If the authorized share capital increase proposal (Proposal No. 2) is approved, to grant the Horizon Pharma board of directors (the Horizon Pharma Board ) an updated authority under Irish law to allot and issue shares, warrants, convertible instruments and options (the directors allotment authority proposal (Proposal No. 3) ).
4. If the directors allotment authority proposal (Proposal No. 3) is approved, to grant the Horizon Pharma Board an updated power under Irish law to issue shares for cash without first offering those shares to existing shareholders under pre-emptive rights that would otherwise apply to the issuance (the pre-emption rights dis-application proposal (Proposal No. 4) ).
5. To approve any motion to adjourn the extraordinary general meeting, or any adjournments thereof, to another time and place if necessary or appropriate to, among other things, solicit additional proxies if there are insufficient votes at the time of the extraordinary general meeting to approve the share issuance proposal (Proposal No. 1) (the adjournment proposal (Proposal No. 5) ).

**Item 8.01 Other Events.**

As previously announced on September 8, 2015, Horizon Pharma commenced an exchange offer to acquire all of the outstanding shares of Depomed common stock. The approval of the share issuance proposal (Proposal No. 1) satisfies one of the conditions required to consummate the offer. Other conditions remain to be satisfied, including, among others, the redemption or removal of certain poison pill rights that the Depomed board of directors has the unilateral ability to remove and the tender of a majority of the total number of outstanding shares of Depomed common stock on a fully diluted basis.

On November 13, 2015, Horizon issued a press release announcing (i) the voting results of the Horizon EGM, (ii) the satisfaction of the Horizon shareholder approval condition required to consummate the offer, and (iii) the extension of the expiration of the offer to 5 p.m., Eastern Time, on November 30, 2015.
