PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors (the Board) of Skyline Corporation (Skyline or the Company) for use at the Annual Meeting of Shareholders to be held September 19, 2016 (the Annual Meeting). The shares represented by properly executed proxies received prior to the meeting will be voted. If the shareholder directs in the proxy how the shares are to be voted, they will be voted accordingly. When no direction has been given by the shareholder, it is the intention of the proxies named in the proxy to vote the same in accordance with their best judgment. Any proxy given may be revoked by the shareholder at any time prior to the voting of the proxy by (i) submitting written notice of the revocation to the Corporate Secretary prior to the Annual Meeting; (ii) submitting a later-dated and properly-executed proxy; or (iii) attending the Annual Meeting and voting in person. The approximate date on which this proxy statement and the form of proxy are first sent or given to shareholders is August 19, 2016.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting to be Held on September 19, 2016.

Skyline's Annual Report to Shareholders, Proxy Statement, and Proxy are available on the Internet at www.skylinecorp.com.

Please contact Skyline's Secretary, Martin R. Fransted at (574) 350-2251 if you need to obtain directions on how to attend the Annual Meeting and vote in person.

Your vote is very important. Please note that if you hold your shares through a broker, bank, or other nominee, such broker, bank, or nominee may not vote your shares on the election of Directors or the advisory vote on executive compensation for fiscal year 2016 in the absence of your specific instructions as to how to vote. In order for your vote to be counted, please make sure that you submit your voting instructions to your broker, bank, or other nominee.

VOTING SECURITIES

Only shareholders of record as of the close of business on July 22, 2016, or their proxies are entitled to vote at the Annual Meeting. As of that date, Skyline had outstanding 8,391,244 shares of Common Stock having one vote per share.

Each shareholder is entitled to one vote for each share of Common Stock held by the shareholder. A quorum for purposes of the Annual Meeting shall exist if a majority of the Common Stock of Skyline entitled to vote is represented in person or by proxy at the Annual Meeting. Abstentions, withheld votes, and broker non-votes will be counted for purposes of determining whether a quorum is present. All votes cast at the Annual Meeting will be tabulated by Computershare Trust Company, N.A.

If your shares are held in an account with a bank, broker, or another third party that holds shares on your behalf, referred to herein as a nominee, then you are considered the beneficial owner of these shares, and your shares are referred to as being held in street name. If you hold your shares in street name, you must vote your shares in the manner provided for by your bank, broker, or other nominee. Your bank, broker, or other nominee has enclosed or provided a voting instruction card with this proxy statement for you to use in directing the bank, broker, or other nominee how to vote your shares.

If your shares are held by a bank, broker, or other nominee, they may not be voted or may be voted contrary to your wishes if you do not provide your bank, broker, or other nominee with instructions on how to vote your shares. Brokers, banks, and other nominees have the authority under the rules of the New York Stock Exchange (NYSE) to vote shares held in accounts by their customers in the manner they see fit, or not at all, on routine matters if their customers do not provide them with voting instructions. Proposals 1 and 3 are not considered to be routine matters, but Proposal 2 is considered to be a routine matter. When a proposal is not routine and the bank, broker, or other nominee has not received your voting instructions, a bank, broker, or other nominee will not be permitted to vote your shares and a broker non-vote will occur. To ensure your shares are voted in the manner you desire, you should provide instructions to your bank, broker, or other nominee on how to vote your shares for each of the proposals to be voted on at the Annual Meeting in the manner provided for by your bank, broker, or other nominee.

Directors will be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors. This means that the individuals who receive the highest number of votes are elected as directors up to the maximum number of directors to be elected at the meeting. Votes withheld from any director are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Shareholders do not have the right to cumulate their votes in the election of directors. Abstentions, broker non-votes, and votes that are withheld will not be included in the vote count and will have no effect on the outcome of the vote.

The affirmative vote of a majority of the votes cast at the Annual Meeting is required to approve, on an advisory basis, the ratification of the appointment of Crowe Horwath LLP as Skyline's independent auditor for fiscal year 2017 and the non-binding advisory vote on the

executive compensation of the Company's Named Executive Officers for fiscal 2016. Abstentions and broker non-votes will have no effect on these proposals.

PROPOSALS TO BE VOTED ON

PROPOSAL NO. 1.

ELECTION OF DIRECTORS

Under Skyline's By-Laws, a maximum of eight (8) Directors are permitted to serve on the Board. Directors are elected on an annual basis at Skyline's Annual Meeting of Shareholders, and each Director holds office for a one-year term. The nominees for Directors for fiscal year 2017 are: Arthur J. Decio, John C. Firth, Richard W. Florea, Jerry Hammes, William H. Lawson, David T. Link, Samuel S. Thompson, and John W. Rosenthal Sr. Proxies cannot be voted for a greater number of persons than eight.

It is intended that the votes authorized by the enclosed proxy will be cast for the election of the eight Director nominees. In the event that one or more of the nominees shall unexpectedly become unavailable for election, the votes will be cast, pursuant to authority granted by the enclosed proxy, for such person or persons as may be designated by the present Board or the Board may be reduced accordingly. All of the nominees for whom the proxies intend to vote have agreed to serve as Directors if elected.

Information on the Director nominees can be found beginning on page 5 of this Proxy Statement.

The Board of Directors recommends that shareholders vote FOR all eight Director nominees.

PROPOSAL NO. 2.

ADVISORY VOTE TO RATIFY THE APPROVAL OF THE APPOINTMENT OF CROWE HORWATH LLP AS INDEPENDENT AUDITOR FOR FISCAL YEAR 2017

The Audit Committee is responsible for the appointment of the independent auditor engaged by Skyline. The Board and Audit Committee have appointed Crowe Horwath LLP as independent auditor for fiscal year 2017. The Board of Directors is asking shareholders to ratify this appointment. Crowe Horwath LLP audited Skyline's financial statements for fiscal year 2016. A representative of that firm will be present at the Annual Shareholders Meeting and will have an opportunity to make a statement and answer questions. Shareholders may vote for or against the ratification of Crowe Horwath LLP as Skyline's independent auditor for fiscal year 2017, or the shareholder may abstain from voting.

The Board of Directors recommends that shareholders vote FOR ratifying the appointment of Crowe Horwath LLP, an independent registered public accounting firm, to serve as Skyline's independent auditor for fiscal year 2017.

PROPOSAL NO. 3.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Board of Directors is asking the shareholders to provide an advisory, non-binding vote to approve the compensation paid to our Named Executive Officers, as described in the Executive Compensation section of this Proxy Statement. Skyline is providing this advisory vote as required pursuant to Section 14A of the Securities Exchange Act of 1934, as amended (the Exchange Act). Non-binding votes on executive compensation have occurred at each of Skyline's Annual Meetings since 2011, and it is anticipated that such non-binding votes will continue to occur on an annual basis.

Skyline's Compensation Committee oversees the compensation program and compensation awarded. In addition, it adopts changes to the program and awards compensation as appropriate to reflect Skyline's circumstances and to promote the main objectives of the program. These objectives include: to compete for and retain managerial talent, to reward profitable growth and increase shareholder returns, and to effectively tie pay to performance. The Board is asking the shareholders to indicate their support for the Named Executive Officers' compensation for fiscal year 2016. The Board believes the executive compensation program was designed appropriately and is working to ensure that management's interests are aligned with the shareholders' interests to support long-term value creation.

Shareholders may vote for or against the following resolution, or abstain from voting. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Named Executive Officers. The proposed resolution is:

Resolved, that the shareholders approve the compensation paid to Skyline's Named Executive Officers for fiscal year 2016, as disclosed in the Executive Compensation discussion included in this Proxy Statement.

While this vote is advisory and not binding on Skyline, the Board and the Compensation Committee expect to consider the outcome of the vote, along with other relevant factors, when considering future executive compensation decisions.

The Board of Directors recommends that shareholders vote FOR the approval of the foregoing resolution on Named Executive Officer compensation.

The Board will benefit from his financial, executive management and commercial credit experience along with his sound business judgment.

CORPORATE GOVERNANCE

Skyline believes good governance starts with a Board whose independence ensures candid and constructive engagement with management about all aspects of Skyline's business. Skyline's Director nomination process seeks persons with the initiative, time, skills, and experience to be effective contributors.

Skyline's governance processes address matters relating to Board operations that are fundamental to shareholder interests. The independent Directors meet regularly without management present to evaluate Skyline's results, plans, and challenges, as well as management's performance and the strength and development of Skyline's Named Executive Officers. Between June 1, 2015 and May 31, 2016, the Board met five times. All the Directors of the Board were present at these meetings. Skyline's independent Directors also met in executive session four times during the fiscal year ended May 31, 2016. Directors are expected, although not required, to attend Skyline's Annual Shareholders' Meeting, and all Board meetings and meetings of the Committees of the Board on which they serve. In 2015, all of the Directors attended the Annual Meeting of the Shareholders.

The Board is actively engaged in overseeing and reviewing Skyline's strategic direction and objectives, taking into account (among other considerations) Skyline's risk profile and exposures. The Board conducts an annual in-depth review of the business, which includes consideration of strategic, operational, competitive, financial, compliance, and other risk exposures. Skyline currently separates the Chairman and CEO functions, with each position held by a different individual. Skyline has at times operated with a combined Chairman and CEO functions and at other times Skyline has separated those positions. The Board considers

the current constituency of management in evaluating whether a combined role is efficient and effective. At the present time, it is the assessment of the Board that separating these positions allows the CEO to focus on the Company's business, while the Chairman can focus on corporate governance matters, as well as leadership development and succession planning. Mr. Firth serves as the non-executive Chairman of the Board, and his considerable experience with other publicly-traded companies provides him with an excellent background to define the function and structure of the independent Directors. The primary focus of the independent Directors continues to be an independent assessment of the performance of the Company, along with a continuous discussion regarding succession planning. The Board interacts extensively with management in a continuous monitoring of risk factors, both internal and external, that are involved with the particular business of the Company. The independence of the Board, the extensive experience of the Board of Directors, and the sophistication of the individuals serving on the Board provide a high level of ability to address risk at all levels.

Although the Board as a whole has responsibility for risk oversight, three standing committees also oversee Skyline's risk profile and exposures relating to matters within the scope of each committee's authority and reports to the Board about their deliberations. The committees are the Audit Committee, Compensation Committee, and the Nominating and Governance Committee. The Audit Committee considers audit, accounting, and compliance risk, and it receives reports from its outside auditors, internal audit staff, and the Chief Financial Officer, among others. The Audit Committee is also responsible for the review of Skyline's major risk exposures (whether financial, operational, or otherwise), and the steps management has taken to monitor and control such exposures, and for evaluating management's process to assess and manage Skyline's enterprise risk issues. The Compensation Committee considers the level of risk implied by Skyline's compensation programs, including incentive compensation programs in which the CEO and other employees participate. The Nominating and Governance Committee monitors potential risks to the effectiveness of the Board, notably Director succession and the composition of the Board, and the principal policies that guide Skyline's governance. Each of the committees operates under a written charter to promote clarity in their responsibilities and accountability amongst their members. These committees work in a coordinated way to address recurring matters and respond to unanticipated events, and they are discussed in greater detail below.

In addition, in compliance with the wishes of a majority of the shareholders, shareholders will again have the opportunity to participate in a non-binding advisory vote on the compensation of the Company's Named Executive Officers.

Committees

Information about Committee meetings is as follows:

The Audit Committee consisted of Messrs. Lawson, Firth, Hammes, Link, and Thompson. It met five times during the fiscal year ended May 31, 2016. Every member of the Audit Committee was present at all the meetings, except one committee member missed one Committee meeting. The Committee meets with the accounting firm which conducts the annual audit of Skyline's financial statements, reviews auditors recommendations, reviews the independence of Skyline's auditors and considers the range of audit and non-audit fees. It also meets with the internal audit staff and Chief Financial Officer, reviews the scope and adequacy of Skyline's internal auditing program, and reports its findings to the Board with any recommendations it considers appropriate. Skyline's Board has adopted a written charter for the Audit Committee which is posted to Skyline's website at www.skylinecorp.com and available in paper form upon request to Skyline's Secretary. The members of the Audit Committee are all independent as defined in the applicable listing standards. Messrs. Lawson, Firth, Hammes, and Link are all Audit Committee Financial Experts.

The Nominating and Governance Committee consisted of Messrs. Thompson, Firth, Hammes, Lawson, and Link, all of whom are independent. It met two times during the fiscal year ended May 31, 2016. Every member of the Nominating and Governance Committee was present at all the meetings. The Nominating and Governance Committee identifies individuals qualified to become members of the Board, and recommends that the Board nominates such individuals for election to the Board at the next Annual Meeting of Shareholders. The Nominating and Governance Committee also develops and reviews Skyline's corporate governance guidelines and makes recommendations to the Board regarding the guidelines. The Nominating and Governance Committee believes that candidates for directors should meet certain minimum qualifications including being of the highest ethical character and sharing the values of Skyline as reflected in Skyline's Code of Business Conduct and Ethics, having reputations both personally and professionally consistent with the image and reputation of Skyline, and being highly accomplished in their respective fields with superior credentials and recognition and having relevant experience and expertise. In selecting candidates, the Nominating and Governance Committee and Board take diversity into account, seeking to ensure a representation of varied perspectives and experience, although Skyline's nomination policy does not prescribe specific standards for diversity. The Nominating and Governance Committee retains the right to modify these qualifications.

Shareholders may provide the Nominating and Governance Committee information on director candidates for consideration by the Nominating and Governance Committee. The Nominating and Governance Committee will consider shareholder recommendations of candidates when the recommendations are properly submitted. To be considered, any such shareholder recommendation must be submitted as set forth under the section of this Proxy

Statement below entitled Shareholder Proposals, and must comply with the notice, information, and consent provisions set forth in the Company's Bylaws. Shareholder nominees will be evaluated under several criteria, including: (i) the satisfaction of applicable independence and eligibility requirements, such as those required of members of the Audit Committee and the Compensation Committee; (ii) the person's professional experiences, including achievements, and whether those experiences and achievements would be useful to the Board, given its existing composition, in discharging its responsibilities; (iii) the person's subject matter expertise, i.e., finance, accounting, legal, management, technology, strategic visioning, marketing, and the desirability of that particular expertise given the existing composition of the Board; (iv) the viewpoint, background, and demographics of the person and whether the person would positively contribute to the overall diversity of the Board; (v) the person's professional ethics, integrity, and values; (vi) the person's intelligence and ability to make independent analytical inquiries; (vii) the person's stated willingness and ability to devote adequate time to Board activities, including attending meetings and development sessions and adequately preparing for those activities; (viii) the person's service on more than three public company boards, excluding the Board, unless the Nominating and Governance Committee concludes, based upon a review of all of the facts and circumstances, that such service on more than three other public company boards would not impair the ability of the proposed candidate/nominee to discharge his or her responsibilities as a member of the Board, and, provided further, the proposed candidate/nominee does not serve on more than five other public company boards; (ix) the person's principal business responsibilities; (x) whether the person would be able to serve on the Board for an extended period of time; (xi) whether the person has, or potentially could have, a conflict of interest which would affect the person's ability to serve on the Board or to participate in decisions that are material to the Company; and (xii) whether and to what extent the person has an ownership interest in the Company. The Nominating and Governance Committee retains absolute discretion and independence in determining whether to recommend a candidate. Skyline has a written charter for the Nominating and Governance Committee which is posted to Skyline's website at www.skylinecorp.com and available in paper form upon request to Skyline's Secretary.

The amended and restated by-laws of the Company (the By-Laws) contain provisions requiring shareholders to provide advance notice to the Company of shareholder proposals and other business to be considered at shareholders' meetings (Section 11 of Article III of the By-Laws), advance notice of shareholder nominations for director elections at annual shareholders' meetings (Section 12 of Article III of the By-Laws), as well as the information required to be submitted by shareholders in connection with any shareholder proposal or director nomination, and delineating the director qualifications that the Nominating and Governance Committee of the Board must consider in assessing whether any proposed director nominee should be considered for membership on the Board (Section 12(b) of Article III of the By-Laws).

The Compensation Committee consisted of Messrs. Lawson, Firth, Hammes, Link, and Thompson. It met one time during the fiscal year ended May 31, 2016. Every member of the Compensation Committee was present at all the meetings. The functions of the Compensation Committee are to discharge the Board's responsibilities relating to compensation of Skyline's executives, review and approve corporate goals and objectives relevant to the Chief Executive Officer's compensation, evaluate Chief Executive Officer performance in light of these goals and objectives and set the Chief Executive Officer's compensation level based on this evaluation, and to make recommendations to the Board regarding incentive compensation plans, equity based plans and to undertake any similar functions. Neither the Compensation Committee nor the management of Skyline engaged the services of a compensation consultant to provide advice or recommendations on the amount or form of executive and Director compensation during the fiscal year ended May 31, 2016. Skyline has a written charter for the Compensation Committee which is posted to Skyline's website at www.skylinecorp.com and available in paper form upon request to Skyline's Secretary. The members of the Compensation Committee are all independent as defined in the applicable listing standards.

Employment Agreement with Richard Florea

The Company has entered into an Executive Employment Agreement dated June 25, 2015 (the "Employment Agreement") with Richard W. Florea, the Company's President and Chief Executive Officer. Following is a description of the material terms of the Employment Agreement.

The term of the Employment Agreement continues until May 31, 2017, and upon expiration of the initial term the Employment Agreement will automatically renew for successive one-year periods unless one of the parties gives 60-day prior notice of termination to the other party or the agreement is earlier terminated in accordance with its terms. The Employment Agreement provides Mr. Florea with an annual base salary of \$360,000, and he will be eligible to receive an annual performance bonus for each of Skyline's fiscal years in an amount up to 50% of his base salary based on the achievement of certain financial and operational goals for Skyline and Mr. Florea as established by the Board. Each annual performance bonus to which Mr. Florea becomes entitled will be paid by August 15 following the fiscal year for which the bonus is due. Additionally, Mr. Florea was granted options to purchase 200,000 shares of Skyline common stock under the Skyline Corporation 2015 Stock Incentive Plan (the "2015 Plan"). The options vest in five annual installments of 40,000 options each. Mr. Florea also is entitled to participate in the medical, life, and disability insurance plans, retirement plans, and other employee benefit plans and policies as established by Skyline from time to time upon the same terms as available to other executive officers of Skyline.

Under the Employment Agreement, Mr. Florea is entitled to receive severance benefits if his employment is terminated under certain circumstances. In this regard, if Skyline terminates Mr. Florea's employment without Cause (as defined in the Employment Agreement) in contemplation of a Change in Control (as defined in the Employment Agreement) or without Cause within six months after the occurrence of a Change in Control, then he will be entitled to the following severance benefits: (i) his then-current base salary for an 18-month period; and (ii) all stock options granted to Mr. Florea (as described in the preceding paragraph) will immediately vest. These severance benefits will be payable to Mr. Florea in equal quarterly installments with the first installment payable on the first day of the seventh month after the date on which his employment was terminated. However, if Mr. Florea accepts other employment or other consulting engagements within the above-referenced 18-month severance period, his remaining severance payments will be reduced by the total amount of the base salary earned by or paid to Mr. Florea in connection with his subsequent employment or engagement.

If the Employment Agreement is terminated for any reason other than in connection with a Change in Control as described in the preceding paragraph, Mr. Florea will receive his earned but unpaid base salary through the date of termination, any reimbursable business expenses, and any accrued but unpaid vested amounts under any of Skyline's employee benefit plans, and if the termination was without Cause, severance payments equal to his then-current base salary for a 9-month period.

In addition, Mr. Florea is bound by noncompetition provisions that restrict him from competing with Skyline for nine months following the termination of his employment with Skyline, except that in the event of termination of his employment without Cause in contemplation of or within six months after a Change of Control, the noncompetition period shall be 18 months (i.e., the same period in which he would be entitled to severance payments in those circumstances). Mr. Florea also is subject to nonsolicitation restrictions with respect to Skyline's customers and employees for the same period. Finally, Mr. Florea is subject to confidentiality provisions protecting Skyline's confidential business information from unauthorized disclosure.

401(k) Plan

Skyline has a 401(k) plan where all employees become eligible in the 401(k) plan as of the June 1 or December 1 immediately following completion of six months of employment. Participants in the 401(k) plan have the ability to self-direct investments pursuant to various investment choices permitted under the plan. Employee deferrals under the 401(k) plan are 100% vested. However, assets transferred from two profit sharing plans which are now terminated remain subject to a six year vesting schedule ranging from 0% after one year of employment to 100% after six or more years. Skyline in any year has the discretion to contribute employer contributions on a matching basis (based on participant 401(k) deferrals), or as a profit sharing contribution on the basis of compensation earned by participants. No employer contributions are required in any year. Any employer contributions are subject to the maximum amount permitted under the Internal Revenue Code.

Skyline reserves the right to modify, amend, or terminate the 401(k) plan. In the event of termination of the 401(k) plan, the 401(k) plan trustee must pay all benefits under the plan to participants or their beneficiaries in accordance with Plan provisions and IRS and ERISA requirements.

Skyline Corporation 2015 Stock Incentive Plan

Effective June 25, 2015, our Board of Directors adopted the Skyline Corporation 2015 Stock Incentive Plan, which was approved by the Company's shareholders on September 21, 2015. The 2015 Plan allows us to grant stock options and other equity awards to our Directors, officers, employees, and eligible independent contractors. The purpose of the 2015 Plan is to enhance our long-term shareholder value by offering opportunities to our Directors, officers, employees, and eligible independent contractors to acquire and maintain stock ownership in Skyline providing them with an increased incentive to work for our success and to enable Skyline to attract and retain capable employees, Directors, and independent contractors. The 2015 Plan is administered, and the specific terms of awards are determined, by the Compensation Committee of our Board of Directors.

A total of 700,000 shares of our common stock are available for issuance under the 2015 Plan. Awards under the plan may be in the form of (i) incentive stock options intended to be qualified under Section 422 of the Internal Revenue Code; (ii) non-qualified stock options (that are not intended to be so qualified); (iii) restricted stock (awarded subject to risk of forfeiture); (iv) stock appreciation rights (representing the right to receive value based on appreciation in the value of shares following the date of an award); (v) restricted stock

units (representing the right to receive value based on the fair market value of a number of shares; and (vi) performance awards (representing the right to receive value based on the achievement of prescribed performance goals).

Stock appreciation rights, restricted stock units, and performance awards may be paid in cash, stock, or a combination of the two. Options awarded under the 2015 Plan will not have a term longer than 10 years following the date of grant. Awards granted under the 2015 Plan are non-transferable, other than by will or the laws of descent and distribution or a qualified domestic relations order. If an award expires, terminates, or is canceled, the shares of our common stock not issued or forfeited thereunder shall again be available for issuance under the 2015 Plan. The 2015 Plan contains other terms and conditions customary for omnibus equity award plans of this type.

Retirement Benefits

for fiscal year ended May 31, 2016

Skyline has entered into arrangements with certain employees, including our Named Executive Officers, which provide for Skyline to pay benefits to the employees' estates in the event of death during active employment or to pay retirement benefits over 10 years beginning at the date of retirement. Skyline also purchased life insurance contracts on the covered employees. The cash surrender value of the insurance contracts are recorded as a long-term other asset and the net present value of the maximum potential benefit is recorded as a liability on Skyline's financial statements.

The following table provides information on each plan that provides for payments or other benefits in connection with a Named Executive Officer's retirement, excluding tax-qualified and non-qualified defined contribution plans.

Named Executive Officer's Retirement Benefit Table

Named Executive Officer	Plan Name	Vesting Age	Annual Retirement Amount (\$)	Annual Beneficiary Amount (\$)	Maximum Potential Remaining Balance (\$)	Present Value of Accumulated Benefit (\$)

In addition, the non-executive Chairman receives an annual fee of \$110,000. The Chairman of the Audit Committee receives \$4,000 annually and the remaining members of the Audit Committee receive \$3,000 annually, payable in quarterly installments. Director Compensation

for the fiscal year ended May 31, 2016

The following table summarizes payments made to directors for the fiscal year ended May 31, 2016.

Name	Total Fees Earned or Paid in Cash (\$)
Arthur J. Decio	\$ 10,000
John C. Firth	\$150,000
Jerry Hammes	\$ 40,000
William H. Lawson	\$ 41,000
David T. Link	\$ 39,000
Richard E. Newsted(1)	\$ 10,000
Samuel S. Thompson	\$ 41,000

(1) Mr. Newsted passed away on November 5, 2015, and therefore was not serving as a director as of the end of fiscal 2016.

Transactions with Related Persons

Skyline did not participate in any transaction with a related person as defined by 17 CFR §229.404 during the fiscal years ended May 31, 2015 or May 31, 2016 in which the amount involved exceeded the lesser of \$120,000 or one percent (1%) of the average of Skyline's total assets as of the end of Skyline's fiscal years ending May 31, 2015 and May 31, 2016.

Risk and Executive Compensation

It is the judgment of the Board that Skyline's compensation policies and practices are unlikely to have a material adverse effect to Skyline. This conclusion was based in part upon the fact Skyline does not currently use compensation programs at levels that commit Skyline to compensation obligations that may be inconsistent with the long-term performance of Skyline. The value of awards under the 2015 Plan should largely track changes in value of Skyline Common Stock.

DIRECTOR INDEPENDENCE AND EXECUTIVE SESSIONS

The Board of Directors has affirmatively determined that each of the five current non-management Directors — Jerry Hammes, William H. Lawson, David T. Link, John C. Firth, and Samuel S. Thompson — is an independent Director, and therefore, that a majority of Skyline's Board of Directors is currently independent as so defined. The Board of Directors also has determined that, upon his election to the Board, John W. Rosenthal Sr. will qualify as an independent director. Each of the aforementioned persons would also qualify as an independent Nominee for Director. For this purpose, Skyline's Board adopted the following categorical standards based in part on the New York Stock Exchange Corporate Governance Listing Standards approved by the SEC on November 4, 2003, as amended, and additional categories considered appropriate by the Board:

1. No Director qualifies as independent unless the Board affirmatively determines that the Director has no material relationship with Skyline or any of its subsidiaries (either directly or as a partner, shareholder or officer of an organization that has a relationship with Skyline or its subsidiaries);
2. A Director who is an employee, or whose immediate family member is an executive officer of Skyline or any of its subsidiaries, is not independent until three (3) years after the end of such employment relationship;
3. A Director who receives, or whose immediate family member receives, more than \$120,000 per year in direct compensation from Skyline or any of its subsidiaries, other than Director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three (3) years after he or she ceases to receive more than \$120,000 per year in such compensation;
4. A Director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by a present or former internal or external auditor of Skyline or any of its subsidiaries, is not independent until three (3) years after the end of the affiliation or the employment or auditing relationship;

5. A Director who is employed, or whose immediate family member is employed, as an executive officer of another company when any of Skyline or any of its subsidiaries present executives serve on that other company's compensation committee is not independent until three (3) years after the end of such service or the employment relationship;
6. A Director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company that makes payments to, or receives payment from, Skyline or any of its subsidiaries for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1,000,000 or 2% of such other company's consolidated gross revenues, is not independent until three (3) years after falling below such threshold;
7. The Board has determined that there are no relationships between Skyline and the Directors classified as independent other than service on Skyline's Board of Directors and compensation paid to such Directors.

The foregoing independence determination of the Board of Directors also included the conclusions that:

1. Each of the members of the Audit Committee, Nominating and Governance Committee, and Compensation Committee listed above is respectively independent under the standards listed above for purposes of membership on each of these committees; and

2. Each of the members of the Audit Committee also meets the additional independence requirements under SEC. Rule 10A-3(b). Mr. Firth is currently serving as the Chairman of the Board of Directors and is responsible for setting the agenda for executive sessions of the independent Directors. It is presently contemplated that there will be regular executive sessions during the fiscal year ending May 31, 2017 in conjunction with regularly scheduled Board meetings, in addition to the separate meetings of the key standing committees of the Board of Directors. There were four executive sessions of the independent directors held in the fiscal year ended May 31, 2016. All shareholders and interested parties may communicate directly with the independent Directors by sending an e-mail to board@skylinecorp.com.

The Board of Directors has adopted a statement of governance principles that is available on Skyline's website at www.skylinecorp.com.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Crowe Horwath LLP as Skyline's independent auditor for the fiscal year ending May 31, 2017. Crowe Horwath LLP has been the Company's independent auditor since 2005, and is considered by management to be well qualified. The

Board and the Audit Committee recommend that shareholders ratify the appointment of Crowe Horwath LLP as Skyline's independent auditor for Skyline's fiscal year 2017. Although not required to do so, Skyline believes that it is appropriate to request that shareholders ratify this appointment. If shareholders do not ratify the appointment, the Audit Committee will investigate the reasons for the shareholders' rejection and reconsider the appointment. Representatives of Crowe Horwath LLP will be at the Annual Meeting, will be given the opportunity to make a statement, and will be available to respond to questions.

COMMUNICATIONS WITH DIRECTORS

Skyline provides for a procedure for shareholders and other interested parties to communicate with the Board. Communications may be sent to the attention of all Board Members or Committees in care of board@skylinecorp.com or to the independent directors only at chairman@skylinecorp.com.

If a shareholder wishes to submit a proposal for consideration at the 2017 Annual Meeting of Shareholders, or if a shareholder wishes to recommend a candidate for election to the Board, the Company's By-laws require the shareholder to provide the Company with written notice of such proposal or recommendation no less than 90 days, nor more than 120 days, in advance of the first anniversary of the 2016 Annual Meeting (in the event that the date of the 2017 Annual Meeting of Shareholders is advanced by more than 30 days or delayed by more than 30 days from such anniversary date, the shareholder must provide the Company with written notice of such proposal or recommendation no less than 90 days, nor more than 120 days, in advance of the meeting or, if later, the 10th day following the first public announcement of the date of the 2017 Annual Meeting of Shareholders).
