Edgar Filing: ENTERPRISE FINANCIAL SERVICES CORP - Form 8-K

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On June 10, 2011, Enterprise Financial Corp's (the "Company") Compensation Committee (the "Committee") approved changes to the Company's compensation arrangements with its named executive officers as discussed below.

2011 – 2013 Long-Term Incentive Plan Grants

The Committee approved the Company's 2011 – 2013 Long-Term Incentive Plan ("2011 LTIP") under the Company's 2002 Stock Incentive Plan, as amended, and grants under the 2011 LTIP. Grants under the 2011 LTIP provide grantees the opportunity to earn a specific target award, subject to satisfaction of the performance-based requirements.

The requirements for awards under the 2011 LTIP are tied to Company performance. Company performance will be measured for purposes of the 2011 LTIP by comparing the Company's cumulative shareholder returns ("Shareholder Returns") during the performance cycle to a target level of Shareholder Returns of a peer group established by the Committee and by comparing the Company's cumulative adjusted earnings per share ("Cumulative Adjusted EPS") during the performance cycle with a target level of cumulative adjusted earnings per share set by the Committee. The Shareholder Returns component accounts for 50% of each grantee's respective total performance target and the Cumulative Adjusted EPS component accounts for the remaining 50%.

Awards will be made at the end of the performance cycle and will be in the form of fully vested shares of common stock. All awards under the 2011 LTIP will be subject, to the extent applicable, to the executive compensation restrictions of the Capital Purchase Program (the "Capital Purchase Program" or the "CPP") sponsored by the United States Treasury, discussed below.

The amount of the target grants for the Company's named executive officers is as follows:

Named Executive Officer	Shareholder Returns Component of Target Grant (# of shares)	Cumulative Adjusted EPS Component of Target Grant (# of shares)	Total Target Grant (# of shares)
Peter F. Benoist	15,835	15,835	31,670
Stephen P. Marsh	4,750	4,750	9,500
John G. Barry	3,563	3,563	7,126
Linda M. Hanson	3,563	3,563	7,126
Frank H. Sanfilippo	3,167	3,167	6,334

Edgar Filing: ENTERPRISE FINANCIAL SERVICES CORP - Form 8-K

Awards will be based on the percentage of the performance target achieved with respect to each of the performance components, in accordance with the following schedule; however the actual LTIP award payout will be interpolated between the percentages set forth in the schedule based on actual results.

Shareholder Returns Component

Performance Achievement	Payout Level of Shareholder Returns Component
76.9% of Shareholder Returns Target	50% of Component Target Award
100.0% of Shareholder Returns Target	100% of Component Target Award
138.5% of Shareholder Returns Target	150% of Component Target Award

Cumulative Adjusted EPS Component

Performance Achievement	Payout Level of Cumulative Adjusted EPS component
88.9% of Cumulative Adjusted EPS Target	50% of Component Target Award
100.0% of Cumulative Adjusted EPS Target	100% of Component Target Award
111.1% of Cumulative Adjusted EPS Target	150% of Component Target Award

As previously disclosed, the Company participated in the Capital Purchase Program. The terms of the grants to all named executive officers and other grantees are subject to the limitations of the Capital Purchase Program, including restrictions on payment or accrual of any bonus, retention award or incentive compensation to certain employees. These rules may require that any awards under the 2011 LTIP grants to certain employees be paid in the form of "long-term" restricted stock or restricted stock units that have a value not exceeding 1/3 of the employee's total annual compensation and that are subject to the minimum vesting requirements of the CPP.
