Item 1.01 Entry into a Material Definitive Agreement.

On August 31, 2015, Independence Realty Operating Partnership, LP (IRT OP), the operating partnership of Independence Realty Trust, Inc. (IRT), received an amended and restated commitment letter (the Senior Facility Commitment Letter) from KeyBank National Association (KeyBank NA) and KeyBanc Capital Markets, pursuant to which, subject to the terms and conditions set forth therein, KeyBank NA has committed to lend to IRT OP and certain of its subsidiaries up to \$325 million through a senior secured credit facility (the Senior Facility). KeyBanc Capital Markets will act as lead arranger for the Senior Facility.

The Senior Facility will consist of a revolving line of credit in an amount of up to \$125.0 million (the Revolver) and a term loan in an amount of no less than \$200.0 million. Up to 10% of the Revolver will be available for swingline loans, and up to 10% of the Revolver will be available for the issuance of letters of credit. Additionally, IRT OP will have the right to increase the aggregate amount of the Senior Facility to up to \$450.0 million. The Senior Facility will mature three years from its closing date, subject to the option of IRT OP to extend the Senior Facility for two additional 12-month periods under certain circumstances. IRT OP may prepay the Senior Facility, in whole or in part, at any time without fee or penalty, except for breakage costs associated with LIBOR borrowings.

At IRT OP's option, borrowings under the Senior Facility will bear interest at a rate equal to either (i) the LIBOR rate plus a margin of 165 to 245 basis points, or (ii) a base rate plus a margin of 65 to 145 basis points. The applicable margin will be determined based upon IRT OP's total leverage ratio. In addition, IRT OP will pay a fee of either 20 basis points (if greater than or equal to 50% of the Revolver is used) or 25 basis points (if less than 50% of the Revolver is used) on the unused portion of the Revolver. The Senior Facility requires monthly payments of interest only and does not require any mandatory prepayments.

Also on August 31, 2015, IRT OP received an amended and restated commitment letter (the Interim Facility Commitment Letter) from KeyBank NA and KeyBanc Capital Markets, pursuant to which, subject to the terms and conditions set forth therein, KeyBank NA has committed to lend to IRT OP up to \$120 million through an interim term loan facility (the Interim Facility and, together with the Senior Facility, the KeyBank Facilities). KeyBanc Capital Markets will act as lead arranger for the Interim Facility.

The Interim Facility is structured as a 364-day secured term loan facility (with a maturity extension option for an additional six months under certain circumstances) available in a single draw. IRT OP may prepay the Interim Facility, in whole or in part, at any time without fee or penalty (other than as provided in a separate fee letter among IRT OP, KeyBank NA and KeyBanc Capital Markets), except for breakage costs associated with LIBOR borrowings. The Interim Facility will be secured by pledges of certain of the equity interests of IRT OP's current and future subsidiaries and joint ventures (on a best-available basis to the extent such equity interests can be pledged pursuant to IRT's existing debt agreements) and a pledge of the proceeds of all equity issuances by IRT.

At IRT OP's option, borrowings under the Interim Facility will bear interest at a rate equal to either (i) the LIBOR rate plus a margin of 500 basis points, or (ii) a base rate plus a margin of 400 basis points. If IRT OP elects to extend its maturity, at IRT OP's option, the Interim Facility will bear interest at a rate equal to either (i) the LIBOR rate plus a margin of 650 basis points, or (ii) a base rate plus a margin of 550 basis points. The Interim Facility requires monthly payments of interest only. IRT OP is required to reduce the principal amount outstanding under the Interim Facility to no greater than \$100.0 million within six months of closing and must apply 100% of all net proceeds from equity issuances, sales of assets, or refinancings of assets towards repaying the Interim Facility.

Proceeds advanced under the KeyBank Facilities are expected to be used (a) to finance the cash portion of the consideration to be paid pursuant to that certain Agreement and Plan of Merger (the Merger Agreement), dated May 11, 2015, by and among IRT, IRT OP, IRT Limited Partner, LLC, Adventure Merger Sub LLC, Trade Street Residential, Inc. (TSRE), and Trade Street Operating Partnership, L.P., (b) to refinance certain outstanding indebtedness of TSRE and its affiliates, (c) to pay off IRT's existing revolving credit facility, and (d) to pay costs, fees and expenses related to the transactions contemplated by the Merger Agreement.

The closing of the KeyBank Facilities remains subject to the satisfaction or waiver of customary conditions contained therein.

The foregoing description of the Senior Facility Commitment Letter and the transactions contemplated thereby is not complete and is subject to and qualified in its entirety by reference to the Senior Facility Commitment Letter, a copy of which is attached as Exhibit 10.1 hereto and incorporated herein by reference.

The foregoing description of the Interim Facility Commitment Letter and the transactions contemplated thereby is not complete and is subject to and qualified in its entirety by reference to the Interim Facility Commitment Letter, a copy of which is attached as Exhibit 10.2 hereto and incorporated herein by reference.
