The funds used for the purchase of shares of Common Stock of the Issuer reported in this Schedule 13D were derived from general working capital of Palogic Value Fund.

Item 4. Purpose of Transaction

The Reporting Persons acquired shares of Common Stock of the Issuer for investment purposes. The Reporting Persons intend to review their investment in the Issuer on a continuing basis taking into consideration various factors, including the Issuer's business, financial condition, results of operations and prospects, general economic and industry conditions, the securities markets in general and those for shares of Common Stock and the Issuer, in

particular, as well as other developments and other investment opportunities. Based upon such review, the Reporting Persons will take such actions in the future as the Reporting Persons may deem appropriate in light of the circumstances existing from time to time, which may include further acquisitions of shares of Common Stock of the Issuer or disposal of some or all of the shares of Common Stock of the Issuer owned by the Reporting Persons or otherwise acquired by the Reporting Persons, either in the open market or in privately negotiated transactions.

Any open market or privately negotiated purchases or sales, acquisition recommendations or proposals or other transactions concerning the Issuer may be made at any time without prior notice. Any alternative may depend upon a variety of factors, including, without limitation, current and anticipated future trading prices of the securities, the financial condition, results of operations and prospects of the Issuer and general industry conditions, the availability, form and terms of financing, other investment and business opportunities, general stock market and economic conditions, tax considerations and other factors. Although the foregoing reflects plans and proposals presently contemplated by each Reporting Person with respect to the Issuer, the foregoing is subject to change at any time and dependent upon contingencies and assumed and speculative conditions, and there can be no assurance that any of the actions set forth above will be taken.

The Reporting Persons have, and may in the future, engage in discussions with the Issuer's management, board of directors, and/or shareholders concerning, among other things, the Issuer's performance, the market price of the shares of the Issuer's stock relative to the value of the Issuer's assets, potential financing options for the Issuer, the Issuer's business strategy, potential transactions and other issues for the betterment of the Issuer. In connection with discussions with the Issuer, on December 22, 2017, Palogic Value Management entered into a letter agreement with the Issuer (the **Letter Agreement**) whereby Palogic Value Management agreed to maintain the confidentiality of certain confidential and proprietary information regarding the Issuer, its subsidiaries and their respective businesses that the Issuer furnishes to Palogic Value Management and the other Reporting Persons from time to time. Under the Letter Agreement, the Reporting Persons are also subject to standstill provisions restricting the Reporting Persons and their affiliates and representatives from directly or indirectly taking certain actions or making certain proposals in respect of the Issuer or its Common Stock. Such provisions generally remain in effect until the earlier of (i) the termination of the Letter Agreement, (ii) nine (9) months from the date of the Letter Agreement, or (iii) the Issuer having entered into an agreement with any third party in respect of a merger or business combination or the purchase of a material portion of the assets of the Issuer. The Reporting Persons may have future discussion with the Issuer's management and board of directors covering a broad range of subjects relative to performance, strategic direction, shareholder value, board composition and governance of the Issuer.

Subject to their obligations under the Letter Agreement and depending upon each factor discussed above and any other factor (which may be unknown at this time) that is, or may become relevant, the Reporting Persons may consider, among other things: (a) the acquisition by the Reporting Persons of additional securities of the Issuer, the disposition of securities of the Issuer, or the exercise of convertible securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) changes in the present board of directors or management of the Issuer; (e) a material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) changes in the Issuer's articles of incorporation, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person; (h) causing any class of the Issuer's securities to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or (j) any action similar to those enumerated above.

Except to the extent that the foregoing may be deemed to be a plan or proposal, none of the Reporting Persons currently has any plans or proposals that relate to or would result in any of the actions specified in clause (a) through (j) of Item 4 of Schedule 13D. Depending upon the foregoing factors and to the extent deemed advisable in light of

their general investment policies, or other factors, the Reporting Persons may, at any time and from time to time, formulate other purposes, plans or proposals regarding the Issuer or the Common Shares, or any other actions that could involve one or more of the types of transactions or have one or more of the results described in paragraphs (a) through (j) of Item 4 of Schedule 13D.
