UPDATE REGARDING THE PROPOSED STARWOOD MERGER TRANSACTION

SPECIAL MEETING SCHEDULED FOR MARCH 28, 2016 TO BE ADJOURNED TO APRIL 8, 2016

YOUR VOTE IS IMPORTANT PLEASE VOTE YOUR PROXY CARD FOR THE REVISED TRANSACTION

March 24, 2016

Dear Fellow Stockholder,

On March 21, 2016, we announced that we amended our Agreement and Plan of Merger with Starwood. We need your vote as a Marriott stockholder at a Special Meeting of Stockholders to approve our revised proposal to combine Marriott and Starwood under this amended agreement. The special meeting will be convened on March 28, 2016 for the sole purpose of adjourning the meeting to April 8, 2016.

The Marriott Board believes the Starwood acquisition is in the best interest of all stockholders and unanimously recommends that you vote **FOR** the proposal on the enclosed proxy card. Since the April 8, 2016 Special Meeting of Stockholders is quickly approaching **we urge you to vote your proxy card by Internet, Telephone or Mail promptly.**

Under the revised deal terms, Starwood shareholders will receive 0.80 shares of Marriott stock plus \$21.00 in cash for every share of Starwood common stock. This increases the total amount to be paid to a Starwood shareholder from \$69.31 to \$79.53 per share, based on the \$73.16 closing price of Marriott stock on March 18, 2016, the last trading day before we announced our amended agreement with Starwood, which represents a total value of \$13.6 billion. Marriott stockholders will own approximately 66 percent of the combined company.

Note that Starwood stockholders will also be entitled to receive separate consideration in the form of shares of Interval Leisure Group, Inc. (ILG) common stock from the previously announced spin-off of the Starwood timeshare business. The consideration provided for in our agreement with Starwood, together with the consideration from the ILG transaction, have a combined value of \$85.36 per share of Starwood common stock, based on the March 18 closing price of Marriott common stock (\$73.16) and ILG common stock (\$13.74) on March 18, 2016.

VOTE FOR THE ACQUISITION TO CREATE A COMBINED COMPANY WITH THE ABILITY TO DELIVER SUPERIOR PERFORMANCE AND SIGNIFICANT STOCKHOLDER VALUE

There are significant opportunities to build value for both Marriott and Starwood stockholders from a combined company:

Powerful Loyalty Programs. Our enhanced loyalty programs should increase access to new customers, create opportunities for new partnerships, and provide greater competitiveness in the digital marketplace.

Benefits of Sales Integration. The sales integration should benefit existing Marriott hotels through exposure to Starwood's brand-loyal, affluent guests, and benefit Starwood hotels through Marriott's expertise in corporate, group and mid-market accounts.

Brand Portfolio. Our broad portfolio of 30 brands can be uniquely positioned against distinct and profitable customer segments.

Significant Synergies. We have high confidence in achieving general and administrative cost synergies. Based on our extensive due diligence, the total cost synergies have been raised to a pre-tax run-rate figure of \$250 million up from \$200 million. We expect these synergies will be fully achieved within two years post close.

Growth Opportunities. There are opportunities to accelerate growth from the ability to access underpenetrated markets as a combined portfolio.

Attractive Balance Sheet and Sustainable Cash Flow. We have an attractive balance sheet and significant cash flow: the higher cash component in the revised deal improves efficiency of capital structure and reduces use of valuable Marriott equity. Following announcement of the revised deal, each of the major rating agencies Standard & Poor's, Moody's and Fitch reaffirmed Marriott's BBB/Baa-2 investment grade rating with a stable outlook. Our asset-light model and appropriate leverage should ensure long-term sustainability of cash flow.

Enhance Competitiveness of Hotels. Marriott and Starwood hotels should see lower costs as they benefit from shared service operating structures and synergies, such as marketing, reservations, and procurement.

Growth of Starwood's Brands. Starwood's unit growth should benefit from Marriott's strong owner and franchisee relationships, and from the track record of sustained growth driven by Marriott's global development organization.

The Marriott Board remains confident that the Marriott-Starwood merger is in the best interest of all stockholders and unanimously recommends that you vote FOR the proposals to approve the combination.

PLEASE VOTE THE ENCLOSED PROXY CARD PROMPTLY!

Please vote, whether or not you expect to attend the Marriott Special Meeting. Submitting your proxy now will not prevent you from later voting in person.
