In addition, prior to the maturity date of the Note, which is currently September 17, 2015 but may be extended up to two additional 90 day periods upon the written agreement of the Company and SG VTB (the Maturity Date), the Company may request that SG VTB make, in SG VTB s sole discretion, additional advances from time to time up to an aggregate principal amount of \$15.0 million. In connection with entering into the Note, the Company also entered into a letter agreement with Bank of America whereby Bank of America, in its capacity as agent under the Credit Agreement, consented to the issuance of the Note (the Bank of America Letter).
