporation Law; and

we do not have a stockholder rights plan.

Our directors stay informed about our business by attending meetings of our Board of Directors and its committees and through supplemental reports and communications. Our independent directors meet regularly in executive sessions without the presence of our corporate officers or non-independent directors.

Role of the Board in Risk Oversight

One of the key functions of our Board of Directors is informed oversight of our risk management process. Our Board of Directors administers this oversight function directly, with support from its three standing committees, the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee, each of which addresses risks specific to their respective areas of oversight. In particular, our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

Board Committees

Our Board of Directors has established three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. The principal functions of each committee are described below. We comply with the listing requirements and other rules and regulations of the NYSE, as amended or modified from time to time, and each of these committees is comprised exclusively of independent directors. Additionally, our Board of Directors may from time to time establish certain other committees to facilitate the management of our company.

The table below provides membership information for each of the Board committees as of the date of this Proxy Statement:

Audit Committee

The Audit Committee is comprised of Messrs. Cherry, Carroll and Prueher. Mr. Snow served on the Audit Committee from the completion of our initial public offering on May 13, 2013 until October 24, 2013, when Mr. Prueher was appointed to the Board and the Audit Committee. Mr. Cherry, the chairman of the Audit Committee, qualifies as an audit committee financial expert as that term is defined by the applicable SEC regulations and NYSE corporate governance listing standards. Our Board of Directors determined that each of the Audit Committee members is financially literate as that term is defined by the NYSE corporate governance listing standards. We adopted an Audit Committee charter, which details the principal functions of the Audit Committee, including oversight related to:

our accounting and financial reporting processes;

the integrity of our consolidated financial statements and financial reporting process;

our systems of disclosure controls and procedures and internal control over financial reporting;

our compliance with financial, legal and regulatory requirements;

the evaluation of the qualifications, independence and performance of our independent registered public accounting firm;

the performance of our internal audit function; and

our overall risk profile.

The Audit Committee also is responsible for engaging an independent registered public accounting firm, reviewing with the independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by the independent registered public accounting firm, including all audit and non-audit services, reviewing the independence of the independent registered public accounting firm, considering the range of audit and non-audit fees and reviewing the adequacy of our internal accounting controls. The Audit Committee also prepares the Audit Committee report required by SEC regulations to be included in our annual Proxy Statement.

During the period commencing with the closing of our initial public offering on May 13, 2013 and ended December 31, 2013, the Audit Committee met five times, including telephonic meetings.

Compensation Committee

The Compensation Committee is comprised of Messrs. Allen, Cherry and Snow, with Mr. Snow serving as chairman. We adopted a Compensation Committee charter, which details the principal functions of the Compensation Committee, including:

reviewing and approving on an annual basis the corporate goals and objectives relevant to our chief executive officer's compensation, evaluating our chief executive officer's performance in light of such goals and objectives and determining and approving the remuneration of our chief executive officer based on such evaluation;

reviewing and approving the compensation of all of our other officers;

reviewing our executive compensation policies and plans;

implementing and administering our incentive compensation equity-based remuneration plans;

assisting management in complying with our Proxy Statement and Annual Report disclosure requirements;

to the extent required by applicable SEC rules, producing a report on executive compensation to be included in our annual Proxy Statement; and

reviewing, evaluating and recommending changes, if appropriate, to the remuneration for directors.

During the period commencing with the closing of our initial public offering on May 13, 2013 and ended December 31, 2013, the Compensation Committee met three times, including telephonic meetings.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is comprised of Messrs. Allen, Carroll and Cherry, with Mr. Allen serving as chairman. We adopted a Nominating and Corporate Governance Committee charter, which details the principal functions of the Nominating and Corporate Governance Committee, including:

identifying and recommending to the full Board of Directors qualified candidates for election as directors and recommending nominees for election as directors at the Annual Meeting of stockholders;

developing and recommending to the Board of Directors corporate governance guidelines and implementing and monitoring such guidelines;

reviewing and making recommendations on matters involving the general operation of the Board of Directors, including board size and composition, and committee composition and structure;

recommending to the Board of Directors nominees for each committee of the Board of Directors;

annually facilitating the assessment of the Board of Directors' performance as a whole and of the individual directors, as required by applicable law, regulations and the NYSE corporate governance listing standards; and

overseeing the Board of Directors' evaluation of management.

In identifying and recommending nominees for directors, the Nominating and Corporate Governance Committee may consider diversity of relevant experience, expertise and background.

During the period commencing with the closing of our initial public offering on May 13, 2013 and ended December 31, 2013, the Nominating and Corporate Governance Committee met three times, including telephonic meetings.

Legal Proceedings

The nature of our business exposes our properties, us and the Operating Partnership to the risk of claims and litigation in the normal course of business. Other than routine litigation arising out of the ordinary course of business, we are not presently subject to any material litigation nor, to our knowledge, is any material litigation threatened against us.

Director Selection Process

The Nominating and Corporate Governance Committee is responsible for, among other things, the selection and recommendation to the Board of nominees for election as directors. In accordance with the Nominating and Corporate Governance Committee charter and our Corporate Governance Guidelines, the Nominating and Corporate Governance Committee develops on an annual basis guidelines and criteria for the selection of candidates for directors of the Board. The Nominating and Corporate Governance Committee takes into account such factors as it deems appropriate, which may include: the current composition of the Board as a whole; considerations of diversity, age, skills and experience in the context of the Board's needs at that point in time; and the desire for a substantial majority of independent directors. Applying these criteria, the Nominating and Corporate Governance Committee considers candidates for Board membership suggested by its members and other Board members, as well as management and stockholders. After completing the identification and evaluation process described above, the Nominating and Corporate Governance Committee selects the nominees for directorship for stockholders to consider and vote upon at the annual stockholders' meeting.

Stockholders wishing to recommend individuals for consideration as directors must follow the procedures described in Section 11 of the Company's Bylaws, including (among other requirements) the giving of written notice of the nomination to our Corporate Secretary no later than 120 days prior to the first anniversary of the date of the proxy statement for the previous year's annual meeting. The stockholder's notice must set forth as to each nominee all information relating to the person that would be required to be disclosed in a solicitation of proxies for election of directors pursuant to Regulation 14A under the Exchange Act if the candidate had been nominated by or on behalf of the Board. Recommendations by stockholders that are made in this manner will be evaluated in the same manner as other candidates.

Code of Business Conduct and Ethics

Our Board of Directors established a code of business conduct and ethics that applies to our officers, directors and employees. Among other matters, our code of business conduct and ethics is designed to deter wrongdoing and to promote:

honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;

compliance with applicable laws, rules and regulations;

prompt internal reporting of violations of the code to appropriate persons identified in the code; and

accountability for adherence to the code of business conduct and ethics.

Any waiver of the code of business conduct and ethics for our executive officers or directors must be approved by the Board of Directors or a committee of the Board of Directors, and any such waiver shall be promptly disclosed to stockholders as required by law or NYSE regulations.

Availability of Corporate Governance Materials

Stockholders may view our corporate governance materials, including the charters of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee, our Corporate Governance

Guidelines and our Code of Business Conduct and Ethics, on our website at www.ArmadaHoffler.com under the Investor Relations tab, and these documents are available in print to any stockholder who sends a written request to such effect to Investor Relations, Armada Hoffler Properties, Inc., 222 Central Park Avenue, Suite 2100, Virginia Beach, VA 23462. Information at or connected to our website is not and should not be considered a part of this Proxy Statement.

Independence of Directors

NYSE listing standards require NYSE-listed companies to have a majority of independent board members and a nominating/corporate governance committee, compensation committee and audit committee, each comprised solely of independent directors. Under the NYSE listing standards, no director of a company qualifies as independent unless the Board of Directors of the company affirmatively determines that the director has no material relationship with the company (either directly or as a partner, stockholder or officer of an organization that has a relationship with such company).

The Board currently has eight directors, a majority of whom our Board of Directors affirmatively has determined, after broadly considering all relevant facts and circumstances, to be independent under the listing standards of the NYSE and under applicable rules of the SEC. The Board affirmatively has determined that each of the following directors is independent under these standards: Messrs. Snow, Allen, Carroll, Cherry and Prueher. Messrs. Hoffler, Kirk and Haddad are not independent as they are executive officers of the Company.

Board Leadership Structure

Separate Chairman and Chief Executive Officer Positions

The roles of Executive Chairman and Chief Executive Officer are held by two different individuals, Messrs. Hoffler and Haddad, respectively, both of whom are considered executive officers of the Company. The separation of the roles of Chairman and Chief Executive Officer allows Messrs. Hoffler and Haddad to have leadership roles on the executive management team, which our Board of Directors believes is important in light of their respective roles with our predecessor entities, their knowledge of the Company and their extensive experience in the commercial real estate and construction industries. Our Board of Directors continues to believe that our current leadership structure, including separate positions of Executive Chairman and Chief Executive Officer, provides an effective leadership model for the Company and the benefit of the distinct abilities and experience of both individuals. The Board also believes having an Executive Chairman is useful as it ensures that Board of Directors leadership retains a close working relationship with management.

Lead Director

Our Board of Directors believes that its governance structure ensures a strong, independent Board even though the Board does not have an independent Chairman. To strengthen the role of our independent directors and encourage independent Board leadership, the Board of Directors also has established the position of lead independent director, which currently is held by Mr. Snow. The responsibilities of the lead independent director include, among others:

serving as liaison between (i) management, including the President and Chief Executive Officer, (ii) our other independent directors and (iii) interested third parties and the Board of Directors;

presiding at executive sessions of the independent directors;

serving as the focal point of communication to the Board regarding management plans and initiatives;

ensuring that the role between Board oversight and management operations is respected;

providing the medium for informal dialogue with and between independent directors, allowing for free and open communication within that group; and

serving as the communication conduit for third parties who wish to communicate with the Board. Our lead independent director will be selected on an annual basis by a majority of the independent directors then serving on the Board.

Board and Committee Meetings

During the period commencing with the closing of our initial public offering on May 13, 2013 and ended December 31, 2013, the Board of Directors met three times, including telephonic meetings. Directors are expected to attend, in person or by telephone, all Board of Directors meetings and meetings of committees on which they serve. Board meeting attendance by all directors serving during the period commencing with the closing of our initial public offering on May 13, 2013 and ended December 31, 2013 was 100%. Additionally, each director attended at least 75% of the aggregate number of meetings of the Board of Directors and its committees on which he served during his period of service.

Executive Sessions of Non-Management Directors

Pursuant to our Corporate Governance Guidelines and the NYSE listing standards, in order to promote open discussion among non-management directors, our non-management directors meet in executive sessions without management participation at least quarterly. In addition, our Corporate Governance Guidelines provide that if the group of non-management directors includes directors who are not independent, as defined in the NYSE's listing standards, at least one such executive session convened per year shall include only independent directors. The lead independent director presides at these sessions.

Communications with the Board

Stockholders and other interested parties may communicate with the Board of Directors by sending written correspondence to the Lead Director c/o the Corporate Secretary of Armada Hoffler Properties, Inc., 222 Central Park Avenue, Suite 2100, Virginia Beach, VA 23462, who will then directly forward such correspondence to the lead independent director. The lead independent director will decide what action should be taken with respect to the communication, including whether such communication should be reported to the full Board of Directors.

The bonus amounts approved by the Compensation Committee are consistent with the expected bonus payments set forth in the prospectus related to the Company's initial public offering. The stock portion of the 2013 Bonus Awards were in the form of restricted shares of common stock and were made on March 3, 2014. Severance Benefits

We do not have employment or severance agreements with our named executive officers. However, our operating partnership adopted the Executive Severance Benefit Plan, or the Severance Plan, and our named executive officers, in their capacity as employees of our operating partnership, participate in the Severance Plan.

Participation in the Severance Plan is limited to employees of our operating partnership and its affiliates who are members of a select group of management or highly compensated employees and who are selected to participate in the Severance Plan by our Board of Directors or by a committee thereof. A Severance Plan participant is entitled to receive benefits thereunder only if the participant's employment is terminated by his or her employer for a reason other than Cause or the participant resigns with Good Reason. The Severance Plan defines the term Cause as (i) a participant's willful failure or refusal to perform specific written directives that are consistent with the scope and nature of the participant's duties, (ii) a conviction of, or plea of guilty or *nolo contendere* to, a felony, (iii) any act of dishonesty which results in a material unjust gain to the participant at the expense of his or her employer, (iv) any act of a participant involving moral turpitude which materially and adversely affects the business of his or her employer or (v) a material breach of the restrictive covenants set forth in the Severance Plan. The Severance Plan defines the term Good Reason as (i) a material breach by the Company or an affiliate of the Company of a written agreement between the participant and the Company or an affiliate of the Company, (ii) a material reduction in the nature or scope of the participant's title, authority, powers, functions, duties or responsibilities, (iii) a material reduction in the participant's base salary or bonus opportunity (other than a reduction for Cause or a reduction related to a general reduction that affects similarly situated individuals in a comparable manner) or (iv) a requirement that the participant, without his or her consent, change his or her principal office to a location that is more than fifty miles from the participant's then-current principal office.

The benefits payable to a Severance Plan participant who is terminated without Cause or resigns with Good Reason will be (i) payment of accrued but unpaid salary, bonus and vacation pay, (ii) a pro-rated amount of the participant's target bonus for the year of termination, (iii) a multiple of the sum of the participant's annual salary and target bonus for the year of termination, (iv) a multiple of the annual COBRA premium for the participant's health plan coverage and (v) a multiple of the annual employer premium for the participant's life insurance, long-term disability insurance and accidental death and dismemberment insurance. The Severance Plan provides three levels of benefits; Tier I, Tier II and Tier III. If a target level of bonus is not established for a participant, then the target will be 75%, 50% or 25% of base salary for Tier I, Tier II and Tier III participants, respectively. The Severance Plan provides for three levels of multiples, as described above: three times, two times and one time, for participants who are designated as Tier I, Tier II and Tier III participants, respectively. However, the multiple will be two and one-half for a Tier II participant and one and one-half for a Tier III participant who has a covered termination within ninety days before or within one year after we experience a change in control (which is defined in the Severance Plan in the same terms in the 2013 Equity Incentive Plan).

The Severance Plan multiple for our named executive officers is three times in the case of Mr. Haddad and two times in the case of Messrs. Nero and Apperson. The committee that we appoint to administer the Severance Plan or we (in our capacity as the general partner of our operating partnership) will determine which employees will participate in the Severance Plan and each participant's multiple.

No benefits will be paid under the Severance Plan unless the participant signs a release, in a form provided by our operating partnership, releasing us and our operating partnership and such other parties as are named in the release from any claims that the participant may have.

As a condition of participation in the Severance Plan, each participant will agree to comply with the following covenants:

a covenant against competition and non-solicitation of employees and clients during employment and for one year after employment ends for any reason; and

a covenant against disclosure of confidential information.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is currently composed of Messrs. Carroll, Cherry and Prueher, with Mr. Cherry serving as its chairperson. The members of the Audit Committee are appointed by and serve at the discretion of the Board of Directors.

One of the principal purposes of the Audit Committee is to assist the Board of Directors in the oversight of the integrity of the Company's financial statements. The Company's management team has the primary responsibility for the financial statements and the reporting process, including the system of internal controls and disclosure controls and procedures. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2013 with our management.

The Audit Committee also is responsible for assisting the Board of Directors in the oversight of the qualification, independence and performance of the Company's independent auditors. The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards and those matters required to be discussed by the Statement on Auditing Standards No. 114.

The Audit Committee has received both the written disclosures and the letter from Ernst & Young LLP required by applicable requirements of the Public Company Accounting Oversight Board of Directors regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with Ernst & Young LLP its independence. In addition, the Audit Committee has considered whether the provision of non-audit services, and the fees charged for such non-audit services, by Ernst & Young LLP are compatible with maintaining the independence of Ernst & Young LLP from management and the Company.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements for 2013 be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2013 for filing with the SEC.

Respectfully submitted,

The Audit Committee of the Board of
Directors

James C. Cherry (*Chairman*)
James A. Carroll
Joseph W. Prueher

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Related Party Transaction Policy

The Board of Directors has adopted a written related person transaction approval policy to further the goal of ensuring that any related person transaction is properly reviewed, approved by the Audit Committee, and fully disclosed in accordance with the rules and regulations of the SEC and the NYSE. The policy applies to transactions or arrangements between the Company and any related person, including directors, director nominees, executive officers, greater than 5% stockholders and the immediate family members of each of these groups (the Related Persons). They do not, however, apply with respect to general conflicts between the interests of the Company and our employees, officers and directors, including issues relating to engaging in a competing business and receiving certain benefits from the Company, such as loans or guarantees of obligations, which are reported and handled in accordance with the Company's Code of Business Conduct and Ethics and other procedures and guidelines implemented by the Company from time to time.

Under the policy, the Related Person is responsible for identifying and reporting to our Corporate Secretary any proposed related person transaction. If the Corporate Secretary determines that the proposed transaction is a related person transaction, the proposed related person transaction shall be submitted to the Audit Committee. After considering all the facts and circumstances available to the Audit Committee, the Audit Committee will either approve, ratify or reject the transaction, in its discretion. All approved related party transactions will be disclosed to the full Board of Directors.

Related Party Transactions

Formation Transactions

The properties acquired through our operating partnership upon the completion of our initial public offering and those certain formation transactions in which we engaged in connection with our initial public offering, or the Formation Transactions, were previously owned directly or indirectly by partnerships, limited liability companies or corporations in which Daniel A. Hoffler and his affiliates, certain of our other directors and executive officers and their affiliates and other third parties owned a direct or indirect interest. We refer to these partnerships, limited liability companies and corporations collectively as the ownership entities. The prior owners of the ownership entities, whom we refer to as the prior investors, entered into contribution agreements with us or our operating partnership, pursuant to which they contributed their interests in the ownership entities to us or our operating partnership or its subsidiaries in exchange for cash and OP Units, in each case substantially concurrently with the completion of our initial public offering. Our predecessor contributed certain assets of its construction and asset management businesses to our operating partnership in exchange for cash pursuant to asset purchase agreements.

The following table sets forth the consideration received by certain of our directors and our named executive officers and their affiliates in connection with the Formation Transactions based on a value equal to \$11.50, which was the initial public offering price of shares of our common stock in our initial public offering.

Excluded Assets

Our management team retains ownership interests in certain properties that were not contributed to us. These interests include interests in four hotel properties, a minority interest in a portion of the Baltimore Inner Harbor East project, a minority interest in a Hampton, Virginia office building, a majority interest in a Washington, D.C. office building, three parcels of undeveloped residential land, eight parcels of undeveloped commercial land, a multifamily project involving historic tax credits, and the Apprentice School and the Apprentice School Garage in Newport News, Virginia, which are adjacent to Liberty Apartments, which we acquired on January 17, 2014. See Acquisition of Liberty Apartments. We have options to purchase the eight parcels of undeveloped commercial land from the owners of such parcels, which include certain of our directors and officers. We provide asset management services to certain of these properties. As a result of these ownership interests and the option and asset management agreements, our management team has conflicts of interests when deciding whether to take any action under these agreements.

Asset Management Agreements

Our asset management team serves as asset manager for eight properties and eleven vacant parcels of land in which certain of our officers and directors own interests. Under these agreements, we receive either a flat fee or a fee based on a percentage of the base rents or revenues of the properties. For the year ended December 31, 2013, the total aggregate amount of asset management fees that we received with respect to these properties was approximately \$58,000.

Partnership Agreement

We entered into an amended and restated partnership agreement with the various persons receiving OP Units in our Formation Transactions, including certain directors and officers of our company. Our executive officers, directors and their respective affiliates own 27.6% of the outstanding OP Units.

Pursuant to the partnership agreement, limited partners of our operating partnership and some assignees of limited partners have the right, beginning 12 months after the completion of our Formation Transactions, to require our operating partnership to redeem part or all of their OP Units for cash equal to the then-current market value of an equal number of shares of our common stock (determined in accordance with and subject to adjustment under the partnership agreement) or, at our election, for shares of our common stock on a one-for-one basis, subject to certain adjustments and the restrictions on ownership and transfer of our stock set forth in our charter.

Option Properties

On May 1, 2013, we entered into option agreements with regard to eight parcels of undeveloped commercial land, which are owned by third parties and by certain of our officers and directors. The option agreements for each of the five parcels not located within the Virginia Beach Town Center provide us, for five years

after the completion of the Formation Transactions related to our initial public offering, with the right to purchase the applicable property for cash or such other form of compensation as we and the applicable sellers may agree in an amount equal to the fair market value of the property at the time of sale, as determined by an appraiser mutually agreed upon between us and the sellers. Each agreement also provides us with a right of first refusal to purchase the applicable property in the event that the owners of the property receive a bona fide offer to purchase from a third party, with such purchase to be on the terms of the third-party offer.

We also have the option to acquire three properties located in the Virginia Beach Town Center following the completion of the Formation Transactions related to our initial public offering. An entity controlled by an affiliate of our predecessor is a party to an option agreement with the Virginia Beach Development Authority, or the VBDA, pursuant to which it has the option to acquire the three parcels within the Virginia Beach Town Center from the VBDA at any time before April 30, 2015. The parcels may be acquired by paying the expenses associated with the parcel through the date of acquisition and the purchase price for the parcel which was \$1.3 million, \$4.7 million and \$0.5 million, respectively, as of December 31, 2013. If we elect to acquire these three parcels, we will assume our predecessor's obligations under the option agreement with the VBDA and acquire these parcels as a result of the exercise of the option.

Acquisition of Liberty Apartments

On May 1, 2013, the Company entered into a contribution agreement to acquire Liberty Apartments (formerly known as the Apprentice School Apartments), in Newport News, Virginia, from affiliates of our predecessor, including certain of our officers and directors. Pursuant to the contribution agreement, the Company agreed to acquire Liberty Apartments upon the satisfaction of certain conditions, including the completion of construction of all three components of the Apprentice School Project.

On January 17, 2014, the Company closed on the acquisition of Liberty Apartments for approximately \$30.7 million of total consideration, including the issuance of approximately 695,000 OP Units, the repayment of a \$3.0 million mezzanine loan and the assumption of approximately \$20.9 million of debt that bears interest at 5.66% and matures in 2042. Of the approximately 695,000 OP Units issued as consideration for the Liberty Apartments acquisition, approximately 650,000 units were received by our NEOs and certain of our directors, as set forth in the table below.

Name	Number of OP Units	Dollar Value of OP Units⁽¹⁾
Daniel A. Hoffler <i>Executive Chairman</i>	363,290	\$ 4,177,840
A. Russell Kirk <i>Vice Chairman</i>	66,111	\$ 760,280
Louis S. Haddad <i>President, Chief Executive Officer and Director</i>	137,489	\$ 1,581,120
Anthony P. Nero <i>President of Development</i>	57,937	\$ 666,280
Eric E. Apperson <i>President of Construction</i>	24,671	\$ 283,720

(1) Represents the total number of OP Units issued multiplied by \$11.50 per unit, which was the initial public offering price per share of the Company's common stock.

Registration Rights

Pursuant to the terms of the partnership agreement of our operating partnership, we agreed to file, following the date on which we become eligible to file a registration statement on Form S-3 under the Securities Act

of 1933, as amended, one or more registration statements registering the issuance and resale of the common stock issuable upon redemption of the common units issued in connection with the Formation Transactions, including those issued to our officers and directors and their affiliates. We will agree to pay all of the expenses relating to such registration statements.

Tax Protection Agreements

In connection with our Formation Transactions, entered into tax protection agreements that provide benefits to certain prior investors, including Messrs. Hoffler, Haddad, Kirk, Nero, Apperson and their affiliates and certain of our other officers.

Under the Internal Revenue Code of 1986, as amended, or the Code, or the Code, taxable gain recognized upon a sale of an asset contributed to a partnership must be allocated to the contributing partner, or original contributor, in a manner that takes into account the variation between the tax basis and the fair market value of the asset at the time of the contribution. This requirement may result in a significant allocation of taxable gain to the original contributor without an increased cash distribution. In addition, when a partner contributes an asset subject to a liability to a partnership, any reduction in the partner's share of partnership liabilities that exceeds the partner's adjusted tax basis in the partnership would result in taxable gain to the partner.

Our operating partnership entered into tax protection agreements with certain of the original contributors who receive OP Units in the Formation Transactions, including Messrs. Hoffler, Haddad, Kirk, Nero and Apperson and their respective affiliates and certain of our other officers. These agreements are intended to protect these original contributors against the tax consequences described above. If we dispose of any interest in the protected properties in a taxable transaction within seven (or, in a limited number of cases, ten) years of the closing of our initial public offering, then we will indemnify those contributors for their tax liabilities attributable to the built-in gain that exists with respect to such properties as of the time of this offering and the tax liabilities incurred as a result of such tax protection payment. Pursuant to the tax protection agreements, it is anticipated that the total amount of protected built in gain on the protected properties will be approximately \$146.9 million. Of that amount, it is anticipated that Messrs. Hoffler, Haddad, Kirk, Nero and Apperson and their affiliates will be protected against approximately \$116.3 million of built in gain on the protected properties and certain of our other officers will be protected against approximately \$3.3 million of built in gain on the protected properties. With respect to each of the protected properties, the tax indemnities described above will not apply to a disposition of a protected property if such disposition constitutes a like-kind exchange under section 1031 of the Code, an involuntary conversion under section 1033 of the Code, or another transaction (including, but not limited to, (i) a contribution of property that qualifies for the non-recognition of gain under sections 721 or 351 of the Code or (ii) a merger or consolidation of our operating partnership with or into another entity that qualifies for taxation as a partnership for federal income tax purposes) if such transaction does not result in the recognition of taxable income or gain to a contributor with respect to its OP Units. In the case of the exception discussed in the preceding sentence, the tax protection then would apply to the replacement property (or the partnership interest) received in the transaction, to the extent that the sale or other disposition of that replacement asset would result in the recognition of any of the built-in gain that existed for that property at the time of our Formation Transactions.

In addition, the tax protection agreements provide that the operating partnership will offer certain of the original contributors, including Messrs. Hoffler, Haddad, Kirk, Nero and Apperson and their respective affiliates and certain of our other officers, the opportunity to guarantee debt, or, alternatively, to enter into a deficit restoration obligation, for ten years from the closing of this offering in a manner intended to provide an allocation of operating partnership liabilities to the partner for federal income tax purposes. As of April 28, 2014, Shelly R. Hampton and Eric L. Smith have guaranteed \$150,000 and \$100,000, respectively, of our debt pursuant to the tax protection agreements. This opportunity will also be offered upon certain future repayments, retirements, refinancings or other reductions (other than scheduled amortization) of the currently outstanding liabilities of the entities that held those properties prior to

the Formation Transactions during the ten years

following the closing of our initial public offering. If we fail to make such opportunities available, we will be required to deliver to each such contributor a cash payment intended to approximate the contributor's tax liability resulting from our failure to make such opportunities available to that contributor and the tax liabilities incurred as a result of such tax protection payment.

Any original contributor that guarantees debt of the operating partnership pursuant to the tax protection agreements will be responsible, under certain circumstances, for the repayment of the guaranteed amount to the lender in the event that the lender would otherwise recognize a loss on the loan, such as, for example, if property securing the loan was foreclosed and the value was not sufficient to repay a certain amount of the debt. Likewise, a contributor that enters into a deficit restoration obligation will be required to pay the operating partnership an amount of cash equal to all or part of its deficit book capital account upon the liquidation of the operating partnership. If the operating partnership fails to offer these original contributors the opportunity to guarantee such debt or to enter into a deficit restoration obligation, the operating partnership will be required to deliver to each original contributor who was not offered the opportunity to guarantee debt or enter into a deficit restoration obligation a cash payment intended to approximately compensate for the tax liability resulting from the operating partnership's failure to make this opportunity available and tax liabilities increased as a result of such payment.

The tax protection agreements are expected to benefit certain of the holders of our OP units by assisting them in continuing to defer federal income taxes in connection with the Formation Transactions and thereafter.

Severance Plan

Employees of our operating partnership and its affiliates who are members of a select group of management or highly compensated employees are subject to our Severance Plan, which provides severance benefits upon a termination of employment under certain circumstances. See Compensation of Executive Officers Severance Benefits.

Construction Business Asset Purchase Agreement

In connection with the Formation Transactions related to our initial public offering, we succeeded to the construction business of our predecessor as a result of the sale by our predecessor, which is indirectly controlled by Mr. Hoffler, of certain of the assets associated with the construction business to our services company for \$1.0 million in cash. Upon consummation of the Formation Transactions, substantially all employees of our predecessor were terminated by our predecessor and hired by our operating partnership, our services company or another affiliate of our operating partnership. These employees received offers of employment on substantially the same terms and conditions of their employment as were in effect immediately prior to this transition and were eligible to participate in any employee benefit plans maintained following the consummation of our initial public offering by our operating partnership, our services company or such affiliate. The new employer provided service credit to each transferred employee for all service time with our predecessor under its employee benefit plans and programs. The transferred employees rolled over their accrued paid time off, flexible spending account balances and deferred compensation plan balances, subject to the requirements of applicable law and any restrictions on transfer set forth in the Code. Except as described above, our predecessor retained all liabilities related to the transferred employees to the extent those liabilities arose prior to the closing of the foregoing transactions.

Indemnification of Officers and Directors

Our charter and bylaws provide for certain indemnification rights for our directors and officers and we entered into an indemnification agreement with each of our executive officers and directors, providing for procedures for indemnification and advancements by us of certain expenses and costs relating to claims, suits or proceedings arising from their service to us or, at our request, service to other entities, as officers or directors, or in certain other capacities, to the maximum extent permitted by Maryland law.

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that our executive officers and directors, and persons who own more than 10% of a registered class of our equity securities, file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the NYSE. Executive officers, directors and greater than 10% stockholders are required by the SEC to furnish us with copies of all Forms 3, 4 and 5 that they file.

Based on our review of the copies of such forms, and/or on written representations from the reporting persons that they were not required to file a Form 5 for the fiscal year, we believe that these filing requirements were satisfied by the reporting persons during the period commencing with the closing of our initial public offering on May 13, 2013 and ended December 31, 2013, except for the following: that Kirk A. Russell inadvertently was late filing a report on Form 4 for the purchase of shares of our common stock that occurred on September 4, 2013 and September 5, 2013; Louis S. Haddad inadvertently was late filing a report on Form 4 for our redemption on September 9, 2013 of the 1,000 shares that he purchased in connection with our initial capitalization; Louis S. Haddad inadvertently was late filing a report on Form 4 related to OP Units that were purchased and that were received in exchange for assets contributed to the operating partnership in connection with the Company's Formation Transactions on May 13, 2013; Shelly R. Hampton, Eric L. Smith, Michael P. O'Hara, Eric E. Apperson, Anthony P. Nero, Kirk A. Russell and Daniel A. Hoffler inadvertently were all late filing reports on Form 4 related to OP Units that were received in exchange for assets contributed to the operating partnership in connection with the Company's Formation Transactions on May 13, 2013; Louis S. Haddad, Anthony P. Nero, Eric E. Apperson, Shelly R. Hampton, Michael P. O'Hara, Eric L. Smith inadvertently were late filing reports on Form 4 for the granting and vesting of restricted stock units that occurred on March 3, 2014 and the related retention by the Company of shares to satisfy certain tax withholding obligations.

Other Matters to Come Before the 2014 Annual Meeting

No other matters are to be presented for action at the Annual Meeting other than as set forth in this Proxy Statement. If other matters properly come before the meeting, however, the persons named in the accompanying proxy card will vote all proxies solicited by this Proxy Statement as recommended by our Board of Directors, or, if no such recommendation is given, in their own discretion.

Stockholders Proposals and Nominations for the 2015 Annual Meeting

Any stockholder proposal pursuant to Rule 14a-8 of the rules promulgated under the Exchange Act, to be considered for inclusion in our proxy materials for the 2015 annual meeting of stockholders must be received at our principal executive offices no later than December 29, 2014.

In addition, any stockholder who wishes to propose a nominee to the Board or propose any other business to be considered by the stockholders (other than a stockholder proposal included in our proxy materials pursuant to Rule 14a-8 of the rules promulgated under the Exchange Act) must comply with the advance notice provisions and other requirements of Article II, Section 11 of our bylaws, which are on file with the SEC and may be obtained from Investor Relations upon request. These notice provisions require that nominations of persons for election to the Board of Directors and the proposal of business to be considered by the stockholders for the 2014 Annual Meeting must be received no earlier than November 29, 2014 and no later than December 29, 2014.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for notices of annual meetings, proxy statements and annual reports with respect to two or more

stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies. This year, a single notice of the annual meeting of

stockholders, or copy of the proxy statement and annual report, will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your bank or broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your bank or broker, and direct your written request to Armada Hoffler at 222 Central Park Avenue, Suite 2100, Virginia Beach, VA 23462, Attention: Corporate Secretary, or contact Investor Relations by telephone at (757) 366-6692. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their bank or broker.
