2. Simtek Representations and Warranties. Except as set forth in the Schedule of Exceptions attached hereto as Schedule 2 (the Simtek Schedule of Exceptions), Simtek represents and warrants to Cypress as follows:

(a) Organization; Existence; Good Standing. Simtek is a corporation duly organized, validly existing and in good standing under the laws of the State of Colorado. Simtek is not in violation of any of the provisions of its Articles of Incorporation or Bylaws. Simtek is duly qualified to conduct its business and is in good standing as a foreign corporation or other entity in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, would not, individually or in the aggregate, have or reasonably be expected to result in any material adverse change, either individually or in the aggregate, in the business, operations, properties, assets or condition (financial or other) (a Material Adverse Effect) on Simtek.

(b) Due Authorization. Simtek has the full corporate power and authority to enter into this Agreement and to consummate the transactions contemplated hereby and thereby. Each of the Agreement, Warrant, Registration Rights Agreement, Development Agreement, Subordination Agreement and Escrow Agreement has been duly executed and delivered by

Simtek and constitutes the valid and binding obligation of Simtek enforceable against Simtek in accordance with its terms. No further corporate action is required by Simtek in connection therewith. The issuance of the Simtek Shares has been duly authorized, and upon issuance to Cypress pursuant to the terms hereof, will be validly issued, fully paid and nonassessable and are and will be free and clear of any lien or encumbrances except as set forth in this Agreement and under applicable securities laws. When the Warrant is exercised and the exercise price paid in accordance with the terms thereof, the Warrant Shares will be validly issued, fully paid and non-assessable. Even upon the distribution of the Escrow Amount to Cypress in accordance with the Escrow Agreement, (i) the Simtek Shares will be validly issued, fully paid and nonassessable, and (ii) the Warrant Shares will be validly issued, fully paid and non-assessable when the Warrant is exercised and the exercise price paid in accordance with the terms of the Warrant. Notwithstanding anything else herein to the contrary, the preceding sentence shall survive indefinitely. Simtek has reserved from its duly authorized capital stock the shares of its common stock issuable pursuant to this Agreement and the Warrant in order to issue the Securities to Cypress.

(c) No Brokers. Simtek has not incurred, and will not incur, directly or indirectly, any liability for brokerage or finders' fees or agents' commissions or investment bankers' fees or any similar charges in connection with this Agreement or any transaction contemplated hereby.

(d) No Conflicts. Except as set forth on Section 2(d) of the Simtek Schedule of Exceptions, the execution, delivery and performance by Simtek of each of the Agreement, Warrant, Registration Rights Agreement, Development Agreement, Subordination Agreement and Escrow Agreement and the consummation by Simtek of the transactions contemplated thereunder do not and will not (a) violate or conflict with any provision of each of Simtek's Articles of Incorporation or Bylaws, (b) breach any provision of, or be an event that is (or with the passage of time will result in) a default of, or result in the cancellation or acceleration of (whether after the giving of notice or lapse of time or both) any obligation under, or result in the imposition or creation of any encumbrances upon any of the assets of Simtek pursuant to, any material contract, mortgage, lien, lease, agreement or instrument to which Simtek is a party or by which Simtek is bound, (c) violate any legal requirement applicable to Simtek, including the legal requirements of the National Association of Securities Dealers, or any of its properties or assets, or (d) require any authorization, consent, order, permit or approval of, or notice to, or filing, registration or qualification with, any government authority except as will not singly or in the aggregate have a Material Adverse Effect on Simtek and except for filings required by state securities laws and the filing of a Notice of Sale of Securities on Form D with the Securities and Exchange Commission (the "SEC") under Regulation D of the Securities Act of 1933, as amended (the "Securities Act").

(e) No Litigation. There is no litigation, proceeding or investigation pending or, to the best knowledge of Simtek, threatened against Simtek in any federal, state or local court, or before any administrative agency, that seeks to enjoin or prohibit, or otherwise questions the validity of, any action taken or to be taken pursuant to or in connection with this Agreement.

(f) Exchange Act Filings: Financial Statements. Simtek has filed all reports, forms or other information required to be filed by it under the Securities Act and the Securities Exchange Act of 1934, as amended (the Exchange Act), including pursuant to Section 13(a) or 15(d) thereof, for the twelve months preceding the date hereof (or such shorter period as Simtek was required by law to file such reports, forms or other information) (the foregoing materials being collectively referred to herein as the SEC Reports) on a timely basis or has timely filed a valid extension of such time of filing and has filed any such SEC Reports prior to the expiration of any such extension. As of their respective dates, the SEC Reports complied in all material respects with the requirements of the Securities Act and the Exchange Act and the rules and regulations of the SEC promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The financial statements of Simtek included in the SEC Reports comply, in all material respects, with applicable accounting requirements and the rules and regulations of the SEC with respect thereto as in effect at the time of filing. Such financial statements have been prepared in accordance with GAAP applied on a consistent basis during the periods involved, except as may be otherwise specified in such financial statements or the notes thereto, and fairly present in all material respects the financial position of Simtek and its consolidated subsidiaries as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, immaterial, year-end audit adjustments. For purposes of this Agreement, any reports, forms or other information provided to the SEC, whether by filing, furnishing or otherwise providing, is included in the term filed (or any derivations thereof).

(g) Capitalization. The Form 10-KSB filed by Simtek for the year ended December 31, 2004, as supplemented by Section 2(g) of the Simtek Schedule of Exceptions, contains a true and correct statement of the authorized, issued and outstanding equity ownership of Simtek as of the date hereof. Other than as set forth therein, there are no other outstanding shares of capital stock or other securities of Simtek and no outstanding subscriptions, options, warrants, puts, calls, rights, exchangeable or convertible securities, or other commitments or agreements of any nature relating to the capital stock or other securities of Simtek, or otherwise obligating Simtek to issue, transfer, sell, purchase, redeem or otherwise acquire such stock or securities. All outstanding shares of Simtek's common stock are duly authorized and validly issued and are fully paid and non-assessable.

(h) Press Releases. The press releases disseminated by Simtek during the twelve months preceding the date of this Agreement do not, individually or taken as a whole with the SEC Reports, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made and when made, not misleading.

(i) Material Changes. Since the date of the latest audited financial statements included within the SEC Reports, except as specifically disclosed in the SEC Reports or as set forth on Section 2(i) of the Simtek Schedule of Exceptions, (i) there has been no event, occurrence or development that has had or that could reasonably be expected to result in a Material Adverse Effect on Simtek, (ii) to the knowledge of Simtek, Simtek has not incurred any liabilities (contingent or otherwise) other than (A) trade payables, accrued expenses and other liabilities incurred in the ordinary course of business consistent with past practice and (B) liabilities (not to exceed \$450,000) not required to be disclosed in filings made with the SEC, (iii) Simtek has not altered its method of accounting or the identity of its auditors, (iv) Simtek

has not declared or made any dividend or distribution of cash or other property to its shareholders or purchased, redeemed or made any agreements to purchase or redeem any shares of its capital stock, and (v) Simtek has not issued any equity securities, except pursuant to existing Simtek stock option plans and consistent with past practice. Simtek does not have pending before the SEC any request for confidential treatment of information.

(j) Labor Relations. No material labor dispute exists or, to the knowledge of Simtek, is imminent with respect to any of the employees of Simtek.

(k) Compliance. Except as set forth in the SEC Reports, Simtek (i) is not in default under or in violation of (and no event has occurred that has not been waived that, with notice or lapse of time or both, would result in a default by Simtek), nor has Simtek received notice of a claim that it is in default under or that it is in violation of, any indenture, loan or credit agreement or any other agreement or instrument to which it is a party or by which it or any of its properties is bound (whether or not such default or violation has been waived), (ii) is not in violation of any order of any court, arbitrator or governmental body, and (iii) is not and has not been in violation of any statute, rule or regulation of any governmental authority, including all foreign, federal, state and local laws relating to taxes, environmental protection, occupational health and safety, product quality and safety and employment and labor matters, except in each case as could not, individually or in the aggregate, have or reasonably be expected to result in a Material Adverse Effect on Simtek. Simtek is in compliance with all effective requirements of the Sarbanes-Oxley Act of 2002, as amended, and the rules and regulations thereunder, that are applicable to it, except where such noncompliance could not have or reasonably be expected to result in a Material Adverse Effect on Simtek.

(l) Regulatory Permits. Simtek possesses all certificates, authorizations and permits issued by the appropriate federal, state, local or foreign regulatory authorities necessary to conduct its business as described in the SEC Reports, except where the failure to possess such permits could not, individually or in the aggregate, have or reasonably be expected to result in a Material Adverse Effect on Simtek, and Simtek has not received any notice of proceedings relating to the revocation or modification of any such permits except as would not in the aggregate result in a Material Adverse Effect on Simtek.

(m) Title to Assets. Except as set forth on Section 2(m) of the Simtek Schedule of Exceptions, Simtek has good and marketable title in fee simple to all real property owned by it that is material to its business and good and marketable title in all personal property owned by it that is material to its business, in each case free and clear of all liens, except for liens as do not materially affect the value of such property and do not materially interfere with the use made and proposed to be made of such property by Simtek. Any real property and facilities held under lease by Simtek are held by it under valid, subsisting and enforceable leases of which Simtek is in compliance, except as could not, individually or in the aggregate, have or reasonably be expected to result in a Material Adverse Effect on Simtek.

(n) Patents and Trademarks. Simtek has, or has rights to use, all patents, patent applications, trademarks, trademark applications, service marks, trade names, copyrights, licenses and other similar intellectual property rights that are necessary or material for use in connection with its business as described in the SEC Reports and which the failure to so have

could, individually or in the aggregate, have or reasonably be expected to result in a Material Adverse Effect on Simtek (collectively, the Intellectual Property Rights). Except as disclosed in the SEC Reports, Simtek has not received a written notice that the Intellectual Property Rights used by it violate or infringe upon the rights of any Person. Except as set forth in the SEC Reports, all such Intellectual Property Rights are enforceable and, to the knowledge of Simtek, there is no existing infringement by another person of any of the Intellectual Property Rights.

(o) Insurance. Simtek maintains such insurance relating to its business, operations, assets, key employees and officers and directors as is specifically described in Section 2(o) to the Simtek Schedule of Exceptions.

(p) Transactions with Affiliates and Employees. Except as set forth in the SEC Reports, none of the officers or directors of Simtek, and, to the knowledge of Simtek, none of the employees of Simtek is presently a party to any transaction with Simtek (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any officer, director or such employee or, to the knowledge of Simtek, any entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee or partner.

(q) Internal Accounting Controls. Simtek maintains a system of internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management's general or specific authorizations, (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain asset accountability, (iii) access to assets is permitted only in accordance with management's general or specific authorization, and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. Simtek has established disclosure controls and procedures (as defined in the Exchange Act rules 13a-15(e) and 15(d)-15(e)) for Simtek and designed such disclosure controls and procedures to ensure that material information relating to Simtek, including its subsidiaries, is made known to the certifying officers by others within those entities, particularly during the period in which Simtek's Form 10-KSB or 10-QSB, as the case may be, is being prepared. Simtek's certifying officers have evaluated the effectiveness of Simtek's controls and procedures as of the last day of the period covered by the Form 10-KSB for Simtek's most recently ended fiscal year (such date, the Evaluation Date). Simtek presented in its most recently filed Form 10-KSB or Form 10-QSB the conclusions of the certifying officers about the effectiveness of the disclosure controls and procedures based on their evaluations as of the Evaluation Date. Simtek has disclosed in its most recently filed Form 10-KSB or Form 10-QSB any change in the registrant's internal control over financial reporting that occurred during the registrant's most recent fiscal quarter that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting.

(r) Solvency. Based on the financial condition of Simtek as of the date hereof (i) Simtek's fair saleable value of its assets exceeds the amount that will be required to be paid on or in respect of Simtek's existing debts and other liabilities (including known contingent liabilities) as they mature; (ii) Simtek's assets do not constitute unreasonably small capital to carry on its business for the current fiscal year as now conducted and as proposed to be conducted including

its capital needs taking into account the particular capital requirements of the business conducted by Simtek, and projected capital requirements and capital availability thereof; and (iii) the current cash flow of Simtek, together with the proceeds Simtek would receive, were it to liquidate all of its assets, after taking into account all anticipated uses of the cash, would be sufficient to pay all amounts on or in respect of its debt when such amounts are required to be paid. Simtek does not intend to incur debts beyond its ability to pay such debts as they mature (taking into account the timing and amounts of cash to be payable on or in respect of its debt).

(s) Certain Registration Matters. Assuming the accuracy of Cypress's representations and warranties set forth in Section 3, no registration under the Securities Act is required for the offer and sale of the Securities by Simtek to Cypress under this Agreement. Simtek is eligible to register the resale of its Securities by Cypress on Form S-2 promulgated under the Securities Act. Except as set forth on Section 2(s) of the Simtek Schedule of Exceptions, Simtek has not granted or agreed to grant to any person any rights (including piggy back registration rights) to have any securities of Simtek registered with the SEC or any other governmental authority that have not been satisfied or exercised.

(t) Listing and Maintenance Requirements. Except as specified in the SEC Reports, Simtek has not, in the two years preceding the date hereof, received notice from the OTC Bulletin Board (the OTCBB) to the effect that Simtek is not in compliance with the listing or maintenance requirements thereof. Simtek is, and has no reasonable grounds to believe that it will not in the foreseeable future continue to be, in compliance with the listing and maintenance requirements for continued listing of its common stock on the OTCBB on which its common stock is currently listed or quoted. The issuance and sale of the Securities under this Agreement does not contravene the rules and regulations of the OTCBB, and no approval of the shareholders of Simtek is required for Simtek to issue and deliver to Cypress the Securities contemplated by this Agreement.

(u) Investment Company. Simtek is not, and is not an affiliate of, and immediately following the transactions contemplated hereunder will not have become, an investment company within the meaning of the Investment Company Act of 1940, as amended.

(v) Application of Takeover Provisions. Simtek has taken all necessary action, if any, in order to render inapplicable any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or other similar anti-takeover provision under Simtek's Articles of Incorporation or Bylaws (or similar charter documents) or the laws of its state of incorporation that is or would become applicable to Cypress or shareholders of Simtek prior to the date hereof as a result of Cypress and Simtek fulfilling their obligations or exercising their rights under this Agreement, including Simtek's issuance of the Securities and Cypress's ownership of the Securities.

3. Cypress Representations and Warranties. Cypress hereby represents and warrants to Simtek as follows:

(a) Organization; Existence; Good Standing. Cypress is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware.

(b) Due Authorization. Cypress has the full corporate power and authority to enter into this Agreement, the Development Agreement, the Registration Rights Agreement, the Subordination Agreement and the Escrow Agreement and to consummate the transactions contemplated hereby and thereby. Each of the Agreement, Registration Rights Agreement, Development Agreement, Subordination Agreement and Escrow Agreement have been duly executed and delivered by Cypress and constitutes the valid and binding obligation of Cypress enforceable against Cypress in accordance with its terms.

(c) No Brokers. Cypress has not incurred, and will not incur, directly or indirectly, any liability for brokerage or finders' fees or agents' commissions or investment bankers' fees or any similar charges in connection with this Agreement or any transaction contemplated hereby.

(d) No Conflicts. The execution, delivery and performance by Cypress of this Agreement, the Development Agreement, the Registration Rights Agreement, the Subordination Agreement and the Escrow Agreement, and the consummation of the transactions contemplated hereby and thereby do not and will not (a) violate or conflict with any provision of each of Cypress' Certificate of Incorporation or Bylaws, (b) breach any provision of, or be an event that is (or with the passage of time will result in) a default, or result in the cancellation or acceleration of (whether after the giving of notice or lapse of time or both) any obligation under, or result in the imposition or creation of any encumbrances upon any of the assets of Cypress pursuant to, any material contract, mortgage, lien, lease, agreement or instrument to which Cypress is a party or by which Cypress is bound, (c) violate any legal requirement applicable to Cypress, including the legal requirements of the National Association of Securities Dealers, or any of its properties or assets, or (d) require any authorization, consent, order, permit or approval of, or notice to, or filing, registration or qualification with, any government authority except as will not singly or in the aggregate have a Material Adverse Effect on Cypress.

(e) Investment Intent. Cypress is acquiring the Securities as principal for its own account for investment purposes only and not with a view to or for distributing or reselling such Securities or any part thereof, without prejudice, however, to Cypress' right at all times to sell or otherwise dispose of all or any part of such Securities in compliance with applicable federal and state securities laws. Cypress does not have any agreement or understanding, directly or indirectly, with any person to distribute any of the Securities.

(f) Investor Status. At the time Cypress was offered the Securities, it was, and at the date hereof it is, an accredited investor as defined in Rule 501(a) under the Securities Act. Cypress is not a registered broker-dealer under Section 15 of the Exchange Act.

(g) General Solicitation. Cypress is not purchasing the Securities as a result of any advertisement, article, notice or other communication regarding the Securities published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement.

(h) Access to Information. Cypress acknowledges that it has been afforded (i) the opportunity to ask such questions as it has deemed necessary of, and to receive answers from, representatives of Simtek concerning the terms and conditions of the offering of the Securities and the merits and risks of investing in the Securities; (ii) access to information about Simtek and

its subsidiary and their respective financial condition, results of operations, business, properties, management and prospects sufficient to enable it to evaluate its investment; and (iii) the opportunity to obtain such additional information that Simtek possesses or can acquire without unreasonable effort or expense that is necessary to make an informed investment decision with respect to the investment.

(i) Independent Investment Decision. Cypress has independently evaluated the merits of its decision to purchase Securities pursuant to this Agreement, and Cypress confirms that it has not relied on the advice of any person's business and/or legal counsel in making such decision.

4. Certain Covenants.

(a) Securities may only be disposed of in compliance with state and federal securities laws. In connection with any transfer of the Securities other than pursuant to an effective registration statement, Simtek may require the transferor thereof to provide to Simtek an opinion of counsel selected by the transferor, the form and substance of which opinion shall be reasonably satisfactory to Simtek, to the effect that such transfer does not require registration of such transferred Securities under the Securities Act.

(b) Certificates evidencing the Securities will contain the following legend, until such time as they are not required under the Registration Rights Agreement:

[NEITHER THESE SECURITIES NOR THE SECURITIES ISSUABLE UPON EXERCISE OF THESE SECURITIES HAVE BEEN REGISTERED] [THESE SECURITIES HAVE NOT BEEN REGISTERED] WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE SECURITIES ACT), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS AS EVIDENCED BY A LEGAL OPINION OF COUNSEL TO THE TRANSFEROR TO SUCH EFFECT, THE SUBSTANCE OF WHICH SHALL BE REASONABLY ACCEPTABLE TO THE COMPANY.

(c) Furnishing of Information. As long as Cypress owns the Securities, Simtek covenants to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by Simtek after the date hereof pursuant to the Exchange Act. As long as Cypress owns Securities, if Simtek is not required to file reports pursuant to such laws, it will prepare and furnish to Cypress and make publicly available in accordance with Rule 144(c) such information as is required for Cypress to sell the Simtek Shares and Warrant Shares under Rule 144. Simtek further covenants that it will take such further action as any holder of Securities may reasonably request, all to the extent required from time to time to enable such person to sell the Simtek Shares and Warrant Shares without registration under the Securities Act within the limitation of the exemptions provided by Rule 144.

(d) Allocation of Purchase Price. The parties agree that the allocation of the purchase price with respect to this Agreement shall be as set forth in Schedule 4(d) hereto.

5. Indemnification.

(a) Subject to the limitations set forth in Section 5(d), Cypress covenants and agrees that it shall indemnify, defend, protect and hold harmless Simtek, its directors, officers, employees and agents (the Simtek Indemnified Parties), at all times from and after the date of this Agreement (subject to any limitation on the survival of representations and warranties set forth in Section 5(d)), against all losses, claims, damages, actions, suits, proceedings, demands, assessments, adjustments, costs and expenses (including specifically, but without limitation, reasonable attorneys' fees and expenses of investigation) (Simtek Losses) incurred or suffered by any of the Simtek Indemnified Parties based upon, resulting from or arising out of any inaccuracy or breach of any representation or warranty of Cypress in this Agreement.

(c) Promptly after receipt by any person entitled to indemnification (an indemnified party) of notice of the commencement of any action, suit or proceeding by a person not a party to this Agreement in respect of which the indemnified party will seek indemnification hereunder (a Third Party Action), the indemnified party shall notify the person that is obligated to provide such indemnification (the indemnifying party) thereof in writing, specifying in reasonable detail the action, suit or proceeding (including, without limitation, the name and location of the claimant or the parties to the action, suit or proceeding), an estimate of the amount of Simtek Losses or Cypress Losses, as applicable, attributable to the action, suit or proceeding, if reasonably possible, and the basis for indemnification, and transmitting a copy of all papers served with respect to such action, suit or proceeding (if any); provided, however that any failure to so notify the indemnifying party shall not relieve it from any liability that it may have to the indemnified party, except to the extent that the indemnifying party is prejudiced by the failure to give such notice. The indemnifying party shall be entitled to participate in the defense of such Third Party Action and to assume control of such defense (including settlement of such Third Party Action) with counsel reasonably satisfactory to such indemnified party.

**SIMTEK CORPORATION
STOCK PURCHASE WARRANT**

THIS CERTIFIES THAT, for value received, CYPRESS SEMICONDUCTOR CORPORATION, a Delaware corporation (Cypress), is entitled to purchase from SIMTEK CORPORATION, a corporation organized under the laws of the State of Colorado (the Company), at any time or from time to time during the Exercise Period (as defined in Section 2 hereof), 5,055,612 fully paid and nonassessable shares of the Company's common stock, \$0.01 par value (the Common Stock), at an exercise price per share (the Exercise Price) of \$0.7772. The number of shares of Common Stock purchasable hereunder (the Warrant Shares) and the Exercise Price are subject to adjustment as provided in Section 4 hereof. The term Warrant means this Warrant issued pursuant to that certain Share Purchase Agreement, dated as of May 4, 2005, by and between the Company and Cypress (the Purchase Agreement).

This Warrant is subject to the following terms, provisions and conditions:

1. (a) Manner of Exercise: Issuance of Certificates. Subject to the provisions hereof, this Warrant may be exercised at any time during the Exercise Period by the holder hereof, in whole or in part, by delivery of a completed exercise agreement in the form attached hereto (the Exercise Agreement), to the Company by 5 p.m. Colorado time on any Business Day at the Company's

principal executive offices (or such other office or agency of the Company as it may designate by notice to the holder hereof) and upon payment to the Company as provided in Section 1(b) below of the applicable Exercise Price for the Warrant Shares specified in the Exercise Agreement. The Warrant Shares so purchased shall be deemed to be issued to the holder hereof or such holder's designee, as the record owner of such shares, as of the close of business on the date on which this Warrant shall have been surrendered and the completed Exercise Agreement shall have been delivered and payment shall have been made for such shares as set forth above. The Warrant Shares so purchased, representing the aggregate number of shares specified in the Exercise Agreement, shall be delivered to the holder hereof within a reasonable time, not exceeding five (5) Business Days, after this Warrant shall have been so exercised (the Delivery Period). If the Company's transfer agent is participating in the Depository Trust Company (DTC) Fast Automated Securities Transfer program, and so long as the certificates therefor do not require a legend and the holder is not obligated to return such certificate for the placement of a legend thereon, the Company shall cause its transfer agent to electronically transmit the Warrant Shares so purchased to the holder by crediting the account of the holder or its nominee with DTC through its Deposit Withdrawal Agent Commission system (DTC Transfer). If the aforementioned conditions to a DTC Transfer are not satisfied, the Company shall deliver to the holder physical certificates representing the Warrant Shares so purchased. Further, the holder may instruct the Company to deliver to the holder physical certificates representing the Warrant Shares so purchased in lieu of delivering such shares by way of DTC Transfer. Any certificates so delivered shall be in such denominations as may be requested by the holder hereof, shall be registered in the name of such holder or such other name as shall be designated by such holder and, following the date on which the Warrant Shares may be sold by the holder pursuant to Rule 144(k) promulgated under the Securities Act (or a successor rule), shall not bear any restrictive legend relating to the Securities Act. If this Warrant shall have been exercised only in part, then, unless this Warrant has expired, the Company shall, at its expense, at the time of delivery of such certificates, deliver to the holder a new Warrant representing the number of shares with respect to which this Warrant shall not then have been exercised.

(b) Payment of Exercise Price. The holder shall pay the Exercise Price in immediately available funds. The holder hereof, at its election, may also satisfy its obligation to pay the Exercise Price through a cashless exercise, in which event the Company shall issue to the holder hereof the number of Warrant Shares determined as follows:

$$X = Y [(A-B)/A]$$

where:

X = the number of Warrant Shares to be issued to the holder.

2

Y = the number of Warrant Shares with respect to which this Warrant is being exercised.

A = the average of the closing prices on the Principal Market of Common Stock for the five trading days immediately prior to (but not including) the Exercise Date.

B = the Exercise Price.

2. Period of Exercise. This Warrant may be exercised at any time or from time to time (an Exercise Date) during the period (the Exercise Period) beginning on (a) the date hereof and ending (b) at 5:00 p.m., Colorado time, on the tenth anniversary of the date of original issuance hereof.

3. Certain Agreements of the Company. The Company hereby warrants, covenants and agrees as follows:

(a) Shares to be Fully Paid. All Warrant Shares will, upon issuance in accordance with the terms of this Warrant, be validly issued, fully paid and nonassessable and free from all taxes, liens, claims and encumbrances (except for restrictions existing under applicable securities laws).

(b) Reservation of Shares. During the Exercise Period, the Company shall at all times have authorized, and reserved for the purpose of issuance upon exercise of this Warrant, a sufficient number of shares of Common Stock to provide for the exercise in full of this Warrant.

(c) Successors and Assigns. This Warrant shall be binding upon any entity succeeding to the Company by merger, consolidation, or acquisition of all or substantially all of the Company's assets.

4. Antidilution Provisions. During the Exercise Period, the Exercise Price and the number of Warrant Shares issuable upon the exercise of the Warrants shall be subject to adjustment from time to time as provided in this Section 4. In the event that any adjustment of the Exercise Price as required herein results in a fraction of a cent, such Exercise Price shall be rounded up or down to the nearest cent; provided that, in no event shall the Exercise Price per share be reduced below \$0.01.

(a) Subdivision or Combination of Common Stock. If the Company, at any time during the Exercise Period, subdivides (by any stock split, stock dividend, recapitalization, reorganization, reclassification or otherwise) its shares of Common Stock into a greater number of

shares, then, after the date of record for effecting such subdivision, the Exercise Price in effect immediately prior to such subdivision will be proportionately reduced and the number of shares which may be purchased hereunder shall be proportionately increased. If the Company, at any time during the Exercise Period, combines (by reverse stock split, recapitalization, reorganization, reclassification or otherwise) its shares of Common Stock into a smaller number of shares, then, after the date of record for effecting such combination, the Exercise Price in effect immediately prior to such combination will be proportionately increased and the number of shares which may be purchased hereunder shall be proportionately reduced.

(b) Consolidation, Merger or Sale. In case of any consolidation of the Company with, or merger of the Company into, any other entity, or in case of any sale or conveyance of all or substantially all of the assets of the Company other than in connection with a plan of complete liquidation of the Company at any time during the Exercise Period, then as a condition of such consolidation, merger or sale or conveyance, adequate provision will be made whereby the holder of this Warrant will have the right to acquire and receive upon exercise of this Warrant in lieu of the shares of Common Stock immediately theretofore acquirable upon the exercise of this Warrant, such shares of stock, securities, cash or assets as may be issued or payable with respect to or in exchange for the number of shares of Common Stock immediately theretofore acquirable and receivable upon exercise of this Warrant had such consolidation, merger or sale or conveyance not taken place. In any such case, the Company will make appropriate provision to cause the provisions of this Section 4 thereafter to be applicable as nearly as may be in relation to any shares of stock or securities thereafter deliverable upon the exercise of this Warrant. The Company will not effect any consolidation, merger, sale, or conveyance unless prior to the consummation thereof, the successor entity (if other than the Company) assumes by written instrument the obligations under this Warrant and the obligations to deliver to the holder of this Warrant such shares of stock, securities or assets as, in accordance with the foregoing provisions, the holder may be entitled to acquire.

(c) Notice of Adjustment. Upon the occurrence of any event which requires any adjustment of the Exercise Price, then, and in each such case, the Company shall give notice thereof to the holder of this Warrant, which notice shall state the Exercise Price resulting from such adjustment and the increase or decrease in the number of Warrant Shares issuable upon exercise of this Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based. Such calculation shall be certified by the chief financial officer of the Company.

(d) Minimum Adjustment of the Exercise Price. No adjustment of the Exercise Price shall be made in an amount of less than 1% of the Exercise Price in effect at the time such adjustment is otherwise required to be made, but any such lesser adjustment shall be carried forward and shall be made at the time and together with the next subsequent adjustment which, together with any adjustments so carried forward, shall amount to not less than 1% of such Exercise Price.

(e) No Fractional Shares. No fractional shares of Common Stock are to be issued upon the exercise of this Warrant, but the Company shall pay a cash adjustment in respect of any fractional share which would otherwise be issuable in an amount equal to the same fraction of the closing bid price of a share of Common Stock on the Principal Market on the date of such exercise.

(f) Certain Definitions.

(i) Business Day means any day, other than a Saturday or Sunday or a day on which banking institutions in the State of New York are authorized or obligated by law, regulation or executive order to close.

(ii) Principal Market means the Over-the-Counter Bulletin Board or, if the Common Stock is not traded on the Over-the-Counter Bulletin Board, then the principal securities exchange or trading market for the Common Stock.

5. No Rights or Liabilities as a Stockholder. This Warrant shall not entitle the holder hereof to any voting rights or other rights as a stockholder of the Company. No provision of this Warrant, in the absence of affirmative action by the holder hereof to purchase Warrant Shares, and no mere enumeration herein of the rights or privileges of the holder hereof, shall give rise to any liability of such holder for the Exercise Price or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

6. Transfer, Exchange, Redemption and Replacement of Warrant.

(a) Restriction on Transfer. Subject to the terms of this Agreement, this Warrant and the rights granted to the holder hereof are transferable in whole or in part, at any time, upon surrender of this Warrant, together with a properly executed assignment in the form attached hereto, at the office or agency of the Company referred to in Section 6(e) below. Until due presentment for registration of transfer on the books of the Company, the Company may treat the registered holder hereof as the owner and holder hereof for all purposes, and the Company shall not be affected by any notice to the contrary.

(b) Warrant Exchangeable for Different Denominations. This Warrant is exchangeable, upon the surrender hereof by the holder hereof at the office or agency of the Company referred to in Section 6(e) below, for new Warrants of like tenor of different denominations representing in the aggregate the right to purchase the number of shares of Common Stock which may be purchased hereunder, each of such new Warrant to represent the right to purchase such number of shares as shall be designated by the holder hereof at the time of such surrender.

Upon receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction, or mutilation of this Warrant and, in the case of any such loss, theft, or destruction, upon delivery of an indemnity agreement reasonably satisfactory in form and amount to the Company, or, in the case of any such mutilation, upon surrender and cancellation of this Warrant, the Company, at its expense, will execute and deliver, in lieu thereof, a new Warrant of like tenor.

(d) Cancellation. Upon the surrender of this Warrant in connection with any transfer, exchange, or replacement as provided in this Section 6, this Warrant shall be promptly canceled by the Company.

(e) Warrant Register. The Company shall maintain, at its principal executive offices (or such other office or agency of the Company as it may designate by notice to the holder hereof), a register for this Warrant, in which the Company shall record the name and address of the person in whose name this Warrant has been issued, as well as the name and address of each transferee and each prior owner of this Warrant.

(f) Exercise or Transfer Without Registration. If, at the time of the surrender of this Warrant in connection with any exercise, transfer, or exchange of this Warrant, this Warrant (or, in the case of any exercise, the Warrant Shares issuable hereunder), shall not be registered under the Securities Act and under applicable state securities or blue sky laws, the Company may require, as a condition of allowing such exercise, transfer, or exchange, (i) that the holder or transferee of this Warrant, as the case may be, furnish to the Company a written opinion of counsel (which opinion shall be reasonably acceptable to the Company and shall be in form, substance and scope customary for opinions of counsel in comparable transactions) to the effect that such exercise, transfer, or exchange may be made without registration under the Securities Act and under applicable state securities or blue sky laws, (ii) that the holder or transferee execute and deliver to the Company an investment letter in form and substance reasonably acceptable to the Company and (iii) that the transferee be an accredited investor as defined in Rule 501(a) promulgated under the Securities Act.

1.14. The term **Violation** means losses, claims, damages, or liabilities (joint or several) to which a party hereto may become subject under the Securities Act, the Exchange Act or other federal or state law, insofar as such losses, claims, damages, or liabilities (or actions in respect thereof) arise out of or are based upon any of the following statements, omissions or violations: (i) any untrue statement or alleged untrue statement of a material fact contained in a registration statement filed by Simtek pursuant to Section 2.1 or Section 2.9, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto, (ii) the omission or alleged omission to state therein a material fact required to be stated therein, or necessary to make the statements therein not misleading, or (iii) any violation or alleged violation by any party hereto, of the Securities Act, the Exchange Act, any state securities law or any rule or regulation promulgated under the Securities Act, the Exchange Act or any state securities law, in connection with registration statement filed by Simtek pursuant to Section 2.1 or Section 2.9.

2. Registration Rights. Simtek covenants and agrees as follows:

2.1. Simtek Registration. If Simtek proposes to register (including for this purpose a registration effected by Simtek for stockholders other than Cypress) any of its stock or other securities under the Securities Act in connection with the public offering of such securities solely for cash (other than a registration statement relating either to the sale of securities to employees of Simtek pursuant to a stock option, stock purchase or similar plan or an SEC Rule 145 transaction, a registration on any form which does not include substantially the same information as would be required to be included in a registration statement covering the sale of the Registrable Securities, a registration in which the only Common Stock being registered is Common Stock issuable upon conversion of debt securities which are also being registered or as contemplated by that certain Registration Rights Agreement, dated October 12, 2004, by and among Simtek and the investors who are signatories thereto), Simtek shall, at such time, promptly give Cypress written notice of such registration. Upon the written request of Cypress given within twenty (20) days after mailing of such notice by Simtek in accordance with Section 3.5, Simtek shall, subject to the provisions of Section 2.3 and Section 2.5, use its commercially reasonable efforts to cause to be registered under the Securities Act all of the Registrable Securities that Cypress has requested to be registered. Simtek shall have the right to terminate or withdraw any registration initiated by it under this Section 2.1 prior to the effectiveness of such registration whether or not Cypress has elected to include securities in such registration. The expenses of such withdrawn registration shall be borne by the parties in accordance with Section 2.4 hereof.

2.2. Obligations of Simtek. Whenever required under this Section 2 to use its commercially reasonable efforts to effect the registration of any Registrable Securities, Simtek shall, as expeditiously as reasonably possible,

(a) prepare and file with the SEC a registration statement with respect to such Registrable Securities and use its commercially reasonable efforts to cause such registration statement to become effective, and, upon the request of Cypress, use its commercially reasonable efforts to keep such registration statement effective for a period of up to one hundred twenty (120) days or, if earlier, until the distribution contemplated in the Registration Statement has been completed; provided, however, that (i) such 120-day period shall be extended for a period of time equal to the period Cypress refrains from selling any securities included in such registration at the request of an underwriter of Common Stock (or other securities) of Simtek; and (ii) in the case of any registration of Registrable Securities on Form S-3 which are intended to be offered on a continuous or delayed basis, subject to compliance with applicable SEC rules, such 120-day period shall be extended for up to ninety (90) days, if necessary, to keep the registration statement effective until all such Registrable Securities are sold;

(b) prepare and file with the SEC such amendments and supplements to such registration statement and the prospectus used in connection with such registration statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement;

(c) furnish to Cypress such numbers of copies (or an electronic copy) of a prospectus, including a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as it may reasonably request in order to facilitate the disposition of Registrable Securities owned by it;

(d) use its commercially reasonable efforts to register and qualify the securities covered by such registration statement under such other securities or Blue Sky laws of such jurisdictions as shall be reasonably requested by Cypress; provided that Simtek shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions, unless Simtek is already subject to service in such jurisdiction;

(e) in the event of any underwritten public offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing underwriter of such offering. Cypress shall also enter into and perform its obligations under such an agreement;

(f) cause all such Registrable Securities registered pursuant to this Agreement hereunder to be listed on a national securities exchange or trading system and each securities exchange and trading system on which similar securities issued by Simtek are then listed;

(g) provide a transfer agent and registrar for all Registrable Securities registered pursuant hereunder and a CUSIP number for all such Registrable Securities, in each case not later than the effective date of such registration;

(i) use its commercially reasonable efforts to furnish, at the request of Cypress pursuant to this Section 2, on the date on which such Registrable Securities are sold to the underwriter, (i) an opinion, dated such date, of the counsel representing Simtek for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering, addressed to the underwriters, if any, and (ii) a comfort letter dated such date, from the independent certified public accountants of Simtek, in form and substance as is customarily given by independent certified public accountants to underwriters in an underwritten public offering, addressed to the underwriters, if any.

2.3. Furnish Information. It shall be a condition precedent to the obligations of Simtek to take any action pursuant to this Section 2 with respect to the Registrable Securities of Cypress that Cypress shall furnish to Simtek such information regarding itself, the Registrable Securities and other Simtek securities held by it and its Affiliates, and the intended method of disposition of such securities as shall be reasonably required to effect the registration of Cypress's Registrable Securities.

2.4. Expenses of Simtek Registration. Simtek shall bear and pay all expenses incurred by it in connection with any registration, filing or qualification of Registrable Securities with respect to the registrations pursuant to Section 2.1 hereof (which right may be assigned as provided in Section 2.10 hereof), including (without limitation) all registration, filing, and qualification fees, printers and accounting fees relating or apportionable thereto. Cypress shall bear and pay all expenses incurred by it in connection with the registrations pursuant to Section 2.1 hereof (which right may be assigned as provided in Section 2.10 hereof), including (without limitation) all fees and disbursements of its counsel.

2.5. Underwriting Requirements. In connection with any offering involving an underwriting of shares of Simtek's capital stock pursuant to Section 2.1, Simtek shall not be required to include Cypress's securities in such underwriting unless it accepts the terms of the underwriting as agreed upon between Simtek and its underwriters, and then only in such quantity as the underwriters determine in their sole discretion will not jeopardize the success of the offering by Simtek. If the total number of securities, including Registrable Securities, requested by stockholders to be included in such offering exceeds the amount of securities to be sold other than by Simtek that the underwriters determine in their sole and absolute discretion is compatible with the success of the offering, then Simtek shall be required to include in the offering only that number of such securities, including Registrable Securities, which the underwriters and Simtek determine in their sole and absolute discretion will not jeopardize the success of the offering. In no event shall any Registrable Securities be excluded from such offering unless all other stockholders' securities have been first excluded.

2.6. Delay of Registration. Cypress shall have no right to obtain or seek an injunction restraining or otherwise delaying any registration pursuant to this Agreement as the result of any controversy that might arise with respect to the interpretation or implementation of this Section 2.

2.7. Indemnification. In the event any Registrable Securities are included in a registration statement under this Section 2:

(a) To the extent permitted by law, Simtek will indemnify and hold harmless Cypress and its officers, directors, stockholders, legal counsel and accountants, any underwriter (as defined in the Securities Act) for Cypress and each person, if any, who controls Cypress or underwriter within the meaning of the Securities Act or the Exchange Act, against any Violation and Simtek will pay to each of Cypress and its underwriter, controlling person or other aforementioned person, any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability, or action as such expenses are incurred; provided, however, that the indemnity agreement contained in this subsection 2.7(a) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability, or action if such settlement is effected without the consent of Simtek (which consent shall not be unreasonably withheld), nor shall Simtek be liable in any such case for any such loss, claim, damage, liability, or action to the extent that it arises out of or is based upon a Violation which occurs in reliance upon and in conformity with written information furnished expressly for use in connection with such registration by Cypress or its underwriter, controlling person or other aforementioned person.

(b) To the extent permitted by law, Cypress will indemnify and hold harmless Simtek, each of its directors, each of its officers who has signed the registration statement, each person, if any, who controls Simtek within the meaning of the Securities Act, legal counsel and accountants for Simtek, any underwriter, and any controlling person of any such underwriter, against any losses, claims, damages, or liabilities to which any of the foregoing persons may become subject, under the Securities Act, the Exchange Act or other federal or state law, insofar as such losses, claims, damages, or liabilities (or actions in respect thereto) arise out of or are based upon any Violation, in each case to the extent (and only to the extent) that such Violation occurs in reliance upon and in conformity with written information furnished by

Cypress expressly for use in connection with such registration; and Cypress will pay, any legal or other expenses reasonably incurred by any person intended to be indemnified pursuant to this subsection 2.7(b), in connection with investigating or defending any such loss, claim, damage, liability, or action; provided, however, that the indemnity agreement contained in this subsection 2.7(b) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of Cypress (which consent shall not be unreasonably withheld); provided, further, that, in no event shall any indemnity under this subsection 2.7(b) exceed the net proceeds from the offering received by Cypress, except in the case of fraud or willful misconduct by Cypress.

(c) Promptly after receipt by an indemnified party under this Section 2.7 of notice of the commencement of any action (including any governmental action), such indemnified party will, if a claim in respect thereof is to be made against any indemnifying party under this Section 2.7, deliver to the indemnifying party a written notice of the commencement thereof and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, to assume the defense thereof with counsel mutually satisfactory to the parties; provided, however, that an indemnified party (together with all other indemnified parties which may be represented without conflict by one counsel) shall have the right to retain one separate counsel, with the fees and expenses to be paid by the indemnifying party, if representation of such indemnified party by the counsel retained by the indemnifying party would be inappropriate due to actual or potential differing interests between such indemnified party and any other party represented by such counsel in such proceeding. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action, if prejudicial to its ability to defend such action, shall relieve such indemnifying party of any liability to the indemnified party under this Section 2.7, but the omission so to deliver written notice to the indemnifying party will not relieve it of any liability that it may have to any indemnified party otherwise than under this Section 2.7.

(d) In order to provide for just and equitable contribution to joint liability under the Securities Act in any case in which either (i) Cypress or any controlling person of Cypress makes a claim for indemnification pursuant to this Section 2.7 but it is judicially determined (by the entry of a final judgment or decree by a court of competent jurisdiction and the expiration of time to appeal or the denial of the last right of appeal) that such indemnification may not be enforced in such case notwithstanding the fact that this Section 2.7 provides for indemnification in such case, or (ii) contribution under the Securities Act may be required on the part of Cypress or any such controlling person in circumstances for which indemnification is provided under this Section 2.7, then, and in each such case, Simtek and Cypress will contribute to the aggregate losses, claims, damages or liabilities to which they may be subject (after contribution from others) in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other in connection with the statements or omissions that resulted in such loss, liability, claim, damage or expense as well as any other relevant equitable considerations. The relative fault of the indemnifying party and of the indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information, and opportunity to correct or prevent such statement or omission; provided however, that, in any

such case, (I) Cypress will not be required to contribute any amount in excess of the public offering price of all such Registrable Securities offered and sold by Cypress pursuant to such registration statement, and (II) no person or entity guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any person or entity who was not guilty of such fraudulent misrepresentation; provided further, that in no event shall Cypress's liability pursuant to this Section 2.7(d), when combined with the amounts paid or payable by Cypress pursuant to Section 2.7(b), exceed the proceeds from the offering (net of any underwriting discounts or commissions) received by Cypress, except in the case of willful fraud by Cypress.

(e) Notwithstanding the foregoing, to the extent that the provisions on indemnification and contribution contained in the underwriting agreement entered into in connection with the underwritten public offering are in conflict with the foregoing provisions, the provisions in the underwriting agreement shall control.

(f) Unless otherwise superceded by an underwriting agreement entered into in connection with the underwritten public offering, the obligations of Simtek and Cypress under this Section 2.7 shall survive the completion of any offering of Registrable Securities in a registration statement under this Section 2, and otherwise and shall survive the termination of this Agreement.

2.8. Reports Under Exchange Act. With a view to making available to Cypress the benefits of SEC Rule 144 promulgated under the Securities Act and any other rule or regulation of the SEC that may at any time permit Cypress to sell Registrable Securities of Simtek to the public without registration or pursuant to a registration on Form S-3, Simtek agrees to:

(a) make and keep public information available, as those terms are understood and defined in SEC Rule 144, at all times after the date hereof so long as Simtek is subject to the periodic reporting requirements under Sections 13 or 15(d) of the Exchange Act;

(b) file with the SEC in a timely manner all reports and other documents required of Simtek under the Securities Act and the Exchange Act; and

(c) furnish to Cypress, so long as Cypress owns any Registrable Securities, forthwith upon reasonable request (i) a written statement by Simtek that it has complied with the reporting requirements of SEC Rule 144, the Securities Act and the Exchange Act (at any time after it has become subject to such reporting requirements), or that it qualifies as a registrant whose securities may be resold pursuant to Form S-3 (at any time after it so qualifies) or a statement that it has not so complied, (ii) a copy of the most recent annual or quarterly report of Simtek and such other reports and documents so filed by Simtek, and (iii) such other information as may be reasonably requested in availing Cypress of any rule or regulation of the SEC which permits the selling of any such securities without registration or pursuant to such form.

2.9. Form S-3 Registration.

(a) In case Simtek shall receive from Cypress a written request or requests that Simtek use its commercially reasonable efforts to effect a registration on Form S-3 and any related qualification or compliance with respect to all or a part of the Registrable Securities owned by Cypress, Simtek will as soon as practicable, use its commercially reasonable efforts to effect such registration and all such qualifications and compliances as may be so requested and as would permit or facilitate the sale and distribution of all or such portion of Cypress's Registrable Securities as are specified in such request; provided, however, that Simtek shall not be obligated to effect any such registration, qualification or compliance, pursuant to this Section 2.9: (1) if Form S-3 is not then available for such offering by Cypress (or Simtek is not eligible to use such Form S-3 for such offering); (2) if Cypress, together with the holders of any other securities of Simtek entitled to inclusion in such registration, propose to sell Registrable Securities and such other securities (if any) at an aggregate price to the public (net of any underwriters' discounts or commissions) of less than \$2 million; (3) if Simtek shall furnish to Cypress a certificate signed by the Chief Executive Officer of Simtek stating that in the good faith judgment of the Board of Directors of Simtek, it would be materially detrimental to Simtek and its stockholders for such Form S-3 Registration to be effected at such time, in which event Simtek shall have the right to defer the filing of the Form S-3 registration statement for a period of not more than sixty (60) days after receipt of the request of Cypress under this Section 2.9; provided, however, that Simtek shall not utilize this right more than once in any twelve month period and provided further that Simtek shall not register any securities for the account of itself or any other stockholder during such sixty (60) day period (other than a registration relating solely to the sale of securities of participants in a Simtek stock plan, a registration relating to a corporate reorganization or transaction under Rule 145 of the Securities Act, a registration on any form that does not include substantially the same information as would be required to be included in a registration statement covering the sale of the Registrable Securities, or a registration in which the only Common Stock being registered is Common Stock issuable upon conversion of debt securities that are also being registered); (4) if Simtek has, within the twelve (12) month period preceding the date of such request, already effected two registrations on Form S-3 for Cypress pursuant to this Section 2.9; or (5) in any particular jurisdiction in which Simtek would be required to qualify to do business or to execute a general consent to service of process in effecting such registration, qualification or compliance; or (6) during the period ending one hundred eighty (180) days after the effective date of a registration statement subject to Section 2.1 hereof.

Subject to the foregoing, Simtek shall file a registration statement covering the Registrable Securities and other securities so requested to be registered as soon as practicable after receipt of the request of Cypress. Simtek shall bear and pay all expenses incurred by it in connection with any registration, filing or qualification of Registrable Securities with respect to the registrations pursuant to Section 2.9 hereof (which right may be assigned as provided in Section 2.10 hereof), including (without limitation) all registration, filing, and qualification fees, printers and accounting fees relating or apportionable thereto. Cypress shall bear and pay all expenses incurred by it in connection with the registrations pursuant to Section 2.9 hereof (which right may be assigned as provided in Section 2.10 hereof), including (without limitation) all fees and disbursements of its counsel.

(b) If Cypress intends to distribute the Registrable Securities covered by its request by means of an underwriting, it shall so advise Simtek as part of its request made pursuant to this Section 2.9, and Simtek shall include such information in the written notice referred to in Section 2.9(a).

2.10. Assignment of Registration Rights. The rights to cause Simtek to register Registrable Securities pursuant to this Section 2 may be assigned (but only with all related obligations) by Cypress to a transferee or assignee of such securities that (i) is an Affiliate of Cypress, or (ii) after such assignment or transfer, holds at least 500,000 shares of Registrable Securities (subject to appropriate adjustment for stock splits, stock dividends, combinations and other recapitalizations), provided: (a) Simtek is, within a reasonable time after such transfer, furnished with written notice of the name and address of such transferee or assignee and the securities with respect to which such registration rights are being assigned; (b) such transferee or assignee agrees in writing to be bound by and subject to the terms and conditions of this Agreement; and (c) such assignment shall be effective only if immediately following such transfer the further disposition of such securities by the transferee or assignee is restricted under the Securities Act. For the purposes of determining the number of shares of Registrable Securities held by a transferee or assignee, the holdings of transferee or assignee (i) that is a subsidiary, parent or 10% or more stockholder of Cypress, or (ii) that is an Affiliate of Cypress shall be aggregated together and with those of Cypress; provided that all assignees and transferees who would not qualify individually for assignment of registration rights shall have a single attorney in fact for the purpose of exercising any rights, receiving notices or taking any action under this Section 2.

2.11. Termination of Registration Rights. The rights set forth in this Section 2 shall terminate on the earliest to occur of (i) the liquidation of Simtek, (ii) such time as the Registrable Securities (together with any Affiliate of the holder with whom the holder must aggregate its sales under SEC Rule 144) could be sold without restriction under SEC Rule 144 within a ninety (90) day period, or (iii) such time as all of the Registrable Securities have been publicly sold.
