PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD MARCH 30, 2016

To Our Stockholders:

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors (Board of Directors or Board) of Emerson Radio Corp., a Delaware corporation (Emerson or the Company), to be used at our Annual Meeting of Stockholders to be held at the law offices of Lowenstein Sandler LLP located at 65 Livingston Avenue, Roseland, NJ 07068, on Wednesday, March 30, 2016, at 10:00 a.m. (local time), or at any adjournment or adjournments thereof. Our stockholders of record as of the close of business on February 23, 2016 are entitled to vote at our annual meeting. We expect to begin mailing this proxy statement and the enclosed proxy card to our stockholders on or about March 3, 2016.

Important Notice of Availability of Proxy Materials for the Annual Meeting of Stockholders to be held on March 30, 2016.

Our proxy materials, including our Proxy Statement for the Annual Meeting, 2015 Annual Report to Stockholders (which contains our Annual Report on Form 10-K for the year ended March 31, 2015) and proxy card, are available on the Internet at <http://www.astproxyportal.com/ast/02008>.

VOTING PROCEDURES AND REVOCABILITY OF PROXIES

The accompanying proxy card is designed to permit each of our stockholders as of the record date to vote on each of the proposals properly brought before the annual meeting. As of the record date, there were 27,129,832 shares of our common stock, par value \$.01 per share, issued and outstanding and entitled to vote at the annual meeting. Each outstanding share of our common stock is entitled to one vote.

The holders of a majority of our outstanding shares of common stock, present in person or by proxy, will constitute a quorum for the transaction of business at the annual meeting. If a quorum is not present, the annual meeting may be adjourned from time to time until a quorum is obtained.

Abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present. Abstentions, but not broker non-votes, are treated as shares present and entitled to vote, and will be counted as a no vote on all matters other than the election of directors. Broker non-votes are treated as not entitled to vote, and so reduce the absolute number, but not the percentage of votes needed for approval of a matter. Broker non-votes occur when nominees, such as banks and brokers holding shares on behalf of beneficial owners, do not receive voting instructions from the beneficial holders at least ten days before the meeting. If that happens, the nominees may vote those shares only on matters deemed routine by the New York Stock Exchange (NYSE), such as the ratification of auditors. Nominees cannot vote on non-routine matters unless they receive voting instructions from beneficial holders,

resulting in so-called broker non-votes.

Assuming that a quorum is present, directors will be elected by a plurality vote and the seven nominees who receive the most votes will be elected. There is no right to cumulate votes in the election of directors. As a result, abstentions and broker non-votes will not affect the outcome of the vote on this proposal. The election of directors is not considered to be a routine matter and brokers are not permitted to vote on this matter if the broker has not received instructions from the beneficial owner. Accordingly, it is important that beneficial owners instruct their brokers how they wish to vote the shares.

Assuming that a quorum is present, the ratification of the appointment of MSPC Certified Public Accountants and Advisors, A Professional Corporation (MSPC) as our independent registered public accountants for the fiscal year ending March 31, 2016 and approval of any other matter that may properly come before the annual meeting will require that an affirmative vote of a majority of the total votes be cast on these proposals, in person or by proxy, to approve these proposals. As a result, abstentions will have the same practical effect as a negative vote on these proposals, and broker non-votes , if any, will not affect the outcome of the vote on these proposals. The proposal for the ratification of our independent registered public accounting firm is considered to be a routine matter, and hence the Company does not expect that there will be a significant number of broker non-votes on such proposal.

Table of Contents

As of the record date, February 23, 2016, The Grande Holdings Limited (In Liquidation) (Grande), a Bermuda corporation, has, together with S&T International Distribution Limited (S&T), a subsidiary of Grande, and Grande N.A.K.S. Ltd., a subsidiary of Grande (together with Grande, the Reporting Persons) had the shared power to vote and direct the disposition of 15,243,283 shares, or approximately 56.2%, of the outstanding common stock of Emerson. Information with respect to the ownership of these shares was obtained from a Schedule 13D/A filed with the SEC on July 9, 2014. As a result, Emerson is a Controlled Company, as defined in Section 801(a) of the NYSE MKT Rules.

On May 31, 2011, upon application of a major creditor, the High Court of Hong Kong appointed Fok Hei Yu (who is also known by the anglicized name Vincent Fok), formerly a director and Chairman of the Board of the Company, and Roderick John Sutton, both of FTI Consulting (Hong Kong) Limited (FTI), as Joint and Several Provisional Liquidators over Grande. Accordingly, as of May 31, 2011, the directors of Grande no longer have the ability to exercise control over Grande or the power to direct the voting and disposition of the 15,243,283 shares beneficially owned by Grande. Instead, Mr. Fok and Mr. Sutton, as Provisional Liquidator over Grande, currently have such power. In addition, on March 20, 2013, the Provisional Liquidators provided to Emerson a written statement that they are obligated to liquidate the 15,243,283 shares in the Company beneficially owned by Grande. However, in February 2014, the Provisional Liquidators for and on behalf of Grande issued a public announcement that Grande, among other things, had been in discussions with different investors to pursue a restructuring plan and the resumption of trading of Grande s shares on the Hong Kong Stock Exchange (HKSE). In addition, in May 2014, the Provisional Liquidators for and on behalf of Grande issued a public announcement disclosing that on May 2, 2014, Grande, the Provisional Liquidators and a creditor of Grande entered into an agreement to implement the Grande Restructuring Proposal submitted by a creditor of Grande. Based on information contained within the public announcement issued for Grande in May 2014, if the Grande Restructuring Proposal is implemented, Mr. Christopher Ho, who served as the Company s Chairman of the Board until November 2013 and was the sole director of Grande until February 19, 2016, and his associates would continue to have a majority interest in Grande and would regain the power to direct the voting and disposition of the 15,243,283 shares beneficially owned by Grande. On February 21, 2016, the Provisional Liquidators for and on behalf of Grande issued a public announcement disclosing that effective February 19, 2016, Mr. Christopher Ho resigned as Grande s sole director and that Mr. Eduard Will, who served as a director of Emerson Radio from 2008 until November 2013, and Mr. Tang Hoi Nam were appointed as directors of Grande. As disclosed in the Schedule 13D/A filed by the Reporting Persons on May 22, 2014, the Grande Restructuring Proposal includes a plan to re-list Grande on the HKSE and provides that many assets of Grande, including its shares of Emerson, would remain part of Grande. According to the public announcement issued for Grande in May 2014, the Grande Restructuring Plan will require approvals, consents and sanctions of the HKSE, courts in Hong Kong and Bermuda, and the creditors and shareholders of Grande. In addition, on June 11, 2014, Grande announced that it had received a summons issued by a creditor of Grande seeking the removal of the Provisional Liquidators. On June 1, 2015 the Provisional Liquidators for and on behalf of Grande issued a public announcement disclosing that by letter dated May 29, 2015, the HKSE decided to allow Grande to proceed with Grande s Updated Resumption Proposal , subject to the satisfaction of certain conditions by December 21, 2015. On December 22, 2015 the Provisional Liquidators for and on behalf of Grande issued a public announcement disclosing that by letter dated December 22, 2015, the HKSE decided to extend the deadline for Grande to fully satisfy these conditions to May 11, 2016.

It is not possible at this time to predict whether Grande can satisfy the conditions established by the HKSE for the resumption or relisting of Grande on HKSE, or whether the Grande Restructuring Proposal will receive all necessary approvals, nor can there be any assurances regarding the timing, terms or effects of implementing the Grande Restructuring Proposal or if the Provisional Liquidators will be removed. However, even though the Provisional Liquidators continue to maintain the ability to exercise the power to direct the voting and disposition of shares, as long as the Provisional Liquidators are pursuing this restructuring proposal that would result in Grande retaining beneficial ownership of the 15,243,283 shares of Emerson common stock, the Provisional Liquidators may not be actively seeking to liquidate those shares. If the Grande Restructuring Proposal is completed as described within the public

announcement issued for Grande in May 2014, it is expected that the 15,243,283 shares of Emerson common stock held of record by Grande's subsidiary, S&T, would remain with S&T and that Grande would once again have the power to direct the voting and disposition of this 56.2% controlling interest in Emerson common stock. It is not possible at this time to predict what impact the removal of the Provisional Liquidators would have on the Grande Restructuring Proposal or Emerson and Emerson cannot predict nor provide any assurances regarding the possible effects on the Company, its shareholders, the trading price of its common stock or any other consequences that could result if the Grande Restructuring Proposal is approved and Grande again has the power to control Emerson.

The accompanying proxy card provides space for you to vote in favor of, or to withhold voting for: (i) the nominees for the Board of Directors identified herein and (ii) the ratification of the appointment of MSPC as independent registered public accountants of Emerson for the fiscal year ending March 31, 2016. The Company's Board of Directors urges you to complete, sign, date and return the proxy card in the accompanying envelope, which is postage prepaid for mailing in the United States.

When a signed proxy card is returned with choices specified with respect to voting matters, the proxies designated on the proxy card will vote the shares in accordance with the stockholder's instructions. The Company has designated Duncan Hon and Andrew L. Davis as proxies for the stockholders. If you desire to name another person as your proxy, you may do so by crossing out the names of

the designated proxies and inserting the names of the other persons to act as your proxies. In that case, it will be necessary for you to sign the proxy card and deliver it to the person named as your proxy and for the named proxy to be present and vote at the annual meeting. Proxy cards so marked should not be mailed to us.

If you sign your proxy card and return it to the Company and you have made no specifications with respect to voting matters, your shares will be voted FOR: (i) the election of the nominees for director identified herein and (ii) the ratification of the appointment of MSPC as the Company's independent registered public accountants for the fiscal year ending March 31, 2016 and, at the discretion of the proxies designated by the Company, on any other matter that may properly come before the annual meeting or any adjournment(s).

You have the unconditional right to revoke your proxy at any time prior to the voting of the proxy by taking any act inconsistent with the proxy. Acts inconsistent with the proxy include notifying our Secretary in writing of your revocation, executing a subsequent proxy, or personally appearing at the annual meeting and casting a contrary vote. However, no revocation shall be effective unless at or prior to the annual meeting we have received notice of such revocation.

At least ten (10) days before the annual meeting, the Company will make a complete list of the stockholders entitled to vote at the annual meeting open to the examination of any stockholder for any purpose germane to the meeting. The list will be open for inspection during ordinary business hours at the Company's offices located at 3 University Plaza, Suite 405, Hackensack, New Jersey 07601, and will also be made available to stockholders present at the meeting.

Table of Contents**PROPOSAL I: ELECTION OF DIRECTORS**

Seven directors are proposed to be elected at the annual meeting. If elected, each director will hold office until the next annual meeting of stockholders or until his successor is elected and qualified. The election of directors will be decided by a plurality vote.

On February 16, 2016, the Board of Directors nominated the following individuals, each of whom currently serves as a member of the Company's Board of Directors, for election as directors to serve until the next annual meeting of stockholders and until their successors have been duly elected and qualified: John Howard Batchelor, Lionel Choong, Duncan Hon, Gregory William Hunt, Mark Manski, Kareem E. Sethi, and Terence A. Snellings. The Company has appointed Mr. Batchelor to serve as Chairman of the Board. All nominees have consented to serve if elected and the Company has no reason to believe that any of the nominees named will be unable to serve. If any nominee becomes unable to serve, (i) the shares represented by the designated proxies will be voted for the election of a substitute as the Company's Board of Directors may recommend, (ii) the Company's Board of Directors may reduce the number of directors to eliminate the vacancy or (iii) the Company's Board of Directors may fill the vacancy at a later date after selecting an appropriate nominee.

The current Board of Directors nominated the individuals named below for election to our Board of Directors, and information regarding the background and qualifications of each of the nominees is set forth below. BOARD OF DIRECTORS AND COMMITTEES

Board of Directors and Committees

The Company's Board of Directors presently consists of seven directors. The Board of Directors has determined that five of the director nominees, Messrs. Choong, Hunt, Manski, Sethi and Snellings, meet the definition of independence as established by the NYSE MKT listing standards and applicable SEC rules.

The Board of Directors is responsible for the management and direction of the Company and for establishing broad corporate policies. The Board of Directors meets periodically during the Company's fiscal year to review significant developments affecting the Company and to act on matters requiring Board of Director approval. The Board of Directors held twelve formal meetings and two executive sessions during the Company's fiscal year ended March 31, 2015 (Fiscal 2015), and also acted by unanimous written consent. During Fiscal 2015, each member of the Board of Directors participated in at least 75% of the aggregate of all meetings of the Board of Directors and the aggregate of all meetings of committees on which such member served, that were held during the period in which such director served during Fiscal 2015. The Company encourages, but does not require, members of the Board of Directors to attend annual meetings of stockholders. Three of the Company's directors who were nominated for re-election attended the Company's annual meeting of stockholders held on October 8, 2014.

The Board of Directors presently has one standing committee, the Audit Committee, which is a separately-designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Exchange Act and Rule 10A-3 thereunder. In addition, in March 2013, the Company formed an ad hoc Special Committee consisting solely of independent directors to evaluate possible strategic alternatives intended to enhance stockholder value. The Special Committee currently consists of Messrs. Manski and Snellings.

The Company does not maintain a nominating committee or a compensation committee. So long as Grande holds beneficially more than 50% of the outstanding common stock of Emerson, Emerson is a Controlled Company under Sections 804 and 805 of the Company Guide, and therefore exempt from the requirements to have (i) the compensation of its executives determined by a compensation committee comprised solely of independent directors or by a majority of the Board of Directors independent directors and (ii) director nominees selected by a nominating committee comprised entirely of independent directors or by a majority of the independent directors. The full Board of Directors, among other things, (i) identifies individuals qualified to become members of the Board of Directors and selects director nominees for election at the next Annual Meeting of Stockholders, (ii) reviews and monitors matters related to management development and succession, (iii) develops and implements executive compensation policies and pay for performance criteria, and (iv) reviews and approves salaries, bonuses and incentive awards.

Audit Committee. The Company's Audit Committee currently consists of Mr. Sethi (Chairman), Mr. Hunt and Mr. Snellings, each of whom the Board of Directors has determined meet the definition of independence as established by the NYSE MKT listing rules and SEC rules. Mr. Sethi is currently the Chairman of the Audit Committee and the audit committee financial expert. Pursuant to Section 803(B)(2)(c) of the NYSE MKT Company Guide (the Company Guide), as a smaller reporting company the Company is required to have an audit committee of at least two independent members, as defined by the listing standards of the NYSE MKT.

The Audit Committee is empowered by the Board of Directors, among other things, to: (i) serve as an independent and objective party to monitor the Company's financial reporting process, internal control system and disclosure control system; (ii) review and appraise the audit efforts of the Company's independent accountants; (iii) assume direct responsibility for the appointment, compensation, retention and oversight of the work of the outside auditors and for the resolution of disputes between the outside auditors and the Company's management regarding financial reporting

issues; and (iv) provide the opportunity for direct communication among the independent accountants, financial and senior management and the Board of Directors. During Fiscal 2015, the Audit Committee performed its duties under a written charter approved by the Board of Directors and formally met four times. A copy of the Company's Audit Committee Charter is posted on the Company's website: www.emersonradio.com on the Investor Relations page.

Report of the Audit Committee

This report shall not be deemed soliciting material or incorporated by reference in any filing by the Company under the Securities Act or the Exchange Act except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under either act.

Table of Contents

The Audit Committee has (i) reviewed and discussed the Company's audited consolidated financial statements for the year ended March 31, 2015 with the Company's management and with the Company's independent auditor, MSPC; (ii) discussed with the Company's independent auditor the matters required to be discussed by Statement on Auditing Standards No. 61, as amended; and (iii) received the written disclosures and the letter from the Company's independent accountants required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountants' communications with the Audit Committee concerning independence and discussed with the Company's independent auditor the independent auditors' independence.

The Audit Committee also considered whether the provision to the relevant entity by the independent auditor of non-audit services was compatible with maintaining the independence of the independent auditor.

Table of Contents

Based on the reviews and discussions described above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements of the Company be included in the Company's Annual Report on Form 10-K for the year ended March 31, 2015 for filing with the SEC.

Procedures for Considering Nominations Made by Stockholders. Nominations for election to the Board of Directors may be made by the Company's Board of Directors or by any stockholder of any outstanding class of the Company's capital stock entitled to vote for the election of directors. The following procedures shall be utilized in considering any candidate for election to the Board of Directors at an annual meeting, other than candidates who have previously served on the Board of Directors or who are recommended by the Board of Directors. Stockholder proposals for director nominations must be delivered to the Company's Secretary at its corporate headquarters not less than the close of business on the one hundred twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting; *provided, however*, that if the date of the annual meeting is moved by more than thirty (30) days from the date of the previous year's annual meeting, notice to be timely must be so delivered a reasonable time before the company begins to print and send its proxy materials for such annual meeting. In addition, pursuant to the Company's bylaws, stockholders who wish to nominate a person for election as a director at the annual meeting must deliver written notice to the President or Chairman of the Board of the Company at its corporate headquarters not less than twenty (20) days prior to the annual meeting; *provided, however*, that if the Company furnishes less than thirty (30) days' notice of any meeting, such notification must be delivered not later than ten (10) days following the date on which the Company provided such notice, but in no event less than five (5) days prior to such annual meeting. Any such written notice must be directed to the attention of the Company's President or the Chairman of the Board at the Company's corporate headquarters and must comply with the applicable provisions of the Company's bylaws, as amended. The public announcement of an adjournment or postponement of an annual meeting will not commence a new time period (or extend any time period) for the giving of a notice as described above. A nomination notice must set forth as to each person whom the proponent proposes to nominate for election as a director: (a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected) and (b) information that will enable the Company's Board of Directors to determine whether the candidate satisfies the minimum criteria and any additional criteria established by the Company's Board of Directors.

Qualifications. The Company's Board of Directors has adopted guidelines describing the minimum qualifications for nominees and the qualities or skills that are necessary for directors to possess. Each nominee (i) must satisfy any legal requirements applicable to members of the Board of Directors; (ii) must have business, professional or other experience that will enable such nominee to provide useful input to the Board of Directors in its deliberations; and (iii) must have knowledge of the types of responsibilities expected of members of the board of directors of a public company.

Identification and Evaluation of Candidates for the Board. Candidates to serve on the Board of Directors will be identified from all available sources, including recommendations made by stockholders, members of the Company's management and members of the Company's Board of Directors. The Company's Board of Directors has a policy that

there will be no differences in the manner in which its Board of Directors evaluates nominees recommended by stockholders and nominees recommended by it or management,

Table of Contents

except that no specific process shall be mandated with respect to the nomination of any individuals who have previously served on the Board of Directors. The evaluation process for individuals other than existing members of the Board of Directors will include a review of the information provided to the Board of Directors by the proponent and a review of such other information as the Board of Directors shall determine to be relevant.

Diversity Considerations in Director Nominations

The Company does not have a formal diversity policy. The Company believes its Board of Directors represents a collection of individuals with a variety of complementary skills which, as a group, possess the appropriate skills and experience to oversee the Company's business. The Board of Directors considers a wide variety of qualifications, attributes and other factors and recognizes that a diversity of viewpoints and practical experiences can enhance the effectiveness of the Company's Board of Directors.

Board Leadership Structure

The Company does not have a formal policy regarding whether the roles of the Chairman of the Board and Chief Executive Officer should be combined or separated. The Board of Directors recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure so as to provide independent oversight of management. The Board of Directors understands that there is no single, generally accepted approach to providing board leadership and that given the dynamic and competitive environment in which the Company operates, the right board leadership structure may vary as circumstances warrant. Currently, the roles of Chief Executive Officer and Chairman of the Board are separate. Currently Mr. Batchelor serves as the Chairman of the Board and Mr. Hon serves as the Chief Executive Officer.

Role in Risk Oversight

Although the Company's management is responsible for implementing systems and processes to identify and manage risks, the Company's Board of Directors has oversight responsibility for the Company's risk management processes. In carrying out its oversight responsibility, the Board of Directors has delegated to individual committees certain elements of its risk oversight function. This oversight is administered primarily through the following:

The Board of Directors' review and approval of the Company's annual budget (prepared and presented to the Board of Directors by the management team), including discussion of the opportunities and challenges facing its business;

The Audit Committee's oversight of the Company's internal control over financial reporting and its discussions with management and the independent accountants regarding the quality and adequacy of the Company's internal controls and financial reporting; and

The Board of Directors' review of executive officer compensation and its relationship to the Company's business plans.

Process for Sending Communications to the Board of Directors

The Board of Directors has established a procedure that enables stockholders to communicate in writing with members of the Board of Directors. Any such communication should be addressed to the Company's Secretary and should be sent to such individual at c/o Emerson Radio Corp., 3 University Plaza, Suite 405, Hackensack, New Jersey 07601. Any such communication must state, in a conspicuous manner, that it is intended for distribution to the entire Board of Directors. Under the procedures established by the Board of Directors, upon the Secretary's receipt of such a communication, the Company's Secretary will send a copy of such communication to each member of the Board of Directors, identifying it as a communication received from a stockholder. Absent unusual circumstances, at the next regularly scheduled meeting of the Board of Directors held more than two days after such communication has been distributed, the Board of Directors will consider the substance of any such communication.

Codes of Ethics

The Company has adopted a Code of Ethics for Senior Financial Officers (Code of Ethics) that applies to its Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer, Controller and Treasurer. The Company has also adopted a Code of Conduct for Officers, Directors and Employees of Emerson Radio Corp. and Its Subsidiaries (Code of Conduct). We prepared this Code of Conduct to help all officers, directors and employees understand and comply with its policies and procedures. Overall, the purpose of the Company s Code of Conduct is to deter wrongdoing and promote (i) honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships; (ii) full, fair, accurate, timely and understandable disclosure in reports and documents that the Company files with, or submits to, the SEC and in other public communications made by the Company; (iii) compliance with applicable governmental laws, rules and regulations; (iv) prompt internal reporting of code violations to an appropriate person or persons identified in the Code of Conduct; and (v) accountability for adherence to the Code of Conduct.

The Code of Ethics and the Code of Conduct are posted on the Company s website: www.emersonradio.com on the Investor Relations page. If the Company makes any substantive amendments to, or grant any waiver (including any implicit waiver) from a provision of the Code of Ethics or the Code of Conduct, and that relates to any element of the Code of Ethics definition enumerated in Item 406 (b) of Regulation S-K, the Company will disclose the nature of such amendment or waiver on its website or in a current report on Form 8-K.

None of the Company's Named Executive Officers held any outstanding equity awards at March 31, 2015.

During Fiscal 2015, our directors and former directors who were not employees (**Outside Directors**), specifically Messrs. Batchelor, Choong, Vincent Fok (who served as a director until the annual meeting held on October 8, 2014), Hunt, Manski, Sethi and Snellings were paid \$33,669, \$149,140, \$36,332, \$89,500, \$176,393, \$91,834 and \$166,473, respectively, for serving on the Board and on our various committees during the period. The Company does not

The Outside Director serving as the Chairman of the Board received an additional annual fee of \$20,000. The Company did not pay any additional fees for attendance at meetings of the Board or the committees. Audit committee fees were paid in four equal quarterly installments per annum and special committee fees were paid in monthly installments. Audit committee and special committee fees were pro-rated in situations where an Outside Director served less than a full one year or periodic term.

Equity Compensation Plan Information

The Company did not have any equity compensation plans in existence as of March 31, 2015.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

From time to time, Emerson engages in business transactions with its controlling shareholder, Grande, and its direct and indirect subsidiaries (together Grande). Set forth below is a summary of such transactions.

Controlling Shareholder

The Grande Holdings Limited (In Liquidation) (Grande) has, together with S&T International Distribution Limited (S&T), a subsidiary of Grande, and Grande N.A.K.S. Ltd., a subsidiary of Grande (together with Grande, the Reporting Persons), filed, on July 9, 2014, a Schedule 13D/A with the Securities and Exchange Commission (SEC) stating that, as of the filing date, the Reporting Persons had the shared power to vote and direct the disposition of 15,243,283 shares, or approximately 56.2%, of the outstanding common stock of Emerson. As the Reporting Persons, and by extension Grande (as their ultimate parent) have control of a majority of the outstanding shares of common stock of Emerson, Emerson is a Controlled company, as defined in Section 801(a) of the NYSE MKT Rules.

On May 31, 2011, upon application of a major creditor, the High Court of Hong Kong appointed Fok Hei Yu (who is also known by the anglicized name Vincent Fok), formerly a director and Chairman of the Board of the Company, and Roderick John Sutton, both of FTI Consulting (Hong Kong) Limited (FTI), as Joint and Several Provisional Liquidators over Grande. Accordingly, as of May 31, 2011, the directors of Grande no longer have the ability to exercise control over Grande or the power to direct the voting and disposition of the 15,243,283 shares beneficially owned by Grande. Instead, Mr. Fok and Mr. Sutton, as Provisional Liquidator over Grande, currently have such power. In addition, on March 20, 2013, the Provisional Liquidators provided to Emerson a written statement that they are obligated to liquidate the 15,243,283 shares in the Company beneficially owned by Grande. However, in February 2014, the Provisional Liquidators for and on behalf of Grande issued a public announcement that Grande, among other things, had been in discussions with different investors to pursue a restructuring plan and the resumption of trading of Grande's shares on the Hong Kong Stock Exchange (HKSE). In addition, in May 2014, the Provisional Liquidators for and on behalf of Grande issued a public announcement disclosing that on May 2, 2014, Grande, the Provisional

Liquidators and a creditor of Grande entered into an agreement to implement the Grande Restructuring Proposal submitted by a creditor of Grande. Based on information contained within the public announcement issued for Grande in May 2014, if the Grande Restructuring Proposal is implemented, Mr. Christopher Ho, who served as the Company's Chairman of the Board until November 2013 and was the sole director of Grande until February 19, 2016, and his associates would continue to have a majority interest in Grande and would regain the power to direct the voting and disposition of the 15,243,283 shares beneficially owned by Grande. On February 21, 2016, the Provisional Liquidators for and on behalf of Grande issued a public announcement disclosing that effective February 19, 2016, Mr. Christopher Ho resigned as Grande's sole director and that Mr. Eduard Will, who served as a director of Emerson Radio from 2008 until November 2013, and Mr. Tang Hoi Nam were appointed as directors of Grande. As disclosed in the Schedule 13D/A filed by the Reporting Persons on May 22, 2014, the Grande Restructuring Proposal includes a plan to re-list Grande on the HKSE and provides that many assets of Grande, including its shares of Emerson, would remain part of Grande. According to the public announcement issued for Grande in May 2014, the Grande Restructuring Plan will require approvals, consents and sanctions of the HKSE, courts in Hong Kong and Bermuda, and the creditors and shareholders of Grande. In addition, on June 11, 2014, Grande announced that it had received a summons issued by a creditor of Grande seeking the removal of the Provisional Liquidators. On June 1, 2015 the Provisional Liquidators for and on behalf

Table of Contents

of Grande issued a public announcement disclosing that by letter dated May 29, 2015, the HKSE decided to allow Grande to proceed with Grande's Updated Resumption Proposal, subject to the satisfaction of certain conditions by December 21, 2015. On December 22, 2015 the Provisional Liquidators for and on behalf of Grande issued a public announcement disclosing that by letter dated December 22, 2015, the HKSE decided to extend the deadline for Grande to fully satisfy these conditions to May 11, 2016.

It is not possible at this time to predict whether Grande can satisfy the conditions established by the HKSE for the resumption or relisting of Grande on HKSE, or whether the Grande Restructuring Proposal will receive all necessary approvals, nor can there be any assurances regarding the timing, terms or effects of implementing the Grande Restructuring Proposal or if the Provisional Liquidators will be removed. However, even though the Provisional Liquidators continue to maintain the ability to exercise the power to direct the voting and disposition of shares, as long as the Provisional Liquidators are pursuing this restructuring proposal that would result in Grande retaining beneficial ownership of the 15,243,283 shares of Emerson common stock, the Provisional Liquidators may not be actively seeking to liquidate those shares. If the Grande Restructuring Proposal is completed as described within the public announcement issued for Grande in May 2014, it is expected that the 15,243,283 shares of Emerson common stock held of record by Grande's subsidiary, S&T, would remain with S&T and that Grande would once again have the power to direct the voting and disposition of this 56.2% controlling interest in Emerson common stock. It is not possible at this time to predict what impact the removal of the Provisional Liquidators would have on the Grande Restructuring Proposal or Emerson and Emerson cannot predict nor provide any assurances regarding the possible effects on the Company, its shareholders, the trading price of its common stock or any other consequences that could result if the Grande Restructuring Proposal is approved and Grande again has the power to control Emerson.

Related Party Transactions**Dividend-Related Issues with S&T**

On March 2, 2010, the Board declared an extraordinary dividend of \$1.10 per common share which was paid on March 24, 2010. In connection with the Company's determination as to the taxability of the dividend, the Board relied upon information and research provided to it by the Company's tax advisors and, in reliance on the stock-for-debt exception in the Internal Revenue Code Sections 108(e)(8) and (e)(10), concluded that 4.9% of such dividend paid was taxable to the recipients.

In August 2012, the Company received a Form 886-A from the IRS which challenges the Company's conclusions and determines that the Company does not qualify for the above-referenced exception. Accordingly, the IRS has concluded that 100% of the dividend paid was taxable to the recipients. The Company is defending its position and calculations and is contesting the position asserted by the IRS. The Company prepared and, on October 25, 2012, delivered its rebuttal to the IRS contesting the IRS determination. There can be no assurance that the Company will be successful in defending its position.

In the event that the Company is not successful in establishing with the IRS that the Company's calculations were correct, then the shareholders who received the dividend likely will be subject to and liable for an assessment of additional taxes due. Moreover, the Company may be contingently liable for taxes due by certain of its shareholders resulting from the dividend paid by the Company.

Initially, the Company withheld from the dividend paid to foreign shareholders an amount equal to the tax liability associated with such dividend. On April 7, 2010, upon a request made to the Company by its foreign controlling shareholder, S&T, the Company entered into an agreement with S&T (the Agreement), whereby the Company returned to S&T on April 7, 2010 that portion of the funds withheld for taxes from the dividend paid on March 24,

2010 to S&T, which the Company believed was not subject to U.S. tax based on the Company's good-faith estimate of its accumulated earnings and profits at that time. The Agreement includes provisions pursuant to which S&T agreed to indemnify the Company for any liability imposed on it as a result of the Company's agreement not to withhold such funds for S&T's possible tax liability and a pledge of stock as collateral. The Company continues to assert that such dividend is largely not subject to U.S. tax based on the Company's good-faith estimate of its accumulated earnings and profits. In addition, the Company also continues to assert that this transaction results in an off-balance sheet arrangement and a possible contingent tax liability of the Company, which, if recognized, would be offset by the calling by the Company on S&T of the indemnification provisions of the Agreement.

In February 2011, upon the request of S&T to the Company, the Company and S&T agreed that the collateral pledged as a part of the Agreement would no longer be required and such collateral was returned by the Company to S&T in March 2011 and the Agreement was amended and restated to remove the collateral requirement but retain the indemnification provisions. The Agreement, as amended (the Amended Agreement), remains in effect as of today.

In September 2014, the Company, with S&T's consent, withheld \$0.5 million in cash, to be pledged as collateral against the Amended Agreement, from the dividend paid to S&T on September 30, 2014 along with such dividend paid on that date to all common stockholders. The Company held, as of March 31, 2015 and December 31, 2015, \$0.5 million in cash collateral from S&T against the Amended Agreement. In the event that (i) the Company is not successful in establishing with the IRS that the Company's calculations were correct and (ii) S&T is unable or unwilling to pay the additional taxes due or indemnify the Company under the terms of the Amended Agreement, the Company may be liable to pay such additional taxes, which, together with penalties and interest, are currently estimated by the Company to be approximately \$4.9 million as of December 31, 2015, \$0.5 million of which is collateralized in cash held by the Company as of December 31, 2015. Any such liability, should it be required to be recognized by the Company, would likely have a material adverse effect on the Company's results of operations in the period recognized. S&T is a subsidiary of Grande, which is currently in liquidation (as described above). Therefore, the ability of the Company to enforce its rights to indemnification under the Amended Agreement and to collect from S&T any additional taxes, interest and penalties due may be severely impaired.

Indemnification of Officers and Directors

We have entered into indemnification agreements with each of our current directors and executive officers. These agreements require us to indemnify these individuals to the fullest extent permitted under Delaware law against liabilities that may arise by reason of their service to us, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified. We also intend to enter into indemnification agreements with our future directors and executive officers.

Review and Approval of Transactions with Related Parties

It is the policy of the Company that any proposed transaction between the Company and related parties, as defined by the Financial Accounting Standard Board's Accounting Standards Codification Topic 850 (ASC 850) (RPT Transactions), with no minimum dollar amount threshold, must be presented to all, and approved by a majority of, those directors of the Company who are independent within the meaning of NYSE MKT Company Guide § 803(A)(2), as may be amended from time to time. In reviewing and approving proposed transactions between the Company and related parties, the independent directors are to determine whether the proposed transaction is entirely fair to the Company and in the Company's best interest. For purposes of the policy, related parties are as defined within ASC 850, generally, but not limited, meaning (i) an officer or director of the Company or the member of the immediate family of any of them or (ii) any other corporation, partnership, association, limited liability company, limited liability partnership, trust or other entity or organization in which one or more of the Company's officers or directors are (a) directors, officers, trustees or other fiduciaries or (b) have a financial interest.

PROPOSAL 2: RATIFICATION OF THE APPOINTMENT OF

MSPC AS INDEPENDENT AUDITORS OF EMERSON

FOR THE FISCAL YEAR ENDING MARCH 31, 2016

The Audit Committee has appointed MSPC as the Company's independent registered accountants to audit the Company's financial statements for the fiscal year ending March 31, 2016, and has further directed that management submit the selection of independent registered accountants for ratification by the Company's stockholders at the annual meeting. Stockholder ratification of the selection of MSPC is not required by our by-laws or otherwise. However, the Company is submitting the selection of MSPC to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain

MSPC. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it is determined that such a change would be in the best interests of Emerson and its stockholders.

Representatives of the firm of MSPC are expected to be present at the Company's annual meeting and will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.

In accordance with the requirements of the Sarbanes-Oxley Act of 2002 and the Audit Committee's charter, all audit and audit-related work and all non-audit work performed by the Company's independent accountants, MSPC, is approved in advance by the Audit Committee, including the proposed fees for such work. The Audit Committee is informed of each service actually rendered.

Audit Fees. Audit fees billed to the Company by MSPC for the audit of the financial statements included in the Company's Annual Reports on Form 10-K, and reviews by MSPC of the financial statements included in the Company's Quarterly Reports on Form 10-Q, for Fiscal 2015 and Fiscal 2014 totaled approximately \$175,000 and \$175,000, respectively.

Audit-Related Fees. The Company was billed approximately \$55,000 and \$55,000 by MSPC for Fiscal 2015 and Fiscal 2014, respectively, for audit procedures which it performed in connection with an audit of the Company's majority shareholder's consolidated financial statement for its fiscal years ended December 31, 2014 and 2013, portions of which were credited to the Company's audit fees for the audit of its financial statements for Fiscal 2015 and Fiscal 2014, such Audit-Related Fees not reported under the caption *Audit Fees* above.

Table of Contents

Tax Fees. MSPC billed the Company an aggregate of \$60,000 and \$60,000 for Fiscal 2015 and Fiscal 2014, respectively, for tax services, principally related to the preparation of income tax returns and related consultation.

All Other Fees. The Company was not billed by MSPC for Fiscal 2015 and Fiscal 2014, respectively, for any permitted non-audit services.

Applicable law and regulations provide an exemption that permits certain services to be provided by the Company's outside auditors even if they are not pre-approved. The Company has not relied on this exemption at any time since the Sarbanes-Oxley Act was enacted.

Vote Required

The affirmative vote of a majority of the votes cast at the meeting at which a quorum representing a majority of all outstanding shares of the Company's common stock is present and voting, either in person or by proxy, is required for the ratification of the Company's independent registered accountants.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF

MSPC AS INDEPENDENT AUDITORS OF EMERSON FOR THE FISCAL YEAR ENDING MARCH 31, 2016.
