**PART III NARRATIVE**

Zillow Group, Inc. (the Company) is filing this Form 12b-25 with the Securities and Exchange Commission (the Commission) to postpone the filing of its Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2015 (the Form 10-Q) beyond May 11, 2015, the prescribed due date for such filing. As disclosed in the Company's Current Report on Form 8-K filed with the Commission on February 17, 2015, the Company completed its acquisition of Trulia, Inc. on February 17, 2015 (the Acquisition) as set forth in the Agreement and Plan of Merger, dated as of July 28, 2014, by and among Zillow, Inc., Trulia, Inc., and the Company, pursuant to which Zillow, Inc. and Trulia, Inc. became wholly owned subsidiaries of the Company. The Company is filing for additional time to finalize the Form 10-Q due to the complex process required to prepare the Company's condensed consolidated financial statements and due to significant demands related to the acquisition that diverted management time and resources from the Company's normal process of preparing and reviewing the Form 10-Q. The Company is unable to complete and file with the Commission the Form 10-Q by May 11, 2015 without unreasonable effort or expense. The Company expects to file the Form 10-Q with the Commission within five calendar days of the original prescribed date.

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s). Yes  No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made. The Company anticipates that its results of operations for the three months ended March 31, 2015 to be included in the Form 10-Q will be significantly different than its results of operations from the corresponding period in fiscal year 2014 because the results of operations for the three months ended March 31, 2015 will reflect the combined post-Acquisition entity and, specifically, include Trulia, Inc. s results of operations prospectively after February 17, 2015, the date of the Acquisition, whereas the results of operations from the corresponding period in fiscal year 2014 relate to Zillow, Inc. on a standalone basis. For example, Company revenue for the three months ended March 31, 2015 is expected to be \$127.3 million, compared to \$66.2 million in the prior year period, an increase of 92%. Total costs and expenses for the three months ended March 31, 2015 are expected to be \$185.2 million, compared to \$72.7 million in the prior year period. Net loss for the three months ended March 31, 2015 is expected to be \$58.4 million, compared to \$6.3 million in the prior year period.
