Item 1.01. Entry into a Material Definitive Agreement

On August 9, 2017, Dynavax Technologies Corporation (the Company, Dynavax or we) entered into an underwriting agreement (Underwriting Agreement) with Cowen and Company, LLC, RBC Capital Markets, LLC and William Blair & Company, L.L.C., as representatives of the underwriters named therein (the Underwriters) relating to the issuance and sale of 5,000,000 shares of our common stock, at a price to the public of \$15.00 per share. Pursuant to the Underwriting Agreement, the Underwriters have agreed to purchase the shares from us at a price of \$14.10 per share. The net proceeds to us from this offering are expected to be approximately \$70.25 million, after deducting underwriting discounts and commissions and other estimated offering expenses payable by us. The sale of shares of common stock is expected to close on or about August 15, 2017, subject to customary closing conditions. In addition, under the terms of the Underwriting Agreement, we have granted the Underwriters an option, exercisable for 30 days from the date of the Underwriting Agreement, to purchase up to an additional 750,000 shares of our common stock to cover over-allotments, if any.

The Underwriting Agreement contains customary representations, warranties and agreements by us, customary conditions to closing, indemnification obligations of Dynavax and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties and termination provisions. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties.

The offering is being made pursuant to the Company's effective shelf registration statement on Form S-3ASR (Registration Statement No. 333-219781) and the related prospectus supplement.

A copy of the Underwriting Agreement is filed as Exhibit 1.1 to this report, and the foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to such exhibit. A copy of the opinion of Cooley LLP relating to the legality of the issuance and sale of the securities in these offerings is attached as Exhibit 5.1 hereto.
