## **Introductory Note**

On June 26, 2015, the board of directors of eBay Inc. (eBay or the Company and the board of directors, the eBay Board) approved the separation of eBay's payments business through the distribution of 100% of the outstanding common stock, par value \$0.0001 per share, of PayPal Holdings, Inc., a wholly owned subsidiary of eBay (PayPal), to eBay's stockholders (the Separation and Distribution). To consummate the Separation and Distribution, the eBay Board declared a pro rata dividend of PayPal common stock to eBay's stockholders of record as of the close of business on July 8, 2015 (the Record Date). Each eBay stockholder as of the Record Date will receive one (1) share of PayPal common stock for every share of eBay common stock held at the close of business on the Record Date. Stockholders will receive cash in lieu of fractional shares of eBay common stock (if any).

The Separation and Distribution is subject to the satisfaction (or to the extent waivable, waiver by eBay in its sole discretion) of certain conditions, described in PayPal's final information statement (the Information Statement), which is attached hereto as Exhibit 99.1. Subject to the satisfaction of these conditions, the distribution is expected to occur at 11:59 pm, New York City time, on July 17, 2015 (the Distribution Date). Following the Separation and Distribution, PayPal will be an independent, publicly traded company, and eBay will not retain any equity interest in PayPal.

### **Item 1.01 Entry into a Material Definitive Agreement**

On June 26, 2015, eBay entered into a Separation and Distribution Agreement with PayPal that sets forth, among other things, the agreements between eBay and PayPal regarding the principal transactions necessary to effect the Separation and Distribution. It also sets forth other agreements that govern certain aspects of eBay's ongoing relationship with PayPal after the completion of the Separation and Distribution. A summary of important features of the Separation and Distribution Agreement can be found in the Information Statement, under the section entitled Certain Relationships and Related Person Transactions Separation Agreement, which is incorporated by reference into this Item 1.01. The description of the Separation and Distribution Agreement set forth under this Item 1.01 is qualified in its entirety by reference to the complete terms and conditions of the Separation and Distribution Agreement attached hereto as Exhibit 2.1.

### **Item 8.01 Other Events**

On June 26, 2015, eBay issued a press release announcing certain details of the Separation and Distribution. This press release is furnished as Exhibit 99.2 to this Current Report on Form 8-K and incorporated herein by reference.

PayPal previously filed with the U.S. Securities and Exchange Commission a registration statement on Form 10, initially filed on February 25, 2015 and most recently amended on June 26, 2015 (as amended, the Registration Statement), relating to the Separation and Distribution. The Registration Statement became effective on June 29, 2015. The Registration Statement includes the Information Statement, which describes the distribution and provides important information regarding PayPal's business and management. eBay has made the Information Statement publicly available on or about June 30, 2015. eBay expects to begin mailing the Information Statement to eBay stockholders as soon as reasonably practicable.
