## PRESS RELEASE □ FOR IMMEDIATE RELEASE□

1ST CONSTITUTION BANCORP REPORTS RECORD NET INCOME, UP 12.0%  
FOR THE FIRST QUARTER ENDED MARCH 31, 2007

CRANBURY NJ □ APRIL 24, 2007□□1ST Constitution Bancorp (NASDAQ; FCCY), the parent company of 1ST Constitution Bank, announced today record net income for the quarter ended March 31, 2007. For the quarter ended March 31, 2007, net income increased by 12.0 percent to \$1,405,500, or \$0.37 per diluted share, up from \$1,254,758, or \$0.33 per diluted share, achieved during the first quarter of 2006. All per share amounts have been restated to give effect to a 6 percent stock dividend paid January 31, 2007.

For the quarter ended March 31, 2007, net interest income was \$4,457,673, which represents an increase of \$223,547, or 5.28 percent, over net interest income of \$4,234,126 reported for the first quarter of 2006. Return on average assets stood at 1.40 percent for the period, while return on average equity reached 15.81 percent. These results compare to a return on average assets of 1.38 percent and the return on average equity of 16.91 percent achieved for the first quarter of 2006. The Company's net interest margin reached 4.81 percent for the first quarter of 2007, which represents a slight decrease from the 5.03 percent achieved for the corresponding prior year period.

Robert F. Mangano, president and chief executive officer of 1ST Constitution Bancorp, attributed earnings results for the quarter ended March 31, 2007 to the Bank's lending and deposit gathering activities, and the continued generation of non-interest income. At March 31, 2007, deposits expanded by \$56 million, or 19.8 percent, and loans grew by \$16.9 million, up 6.40 percent compared to March 31, 2006. Deposit growth was in part due to the acquisition of the Hightstown, New Jersey branch of another financial institution in the first quarter of 2007. In addition, non-interest income contributed \$643,741 to the first quarter results. Non-interest expense was well controlled during the period, which also contributed to the positive results achieved for the quarter ended March 31, 2007.

On February 23, 2007, 1ST Constitution Bancorp, through its primary subsidiary, 1ST Constitution Bank, closed on a transaction to acquire all of the deposit liabilities and related assets of the Hightstown, New Jersey branch banking office of a competing commercial banking institution. The acquisition added approximately \$19 million in new deposits and provided 1ST Constitution with a full service facility to serve its customer base in Hightstown, New Jersey, as well as the surrounding Mercer County areas.

At March 31, 2007, 1ST Constitution Bancorp had total assets of \$421.5 million, an increase of \$52.2 million, or 14.1 percent from total assets at March 31, 2006. 1ST Constitution Bancorp, through its primary subsidiary, 1ST Constitution Bank, operates eleven branch banking offices in Cranbury (2), Fort Lee, Hamilton, Hightstown, Jamesburg, Montgomery, Perth Amboy, Plainsboro, West Windsor and Princeton, New Jersey.

1ST Constitution Bancorp common stock is traded on the Nasdaq Global Market under the trading symbol [FCCY]. Information about 1<sup>ST</sup> Constitution Bancorp can be accessed via the Internet at [www.1STCONSTITUTION.com](http://www.1STCONSTITUTION.com).

The foregoing contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements are not historical facts and include expressions about management's confidence and strategies and management's expectations about new and existing programs and products, relationships, opportunities, taxation, technology and market conditions. These statements may be identified by such forward-looking terminology as "expect," "look," "believe," "anticipate," "may," "will," or similar statements or variations of such terms. Actual results may differ materially from such forward-looking statements. Factors that may cause results to differ materially from such forward-looking statements include, but are not limited to, changes in the direction of the economy in New Jersey, the direction of interest rates, effective income tax rates, loan prepayment assumptions, continued levels of loan quality and origination volume, continued relationships with major customers including sources for loans, as well as the effects of general economic conditions and legal and regulatory barriers and structure. 1st Constitution Bancorp assumes no obligation for updating any such forward-looking statements at any time.
