Annual Meeting of Stockholders

PROXY STATEMENT

Our Board of Directors is furnishing you this Proxy Statement to solicit proxies on its behalf at the 2006 Annual Meeting of Stockholders (Annual Meeting) of Haverty Furniture Companies, Inc., (we, the Company or Havertys). The meeting will be held on May 16, 2006, at the Harbor Court Hotel, 550 Light Street, Baltimore, Maryland, beginning promptly at 10:00 a.m. local time. This Proxy Statement and the accompanying proxy are first being mailed to our stockholders on or about April 13, 2006.

QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

Who may vote?

Stockholders on March 17, 2006 of Common Stock or Class A Common Stock are entitled to vote. The owners of Common Stock are entitled to one vote for each share held on all stockholder matters. The owners of Class A Common Stock are entitled to ten votes for each share held on all stockholder matters except for the election of directors, in which they are entitled to one vote per share on all stockholder matters.

As of March 17, 2006, we had 18,170,655 shares of \$1.00 par value Common Stock and 4,281,521 shares of \$1.00 par value Class A Common Stock outstanding. In order for us to conduct our meeting, a majority of our outstanding shares of the combined classes of common stock as of March 17, 2006, must be present in person or by proxy at the meeting. This is referred to as a quorum.

What am I voting on?

You will be voting on the election of directors, amendments to and a restatement of Havertys Charter and a new Director Compensation Plan.

Why are there two groups of Directors?

The owners of Common Stock and Class A Common Stock vote as separate classes in the election of directors. The owners of Common Stock are entitled to elect 25% of the members of the Board, or the nearest higher whole number that is at least 25% of the total number of directors standing for election. The owners of Class A Common Stock are entitled to elect the remaining number of directors standing for election.

What is the difference between a stockholder of record and a stockholder who holds stock in street name ?

If your shares are registered in your name, you are a stockholder of record. If your shares are in the name of your broker or bank, your shares are held in street name.

How do I vote before the meeting?

You have three voting options:

Over the Internet, which we encourage if you have Internet access, by following the directions shown on your proxy card;

By telephone through the number shown on your proxy card; or

By mail by completing, signing and returning the enclosed proxy card.

If you hold your shares in street name, whether you can vote by telephone or over the Internet depends on the bank's or broker's voting processes. Please follow the directions on your proxy card carefully.

Can I vote at the meeting?

You may vote your shares at the meeting if you attend in person. Even if you plan to attend the meeting, we encourage you to vote your shares by proxy.

Can I change my mind after I vote?

You may change your vote at any time before the polls close at the meeting. You may do this by (1) signing another proxy with a later date and returning it to us prior to the meeting, or (2) voting again by telephone or over the Internet prior to 11:59 p.m. Eastern Time on May 15, 2006, or (3) voting again at the meeting.

What is a proxy?

It is your legal designation of another person to vote stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. When you sign the proxy card, you appoint Dennis L. Fink and Jenny Hill Parker as your representatives at the meeting.

What does it mean if I receive more than one proxy card?

It means that you have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares. We recommend that you contact your broker and/or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent is SunTrust Bank, which may be reached at 1-800-568-3476.

Will my shares be voted if I do not provide my proxy?

Your shares may be voted under certain circumstances if they are held in the name of a brokerage firm. Brokerage firms have the authority under the New York Stock Exchange (NYSE) rules to vote customers' unvoted shares, which are referred to as broker non-votes, on certain routine matters, including the election of directors. Shares represented by broker non-votes are counted for purposes of establishing a quorum. At our meeting, shares represented by broker non-votes will be counted as voted by the brokerage firm in the election of directors, but will not be counted for any other matters to be voted on because other matters would not be considered routine under the applicable rules. If you hold your shares directly in your own name, they will not be voted if you do not provide a proxy.

How are votes counted?

Votes are counted in accordance with Haverty's By-laws and Maryland law. An abstention to a proposal is not counted in the tally of FOR or AGAINST and therefore does not affect the outcome of the proposal. If a stockholder returns a signed proxy card but does not indicate how his or her shares are to be voted, the shares covered by the proxy card will be counted as a vote FOR the election of Directors, FOR the Amendment and Restatement of the Charter and FOR the Director Compensation Plan. Shares will not be voted at the Annual Meeting if the proxy card has been returned but not signed.

How many votes are needed to elect directors?

The nominees receiving the highest number of For votes will be elected as directors. This number is called a plurality. Shares not voted will have no impact on the election of directors. Unless a properly executed proxy card is marked Withhold Authority, the proxy given will be voted For the nominees for director.

How many votes are needed to approve the Amendment and Restatement of the Company's Charter and the Director Compensation Plan?

Proposal No. 3 to approve the Amendment and Restatement of the Company's Charter must receive the For vote of two-thirds of all votes entitled to be cast on the matter and Proposal No. 4 to approve the Director Compensation Plan must receive the For vote of a majority of all the votes cast at the meeting once a quorum is present.

How will the proxies vote on any other business brought up at the meeting?

By submitting your proxy card, you authorize the proxies to use their judgment to determine how to vote on any other matter brought before the Annual Meeting. We do not know of any other business to be considered at the Annual Meeting. The proxies' authority to vote according to their judgment applies only to shares you own as the stockholder of record. As noted above, broker non-votes will not be voted on any such matters.

Are votes confidential?

We will continue our long-standing practice of holding the votes of all stockholders in confidence except: (a) as necessary to meet applicable legal requirements and to assert or defend claims for or against the Company, (b) in case of a contested proxy solicitation, (c) if a stockholder makes a written comment on the proxy card or otherwise communicates his/her vote to management, or (d) to allow the independent inspectors of election to certify the results of the vote.

Who will count the votes?

ADP, an independent tabulator, will count the votes.

Who is paying for this solicitation?

We are paying the costs of the proxy solicitation. These costs include charges of brokers, banks, fiduciaries, and custodians for forwarding proxy materials to their principals and obtaining their proxies. Additionally, some of our directors, officers, or employees may solicit proxies by mail, telephone, or personal contact. None of these solicitors will receive any additional or special compensation for doing this.

Can I access future Annual Meeting materials through the Internet rather than receiving them by mail?

Yes. If you vote via the Internet, you can also sign up for electronic delivery of future proxy materials. Just follow the instructions that appear after you finish voting at www.proxyvote.com. You will receive an email next year notifying you of the website containing the 2006 Annual Report and the Proxy Statement for the 2007 Annual Meeting.

If I want to submit a stockholder proposal for the 2007 Annual Meeting when is it due?

A stockholder desiring to submit a proposal for inclusion in Havertys Proxy Statement for the 2007 Annual Meeting must deliver the proposal so that it is received by Havertys no later than December 14, 2006. Any proposal submitted outside of the process of Rule 14A-8 under the Exchange Act will be considered untimely submitted after February 27, 2007. You must submit your proposal in writing to the Secretary of the Company at 780 Johnson Ferry Road, Suite 800, Atlanta, Georgia 30342. Only proposals meeting the requirements of applicable SEC rules will be considered.

How can I obtain a copy of the Annual Report?

A copy of Havertys 2005 Annual Report is being mailed with this proxy statement to each stockholder entitled to vote at the Annual Meeting. If you did not receive a copy of the Annual Report, you may obtain one free of charge by writing to Stockholder Relations, Haverty Furniture Companies, Inc., 780 Johnson Ferry Road, Suite 800, Atlanta, Georgia 30342. These documents and other information may also be accessed from Havertys website at www.havertys.com.

ELECTION OF DIRECTORS

(Proposals 1 and 2)

General

Eleven directors are to be elected at the 2006 Annual Meeting to hold office until the 2007 Annual Meeting and until their successors are elected and qualified. Our charter provides that our Board of Directors be elected by stockholders of each of the two classes of stock, voting separately by class. At this Annual Meeting, three directors will be elected by the holders of Common Stock and eight will be elected by the holders of Class A Common Stock. The nominees for election at the 2006 Annual Meeting were recommended and approved for nomination by the Nominating and Corporate Governance Committee (the Governance Committee) of the Board. The election of Havertys directors requires a plurality of votes cast at the meeting by the holders of the respective classes of common stock. We expect that each of the nominees will be available for election, but if any of them is unable to serve at the time the election occurs, it is intended that such proxy will be voted for the election of another nominee to be designated by the Governance Committee and the Board of Directors.

The following sets forth for each nominee his or her age, a brief description of his or her principal occupation and business experience during the last five years. They are all currently Havertys directors.

Attendance and Compensation of Directors

In 2005, the Board held four meetings and Committees of the Board held a total of 10 meetings. Each director attended more than 80% of the aggregate number of all meetings of the Board and committees on which he or she served during 2005.

Retainer fees to directors for 2005 were paid on May 1 and November 1. The 2005 annual retainer was \$30,000 for non-employee directors and \$3,000 for employee directors. The Directors' Compensation Plan adopted by the Board and approved by stockholders in 1996 provides that one-half of the annual retainer fee be paid each year on May 1 in shares of Havertys' Common Stock valued at the closing price on May 1. The remaining portion of the annual fee, at the election of the director, may be paid in cash on November 1 or in shares of Common Stock on May 1. In addition to the annual retainer, each non-employee director in 2005 received a fee of \$1,250 for attendance at each Board meeting and each committee meeting on which they served. During 2005, an annual retainer for service of \$7,500 was paid to the Chair of the Audit Committee and \$5,000 to the Chairs of the Governance and Executive Compensation Committees.

Due to the expiration of the current Directors' Compensation Plan this year, Havertys is asking stockholders to approve the proposal included in the section of the Proxy entitled Proposal 4 Director Compensation Plan. For 2006, based upon the proposed compensation plan, the retainer fees to directors will be \$45,000, of which two-thirds will be paid in shares of Havertys' Common Stock. The fee for attending Board and committee meetings will remain \$1,250. The proposed annual fees for service for the committee chairs are: \$10,000 to the Chair of the Audit Committee; \$7,500 to the Chair of the Executive Compensation Committee; and \$5,000 to the Chair of the Governance Committee.

Havertys maintains a Directors' Deferred Compensation Plan ("Deferred Plan") that permits all directors to defer to a future date receipt of payment of retainer fees and/or meeting fees which would otherwise be paid in cash or in shares of Common Stock for their services. Under the Deferred Plan, such deferred fees, plus accrued interest (at a rate determined annually in accordance with the Deferred Plan), shall be distributed in the future to a director in one lump sum or in no more than ten equal annual installments, or in accordance with the terms of the Deferred Plan. Five directors will participate in the Deferred Plan in 2006.

On October 31, 2005, each non-employee director received an award of 1,000 shares of restricted stock with a six month vesting restriction pursuant to the 2004 Long-Term Incentive Plan. A total of 8,000 shares were granted to Mmes. Mangum and Palmer, and Messrs. Glover, Humann, McGaughey, McGuirk, Schuermann and Trujillo. There will be no equity grants made to Directors under the Company's long-term incentive plan during 2006.

Corporate Governance

Director Independence. The listing requirements of the New York Stock Exchange ("NYSE") require that a majority of the members of a listed company's board of directors must be independent. The question of independence is to be determined by the board with respect to every director, in line with the rules of the NYSE. Based upon the NYSE rules, our Board has determined a majority of its current members are independent.

The NYSE rules also require that certain of our committees be composed entirely of independent directors. Our committees covered by this requirement are the Audit Committee, the Governance Committee, and the Executive Compensation Committee. Our board has determined that all current members of the Audit Committee, the Governance Committee, and the Executive Compensation Committee are independent under the NYSE rules.

The Board considers the issue not merely from the standpoint of a director, but also from that of persons or organizations with which the director has an affiliation. An independent director is free of any relationship with Havertys or its management that may impair the director's ability to make independent judgments. Particular attention is paid to whether a director is independent from management and to any financial relationships that may exist with a director or a related interest.

Generally, borrowing relationships with directors and their affiliates are considered immaterial and will not impair independence so long as the terms of the relationship are similar to other comparable borrowers. In other words, normal, arms-length credit relationships entered into in the ordinary course of business do not negate director independence. A director who is an executive officer of a company that makes payments to or receives payments from Havertys for property or services in an amount which, in any fiscal year, is greater than 2% of such director's company's consolidated gross revenues will not be considered independent.

The following directors have been deemed by the Board to be independent after applying the guidelines set forth above: Mmes Mangum and Palmer and Messrs. Glover, Humann, McGuirk, McGaughey, Schuermann and Trujillo.

Director Nominations. The Governance Committee has the responsibility of reviewing qualifications of the candidates for Board membership in accordance with procedures established by Havertys' Corporate Governance Principles, applicable law and regulations. The Governance Committee will consider recommendations for directors submitted by stockholders. Stockholders should submit their recommendations in writing to the Governance Committee (See, *Stockholder Communications with Directors*). The proponent should submit evidence that he or she is a stockholder of Havertys, together with a statement of the proposed nominee's qualifications to be a director. There is no difference in the manner in which the Governance Committee evaluates proposed nominees based upon whether the proposed nominee is recommended by a stockholder.

In its assessment of each potential candidate, the Governance Committee will review the nominee's experience, independence, understanding of Havertys or other related industries and such other factors as the Governance Committee determines are pertinent in light of the current needs of the Board. Diversity of race, ethnicity, gender and age are factors considered in evaluating nominees for Board membership. The Governance Committee will also take into account the ability of a director to devote the time and effort necessary to fulfill his or her responsibilities.

Nominees may be suggested by directors, members of management, stockholders or, in some cases, by a third-party search firm. In identifying and considering candidates for nomination to the Board of Directors, the Governance Committee considers, in addition to the requirements set out in Havertys' Corporate Governance Principles and the Governance Committee's charter, quality of experience, the needs of Havertys and the range of talent and experience represented on the Board. The Governance Committee sometimes uses the services of a third-party executive search firm to assist it in identifying and evaluating possible nominees for director.

Corporate Governance Principles. Our Corporate Governance Principles, together with the Board committee charters, provide the framework for the effective corporate governance of Havertys. The Board of Directors adopted these guidelines to address certain governance matters including the role of the Board, qualifications and responsibilities of directors, director compensation, management succession and director education. These governance principles are designed to maximize long-term stockholder value and promote the highest ethical conduct among Havertys' directors and employees. A copy of the Corporate Governance Principles is available on our website at www.havertys.com

Executive Sessions of Non-Employee Directors. The Board of Directors has a policy of scheduling an executive session of the non-employee directors as part of every regularly scheduled quarterly meeting of the Board. Mr. McGaughey, as chairman of the Governance Committee, has been requested by the non-employee directors to preside over these sessions and to convey to management any issues of concern.

Code of Business Conduct and Ethics. All of our directors and employees, including our Chairman of the Board, Chief Executive Officer and other senior executives, are required to comply with our Code of Business Conduct and Ethics (the Code) to help ensure that our business is conducted in accordance with the highest standards of ethical behavior. Havertys' continued growth and profitability are linked to our ability to make decisions that are consistent with our traditional business values and ethical principles. The Code is published on our website at www.havertys.com.

Stockholder Communications with Directors. Certain Transactions and Relationships

SunTrust Banks, Inc. (SunTrust) engaged in ordinary course of business banking transactions with us in 2005, and provided investment, trust and transfer agent services on terms comparable to other customers similarly situated. During August 2005, Havertys unsecured revolving credit facilities were replaced. The new facilities includes SunTrust and four other commercial banks under which we can borrow up to \$80 million for general corporate purposes over a five year period. SunTrust earned arrangement fees totaling \$125,000 for this transaction. We believe that these fees and the terms of our facilities are fair and reasonable and as favorable to Havertys as those which could be obtained from other parties at the time. As of December 31, 2005, Havertys indebtedness and total amounts committed under the revolving credit facilities to SunTrust totaled \$9.8 million, and the greatest such amount during 2005 was \$27.0 million. L. Phillip Humann, one of our directors is Chairman of the Board of Directors and Chief Executive Officer of SunTrust.

Mr. Ben Haverty is an owner of more than 5% of the Company s Class A Common Stock and is a brother of Mr. Rawson Haverty, Jr., a director and named executive officer. Mr. Ben Haverty, who had over 20 years of experience with the Company, most recently as our Georgia Regional Manager, left Havertys in 2005 to pursue other interests. During 2005, he earned salary and bonus of \$205,500 which was established in accordance with our compensation practices applicable to employees with equivalent experience and responsibilities.

EXECUTIVE COMPENSATION

EXECUTIVE COMPENSATION AND EMPLOYEE BENEFITS COMMITTEE REPORT ON EXECUTIVE COMPENSATION

This report is furnished by Havertys' Executive Compensation Committee and summarizes Havertys' current overall compensation philosophy and program objectives.

Compensation Philosophy

Havertys' executive compensation philosophy is directed at attracting, retaining and motivating highly qualified executives that are dedicated to the long term success of Havertys and to align their interests with the long-term interests of Havertys' stockholders by providing appropriate competitive compensation and financial reward. In support of this philosophy, the executive compensation program is designed to reward performance relevant to Havertys' short-term and long-term success based on corporate and individual performance.

Components of Compensation

We have structured our executive compensation program to reflect a package competitive with businesses of revenues and operational complexities comparable to those of Havertys, but subject to adjustment for varying levels of experience. The total compensation package is broken into three components: base salary, annual cash incentive compensation and long-term equity incentives. The emphasis in determining the components of compensation remains on pay for performance. In establishing targeted compensation levels, several factors are used including both published survey data and an independent evaluation of the market competitiveness of Havertys' executive officer compensation program conducted periodically by a professional compensation consulting firm. The comparative group used in the surveys and evaluations includes, but is not limited to those companies used to measure the performance of Havertys' stock as set forth under Comparison of Cumulative Total Returns.

Base Salary for Executive Officers

The Executive Compensation Committee reviews the base salaries for each executive officer on a yearly basis and advises the Board as to the appropriateness and reasonableness of the salaries. Consistent with our Compensation Philosophy, we reviewed both internal and external factors to determine the appropriate compensation for Mr. Ridley, Mr. Smith and the other named executives. This review is based on competitive compensation data as well as a subjective evaluation of each executive's contribution to Havertys' performance, the executive's level of experience and responsibilities. Adjustments are made as necessary in light of past performance and the potential for making significant contributions in the future in order to ensure compensation levels are appropriate and competitive.

We believe the base salary range for each executive position reflects a median base salary range for Havertys' comparative peer group. The Executive Compensation Committee has determined that the annual base salaries for 2006 will remain the same as in 2005 for each of the named executive officers, except for Messrs. Haverty and Burdette, whose annual base salaries were both increased by \$5,000 from \$210,000 to \$215,000. The salary for Mr. Wilkerson was increased in May 2005 to \$270,000 in connection with his promotion to Executive Vice President, Marketing and his base salary will not be increased in 2006. For compensation purposes, the Executive Compensation Committee performs a yearly evaluation of Messrs. Ridley's and Smith's performance. The other named executive officers' performance is reviewed by Mr. Smith.

Annual Cash Incentive Compensation

Each Havertys' executive officer is eligible for an annual cash incentive award. Cash incentive awards are intended to reward key employees based on both Havertys' performance and the individual's performance, motivate key employees and provide competitive cash compensation opportunities to executive officers.

We believe that incentive compensation for executive officers should be directly linked to the achievement of specified financial and non-financial objectives. An executive of Havertys will earn total compensation that is competitive with the market only if Havertys achieves corporate financial performance goals and incentive compensation is paid. If goals are exceeded, incentive compensation can cause total compensation to exceed median market levels.

This performance-based structure keeps a sizeable portion of the compensation for the senior management group at risk because the value of such compensation depends largely on the degree of success in attaining both Company and individual performance objectives. Havertys' pay for performance philosophy is intended to encourage achievement of both short-term and long-term financial and operational objectives. We have placed and will continue to place an increasing emphasis on compensation tied to the meeting of objectives, which are aligned with those of the stockholders.

2005 Cash Incentives: The annual bonuses for 2005 were made from a pool that was funded based upon quantitative measures of Havertys financial performance as measured by profits before bonuses, LIFO provision and income taxes. Although Havertys profitability in 2005 was below expectations, the Executive Compensation Committee believed that weight should be given to the realignment of Havertys distribution network and the aggressive steps taken towards Havertys long-term strategic goals. The Executive Compensation Committee determined individual bonuses subjectively based on position, responsibility and assessment of individual contribution in achieving the financial goals as well as certain non-financial objectives. In light of these factors, bonuses were given on a reduced basis to the named executive officers representing a decrease ranging from 27% to 50% lower than in 2004 for each of the named executive officers.

2006 Cash Incentives: The Executive Compensation Committee has approved a management incentive plan (Incentive Plan) to determine cash bonuses for Havertys executive officers for 2006. The Incentive Plan provides for bonuses based on a combination of Havertys achieving a threshold amount of earnings per share and the executive officer meeting additional performance criteria as established by the Executive Compensation Committee for each individual. Performance goals, in addition to the earnings per share threshold, includes increases in comparable store sales, improvements in gross profit margins and reductions of selling, general and administrative expenses. Performance goals and their respective weighting in determining bonuses vary by executive officer.

The Incentive Plan provides for the named executive officers target bonuses to range from 51% to 65% of 2006 salary. The amount of bonuses to be paid to each executive officer will range from 0% to 120% of the target bonus based upon the extent to which the performance objectives under each of the four established criteria or goals are met. The minimum level of performance is set at 80% of each goal and if the minimum level is not met, no cash bonus relative to that goal will be paid.

Equity Incentives

The purpose of the 2004 Long-Term Incentive Plan is to motivate individuals by means of performance related incentives to achieve long-range performance goals and increased stockholder value, encourage ownership of stock and link compensation to the long-term interest of stockholders. In late 2005, Havertys decided to realign the timing of its equity compensation payment structure and as such did not grant any equity awards to executive officers in 2005. Awards of restricted stock were made in 2006 to the named executive officers as follows: Mr. Ridley 7,000 shares; Mr. Smith 8,000 shares; Messrs. Fink and Wilkerson 6,000 shares each; Messrs. Haverty and Burdette 5,000 shares each. The restrictions on these shares are similar to those granted in 2004 and contain time-vesting in equal annual increments over four years. Vesting may accelerate if certain financial goals are met.

Executive Perquisites

Perquisites for our executives are very limited and consist only of payment for annual executive physical examinations. Havertys executive officers do not have personal access to aircraft, automobiles, club memberships or allowances.

Section 162(m). In making our decisions about compensation for Messrs. Ridley and Smith and other named executive officers, we consider Section 162(m) of the Internal Revenue Code, which limits to \$1 million per year the compensation expense deduction Havertys may take for compensation paid to a person who is highly compensated for purposes of the Internal Revenue Code, unless the compensation is performance-based. It is generally the policy of Havertys that the components of executive compensation that are inherently performance-based should qualify for exclusion from the deduction limitation under Section 162(m). We believe that annual bonuses and stock options currently qualify as performance-based.

We also believe, however, that while tax deductibility is an important factor, it is not the sole factor to be considered in setting executive compensation policy, and therefore reserve the right, in appropriate circumstances, to pay amounts in addition to base salary that might not be deductible. The Executive Compensation Committee's purpose in doing so is to ensure that Havertys retains its best executives and remains competitive in the market for executive talent.

If non-performance-based compensation in excess of \$1 million should become payable to a person who is highly compensated for this purpose, we may consider requiring deferral of receipt of any amounts earned in excess of the cap to a tax year following the year in which the individual leaves the employment of Havertys.

Conclusion

During 2005, this committee focused on rationalizing the pay-for-performance aspects of the compensation packages we provide to our executive officers, as well as making additional improvements in the structuring of equity award programs. We believe that our compensation philosophy is balanced, giving appropriate consideration to market driven factors for salaries and providing motivational enhancements with significant variable cash incentives and potential equity ownership for both long-term and short-term performance.

Consequently, we believe our executive compensation packages are reasonable, as well as fair to both our stockholders and our executive officers.

Retirement Plan

Havertys maintains a tax-qualified, non-contributory defined benefit retirement plan (the Retirement Plan) covering substantially all employees. As of December 31, 2005, the Retirement Plan was closed to any employees hired after that date. Officers are eligible to participate in the Retirement Plan, but directors are not eligible unless they are also full-time employees. Annual contributions to the Retirement Plan are made in amounts determined by the Retirement Plan s actuaries to be sufficient to fund the benefits to be paid and to meet regulatory requirements.

The Retirement Plan provides for the payment of fixed monthly benefits upon an employee s normal retirement at age 65. Benefits may also be paid upon early retirement as provided in the Retirement Plan. Benefits upon retirement are based upon years of service (up to a maximum of 40 years for calculating such benefits) and final average earnings. Final average earnings means the average annual earnings for the five consecutive years in which a participant had the highest earnings during the last 10 years of employment. Compensation for purposes of computing annual benefits under the Retirement Plan includes basic salary, wages, overtime pay, bonuses, commissions, amounts contributed to the 401(k) plan by the employee and other direct compensation included in the IRS Form W-2.

The table below illustrates the estimated annual benefits payable upon retirement under the Retirement Plan to persons in specified years of service and compensation categories. The benefits shown are straight-life annuities and are based upon an assumed retirement during 2005. The compensation amounts shown are compensation in the final year of employment. For purposes of determining final average earnings, a 5% per year increase in earnings was used for prior years.

* Under existing federal laws, earnings used to calculate benefits under the Retirement Plan may not exceed \$210,000 for 2005. Also, annual benefits under the Retirement Plan may not exceed \$170,000 for 2005 regardless of the benefit amount otherwise produced by the Retirement Plan formula. These limits are subject to future adjustments for cost of living increases. Annual benefits in the above table do not reflect either of these limits, and are in addition to any amounts payable from Social Security.

Supplemental Executive Retirement Plan

On November 3, 1995, the Board of Directors adopted a non-qualified Supplemental Executive Retirement Plan (the Supplemental Plan), effective January 1, 1996, for the benefit of those employees whose retirement benefits would otherwise be reduced by the limitation imposed by federal pension law and I.R.S. regulations on the amount of compensation that may be taken into account in computing benefits under a defined benefit retirement plan. Federal pension law and I.R.S. regulations currently prohibit providing benefits on annual compensation above \$210,000 for 2005 and \$205,000 for 2004. Under the provisions of the Supplemental Plan, participation in the Supplemental Plan will be automatic for any employee who has pay that cannot be included in computing benefits under Havertys Retirement Plan because it exceeds the I.R.S. limit; however, the total amount of annual retirement benefits that may be paid to an eligible participant in the Supplemental Plan from all sources (Retirement Plan, Social Security and the Supplemental Plan) may not exceed \$125,000. See Retirement Plan for information on the amount of benefits that the named executive officers are eligible to receive upon retirement.

Mutual Fund Option Plan

On January 15, 1999, the Board of Directors adopted the Havertys Top Hat Mutual Fund Option Plan (Top Hat Plan). The Top Hat Plan covers certain executives and employees as designated by the Executive Compensation Committee and is designed to accumulate retirement funds for selected employees, including the executive officers. The Top Hat Plan allowed participants to defer up to 100% of their cash bonus compensation in exchange for an option to buy selected mutual funds at a discount equal to the bonus he or she would have otherwise received. Deferrals under the Top Hat Plan were suspended in 2005. The Top Hat Plan is administered by Havertys.

Change in Control Agreements

On February 7, 1997 and February 23, 2001, the Board of Directors approved agreements (each an Agreement) between Havertys and each of the executive officers named in the Summary Compensation Table and certain other officers. These Agreements provide for certain cash payments and continuation of benefits in the event of a change of control or potential change in control as defined in the Agreement.

The Agreements, entered into with Messrs. Ridley, Smith, Fink and Wilkerson provide that if the executive is terminated other than for cause, by the executive without Good Reason as defined in the Agreement or prior to a change in control but following a potential change in control that would result in a change in control, the executive would be paid: (i) a lump severance payment in cash equal to the higher of the sum of two times the executive's base salary or two times the average executive's annual base salary for the three years immediately prior to the event upon which the notice of termination is based; (ii) the higher of two times the amount paid to the executive as annual discretionary bonus or two times the average amount paid in the three years preceding that in which the date of termination occurs; and (iii) an amount of any annual discretionary bonus which has been allocated or awarded to the executive and has not yet been paid and a pro rata portion for the fiscal year in which the termination occurs.

Under the terms of the Agreement, if a change in control occurs, Havertys will, at the election of the executive, repurchase all options held by the executive for a lump sum amount in cash equal to the product of the spread (as defined in the Agreement) times the number of shares covered by each option. Havertys will also arrange to provide life, disability, accident and health insurance benefits similar to those which the executive was receiving immediately prior to the notice of termination for a period of 24 months after the date of termination.

The Agreements with Messrs. Haverty and Burdette are on identical terms as described above, except that the severance payments would be a lump severance payment based on one year's base salary and bonus and 12 months of post-termination insurance benefits.

AUDIT COMMITTEE REPORT

We have reviewed and discussed with Havertys management and Ernst & Young LLP (Ernst & Young), the independent registered public accounting firm, the consolidated financial statements set forth in Havertys 2005 Annual Report on Form 10-K for the year ended December 31, 2005.

We have also discussed with Ernst & Young the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, Statement on Auditing Standards No. 99, Consideration of Fraud in a Financial Statement Audit and Securities and Exchange Commission rules regarding auditor independence discussed in Final SEC Releases Nos. 33-8183 and 33-183a.

We have received the written disclosures and the letter from Ernst & Young required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees and have discussed with Ernst & Young its independence from Havertys.

Based on our review and discussions with Havertys management and Ernst & Young, we recommended to the Board of Directors that the audited consolidated financial statements be included in Havertys Annual Report on Form 10-K for the year ended December 31, 2005.

It is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company s financial statements are complete and accurate and in accordance with generally accepted accounting principles; that is the responsibility of management and the independent registered public accounting firm. In giving its recommendation to the Board, the Audit Committee has relied on (i) management s representation that such financial statements have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles and (ii) the reports of the independent registered public accounting firm with respect to such financial statements.

Submitted by the members of the Audit Committee of the Board of Directors.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services, and other services performed by the independent auditor. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. The Audit Committee has delegated to the Chair of the Audit Committee authority to approve permitted services provided that the Chair reports any decisions to the Committee at its next scheduled meeting.

PROPOSAL NO. 3 - Approval of Amendment and Restatement of Haverty Furniture Companies, Inc. s Charter

The Board of Directors has approved and recommends stockholder approval of amendments to and a restatement of Havertys Charter. Havertys current Charter was drafted in 1974 and has been amended five times. The Board wishes to amend several provisions of the Charter and restate the Charter so that it can be presented in a single comprehensive document. Under the Maryland General Corporation Law (GCL), with certain limited exceptions that are not applicable to the proposed amendment and restatement of Havertys Charter, changes to a corporation s charter must be approved by the board of directors and submitted to and approved by the stockholders.

The Articles of Amendment and Restatement of Havertys Charter are attached to this proxy statement as Appendix A. This summary of the proposed amendment and restatement is qualified in its entirety by reference to the text of the attached Articles of Amendment and Restatement.

The affirmative vote of two thirds of the votes entitled to be cast on the proposal is required for approval of the proposal. As a result, abstentions and broker non-votes will have the same effect as a vote against the proposal.

The GCL has evolved over the years to provide corporations with more flexibility to meet the needs of the business environment and the competitive markets in which companies operate. Our current Charter provisions, in some cases, provide us with less flexibility than is allowed under the GCL. The proposed amendments would allow the Company to maintain the corporate flexibility allowed under the GCL and, in a number of cases, are being proposed to mirror the existing provisions of the GCL.

The Board has approved and proposes changes to the following provisions of our Charter:

Powers and Purpose. The Powers and Purpose clause has been redrafted and shortened to language that mirrors the GCL as it is in effect today. The clause currently in effect arguably could be interpreted under certain circumstances to limit our powers. The language change allows us the flexibility to adjust to changing business needs and operate under the requirements of the GCL without having to seek stockholder approval should other business opportunities present themselves in the future. Under the proposed language, we would be entitled to exercise all the powers generally available to a Maryland corporation.

Preferred Stock. The current Preferred Stock provision in Havertys Charter will be shortened. The current Charter provision lists a series of provisions that the Board could include as part of the terms and conditions of Preferred Stock that may be issued from time to time and uses language that in some respects is different than the existing provisions of the GCL. The proposed amendment would modify the language to mirror the provisions of the GCL so as to provide Havertys with the maximum flexibility afforded Maryland corporations and would allow the Board to tailor the provisions of any Preferred Stock that may be issued from time to time to our needs at that time.

Interested Director Transactions. Our current Charter provision regarding interested director transactions in some cases places greater limitations, and in other cases places lesser limitations, on Havertys than the GCL currently contemplates. The proposed amendments to this language conform the provisions to the requirements of the GCL and make it clear that, in the case of interested director transactions approved by the Board, the Board approval must include the approval of at least a majority of the disinterested directors.

Certain Business Combinations. Under the terms of our current Charter, in addition to any Board or stockholder approval required by the GCL, a business combination with a related person (defined generally as an owner of, or affiliate or associate of an owner of, five percent or more of the shares of any

class of our capital stock, excluding five percent owners on or prior to April 24, 1979 and certain persons who acquire their shares from such an owner, and various retirement and benefit plans of Havertys) requires the approval of not less than two-thirds of all votes entitled to be cast if the transaction was not approved by three-fourths of the Board (or a majority of the votes entitled to be cast if the transaction was approved by three-fourths of the Board). For this purpose, a "business combination" is defined to include a merger or consolidation of Havertys, a sale, lease, and certain other dispositions of all or any substantial part of Havertys' assets (defined in the Charter as having a value of at least 25% of our total assets), and the issuance, transfer or exchange of shares of any class of common stock for cash, assets, securities or a combination of the foregoing. The Board believes the provision in our current Charter relating to the issuance of stock could have the unintentional effect of limiting Havertys' ability to raise capital and also could limit our ability to continue to offer competitive equity incentives to employees who owned or were affiliated with someone who owned five percent or more of the outstanding shares of voting stock of any class of our capital stock. As a result, the Board proposes to amend the Charter to delete the provisions relating to the issuance of stock from the definition of "business combination." In addition to deleting this provision, the proposed amendment modifies the definition of a "business combination" as it applies to a sale of Havertys' assets by changing the threshold for such a sale from assets representing 25% of Havertys' total assets to all or substantially all of Havertys' assets. The remaining provisions of our Charter relating to Business Combinations are not proposed to be amended.

The authorized number of shares of Common Stock and Class A Common Stock, and the par value of the shares will not be changed by these proposed amendments. Except as otherwise summarized above, the rights presently accruing to holders of Common Stock or Class A Common Stock will not be affected by these proposed amendments.

The Board urges each stockholder to read Appendix A carefully before voting on this proposal. If the proposed amendment and restatement of Havertys' Charter is approved by the stockholders, it will become effective upon filing with the Maryland Department of Assessments and Taxation.

The Board of Directors recommends that you vote For the approval of the amendment and restatement of the Haverty Furniture Companies, Inc. Charter.

PROPOSAL NO. 4 - Approval of Haverty Furniture Companies, Inc. Director Compensation Plan

Havertys has had a Compensation Plan for directors since 1996. The current Compensation Plan has enabled Havertys to compensate directors who contribute to Havertys' success and to better ensure that the interests of the directors are more closely aligned with the interest of Havertys stockholders. The current Compensation Plan permits directors to receive their compensation in either cash and shares of common stock or deferred cash or shares of common stock. The current Director's Compensation Plan expires this year. Accordingly, on February 23, 2006, the Governance Committee recommended and the Board of Directors adopted the Haverty Furniture Companies, Inc. Director Compensation Plan. We are now seeking approval of the Compensation Plan by the stockholders of Havertys. The effective date of the Compensation Plan will be the date it is approved by our stockholders.

The affirmative vote of a majority of the votes cast on the proposal is required for approval of the proposal. Abstentions and broker non-votes are not counted as votes cast, and therefore do not affect the outcome of the proposal.

The following is a general summary of the Compensation Plan and is qualified in its entirety by the full text of the Compensation Plan which is included in this proxy statement as Exhibit B. Capitalized terms not defined herein have the same meanings ascribed to such terms in the plan document.

Purpose. The purpose of the Compensation Plan is to enable Havertys to compensate directors who contribute to Havertys' success by their abilities, ingenuity and industry and to better ensure that the interest of such directors are more closely aligned with the interest of Havertys stockholders.

Administration. Subject to the terms of the Compensation Plan, the Compensation Plan will be administered by the Governance Committee. The day to day administration of the Compensation Plan shall be administered by the Management Committee. The Management Committee will consist of the Chairman, CEO, Corporate Secretary and such other senior officers as the CEO may designate.

Participants. Each person who is a director of Havertys will be eligible to participate in the Compensation Plan.

Shares Available for the Plan. Subject to certain adjustments as provided in the Compensation Plan (e.g. in the event of recapitalization, stock split, stock dividend, merger or similar event), the maximum number of shares of Common Stock which may be awarded under the plan is five hundred thousand (500,000). The shares to be delivered under the Compensation Plan will be made available from the shares of Common Stock held in Havertys' treasury.

Compensation. The Governance Committee will establish from time to time, the amount of each director's compensation. For purposes of the Compensation Plan, the term "compensation" means the director's annual retainer fee, meeting fee, committee fee and committee chairman fee. The Annual Retainer Fee will consist of cash and Common Stock of which two-thirds of each director's Annual Retainer Fee will be paid in shares of Havertys' Common Stock on the day of Havertys' Annual Meeting of Stockholders. The remaining portion of the annual fee, at the election of the director, may be paid in cash on November 1 or in shares of Common Stock on the day of the Annual Meeting. A director may elect to receive 100% of his or her Annual Retainer Fee in shares of Havertys' Common Stock and may elect to defer receipt of his or her Compensation in accordance with the Director's Deferred Compensation Plan.

Termination and Amendment. Subject to approval of the Governance Committee, the Management Committee may from time to time make such amendments to the Compensation Plan as it may deem proper and in the best interest of Havertys; provided however stockholder approval will be required to the extent required by applicable law, regulation or stock exchange.

Recommendation. The Board of Directors believes that approval of the Director Compensation Plan is in the best interests of Havertys and its stockholders because the Compensation Plan will enable Havertys to compensate directors who contribute to Havertys' success.

The Board of Directors recommends that you vote For the approval of the Haverty Furniture Companies, Inc. Director Compensation Plan.

Nothing in this ARTICLE XII shall be interpreted to limit the provisions of Section 2-419 of the GCL or to limit the authority of the Corporation to approve a contract or other transaction with a director of the Corporation, or any corporation, firm or other entity in which a director of the Corporation is a director or has a material financial interest, under the provisions of Section 2-419 of the GCL or any similar or successor provision of the GCL as now or hereafter in effect.

The Board of Directors may by By-law, resolution or agreement make further provisions for indemnification of directors, officers, employees and agents to the fullest extent permitted by the GCL as now or hereafter in effect.

**ARTICLE XV
CERTAIN BUSINESS COMBINATIONS**

The approval by the stockholders of the Corporation by the affirmative vote of not less than two-thirds (2/3) of all votes entitled to be cast on the matter shall be required for the approval, authorization or ratification of any business combination (as hereinafter defined) of the Corporation with any related person (as hereinafter defined); provided, however, that such two-thirds (2/3) voting requirement shall not be applicable if the business combination is approved by three-fourths (3/4) of the entire membership of the Board of Directors, in which event the affirmative vote of not less than a majority of all the votes entitled to be cast on the matter shall be required. For purposes of this ARTICLE XV:

A. The term business combination as used herein shall mean (i) any merger or consolidation of the Corporation; and (ii) any sale, lease, exchange, transfer or other disposition of all or substantially all of the assets of the Corporation.

B. The term related person as used herein shall mean and include any individual, corporation, partnership or other person or entity which, together with its affiliates and associates (as those terms were defined in Rule 12b-2 of the General Rules and Regulations under the Securities Exchange Act of 1934 on April 25, 1985), beneficially owns (as this term was defined in Rule 13d-3 of the General Rules and Regulations under the Securities Exchange Act of 1934 on April 25, 1985) in the aggregate 5% or more of the outstanding shares of any class of common stock of the Corporation; provided, however, that the term related person shall not include any of the following:

(1) any individual, corporation, partnership or other person or entity which, together with its affiliates and associates, beneficially owned in the aggregate 5% or more of the outstanding shares of any class of common stock of the Corporation at any time prior to April 24, 1979, or the estate, personal representative, heir or legatee of any such person which or who becomes the beneficial owner of 5% or more of the outstanding shares of any class of common stock of the Corporation by virtue of testamentary transfer, interstate succession or gift from such person; or

A-7

(2) The Haverty Furniture Companies, Inc. Retirement Trust or any other profit sharing plan, stock ownership plan or other employee benefit plan or trust relating to the employees of the Corporation or any of its subsidiaries.

ARTICLE XVI
ADDITIONAL VOTE REQUIRED FOR
CERTAIN BUSINESS COMBINATIONS

In addition to the requirements specified in ARTICLE XV, there shall be required for the approval, authorization or ratification of any business combination with a related person, the affirmative vote or consent of a majority of all votes entitled to be cast on the matter considered separately for the purposes of this ARTICLE XVI, which are not entitled to be voted directly or indirectly by such related person (Unrelated Stockholders); provided, however, that said majority voting requirements shall not be applicable if all of the conditions specified in paragraphs A, B and C below are met.

A. The consideration to be received per share for each class of stock in such business combination by Unrelated Stockholders is payable in cash or other consideration, or a combination of both, and such consideration has a fair market value per share with respect to each class of the Corporation s stock of not less than either:

(1) the highest price (including the highest per share brokerage commissions, transfer tax and soliciting dealers fees) paid by the related person in acquiring any of the Corporation s stock of that class; or

(2) a price per share obtained by multiplying the aggregate earnings per share of stock of the Corporation (appropriately adjusted for any subdivision of shares, stock dividend or combination of shares during the period) for the four full consecutive fiscal quarters immediately preceding the record date for solicitation of votes or consents on such business combination by the figure obtained by dividing the highest per share price (including the highest per share brokerage commissions, transfer tax and soliciting dealers fees) paid by such related person in acquiring any of the Corporation s stock by the aggregate earnings per share of the Corporation for the four full consecutive fiscal quarters immediately preceding the time when the related person shall have become the beneficial owner of 5% or more of the outstanding shares of any class of common stock of the Corporation.

If any securities were issued by a related person in exchange for stock of the Corporation prior to the proposed business combination, the fair market value of said securities at the time of issue shall be used in determining the per share price paid for said stock.

B. After the related person has become the beneficial owner of 5% or more of the outstanding shares of any class of common stock of the Corporation and prior to the consummation of such business combination, there shall have been no reduction in the rate of dividends payable on any class of the Corporation s stock which would result in a quarterly dividend rate per share which is less than the average quarterly dividend rate per share of such class for the four full consecutive fiscal quarters immediately preceding the time when the related person shall have become the beneficial owner of said 5% or more of the outstanding shares of any class of common stock of the Corporation, unless such reduction in the rate of dividends has been approved by three-fourths (3/4) of the entire membership of the Board of Directors of the Corporation. For the purposes of this paragraph, quarterly dividend rate per share for any quarterly dividend shall be equal to the percentage said quarterly dividend per share bears to the earnings per share for the four full fiscal quarters immediately preceding the declaration of said quarterly dividend.

C. The consideration to be received by Unrelated Stockholders shall be in cash or in the same form as the related person has previously paid for shares of such class of stock; if the related person has paid for shares of any class of any stock with varying forms of consideration, the form of consideration for such class of stock shall be either cash or the form used to acquire the largest number of shares of such class of stock previously acquired by it.

D. For the purposes of this ARTICLE XVI, the terms *business combination* and *related person* have the meanings set forth in ARTICLE XV.

**ARTICLE XVII
CERTAIN ACQUISITION PROPOSALS**

The Board of Directors of the Corporation, when evaluating any offer of another individual, firm, corporation, or other entity (*Person*) (a) to make a tender or exchange offer for any equity security of the Corporation, (b) to merge or consolidate the Corporation with such other Person, or (c) to purchase or otherwise acquire all or substantially all of the properties and assets of the Corporation (such offers individually referred to as an *Acquisition Proposal*), shall, in connection with the exercise of its business judgment in determining what is in the best interest of the Corporation and its stockholders, give due consideration to all relevant factors, including without limitation, the consideration being offered in the Acquisition Proposal in relation to the then-current market price of the Corporation's stock, but also in relation to the then-current value of the Corporation in a freely negotiated transaction and in relation to the Board of Directors' then-estimate of the future value of the Corporation as an independent entity, the social and economic effects on the employees, customers, suppliers, and other constituents of the Corporation and on the communities in which the Corporation operates or is located and the desirability of maintaining independence from any other business or business entity.

**ARTICLE XVIII
AMENDMENTS TO CERTAIN PROVISIONS**

Notwithstanding the provisions of ARTICLE VIII, the provisions set forth in this ARTICLE XVIII and in ARTICLES XV, XVI and XVII may not be repealed or amended, and no provision imposing cumulative voting in the election of directors may be added to the Corporation's Charter, unless such action is approved by the stockholders of the Corporation by the affirmative vote of not less than two-thirds (2/3) of all votes entitled to be cast on the matter.
