This Rule 425 filing consists of a press release that contains information regarding Horizon Pharma plc s (Horizon Pharma) solicitation of requests for two special meetings of shareholders of Depomed, Inc.

Horizon Pharma issued the press release on October 7, 2015.

Horizon Pharma plc Announces That Three of the Leading Proxy Advisory Firms Recommend that Depomed Shareholders Provide Consent FOR the Special Meetings Requests

Proposals to be Considered at the Special Meetings Would Include Removal and Replacement of Entire

Depomed Board of Directors and Repeal of Depomed's Recently Adopted Bylaw Amendments

DUBLIN, IRELAND October 7, 2015 Horizon Pharma plc (NASDAQ: HZNP) (Horizon Pharma), a biopharmaceutical company focused on improving patients' lives by identifying, developing, acquiring and commercializing differentiated and accessible medicines that address unmet medical needs, today commented on Proxy Mosaic's (Proxy Mosaic) recommendation in support of Horizon Pharma's efforts to call two related special meetings of Depomed shareholders to remove and replace all of the current Depomed, Inc. (Depomed) directors and to repeal a series of recent amendments to Depomed's bylaws.

Proxy Mosaic recommended that shareholders of Depomed **PROVIDE CONSENT FOR** Horizon Pharma's solicitation for the calling of the special meetings by submitting their WHITE and BLUE proxy cards to Horizon Pharma's proxy solicitor, MacKenzie Partners, Inc. Proxy Mosaic is the third proxy advisory service to make that recommendation. Horizon Pharma previously announced that Glass Lewis & Co. and Institutional Shareholder Services had recommended that Depomed shareholders should provide such consent.

In its published report, Proxy Mosaic concluded that:

the [Depomed] board's scorched earth approach to corporate governance over the past few months suggests that the [Depomed] board's intention is to delay and obstruct this deal to the fullest extent possible. Despite fairly clear indications from its shareholders that the [Depomed] board should consider this deal, the [Depomed] board has taken steps to limit their voice with respect to this transaction.

the Depomed directors have demonstrated a fairly wanton disregard for shareholder franchise.

By employing what seem like unreasonable tactics to not only dismiss the proposed merger, but prevent shareholders from even opining on the deal, seems obstructionist at best. As expected, Proxy Mosaic did not at this juncture take a position on how shareholders should vote on Horizon's proposals to remove the current Depomed directors, to elect Horizon Pharma nominees to replace them upon removal and to repeal a series of recent amendments to Depomed's bylaws at the special meetings, if called.

Horizon Pharma's solicitation statement for calling the two related special meetings and the letter to Depomed shareholders from Horizon Pharma describing the reasons Depomed shareholders should support the solicitation to call the special meetings, along with the documents related to Horizon Pharma's exchange offer for all of the outstanding shares of Depomed common stock, are viewable at: www.HorizonAndDepomed.com, a website that Horizon Pharma launched to provide details and other relevant information regarding its proposals for the special meetings and its proposed acquisition of Depomed via the exchange offer.

Special Note Regarding Litigation

As described in the Exchange Offer Documents and the Special Meetings Solicitation Statement, Horizon Pharma is currently challenging Depomed's bylaw-mandated process for calling a special meeting of shareholders as contrary to California law in a judicial proceeding seeking to protect Depomed shareholders' franchise rights. With that judicial challenge pending, the Special Meetings Solicitation Statement and accompanying WHITE and BLUE proxy cards that have been distributed to Depomed shareholders reflect Horizon Pharma's good faith effort to nevertheless comply with what we believe is an onerous process for calling a special meeting of shareholders imposed by the Depomed board of directors. The Superior Court of the State of California, County of Santa Clara, where our judicial challenge is pending, has calendared for November 5, 2015 a hearing on a preliminary injunction motion by a subsidiary of Horizon Pharma to enjoin, among other things, the enforcement of Depomed's bylaws that mandate what we believe to be the onerous process for calling a special meeting of shareholders. On that same date, the Court is also scheduled to hold a hearing on a preliminary injunction motion by Depomed for its claims against Horizon Pharma and its subsidiary.

You can find information about Depomed's directors, executive officers and its employees who are participants in such solicitation in Depomed's definitive proxy statement filed with the SEC on April 16, 2015, Depomed's definitive revocation statement filed with the SEC on September 30, 2015, the Special Meetings Solicitation Statement and in such other solicitation statements, proxy statements or other documents that would be filed with the SEC in connection with the special shareholders meetings.
