Item 8.01. Other Events

As previously disclosed, on September 8, 2017, BGC Partners, Inc. (BGC or the Company) entered into two credit agreements by and among the Company, the several financial institutions from time to time party thereto, as Lenders, and Bank of America, N.A., as Administrative Agent (collectively, the Credit Agreements), pursuant to which the Company borrowed an aggregate of \$975 million. The first Credit Agreement provided for a \$400 million two-year unsecured senior revolving credit facility (the Revolving Credit Facility). The second Credit Agreement provided for a \$575 million unsecured senior term loan (the Term Loan Facility), maturing on the second anniversary of the closing date of the Term Loan Facility.

On November 22, 2017, BGC entered into an amendment (collectively, the Amendments) to each of the Credit Agreements pursuant to which (i) effective as of such date, the outstanding balance of revolving loans under the Revolving Credit Facility totaling \$400 million was converted to a term loan (the Converted Term Loan), and (ii) effective as of the date that the separation of BGC's real estate services businesses (the Newmark Businesses) from the remainder of BGC's businesses and the contribution of the Newmark Businesses to Newmark Group, Inc. (Newark) is consummated (the Separation), Newmark will assume BGC's obligations under the Covered Term Loan and the Term Loan Facility and BGC will guarantee such obligations, in each case pursuant to the terms and conditions set forth in the respective Amendment. BGC will retain access to the Revolving Credit Facility subject to availability under the Revolving Credit Facility that will increase as Newmark repays the Converted Term Loan, and Newmark will guarantee BGC's obligations under the Revolving Credit Facility until such date that the Converted Term Loan is repaid in full.

The Company expects the Separation to occur prior to the completion of the proposed initial public offering of Newmark (the Newmark IPO), which the Company expects will be completed by the end of 2017, subject to regulatory, market and other conditions. On November 21, 2017, Newmark filed an Amendment No. 1 to its registration statement on Form S-1 with the Securities and Exchange Commission relating to the Newmark IPO. As disclosed in the registration statement, Newmark currently intends to use the net proceeds of the Newmark IPO to repay the balance outstanding under the Term Loan Facility and to partially repay the Converted Term Loan. The Newmark IPO will be made only by means of a prospectus.

The Credit Agreements remain unchanged other than as set forth hereunder and as set forth in the Amendments.

The foregoing descriptions of the Amendments do not purport to be complete and are qualified in their entirety by reference to the actual terms of the Amendments, copies of which are attached hereto as Exhibit 10.1 and Exhibit 10.2, respectively, and are incorporated herein by reference.

A registration statement relating to the Newmark IPO has been filed with the Securities and Exchange Commission but has not yet become effective. The securities to be issued in the Newmark IPO may not be sold nor may offers to buy be accepted prior to the time the registration statement becomes effective. This Current Report on Form 8-K does not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any offer, solicitation or sale of these securities in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction.
