**Gold Fields Sues to Stop Harmony Offer in
the United States**

Johannesburg, 5 November 2004 : Gold Fields Limited (GFI: JSE and NYSE) today announced that it has filed a complaint in the United States District Court for the Southern District of New York against Harmony Gold Mining Limited (HAR:JSE and HMY:NYSE) in connection with Harmony's coercive two-step offer for the shares of Gold Fields. The complaint alleges that Harmony has violated US securities laws and seeks to stop Harmony's unsolicited and hostile offer.

The complaint alleges that Harmony's early settlement offer, pursuant to which Harmony is seeking to acquire up to 34.9% of Gold Fields shares, is unlawful because the registration statement and related tender offer documents filed with the U.S. Securities and Exchange Commission are misleading, inaccurate and omit material information about Harmony and its coercive two-step offer structure.

The Gold Fields Board has initiated this law suit because it believes that Gold Fields shareholders are being forced to make a crucial investment decision without accurate and complete information about the offer structure and Harmony's plans if it gains control of Gold Fields. Gold Fields has asked the court to stop Harmony's offer until Harmony provides shareholders with all material information about its offer, and the Gold Fields shareholders have had adequate time to absorb and consider this new information

The Gold Fields Board believes that Harmony's offer does not fully value Gold Fields and recommends that Gold Fields shareholders reject Harmony's unsolicited and hostile offer and not tender their Gold Fields shares into the offer.

ends

In the United States, Gold Fields has filed a Solicitation/ Recommendation Statement with the US Securities and Exchange Commission (the "SEC") on Schedule 14D-9 and holders of the Gold Fields Ordinary Shares and American Depositary Shares are advised to read it as it contains important information.
