The following constitutes the Schedule 13D filed by the undersigned (the "Schedule 13D").

Accordingly, the Reporting Persons are hereby filing this joint Schedule 13D.

(b) The address of the principal office of each of APEG II LP, APEG II GP, Angelus Capital, Angelus Group, Duke Capital, Paul W. Haarman, and Patrick E. Duke is 2808 Flintrock Trace Suite 373 Austin, Texas 78738.

(f) Messrs. Haarman and Duke are citizens of the United States of America.

Item 3. Source and Amount of Funds or Other Consideration.

The Shares beneficially owned by APEG II LP were the result of an exchange of loans held by APEG II LP and made to the Issuer, and these loans were financed with working capital through a creditor relationship whereby APEG II LP held \$6,000,000 in principal amount of loans under the Credit Agreement dated as of July 30, 2010, as amended (the "Credit Facility"), as set forth in Item 6, comprising the entire principal balance outstanding under the Credit Facility (the "Balance"). APEG II LP then exchanged \$5,063,380 of the Balance for 5,819,270 Shares on the terms and conditions set forth in the Exchange Agreement entered into on September 28, 2017, by and among the Issuer, Energy One LLC, and APEG II LP, as set forth in Item 6.

Item 4. Purpose of Transaction.

The Reporting Persons obtained the Shares (1) in connection with an exchange of debt-for-equity related to that certain credit agreement, and subsequent amendments, described in more detail in Item 6 of this Schedule 13D, and (2) based on the Reporting Persons' belief that the Shares were represented an attractive investment opportunity. Depending upon overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of Shares at prices that would make the purchase or sale of Shares desirable, the Reporting Persons may endeavor to increase or decrease their position in the Issuer through, among other things, the purchase or sale of Shares on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable.

APEG II LP (together with its affiliates, "APEG") continues to believe that the Issuer has the potential to be a strong company, but that substantial changes are needed, given the prolonged underperformance of the Issuer. Despite the past litigation between APEG and the Issuer, which is described further below in this Item 4, APEG hopes to dialogue constructively with the Issuer's management team and board of directors (the "Board") regarding opportunities to unlock value at the Issuer, including changes to the Board's composition. APEG believes that while it had no intention of making its concerns about the Issuer public, the Issuer's management and the Board's actions have left it with no other alternative. In light of what APEG believes to be clear and continues shareholder value destruction, APEG has determined that it must act for the benefit of all shareholders to protect its investment in the Issuer.

Additionally, on March 4, 2019, the Issuer and Energy One LLC (together, the "Plaintiffs") filed a petition and application for temporary restraining order, temporary injunction, permanent injunction, and appointment of Receiver (the "TRO") in Texas State Court. The TRO was then removed to Federal District Court in the Southern District of Texas. In the TRO, the Plaintiffs allege that APEG II LP and APEG II GP (together, the "Defendants") fraudulently claimed that Plaintiffs breached various loan documents between the Plaintiffs and Defendants and filed a fraudulent claim against Plaintiffs' personal property. As a result, Plaintiffs claim that they lost access to two collateral accounts containing \$1.7 million. On March 8, the court ruled that Defendants must give Plaintiffs access to roughly \$1 million that it had seized and was in one of the collateral accounts. On March 13, Plaintiffs filed a Notice of Dismissal, arguing that the action was dismissed without prejudice pursuant to Rule 41(a)(1)(A)(i) of the Federal Rules of Civil Procedure. The Notice of Dismissal was opposed by the Board's Audit Committee (the "Audit Committee"), which filed an emergency motion to strike notice of dismissal on the same day. On March 15, 2019, the court struck the notice of dismissal, and ordered that the Audit Committee inform the court as to why the lawsuit should not be dismissed, why

claims remain, and whether Mayer Brown LLP (who replaced previous counsel Kutack Rock, LLP after it withdrew its representation) will be representing both the Plaintiffs and the Audit Committee if the case continues.

On March 26, 2019 APEG delivered an open letter to the Board of the Issuer stating its belief that the Board must act with the serious urgency that APEG believes is necessary to (i) work with shareholders to establish a five person independent board of directors as APEG believes is required under the governing materials of the Issuer, (ii) establish a corporate business plan and (iii) cut its excessive corporate overhead. APEG believes that the establishment of a fully independent five person board will help ensure that shareholders are able to trust that the changes needed to be affected by Issuer will be made with the thoughtfulness and concern for shareholders' interest that such concerns deserve. In addition, APEG explained in the letter the need for a substitution of the directorship of David Veltri. The full text of the letter is attached hereto as Exhibit 99.10 and is incorporated herein by reference. The Reporting Persons intend to continue to engage in discussions with management, the Board and shareholders of the Issuer regarding the concerns described in and implications of the letter to the Board.

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon or in connection with completion of, or following, any of the actions discussed herein. The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels of the Shares, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, engaging in communications with management and the Board, engaging in discussions with stockholders of the Issuer or other third parties about the Issuer and the Reporting Persons' investment, including potential business combinations or dispositions involving the Issuer or certain of its businesses, making recommendations or proposals to the Issuer concerning changes to the capitalization, ownership structure, board structure (including board composition), potential business combinations or dispositions involving the Issuer or certain of its businesses, or suggestions for improving the Issuer's financial and/or operational performance, purchasing additional Shares, selling some or all of their Shares, engaging in short selling of or any hedging or similar transaction with respect to the Shares, including swaps and other derivative instruments, or changing their intention with respect to any and all matters referred to in this Item 4.

Item 5. Interest in Securities of the Issuer.

The aggregate percentage of Shares reportedly owned by each person named herein is based upon 12,440,927 shares of its \$0.01 par value common stock outstanding as of March 21, 2018, which is the total number of Shares outstanding as reported in the Issuer's Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 28, 2018.

Under the Credit Agreement, each Lender is obligated to make Loans and to acquire participations in Letters of Credit, expressed as an amount representing the maximum aggregate amount of each Lender's sum of outstanding principal amount of such Lender's Loans and its Letter of Credit exposure at such time (the "Revolving Credit Exposure"). The Issuer unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Loan on the Termination Date. The foregoing description of the Credit Agreement set forth in this Item 6 is only a summary of terms following the Credit Agreement and does not purport to be complete and is qualified by reference to the full text of the Credit Agreement, which is incorporated by reference as Exhibit 99.1.

Under the Credit Agreement, the Loans made by each Lender were to be evidenced by a single promissory note of Energy One payable to the order of such Lender in a principal amount equal to its Maximum Credit Amount, as specified on Annex I to the Credit Agreement, as in effect on such date. Under the Note, Energy One promised to pay to BNP Paribas the principal sum of \$75,000,000 (or such lesser amount to equal the aggregate unpaid principal of the Loans made under the Credit Agreement) in lawful money of the United States of America and in immediately available funds, on the dates and in the principal amounts provided in the Credit Agreement, and to pay interest on the unpaid principal amount of each such Loan, at such office, in like money and funds, for the period commencing on the date of such Loan until the Loan is paid in full, at the rates per annum and on the dates provided in the Credit Agreement. The foregoing description of the Note set forth in this Item 6 is only a summary of terms following the Note and does not purport to be complete and is qualified by reference to the full text of the Note, which is incorporated by reference as Exhibit 99.3.

At the time of the Loan Sale Agreement, the outstanding principal of the Loans made by Wells Fargo to the Issuer under the Credit Agreement was \$6,000,000 and the outstanding balance accrued and unpaid interest on such Loans was \$7,890.41. The Purchase Price under the Loan Sale Agreement was \$5,007,890.41. The foregoing description of the Loan Sale Agreement set forth in this Item 6 is only a summary of terms following the Loan Sale
