GOLD FIELDS GRANTED INTERDICTION TO STOP STRIKE ACTION

Johannesburg, 31 March 2005: Gold Fields Limited (GFI: JSE and NYSE) is pleased to announce that the Labour Court this afternoon granted an interdict in favour of the Company, declaring the strike embarked on by the National Union of Mineworkers (NUM) on Wednesday, 30 March 2005, to be unlawful and unprotected.

This means that all employees participating in the strike at all South African operations are required immediately to discontinue their strike action and to return to work.

Gold Fields is in the process of advising the NUM and all employees of this development and requesting employees to return to work without further delay. Production activities should resume from the night shift this evening.

Gold Fields is pleased that this matter has been brought to a rapid close, thereby minimizing the losses for both the company and employees.
