Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) The securities represent deferred shares of the issuer's common stock credited to the reporting person's deferred compensation account pursuant to dividend equivalent rights. Those rights resulted initially in the addition of cash sums to the account equal to the dividends which would have been paid during the 2012 calendar year on the deferred stock credited to such account had that stock actually been issued and outstanding on each dividend payment date, and the accumulated sums were then converted into additional shares of deferred stock on January 2, 2013 based on the average of the closing selling prices of the issuer's common stock on each of the dates during the 2012 calendar year on which actual dividends on the common stock were paid.

(2) Includes 47,410 shares of the issuer's common stock. Also includes 53,171 shares of the issuer's common stock underlying restricted stock units and 106,396 shares of the issuer's common stock underlying deferred restricted stock, which may be subject in whole or in part to vesting schedules tied to Mr. Roth's continued service with the issuer or the attainment of certain performance goals, and which will be issued as actual shares of common stock of the issuer either at the time of vesting or at a specified time thereafter (including termination of service with the issuer).

(3)

Edgar Filing: ROTH W RICHARD - Form 4

Represents 9,170 restricted stock units granted to the reporting person under the issuer's Long-Term Incentive Plan. Each restricted stock unit will entitle the reporting person to receive one share of the issuer's common stock when that unit vests. The units will vest in three successive annual installments upon the reporting person's completion of each year of service with the issuer over the three-year period measured from the issue date of the units, subject to accelerated vesting under certain prescribed circumstances. This grant does not include dividend equivalent rights.

- Includes 47,410 shares of the issuer's common stock. Also includes 62,341 shares of the issuer's common stock underlying restricted stock units and 106,396 shares of the issuer's common stock underlying deferred restricted stock, which may be subject in whole or in part to vesting schedules tied to Mr. Roth's continued service with the issuer or the attainment of certain performance goals, and which will be issued as actual shares of common stock of the issuer either at the time of vesting or at a specified time thereafter (including termination of service with the issuer).

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
