NOTICE OF ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON MAY 12, 2016

To Our Stockholders:

You are cordially invited to attend the Annual Meeting of Stockholders (the “Annual Meeting”) of New York Mortgage Trust, Inc. (the “Company,” “we,” “our,” or “us”) on Thursday, May 12, 2016 at 9:00 a.m., local time, at the offices of Vinson & Elkins LLP, 666 Fifth Avenue, 26th Floor, New York, New York 10103 to consider and take action on the following:

1. To elect the five directors nominated and recommended by the Board of Directors, each to serve until the 2017 Annual Meeting of Stockholders or until such time as their respective successors are elected and qualified;
2. To hold an advisory vote to approve named executive officer compensation; and
3. To consider and act upon a proposal to ratify and approve the appointment of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

In addition, stockholders will consider and vote upon such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

The Board of Directors has set the close of business on March 17, 2016 as the record date for determining the stockholders entitled to notice of and to vote at the Annual Meeting. Only stockholders of record on that date are entitled to notice of and to vote at the Annual Meeting and at any adjournment or postponement thereof.

We furnish our proxy materials to our stockholders over the Internet, as we believe that this “e-proxy” process expedites stockholder receipt of proxy materials while also lowering the cost and reducing the environmental impact of our Annual Meeting. In connection with this approach, on or about March 31, 2016, we mailed a Notice Regarding the Availability of Proxy Materials (the “Notice”) to holders of our common stock as of the close of business on March 17, 2016. Beginning on the date of the mailing of the Notice, all stockholders of record had the ability to access all of the proxy materials and the Company’s Annual Report on Form 10-K on a website referred to in the Notice and to complete and submit their proxy on the Internet, over the telephone or through the mail. These proxy materials are available free of charge. If you received a Notice by mail, you will not receive a printed copy of the proxy materials. Instead, the Notice provides instructions on how you can request a paper copy of the proxy materials if you desire and each of the Notice and proxy materials provide instructions on how you can vote your proxy. Please see the attached proxy statement or Notice for more details on how you can vote.

If you wish to attend the Annual Meeting in person, you must register not later than 3:00 p.m., local time, on May 11, 2016 by contacting Investor Relations by email at investorrelations@nymtrust.com or by phone at (646) 216-2363. Attendance at the Annual Meeting will be limited to persons that register in advance and present proof of stock ownership on the record date and picture identification. If you hold shares directly in your name as the stockholder of record, proof of ownership could include a copy of your account statement or a copy of your stock certificate(s). If you hold shares through an intermediary, such as a broker, bank or other nominee, proof of stock ownership could include a proxy from your broker, bank or other nominee or a copy of your brokerage or bank account statement. Additionally, if you intend to vote your shares at the meeting and hold your shares through an intermediary, you must request a “legal proxy” from your broker, bank or other nominee and bring this legal proxy to the meeting.

The Board of Directors appreciates and encourages your participation in the Company's Annual Meeting. Whether or not you plan to attend the Annual Meeting, it is important that your shares be represented. Accordingly, please vote your shares by proxy, on the Internet, by telephone or by mail. If you attend the Annual Meeting, you may revoke your proxy and vote in person. Your proxy is revocable in accordance with the procedures set forth in this proxy statement.

By order of the Board of Directors,

Steven R. Mumma
Chairman, Chief Executive Officer and President

Important Notice Regarding the Availability of Proxy Materials
for the 2016 Stockholder Meeting to Be Held on May 12, 2016.

This proxy statement, our Annual Report on Form 10-K for the year ended December 31, 2015, and our other proxy materials are available at: <http://www.proxyvote.com>.

Proxy Solicitation

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of New York Mortgage Trust, Inc. (the “Company,” “we,” “our” or “us”) for use at the Company’s Annual Meeting of Stockholders (the “Annual Meeting”) to be held at the offices of Vinson & Elkins LLP, 666 Fifth Avenue, 26th Floor, New York, New York 10103 on Thursday, May 12, 2016 at 9:00 a.m., local time, and at any adjournment and postponement thereof. We mailed, through intermediaries, on or about March 31, 2016, a Notice Regarding the Availability of Proxy Materials (the “Notice”) to our stockholders of record as of March 17, 2016. As a result, beginning on the date of the mailing of the Notice, all stockholders of record had the ability to access all of the proxy materials and the Company’s Annual Report on Form 10-K for the year ended December 31, 2015 (“2015 Annual Report”) on a website referred to in the Notice and as set forth above. If you received a Notice by mail, you will not receive a printed copy of the proxy materials in the mail. Instead, the Notice instructs you on how to access and review all of the important information contained in the proxy statement and 2015 Annual Report. The Notice also instructs you on how you may submit your proxy over the Internet. If you received a Notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials contained on the Notice.

The mailing address of our principal executive offices is 275 Madison Avenue, New York, New York 10016. We maintain an Internet website at www.nymtrust.com. Information at or connected to our website is not and should not be considered part of this proxy statement.

We will bear the costs of this solicitation including the costs of preparing, assembling and mailing proxy materials and the handling and tabulation of proxies received. In addition to solicitation through the Internet or by mail, proxies may be solicited by our directors, officers and employees, at no additional compensation, by telephone, personal interviews or otherwise. Banks, brokers or other nominees and fiduciaries will be requested to forward the Notice and information on how to access the proxy materials to beneficial owners of our common stock and to obtain authorization for the execution of proxies. We will, upon request, reimburse such parties for their reasonable expenses in forwarding proxy materials to beneficial owners.

No person is authorized to give any information or to make any representation not contained in this proxy statement and, if given or made, you should not rely on that information or representation as having been authorized by us. The delivery of this proxy statement shall not, under any circumstances, imply that there has been no change in the information set forth since the date of this proxy statement.

Purposes of the Annual Meeting

The principal purposes of the Annual Meeting are to: (1) elect the five directors nominated and recommended by our Board of Directors, each to serve until the 2017 Annual Meeting of Stockholders or until such time as their respective successors are elected and qualified (“Proposal No. 1”); (2) to hold an advisory vote to approve named executive officer compensation (“Proposal No. 2”); (3) ratify and approve the appointment of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016 (“Proposal No. 3”); and (4) transact such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof. Our Board of Directors knows of no other matters other than those stated above to be brought before the Annual Meeting.

VOTING

How to Vote Your Shares

You may vote your shares at our Annual Meeting in person. If you cannot attend our Annual Meeting in person, or you wish to have your shares voted by proxy even if you do attend our Annual Meeting, you may vote by duly authorized proxy on the Internet, by telephone or by mail. We encourage you to follow the instructions on how to vote as described below and as set forth in the Notice and the proxy card. Maryland law provides that a vote by Internet or telephone carries the same validity as your completion and delivery of a proxy card. In order to vote on the Internet, you must first go to <http://www.proxyvote.com>, have your Notice or proxy card in hand and follow the instructions.

In order to vote by telephone, you must call (800) 690-6903, have your Notice or proxy card in hand and follow the instructions.

Stockholders of record may vote by signing, dating and returning a proxy card in a postage-paid envelope. You may request a proxy card postage-paid envelope from us as instructed in the Notice. Properly signed and returned proxies will be voted in accordance with the instructions contained therein.

Registered Holders, Beneficial Owners and “Broker Non-Votes”

Registered Holders. If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered the registered stockholder of record with respect to those shares, and a Notice is being sent directly to you. As the registered stockholder of record, you have the right to grant your voting proxy directly to the Company through a proxy card, through the Internet or by telephone or to vote in person at the Annual Meeting.

If you are a registered stockholder of record and you indicate when voting on the Internet or by telephone that you wish to vote as recommended by our Board of Directors, or you sign and return a proxy card without giving specific voting instructions, the proxy holders will vote your shares in the manner recommended by our Board of Directors on all matters presented in this proxy statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owners and “Broker Non-Votes.” A large number of our stockholders hold their shares through a broker, trustee, bank or other nominee rather than directly in their own name. If your shares are held in a stock brokerage account or by a bank, trustee or other nominee, you are considered the beneficial owner of the shares, while the broker, trustee, bank or nominee holding your shares is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, trustee, bank or nominee on how to vote and are also invited to attend the Annual Meeting. If your shares are held in this manner, your broker, trustee, bank or nominee will provide you with instructions for you to use in accessing the proxy materials and directing the broker, trustee, bank or nominee on how to vote your shares. If your shares are not directly registered in your own name and you plan to vote your shares in person at the Annual Meeting, you must contact the bank, broker, trustee or other nominee that holds your shares to obtain a legal proxy or broker’s proxy card and bring it to the Annual Meeting in order to vote.

If you are the beneficial owner of shares that are held in a stock brokerage account or by a bank or other nominee and you do not provide the organization that holds your shares with specific voting instructions, by rule, the organization that holds your shares may generally vote at its discretion on routine matters only. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization

will inform Broadridge Financial Solutions, Inc., which is receiving and tabulating the proxies, that it does not have the authority to vote your shares on non-routine matters. This is generally referred to as a “broker non-vote.” Because the proposal to ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm is a routine matter for which specific instructions from beneficial owners are not required, no broker non-votes will arise in the context of voting for the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016. Conversely, the election of directors is a non-routine matter for which specific instructions from beneficial owners are required and thus, broker non-votes may arise. Additionally, the Securities and Exchange Commission (“SEC”) has specifically prohibited broker discretionary voting of uninstructed shares with respect to the advisory vote to approve named executive officer compensation. As a result, if you hold your shares through a broker, bank or other nominee, your broker, bank or other nominee cannot vote your shares on the election of directors or the advisory vote to approve named executive officer compensation in the absence of your specific instructions as to how to vote on these matters. In order for your vote to be counted, please make sure that you provide specific voting instructions to your broker, bank or other nominee.

How to Revoke Your Proxy

If you have already voted your proxy on the Internet or by telephone or returned your proxy to us by mail, you may revoke your proxy at any time before it is exercised at our Annual Meeting by any of the following actions:

- by notifying our Investor Relations in writing that you would like to revoke your proxy;
- by completing, at or before our Annual Meeting, a proxy card on the Internet, by telephone or by mail with a later date; or
- by attending our Annual Meeting and voting in person. (Note, however, that your attendance at our Annual Meeting, by itself, will not revoke a proxy you have already returned to us; you must also vote your shares in person at our Annual Meeting to revoke an earlier proxy.)

If your shares of common stock are held on your behalf by a broker, bank or other nominee, you must contact them to receive instructions as to how you may revoke your proxy instructions.

Record Date for Our Annual Meeting; Who Can Vote at Our Annual Meeting; Voting Procedures and Vote Required

Our Board of Directors has fixed the close of business on March 17, 2016 as the record date for the determination of stockholders entitled to receive notice of and to vote at the Annual Meeting and all adjournments or postponements thereof. On all matters to come before the Annual Meeting, each holder of record of our common stock as of the close of business on March 17, 2016 will be entitled to vote at the Annual Meeting and will be entitled to one vote for each share of common stock owned as of such date. As of the close of business on March 17, 2016, the Company had 109,409,236 shares of common stock outstanding.

The representation in person or by proxy of a majority of all the votes entitled to be cast on the matters to be considered at the meeting is necessary to provide a quorum for the transaction of business at the Annual Meeting. Your shares will be counted as present at the Annual Meeting if you are present and entitled to vote at the Annual Meeting, or you have properly submitted a proxy card or voting instruction card, or voted by telephone or over the Internet. Both abstentions and broker non-votes are counted for purposes of determining the presence of a quorum. If a quorum is not present, the Annual Meeting may be adjourned by the vote of a majority of the shares represented at the Annual Meeting until a quorum has been obtained.

With respect to the election of directors, the vote of a plurality of all the votes cast at the Annual Meeting at which a quorum is present is necessary for the election of a director. The five nominees who receive the most votes will be elected. There is no cumulative voting in the election of directors. Abstentions and broker non-votes will not be counted as votes cast and, because the vote of a plurality is required, will have no effect on the result of the vote for election of directors.

With respect to the advisory vote to approve named executive officer compensation, the affirmative vote of a majority of the votes cast on these matters at the Annual Meeting is necessary for approval, on an advisory basis, of our named executive officer compensation. Abstentions and broker non-votes will not count as votes cast on the advisory vote to approve named executive officer compensation, and thus will have no effect on the result of the vote on this proposal.

With respect to the proposal to ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm, the affirmative vote of a majority of the votes cast on this matter at the Annual Meeting is necessary for ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016. Abstentions will not count as votes cast on this proposal and this will have no effect on the result of the vote. As noted above, no broker non-votes will arise in the context of the proposal to ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year

ending December 31, 2016.

Pursuant to our charter, holders of shares of our common stock are not entitled to exercise appraisal rights under the Maryland General Corporation Law unless our Board of Directors, upon the affirmative vote of a majority of our Board of Directors, shall determine that such rights apply to one or more transactions occurring after the date of such determination. Our Board of Directors has made no such determination with respect to the business to be considered at the Annual Meeting.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

The five persons named below have been nominated to serve on our Board of Directors until the 2017 Annual Meeting of Stockholders or until such time as their respective successors are elected and qualified. Our Board of Directors is currently comprised of five directors. Each nominee is currently a director of the Company and has consented to stand for election at the Annual Meeting. The Board of Directors has no reason to believe that the persons named below as nominees for directors will be unable, or will decline to serve, if elected. For additional information regarding our corporate governance and these nominees, see "Information on Our Board of Directors and Its Committees" below.

Board Considerations in Recommending These Nominees

Our Board of Directors believes that the Board of Directors, as a whole, should encompass a range of talent, skill, diversity, and expertise enabling it to provide sound guidance with respect to our operations and interests. In identifying qualified director nominees, the Nominating & Corporate Governance Committee of our Board of Directors, and our Board consider, among other things, a candidate's experience, skills, accomplishments, background, age, diversity, willingness to serve and commitment to the Company, and then review those qualities in the context of the current composition of our Board and the evolving needs of our business. Because we are listed on the Nasdaq Global Select Market, we are required to have at least a majority of our directors qualify as "independent," as such term is defined by the Nasdaq Stock Market ("Nasdaq"). The Nominating & Corporate Governance Committee identifies candidates for election to our Board of Directors with input from our other directors, reviews the qualities listed above and recommends to our Board of Directors individual nominees for director.

Our Board of Directors seeks director nominees with strong reputations and experience in areas relevant to the strategy and operations of our business, particularly in the finance or mortgage industries. Each of the nominees for election as a director at the Annual Meeting holds or has held important positions and has operating experience or other relevant experience that meets this objective. In these positions, they have also gained experience in some or all of the following: core management skills, such as strategic and financial planning, public company financial reporting, corporate governance, risk management, and leadership development.

Our Board of Directors also believes that each of the nominees listed below has other key attributes that are important to a properly functioning and effective board, including integrity and high ethical standards, sound judgment, analytical skills, the ability and desire to engage management and each other in a constructive fashion, and the commitment to devote significant time and energy to service on our Board of Directors and its committees.

The following table sets forth the names and biographical information concerning each of the directors nominated for election at the Annual Meeting:

Table of Contents

Steven R. Mumma is our Chairman, Chief Executive Officer and President. Mr. Mumma has served as Chairman of our Board of Directors effective since March 30, 2015. Mr. Mumma has served as Chief Executive Officer since February 3, 2009. Prior to serving in the above capacities, Mr. Mumma served as our Chief Investment Officer, a position to which he was named in July 2005, and as Chief Operating Officer, commencing in November 2003. From September 2000 to September 2003, Mr. Mumma was a Vice President of Natexis ABM Corp., a wholly-owned subsidiary of Natexis Banques Populaires. From 1997 to 2000, Mr. Mumma served as a Vice President of Mortgage-Backed Securities trading for Credit Agricole. Prior to joining Credit Agricole, from 1988 to 1997, Mr. Mumma was a Vice President of Natexis ABM Corp. Mr. Mumma received a B.B.A. cum laude from Texas A&M University.

Our Board concluded that Mr. Mumma should serve as a director of the Company because of his significant operational, financial and accounting experience in, and knowledge of, the Company, which he has served since shortly after our inception in 2003, and the broader mortgage-backed securities industry, where he has worked for more than 20 years. As Chairman, Chief Executive Officer and President of the Company, Mr. Mumma also serves as a critical link between management and our Board of Directors.

David R. Bock has served as a member of our Board of Directors since January 2012. Mr. Bock currently serves on the Boards of the Pioneer Funds complex, where he serves as chairman of the audit committee, the Swiss-Helvetia Fund, where he also serves on the audit committee, and Oxford Analytica, as well as various private and charitable organizations. Mr. Bock previously served on our Board of Directors from 2004 to 2009.

Our Board concluded that Mr. Bock should serve as a director of the Company because of his extensive expertise in economics, finance and accounting and his prior experiences in our industry, as well as his prior experiences as a Chief Financial Officer, Chief Executive Officer and director of other companies.

Alan L. Hainey has served as a member of our Board of Directors since the completion of our initial public offering ("IPO") in June 2004 and became our Lead Director on March 30, 2015. Mr. Hainey is the owner and manager of Carolina Dominion, LLC, a real estate brokerage development and investment firm that he founded in 2004. In 2001, Mr. Hainey incorporated and funded the Merrill L. Hainey Family Foundation, a not-for-profit charitable organization dedicated to academic achievement through scholarships, where he continues to serve as President. From 1996 to 2000, Mr. Hainey operated an independent consulting practice providing advisory and marketing services to clients engaged in insurance, mortgage finance and investment management. distinction from the Kellogg School of Northwestern University.

Douglas E. Neal has served as a member of our Board of Directors since April 2012. Mr. Neal served as Non-Executive Chairman of our Board of Directors from April 18, 2012 through March 30, 2015. Mr. Neal is the President of RiverBanc LLC ("RiverBanc"), a registered investment advisor that provides investment management services to us with respect to our investments in multi-family commercial mortgage-backed securities ("CMBS") and certain commercial real estate-related investments. Prior to joining RiverBanc, Mr. Neal was the founder and Managing Partner of Neal Capital, an advisory firm focused on raising private equity for private real estate companies, including those that specialized in multifamily, medical office, net lease, and industrial properties. Prior to founding Neal Capital, Mr. Neal served as a Managing Director for the Real Estate Investment Banking Group at Bank of America Merrill Lynch and its predecessors from February 1998 to October 2011 and held various other positions with such predecessors from 1991 to 1998. Mr. Neal holds a B.S. in Civil Engineering from Cornell University and an M.B.A. from the Kenan-Flagler School at the University of North Carolina at Chapel Hill.

Our Board concluded that Mr. Neal should serve as a director of the Company because of his expertise in real estate investment and finance, including over 20 years as an investment banker covering real estate investment trusts ("REITs"), his significant experience doing advisory work for publicly traded REITs and his knowledge of commercial mortgage origination, securitization and financing.

Steven G. Norcutt has served as a member of our Board of Directors since completion of our IPO in June 2004. Mr. Norcutt has served since October 2009 as the President of Schafer Richardson, Inc., a commercial real estate management, construction, development, leasing and investment company based in Minneapolis, Minnesota. From April 2008 to October 2009, Mr. Norcutt served as Senior Vice President – Regional Manager of Guaranteed Rate Mortgage, a residential mortgage banking company headquartered in Chicago, Illinois. Prior to joining Guaranteed Rate, Mr. Norcutt served as Executive Vice President and Chief Operating Officer of Centennial Mortgage and Funding, Inc., a residential mortgage banking company based in Minnesota. Prior to joining Centennial Mortgage and Funding, Inc., Mr. Norcutt served as Senior Vice President and Portfolio Manager of Structured Finance for Reliastar Investment Research, Inc. from 1993 through 2001. Mr. Norcutt joined Reliastar Investment Research, Inc. in 1988 as Vice President and Portfolio Manager of Residential Mortgage Loans. Mr. Norcutt received an M.B.A. in Finance from the Carlson School of Business at the University of Minnesota and a B.S. in Finance from St. Cloud State University.

Our Board concluded that Mr. Norcutt should serve as a director of the Company because of his extensive operating, business and financial experience from significant tenures in both the mortgage lending and mortgage portfolio management businesses, as well as his current role as President of a commercial real estate company.

Our Board of Directors recommends that stockholders vote "FOR" the election of each of the nominees.

PROPOSAL NO. 2: ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

Section 14A of the Securities Exchange Act added by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) provides our stockholders with an advisory vote to approve our named executive officer compensation. This advisory vote gives our stockholders the opportunity to express their views on the compensation of our named executive officers. Although this vote is advisory and is not binding, the Board of Directors and the Compensation Committee plan to take into consideration the outcome of the vote when making future executive compensation decisions.

At our 2013 Annual Meeting of Stockholders, a majority of stockholders voted in favor of having an advisory vote to approve our named executive officer compensation each year, consistent with the recommendation of our Board. After consideration of these results and our Board’s recommendation, we elected to hold future advisory votes on named executive officer compensation each year until the next advisory vote on frequency occurs. We are required under the Dodd-Frank Act to hold an advisory vote on frequency at least every six years.

As described in detail under “Executive Compensation—Compensation Discussion and Analysis,” our compensation program for 2015 was designed to compensate our named executive officers in a manner that attracts and retains top performing employees, motivates our management team by tying compensation to our financial performance, and rewards exceptional individual performance that supports our overall objectives, while also consistent with our needs as a company to maintain an appropriate expense structure. Our Board of Directors believes that our current executive compensation program compensates our named executive officers in an appropriate manner in relation to the size and performance of the Company and properly aligns the interests of our named executive officers with those of our stockholders. We utilized the 2013 Incentive Compensation Plan (the “Incentive Plan”) as effective for fiscal year 2015, a performance-based incentive compensation plan that serves as a means of linking compensation both to our overall performance and to objective and subjective performance criteria that are within the control of our named executive officers, for determining incentive compensation payable to our named executive officers for performance in 2015.

See the information set forth under “Compensation Discussion and Analysis” and “Executive Compensation Information” for more information on these elements of our named executive officer compensation program.

For these reasons, the Board of Directors strongly endorses our named executive officers compensation program and recommends that stockholders vote in favor of the following resolution:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed under the compensation disclosure rules of the SEC, including the “Compensation Discussion and Analysis,” compensation tables and narrative discussion contained in the proxy statement for the 2016 annual meeting of stockholders.”

Our Board of Directors recommends that stockholders vote FOR the approval, on an advisory basis, of our named executive officer compensation.

PROPOSAL NO. 3: RATIFICATION AND APPROVAL OF APPOINTMENT OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board of Directors has appointed Grant Thornton LLP, or Grant Thornton, as our independent registered public accounting firm for the year ending December 31, 2016. Although stockholder approval is not required, we desire to obtain from our stockholders an indication of their approval or disapproval of the Audit Committee's action in appointing Grant Thornton as the independent registered public accounting firm of the Company for the year ending December 31, 2016. Although we seek ratification of the appointment of Grant Thornton as our independent registered public accounting firm, the ratification of the appointment of Grant Thornton does not preclude the Audit Committee from subsequently determining to change independent registered public accounting firms if it determines such action to be in the best interests of the Company and its stockholders. If our stockholders do not ratify and approve this appointment, the appointment will be reconsidered by the Audit Committee and our Board of Directors. We engaged Grant Thornton beginning in December 2009 to serve as our independent registered public accounting firm for the fiscal year ended December 31, 2009 and Grant Thornton has continued to serve as our independent registered public accounting firm to the date of this proxy statement.

We expect that a representative of Grant Thornton will be present at the Annual Meeting where the representative will be afforded an opportunity to make a statement and to respond to appropriate questions.

Our Board of Directors recommends that you vote "FOR" the ratification and approval of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2016.

INFORMATION ON OUR BOARD OF DIRECTORS AND ITS COMMITTEES

Board Leadership

Since March 30, 2015, Steven R. Mumma, our Chief Executive Officer and President, has also served as the Chairman of our Board of Directors, and Alan L. Hainey has served as our Lead Director. Mr. Mumma succeeded Douglas E. Neal as the Chairman of our Board of Directors, a position Mr. Neal held from April 2012 until Mr. Mumma's appointment.

Independence of Our Board of Directors

Our Corporate Governance Guidelines and the listing standards of the Nasdaq require that a majority of our directors be independent. Our Board of Directors has adopted the categorical standards prescribed by the Nasdaq to assist our Board in evaluating the independence of each of the directors. The categorical standards describe various types of relationships that could potentially exist between a board member and the Company and sets thresholds at which such relationships would be deemed to be material. Provided that no relationship or transaction exists that would disqualify a director under the categorical standards and our Board affirmatively determines that the director has no material relationship with the Company that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, including certain business relationships for which disclosure may be required in this proxy statement, our Board of Directors will deem such person to be independent. A director shall not be independent if he or she satisfies any one or more of the following criteria:

A director who is, or who has been within the last three years, an employee of the Company, or whose immediate family member is, or has been within the last three years, employed as an executive officer of the Company;

A director who has accepted or who has an immediate family member, serving as an executive officer, who has accepted, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from the Company (excluding compensation for board or board committee service, compensation paid to an immediate family member who is an employee of the Company (but not an executive officer of the Company), and benefits under a tax-qualified retirement plan, or non-discretionary compensation);

A director who is, or whose immediate family member is, a current partner of a firm that is the Company's internal or external auditor, or was a partner or employee of the Company's outside auditor who worked on our Company's audit at any time during any of the past three years;

A director who is, or whose immediate family member is, employed as an executive officer of another entity where at any time during the past three years any of the executive officers of the Company served on the compensation committee of such other entity; or

A director who is, or whose immediate family member is, a partner in, or a controlling shareholder or an executive officer of, any organization to which the Company made, or from which the Company received, payments for property or services in the current or any of the past three fiscal years that exceed 5% of that organization's consolidated gross revenues for that year, or \$200,000, whichever is greater, other than (i) payments arising solely from investments in that organization's securities, and (ii) payments under non-discretionary charitable contribution matching programs.

Our Board of Directors will also consider a director's charitable relationships when assessing director independence.

Under these criteria, our Board of Directors has determined that the following members of our Board are independent: Alan L. Hainey, Steven G. Norcutt and David R. Bock. We presently have five directors, including these three independent directors.

To assist in the discharge of its responsibilities, our Board of Directors has established three standing committees: (i) the Audit Committee, (ii) the Compensation Committee and (iii) the Nominating & Corporate Governance Committee. The principal responsibilities of each committee are described below. Actions taken by any committee of our Board of Directors are reported to our Board of Directors, usually at the meeting following such action. Each standing committee has a written charter, a current copy of which is available for review on our website at www.nymtrust.com.

Audit Committee

The Audit Committee of our Board of Directors is comprised of Messrs. Bock (Chairman), Hainey and Norcutt. Our Board of Directors has determined that each of the Audit Committee members is independent, as that term is defined under the enhanced independence requirements for audit committee members set forth in the rules of the SEC and in accordance with the Company's independence criteria discussed under "—Independence of Our Board of Directors," and that each of the members of the Audit Committee can read and understand fundamental financial statements and as such, is financially literate, as that term is interpreted by our Board of Directors. In addition, our Board of Directors has determined that each of Messrs. Bock and Norcutt is an "audit committee financial expert" as that term is defined in the SEC rules. Mr. Bock also serves on the board and audit committee of the more than 50 funds that comprise the Pioneer Funds complex. Our Board of Directors considers the Pioneer Funds complex to be one fund for purposes of the Audit Committee's charter.

The Audit Committee operates under a written charter adopted by our Board of Directors. The primary purpose and responsibilities of the Audit Committee include, among other things:

- assisting our Board of Directors in fulfilling its oversight responsibility relating to:

- the integrity of our financial statements and financial reporting process, our systems of internal accounting and financial controls and other financial information provided by us;

- our compliance with legal and regulatory requirements; and

- the evaluation of risk assessment and risk management policies;

- overseeing the audit and other services of our independent registered public accounting firm and being directly responsible for the appointment, replacement, evaluation, independence, qualifications, compensation and oversight of our independent registered public accounting firm, who will report directly to the Audit Committee;

- fostering open communication, including meeting periodically with management, the internal auditor and the independent registered public accounting firm in separate executive sessions to discuss any matters that the Audit Committee or any of these groups believe should be discussed privately;

- reviewing and discussing with management and the auditors our quarterly and annual financial statements and report on internal control and the independent registered public accounting firm's assessment thereof; and

- reviewing and approving related party and conflict of interest transactions and preparing the audit committee report for inclusion in our annual proxy statements for our annual stockholder meeting.

The Audit Committee met eight times during the year ended December 31, 2015. For more information, please see "Audit Committee Report" herein.

Compensation Committee

The Compensation Committee of our Board of Directors is comprised of Messrs. Norcutt (Chairman), Hainey and Bock. Our Board of Directors has determined that each of the Compensation Committee members is independent in accordance with the Company's independence criteria discussed under "—Independence of Our Board of Directors" and the independence standards of Nasdaq that apply to Compensation Committee members. The Compensation Committee operates under a written charter adopted by our Board of Directors. In addition, the Compensation

Committee administers our incentive compensation plans and equity-based compensation plans and programs, including our 2010 Stock Incentive Plan (the “2010 Stock Plan”) and the Incentive Plan. The Compensation Committee’s basic responsibility is to ensure that our Chief Executive Officer and President and key management are compensated fairly and effectively in a manner consistent with the Company’s stated compensation strategy, competitive practice, applicable regulatory requirements and performance results.

The Compensation Committee met seven times during the year ended December 31, 2015.

Nominating & Corporate Governance Committee

The Nominating & Corporate Governance Committee of our Board of Directors is comprised of Messrs. Hainey (Chairman), Norcutt and Bock. Our Board of Directors has determined that each of the Nominating & Corporate Governance Committee members is independent in accordance with the independence criteria discussed under “—Independence of Our Board of Directors.” The Nominating & Corporate Governance Committee operates under a written charter adopted by our Board of Directors. Among other duties, this committee:

- identifies, selects, evaluates and recommends to our Board of Directors candidates for service on our Board; and
- oversees the evaluation of our Board of Directors and management.

The Nominating & Corporate Governance Committee met four times during the year ended December 31, 2015.

Other Committees

From time to time, our Board of Directors may establish other committees as circumstances warrant. Those committees will have the authority and responsibility as delegated to them by our Board of Directors.

Executive Sessions of Our Non-Management and Independent Directors

The non-management directors of our Board of Directors will occasionally meet in executive session that excludes members of the management team. In addition, the independent directors of our Board of Directors occasionally meet in executive sessions that exclude non-independent directors. Our Board of Directors has established a process by which the Lead Director will preside over meetings of our independent directors. Pursuant to this process, the Lead Director has the power to lead the meetings of our non-management directors and our independent directors, set the agenda and determine the information to be provided. However, in practice, these meetings tend to be less formal procedurally and, generally, allow for each participant to raise such matters and discuss such business as that director deems necessary or desires. Stockholders and other interested persons may contact the Lead Director, who is independent, in writing by mail c/o New York Mortgage Trust, Inc., 275 Madison Avenue, New York, New York 10016, Attention: Secretary. All such letters will be forwarded to the Lead Director. For more information on how to communicate with our other directors, see “—Communications with Our Board of Directors.”

Board Leadership Structure

Pursuant to our Corporate Governance Guidelines, our Board of Directors has not established a fixed policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board. Instead, the Board believes this determination is part of the succession planning process and should be considered upon the appointment or re-appointment of a chief executive officer.

Table of Contents

Our Board is currently led by its Chairman, Steven R. Mumma, who also serves as our Chief Executive Officer and President. Mr. Mumma was appointed as the Chairman of our Board of Directors, effective March 30, 2015. In connection with Mr. Mumma's appointment as Chairman, our Board has adopted a policy that provides that in the event our Chairman is also an executive officer of the Company, our independent directors will select a Lead Director from among themselves. Mr. Alan Hainey, an independent director of the Company since 2004, serves as our Lead Director, a role he was initially appointed to on March 30, 2015. Our Lead Director's role exists, according to our Board's policy, (i) to provide leadership to our Board of Directors when the joint roles of Chairman and Chief Executive Officer could potentially be in conflict; (ii) to ensure that our Board of Directors operates independently of management; and (iii) to provide our directors with an independent leadership contact.

Our Lead Director's responsibilities, as set forth in our Board of Directors' policy, include:

- chairing an executive session during each Board of Directors meeting without management (including without our Chairman and Chief Executive Officer) present in order to give directors an opportunity to fully and frankly discuss issues, and to provide feedback and counsel to our Chairman and Chief Executive Officer concerning the issues considered;

- reviewing and discussing with our Chairman the matters to be included in the agenda for meetings of our Board of Directors;

- acting as liaison between our Board of Directors and the Chief Executive Officer;

- establishing, in consultation with our Chairman and Chief Executive Officer, and with the Nominating & Corporate Governance Committee, procedures to govern and evaluate our Board of Directors' work, to ensure, on behalf of stockholders, that our Board of Directors is (i) appropriately approving our corporate strategy; and (ii) supervising management's progress against achieving that strategy; and

- ensuring the appropriate flow of information to our Board of Directors and reviewing the adequacy and timing of documentary materials in support of management's proposals.

Our Board of Directors has vested the offices of Chairman, President and Chief Executive Officer in Mr. Mumma because it believes that combining the roles of Chairman, President and Chief Executive Officer facilitates the flow of information between management and our Board of Directors, while providing the appropriate balance between independent oversight of management and efficiency of the operation of our Board of Directors. Furthermore, our Board of Directors believes that having our Board of Directors' deliberation of strategic alternatives framed by the person who (i) is the most knowledgeable about the Company and its industry, (ii) has been most instrumental in transforming the Company from a vertically integrated residential mortgage origination and portfolio investment manager into a diversified investment portfolio manager, and (iii) is responsible for executing our strategy is the optimal means for our Board of Directors to discharge its responsibility of establishing strategy. For these reasons, we believe our Board leadership structure is appropriate for the Company and does not affect our Board of Directors' approach to risk oversight.

Our Board's Role in Risk Oversight

We face a variety of risks, including interest rate risk, credit risk, and liquidity risk, many of which are discussed under "Item 1A. Risk Factors," "Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations" and "Item 7A. Quantitative and Qualitative Disclosures About Market Risk," each included in our Annual Report on Form 10-K for the year ended December 31, 2015. Our Board of Directors believes an effective risk management system will (1) timely identify the material risks that we face, (2) communicate necessary information

with respect to material risks to our Chairman, Chief Executive Officer and President or other officers of the Company and, as appropriate, to our Board of Directors or relevant committee thereof, (3) implement appropriate and responsive risk management strategies consistent with our risk profile, and (4) integrate risk management into management and our Board's decision-making.

Our Board of Directors has designated the Audit Committee to take the lead in overseeing risk management, and the Board of Directors and the Audit Committee receive joint briefings provided by management and advisors regarding the adequacy of our risk management processes. Our Board of Directors believes that an overall review of risk is inherent in its consideration of our long-term strategies and in the transactions and other matters presented to it. The Board of Director's role in risk oversight of the Company is consistent with our leadership structure, with the Chief Executive Officer and President and other members of senior management having responsibility for assessing and managing our risk exposure, and our Board of Directors and the Audit Committee providing oversight of those efforts.

Director Nominations

The Nominating & Corporate Governance Committee of our Board of Directors performs the functions of a nominating committee, including identifying, evaluating and recommending to our Board of Directors candidates for service on our Board of Directors who satisfy the qualification requirements described in our Corporate Governance Guidelines.

The Nominating & Corporate Governance Committee’s charter provides that the committee will consider candidates recommended by stockholders for service on our Board of Directors. Stockholders should submit any such recommendations for the consideration of the Nominating & Corporate Governance Committee through the method described under “Communications with Our Board of Directors” below. In addition, any stockholder of record entitled to vote for the election of directors at the 2017 Annual Meeting of Stockholders may nominate persons for election to our Board of Directors if that stockholder complies with the notice procedures summarized in “Stockholder Proposals for Our 2017 Annual Meeting” below.

The Nominating & Corporate Governance Committee evaluates all director candidates in accordance with the director qualification standards described in our Corporate Governance Guidelines. The committee evaluates any candidate’s qualifications to serve as a member of our Board of Directors based on various criteria, including a nominee’s experience, skills, accomplishments, background, age and diversity, and then reviews those qualifications in the context of the current composition of our Board and the evolving needs of our business. In addition, the Nominating & Corporate Governance Committee will evaluate a candidate’s independence, diversity, skills and experience in the context of our Board of Directors’ needs.

We do not have a formal policy with regard to the consideration of diversity in identifying director nominees, but our Board of Directors and the Nominating & Corporate Governance Committee strive to nominate directors with a variety of complementary skills so that, as a group, our Board of Directors will possess the appropriate talent, skills, and expertise to oversee our business. Although we have no policy regarding diversity, both our Board of Directors and the Nominating & Corporate Governance Committee seek a broad range of perspectives and consider many factors, including the personal characteristics (gender, ethnicity, age and background) and experience (industry, professional and public service) of directors and prospective nominees to our Board of Directors.

Communications with Our Board of Directors

We provide a process for stockholders to send communications to our Board of Directors. Stockholders can send communications to our Board of Directors and, if applicable, to any committee or to specified individual directors in writing to such committee or individual director, c/o New York Mortgage Trust, Inc., 275 Madison Avenue, New York, New York 10016, Attention: Secretary. We do not screen mail, except when warranted for security purposes, and all such letters will be forwarded to our Board of Directors and any such specified committee or individual directors.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

RiverBanc Management Agreement

On April 5, 2011, RB Commercial Mortgage LLC (“RBCM”), one of our wholly-owned subsidiaries, entered into a management agreement with RiverBanc, as amended by an amended and restated management agreement between RiverBanc, RBCM and us, pursuant to which RiverBanc provides investment management services to us. Douglas E. Neal, one of our non-independent directors is the President of RiverBanc. To address any potential conflicts of interest that may result from Mr. Neal's employment with RiverBanc, transactions between RiverBanc and the Company will require review and approval or ratification of our Audit Committee pursuant to our Related Person Transaction Policy. See “—Related Person Transaction Policy” below.

Our management agreement with Riverbanc had an initial term that expired on December 31, 2015 and is now subject to automatic annual one-year renewals (subject to any notice of termination). Pursuant to the terms of our management agreement with RiverBanc, RiverBanc receives a monthly base management fee paid in cash in arrears and an incentive fee that is calculated quarterly and paid in cash in arrears. A description of the material terms of our management agreement with RiverBanc is included in "Item 1. Business—Our External Managers—RiverBanc Management Agreement" in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015.

For the years ended December 31, 2015 and 2014, we expensed approximately \$8.1 million and \$14.8 million, in fees to RiverBanc, respectively. As of December 31, 2015 and December 31, 2014, we had management fees payable to RiverBanc of \$1.7 million and \$6.3 million, respectively. In addition, as of December 31, 2015, we owned a 20.0% common equity interest in RiverBanc. For the year ended December 31, 2015 and 2014, we recognized \$0.8 million and \$2.6 million in income related to our investment in RiverBanc.

RiverBanc also manages an entity, RB Multifamily Investors LLC (“RBMI”), in which we own, as of December 31, 2015, approximately 67% of the outstanding common equity interests and certain preferred equity interests. Our total investment in RBMI amounts to approximately \$56.9 million and \$36.6 million as of December 31, 2015 and 2014, respectively. Pursuant to a management agreement between RiverBanc and this entity, RiverBanc is entitled to receive base management and incentive fees for its management of assets owned by RBMI. For the years ended December 31, 2015 and 2014, RBMI expensed \$0.3 million and \$0.1 million in fees to RiverBanc, respectively.

In July 2015, we entered into a contribution agreement with RBMI and certain other third parties pursuant to which we agreed to contribute 100% of our equity interests in RBMI to RiverBanc Multifamily Investors, Inc. (“RMI”) in exchange for shares of RMI’s common stock. RBMI would become a subsidiary of RMI upon completion of the transaction. The transaction contemplated by the contribution agreement was approved by our independent directors and remains subject to certain closing conditions, including the completion of RMI’s initial public offering of RMI common stock, which, as of the date of this proxy statement, has not been completed.

Related Person Transaction Policy

Our Board of Directors has adopted a policy regarding the approval of any “related person transaction,” which is any transaction or series of transactions in which we or any of our subsidiaries is or are to be a participant, the amount involved exceeds \$120,000 and a “related person” (as defined under SEC rules) has a direct or indirect material interest. Under the policy, a related person would need to promptly disclose to our Secretary any related person transaction and (i) all material facts about the transaction, (ii) the benefits to us of the related party transaction, (iii) if applicable, the availability of other sources of comparable products and services and (iv) an assessment of whether the proposed transaction is on terms that are comparable to the terms available to an unrelated third party or to employees generally. Our Secretary, together with outside legal counsel, would then assess whether the proposed transaction is a “related

person transaction” and, if so, communicate that information to the Audit Committee. Based on its consideration of all of the relevant facts and circumstances, the Audit Committee will decide whether or not to approve such transaction. If we become aware of an existing related person transaction that has not been pre-approved under this policy, the transaction will be referred to the Audit Committee, which will evaluate all options available, including ratification, amendment or termination of such transaction. Our policy requires any member of the Audit Committee who may be interested in a related person transaction to recuse himself or herself from any consideration of such related person transaction.

Under federal securities laws, our executive officers, directors and any persons beneficially owning more than ten percent (10%) of a registered class of our equity securities are required to report their ownership and any changes in that ownership to the SEC. These persons are also required by SEC rules and regulations to furnish us with copies of these reports. Precise due dates for these reports have been established, and we are required to report in this proxy statement any failure to timely file these reports by those due dates by our directors and executive officers during 2015.

Based on our review of the reports and amendments to those reports furnished to us or written representations from our directors and executive officers that these reports were not required from those persons, we believe that all of these filing requirements were satisfied by our directors and executive officers during 2015.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis (“CD&A”) describes the executive compensation program that was in place for 2015 for our Chief Executive Officer and President (Steven R. Mumma), our Chief Financial Officer (Kristine R. Nario) and our Vice President and Secretary (Nathan R. Reese) (collectively, our “Named Executive Officers” or “NEOs”). We had no other named executive officers in 2015.

This CD&A explains the overall objectives, elements and policies underlying our named executive officer compensation program for 2015. This discussion contains forward-looking statements that are based on our current plans, considerations, expectations and determinations regarding future compensation programs. Future compensation programs that we adopt may differ materially from current programs.

Executive Summary

We are an internally managed REIT, for federal income tax purposes, in the business of acquiring, investing in, financing and managing primarily mortgage-related assets and financial assets, such as residential mortgage loans, including second mortgages and loans sourced from distressed markets, multi-family CMBS, mezzanine loans to and preferred equity investments in owners of multi-family properties, equity and debt securities in entities that invest in residential and commercial real estate and commercial real estate-related debt investments, Agency RMBS consisting of fixed-rate, adjustable-rate and hybrid adjustable-rate RMBS and Agency IOs consisting of interest only and inverse interest-only RMBS that represent the right to the interest component of the cash flow from a pool of mortgage loans. Our hybrid investment strategy and the industry in which we operate (mortgage REIT) require that we maintain a highly qualified executive management team with strong operational skills.

NEO Compensation Program Objectives

The Compensation Committee of our Board of Directors is responsible for establishing and administering policy, on an annual basis, with respect to the compensation of our NEOs. We are committed to providing an executive compensation program that supports the following goals and philosophies:

- aligning our management team’s interests with stockholders’ expectations of return on investment;
- motivating and rewarding our management team to grow earnings and book value in a manner that is consistent with prudent risk-taking and based on sound corporate governance practices; and
- attracting and retaining an experienced and effective management team while also maintaining an appropriate expense structure.

Structure of Our 2015 NEO Compensation Program

As discussed in more detail herein, our 2015 NEO compensation program is comprised of the following primary compensation elements:

- base salary, which is fixed annually and compensates individuals for daily performance;
- incentive compensation that is payable in cash and is based on achievement of certain corporate and individual performance objectives under the Incentive Plan;

incentive compensation that is payable in shares of restricted stock that vest ratably over the course of three years from the date of grant and is also based on achievement of certain corporate and individual performance objectives under the Incentive Plan; and

with respect to our President and Chief Executive Officer only, a performance-based equity award under which the number of underlying shares of our common stock that can be earned is based on common stockholder return over a three-year period.

Table of Contents

On May 28, 2015, our Board of Directors, upon the recommendation of the Compensation Committee, reviewed the Company's Incentive Plan, a performance-based incentive compensation plan that was originally established in 2013 that serves as a means of linking annual incentive compensation both to the Company's overall performance and to objective and subjective performance criteria that are within the control of the Company's NEOs, and approved changes to the performance measures and hurdle requirements under the quantitative component of the Incentive Plan, as well as a changes to the incentive bonus payout structure under the Incentive Plan, all of which was effective under the Incentive Plan for the 2015 fiscal year. For more information regarding this plan, see "—Executive Compensation Program Components—Incentive Plan."

Also, on May 28, 2015, the Compensation Committee approved a performance share award ("PSA") pursuant to the Company's 2010 Stock Plan to Steven R. Mumma, our Chairman, Chief Executive Officer and President. The PSA is a performance-based equity award under which the number of underlying shares of our common stock that can be earned by Mr. Mumma will generally range from 0% to 200% of the target number of PSA granted that generally will be earned at the end of three years (on April 30, 2018) based on three-year total common stockholder return. For more information regarding the PSA, see "Executive Compensation Information—Other Compensation—Performance Share Award Agreement."

Management's Assessment of 2015 Performance

The following is a summary of our key results and achievements in 2015:

- produced 10.5% return on common stockholders' equity for 2015;
- net income attributable to common stockholders of \$67.0 million, or \$0.62 per share, for the year ended December 31, 2015;
- declared annual dividends in 2015 of \$1.02 per common share;
- expanded stockholders' equity to \$880.5 million at December 31, 2015 from \$817.9 million at December 31, 2014;
- completed 2015 with a book value per common share of \$6.54 as of December 31, 2015; and
- produced economic return (book value change plus dividends) of 6.9% on our common stock.

Highlights of Our NEO Compensation Program in 2015

In making its compensation decisions for the 2015 fiscal year, the Compensation Committee recognized our 2015 results and achievements noted above, the performance of the Company and the NEOs, the performance of the Company as compared to other hybrid mortgage REITs and the contributions and accomplishments of our NEOs to our continuing growth. The following is a summary of the highlights of our 2015 NEO compensation program:

- total compensation for our NEOs in 2015 was \$2.4 million, or \$0.02 per weighted average share of common stock outstanding in 2015, down 34% from total compensation for our NEOs in 2014.
- base salary represented 51% of total compensation for our Chief Executive Officer and President in 2015;
- approximately 31% of the total compensation paid to our Chief Executive Officer and President in 2015 was paid pursuant to a performance bonus plan;

Process for Setting Executive Compensation

The Compensation Committee has primary responsibility for setting and approving the compensation of our Chief Executive Officer and President and reviewing, approving and recommending to our Board of Directors, compensation for our other NEOs in a manner that is effective and consistent with our overall executive compensation strategy. As part of that responsibility, the Compensation Committee reviews on an individual basis the performance of our NEOs. As part of its process for reviewing the performance of our NEOs for 2015, the Compensation Committee considered the recommendations of our Chairman, Chief Executive Officer and President, with respect to the compensation of Mr. Reese and Ms. Nario. Moreover, at the 2015 Annual Meeting of Stockholders, the advisory vote on executive compensation was approved by approximately 92% of shares voted. The level of support on the advisory vote was considered by the Compensation Committee and supported its decision to not make any significant changes to the structure of our compensation program during 2015.

Table of Contents

Historically, the Compensation Committee has reviewed compensation levels for our NEOs near the beginning of each calendar year in determining base salaries and budgeted amounts for total compensation for the new fiscal year, and then meets again following the end of such fiscal year to review the Company's and the NEOs' actual performance, at which time it typically makes determinations with respect to cash incentive and equity incentive compensation. As part of its annual review of the compensation paid to our NEOs, the Compensation Committee typically considers a number of factors in determining or structuring compensation, including the nature of the executive's job and the responsibilities related thereto, the executive's job performance compared to goals and objectives established for the Company and the executive at the beginning of the year, the experience level of the executive in his or her current position, the compensation levels of competitive jobs within our peer group (defined below), our financial performance and financial condition, the execution of our investment and financing strategy, the impact of compensation determinations on our budgeted operating expense ratios and certain other factors. These factors described above may vary from year to year in importance to, and usage by, the Compensation Committee, depending upon market conditions, corporate priorities and individual circumstances.

The Compensation Committee reviews all elements of compensation and total compensation payable to each of our NEOs. As part of this review, the Compensation Committee typically considers the compensation practices and levels at other companies that it deems generally comparable in structure and strategy, which includes other internally managed mortgage REITs or specialty-finance companies, such as MFA Financial, Inc., CYS Investments, Inc., Capstead Mortgage Corporation, Dynex Capital, Inc., Arlington Asset Investment Corp. and RAIT Financial Trust. We sometimes refer to this group as our "peer group" for purposes of determining compensation. Relative to our peer group, we are, in many cases, significantly smaller in terms of total assets, stockholders' equity and staffing. In terms of compensation paid to our NEOs, we have generally provided total compensation at or near the low end of the range of total compensation provided by our peer group, with total compensation in 2014 for (i) the Chief Executive Officers of our peer group ranging from approximately \$2.2 million to approximately \$5.7 million, and (ii) the other named executive officers of our peer group ranging from approximately \$0.8 million to approximately \$4.3 million. We do not, however, have a policy of targeting compensation for our NEOs to any specific level within the range of total compensation paid by our peer group (i.e., median, upper or lower); rather, we have attempted to structure the Company's Incentive Plan and to compensate our NEOs in a manner that is both competitive enough to retain their services and rewards their performance, hard work and dedication, but is also consistent with our needs to maintain an appropriate expense structure. The Compensation Committee expects that as we grow the Company and our profitability in future years, our total NEO compensation will become more competitive with the total compensation paid by our peer group.

In 2013, the Compensation Committee worked jointly with management to design and implement a performance-based, incentive compensation plan that combines the elements of current cash and equity incentive compensation in one plan, which we refer to as the Incentive Plan. On March 21, 2013, the Compensation Committee and our Board of Directors approved the Incentive Plan for the purpose of (i) attracting and retaining top performing employees, (ii) motivating employees by tying compensation directly to our financial performance, and (iii) rewarding exceptional individual performance that supports our overall objectives. While many of our peer group companies view annual cash incentive compensation and equity incentive compensation as separate components of their overall compensation program and may have separate criteria for each component, the Incentive Plan ties the payment of both cash incentive and equity compensation with time-based vesting conditions to the achievement of quantitative and qualitative performance goals set forth in the Incentive Plan. The Compensation Committee believes that by issuing both cash and equity incentive awards based on an individual's achievement of the performance criteria, the Incentive Plan allows us to better monitor the effects of our compensation program.

On May 28, 2015, our Board of Directors, upon the recommendation of the Compensation Committee, completed its annual review of the Company's Incentive Plan, and adopted changes that expanded the performance measures from

one single performance measure comprised of adjusted return on equity, to three equally-rated performance measures comprised of adjusted return on equity, total economic return and total common stockholder return, as well as changes to the hurdle requirements under the quantitative component of the Incentive Plan which took into account a significantly more challenging current return environment for 2015. Our Board of Directors also approved changes to the incentive bonus payout structure under the Incentive Plan to better provide current cash compensation to our NEOs other than our Chief Executive Officer. All of the changes to the Incentive Plan adopted by our Board of Directors in May 2015 were effective under the Incentive Plan for the 2015 fiscal year and determined the incentive compensation paid to our NEOs for 2015.

In May 2015, the Compensation Committee approved a PSA pursuant to the Company's 2010 Stock Plan to Steven R. Mumma, our Chairman, Chief Executive Officer and President. The PSA was adopted by the Compensation Committee and awarded to Mr. Mumma for the purpose of further aligning our principal executive officer's interests with those of our common stockholders, providing our principal executive officer with a performance-based incentive equity award based on Company performance over a multi-year period and rewarding our principal executive officer for his strong leadership and the Company's strong financial performance in 2013 and 2014.

Table of Contents

The Compensation Committee also reviews and makes recommendations to our Board of Directors annually with respect to the compensation of our non-management directors. In setting director compensation, our Board of Directors generally considers the compensation practices and levels for directors paid by our peer group and by other mortgage REITs, as well as the expected time commitment from the non-management directors in such year.

Scope of Authority of Compensation Committee

The Compensation Committee has overall responsibility for approving, evaluating and, in some cases, recommending to the Board of Directors, on an annual basis, director and officer compensation plans, policies and programs of the Company, including determining salaries, annual cash bonuses, restricted stock, change in control and termination arrangements and director fees. Pursuant to its charter, the Compensation Committee has the sole authority to retain, terminate and pay any compensation consultant to be used to assist in the evaluation of director and senior executive compensation, as well as the authority to retain special legal, accounting or other consultants to advise the committee and may form subcommittees and delegate its authority to such subcommittees. Neither the Compensation Committee nor management has engaged a compensation consultant since 2005 and no subcommittees were formed by the Compensation Committee in 2015.

Executive Compensation Program Components

The following provides an overview of our approach to each primary element of our NEO compensation program and an analysis of the compensation paid under each of these elements.

Base Salary

Base salary, which represents the fixed element of our executive compensation program, provides for basic economic security at a level that allows us to retain the executive's services. The Compensation Committee generally establishes annual base salaries for our NEOs commensurate with the level of experience that the executive brings to the position, the nature of the responsibilities required of the executive, such as whether the executive is performing in multiple roles, how successful the executive is in achieving goals established by the Compensation Committee and the executive's contributions to the Company, but does not assign any specific weights to these factors. As discussed in other parts of this CD&A, the Compensation Committee also gives significant consideration to the size of the Company and our budgeted operating expenses in setting annual base salaries and has not historically targeted base salaries for our NEOs to any specific level within the range of base salaries paid by our peer group. Base salaries are reviewed annually and may be adjusted to better match competitive market levels or to recognize an executive's professional growth and development, increased responsibility or other discretionary factors.

In February 2015, the Compensation Committee elected to increase base salaries from 2014 levels for each of Mr. Reese and Ms. Nario for fiscal year 2015, with Mr. Reese's set at \$325,000 and Ms. Nario's at \$275,000. The determination to increase base salaries in 2015 for our NEOs was driven in part by the growth of the Company in 2014, the performance of our NEOs in 2014 and our desire to establish a base salary that is more competitive with the base salaries paid by our peer group. Mr. Mumma's annual base salary was unchanged at \$700,000 as provided in the Second Amended and Restated Employment Agreement between us and Mr. Mumma. The base salaries paid to our NEOs in 2015 continue to be below or near the low end of the range of base salaries provided to similarly situated executives in 2014 by members of our peer group.

Incentive Compensation

Incentive compensation, in the form of annual cash incentive compensation and equity incentive awards subject to time-based vesting conditions (payable in the form of restricted stock), is available to each of the NEOs under the Incentive Plan. See “— Incentive Plan” below. Incentive compensation serves as a means of linking annual compensation both to our overall performance and to objective and subjective performance criteria that are within the control of the NEOs.

Table of Contents

In part, to better align our NEOs interests with those of our stockholders and to cause them to increase their ownership of common stock, the Compensation Committee has structured the Incentive Plan to require the NEOs to receive, subject to the amount of incentive compensation earned, a portion of their incentive compensation as equity incentive awards subject to time-based vesting conditions. The Compensation Committee believes that equity incentive awards subject to time-based vesting conditions are important to motivate and reward the NEOs for maximizing stockholder value, and also help create an incentive for talented employees to remain with the Company on a longer-term basis, while the cash incentive compensation payable under the Incentive Plan provides NEOs with current income for achieving performance criteria during 2015. Equity incentive awards under the Incentive Plan are provided primarily by grants of restricted stock issued under our 2010 Stock Plan which vest ratably on the first, second and third anniversaries of the grant date.

Incentive Plan

Pursuant to the Incentive Plan, we provide our NEOs with the opportunity to earn annual incentive compensation for achieving corporate financial and non-financial goals. The Incentive Plan, which provides for no minimum award or guaranteed payment, is comprised of two parts: a quantitative component and a qualitative component. Pursuant to the Incentive Plan as effective for fiscal year 2015, Mr. Mumma's incentive compensation was weighted such that 80% was based on performance under the quantitative component and 20% under the qualitative component, while Mr. Reese's incentive compensation was weighted such that 65% was based on performance under the quantitative component and 35% under the qualitative component. The Compensation Committee set Ms. Nario's incentive compensation under the Incentive Plan to be weighted such that 25% was based on performance under the quantitative component and 75% was based on performance under the qualitative component. Because Mr. Mumma is our Chief Executive Officer and President and has ultimate responsibility over our investment portfolio and other business decisions, our success or failure is highly dependent on his ability to manage our portfolio and operate our business. As a result, the Compensation Committee concluded that Mr. Mumma's incentive compensation should be weighted more heavily on our achievement of the performance criteria under the quantitative component as compared to the weighting of components for Mr. Reese and Ms. Nario. In addition, because Ms. Nario does not have management responsibility for investment strategy, asset selection or portfolio management, the Compensation Committee concluded that Ms. Nario's performance under the quantitative component should be weighted at 25%.

Quantitative Component. The amount of the incentive compensation payable under the quantitative component was based on the average of three performance measures, adjusted return on equity ("AROE"), total economic return ("TER") and total common stockholder return ("TSR" and together with AROE and TER, the "Quantitative Company Performance Measure"). The ultimate amount of the payout under the quantitative component of the Incentive Plan was contingent on the Company exceeding specified return hurdles under the Quantitative Company Performance Measure for the 2015 fiscal year. Previously, the quantitative component had been based solely on AROE.

For purposes of the Incentive Plan:

▲AROE is defined as (A) GAAP net income, as reported in the Company's annual financial statements for the 2015 fiscal year, excluding unrealized gains and losses related to the consolidated multi-family loans held in securitization trusts, divided by (B) the Company's annual average GAAP common stockholders' equity for the 2015 fiscal year, as adjusted to exclude the impact of unrealized gains and losses reported in other comprehensive income on GAAP common stockholders' equity and cumulative unrealized gains and losses from acquisition date related to the consolidated multi-family loans held in securitization trusts ("Adjusted Stockholders' Equity"). The Company's annual average Adjusted Stockholders' Equity is calculated by averaging our Adjusted Stockholders' Equity for each of the four quarters in the year, with the respective quarterly amounts calculated by averaging (1) Adjusted Stockholders' Equity for the previous quarter end and (2) Adjusted Stockholders' Equity for the current quarter end. In its discretion, the Compensation Committee may elect to adjust the average Adjusted Stockholders' Equity for capital raises that

occurred during the measurement period to properly reflect the weighted average amount outstanding during the period.

TER is defined as (A) the sum of (i) the Company's book value per common share at December 31, 2015 and (ii) the aggregate dividends per common share declared by the Company during 2015, divided by (B) the Company's book value per common share at December 31, 2014.

TSR is defined as (A) the sum of (i) the closing per share sales price of the Company's common stock on December 31, 2015 and (ii) the aggregate dividends per common share declared by the Company during 2015, divided by (B) the closing per share sales price of the Company's common stock on December 31, 2014.

Table of Contents

The Compensation Committee did not make any adjustments to the average Adjusted Stockholders' Equity for capital raises by the Company during fiscal 2015.

The following table sets forth the Quantitative Company Performance Measure hurdles and corresponding incentive compensation payouts for each of the NEOs under the quantitative component of the Incentive Plan:

Named Executive Officer	Quantitative Company Performance Hurdle ^{(1) (2)}	Payout as a % of Base Salary Upon Achievement of Hurdle ⁽¹⁾	
Steven R. Mumma	Less than 8%	—	
	8%	100%	
	11%	200%	
	14%	300%	
	Greater than 14%	300%	(3)
Nathan R. Reese	Less than 8%	—	
	8%	50%	
	11%	100%	
	14%	150%	
	Greater than 14%	150%	(3)
Kristine R. Nario	Less than 8%	—	
	8%	50%	
	11%	75%	
	14%	125%	
	Greater than 14%	125%	(3)

Payout percentages are pro-rated based on achievement of the Quantitative Company Performance Measure between specified hurdles. For example, attainment of a Quantitative Company Performance Measure of 9.5% for the 2015 fiscal year would entitle Mr. Mumma to a percentage payout under the quantitative component equal to 150% of his base salary. Actual incentive compensation earned under the quantitative component is calculated by multiplying, (i) in the case of Mr. Mumma, 80% by the product of the applicable payout percentage and Mr. Mumma's base salary, (ii) in the case of Mr. Reese, 65% by the product of the applicable payout percentage and Mr. Reese's base salary, and (iii) in the case of Ms. Nario, 25% by the product of the applicable payout percentage and Ms. Nario's base salary.

(2) For fiscal year 2013 and 2014, the amount of incentive compensation payable under the quantitative component was contingent on our exceeding specified AROE hurdles, 10% (minimum), 14% (target) and 18% (maximum).

(3) At the discretion of the Compensation Committee, payout percentages may exceed the stated payout percentage for achievement of Quantitative Company Performance Measure in excess of 14%.

For 2015, the Compensation Committee concluded that the Quantitative Company Performance Measure achieved was less than 8% under the Incentive Plan. Therefore, our NEOs did not earn any incentive compensation under the quantitative component.

The Compensation Committee is authorized under the Incentive Plan to increase or decrease the percentage payout under the quantitative component based on our performance relative to our peer group. The Compensation Committee

did not make any adjustments to the percentage payout under the quantitative component for fiscal 2015.

Table of Contents

Qualitative Component. Under the qualitative component, a NEO is eligible to receive incentive compensation equal to, in the case of Mr. Mumma, between zero and three times Mr. Mumma's base salary multiplied by 20%, in the case of Mr. Reese, between zero and one and one-half times Mr. Reese's base salary multiplied by 35%, and in the case of Ms. Nario, between zero and one and one-fourth times Ms. Nario's base salary multiplied by 75%. Under the qualitative component, the Compensation Committee considered the following performance factors, in addition to any other factors that the Compensation Committee deemed to be appropriate, when determining the payout amount under this component: (i) in the case of Mr. Mumma, (A) leadership of the Company, (B) investor relations, shareholder communications and capital raising, (C) our performance relative to budget and (D) risk management and capital preservation, and (ii) in the case of our other NEOs, qualitative performance objectives determined annually by the Chief Executive Officer and President and our Board of Directors, which included criteria such as (A) business unit or functional area performance and (B) leadership and organizational development.

The following table sets forth the hurdles and corresponding incentive compensation payouts for each of the NEOs under the qualitative component of the Incentive Plan:

Named Executive Officer	Qualitative Company Performance Hurdle	Payout as a % of Base Salary Upon Achievement of Hurdle	
Steven R. Mumma	Minimum	100	%
	Target	200	%
	Maximum	300	%
Nathan R. Reese	Minimum	50	%
	Target	100	%
	Maximum	150	%
Kristine R. Nario	Minimum	50	%
	Target	75	%
	Maximum	125	%

The Compensation Committee has the discretion to determine the qualitative component at levels between the performance levels identified in the table above. For 2015, the Compensation Committee determined, in the case of Mr. Mumma, that his leadership of the Company through a very challenging market environment in 2015, which still resulted in a return on stockholders' equity, was exemplary and that he continued to provide the Company with a strong culture of risk management and a disciplined approach to capital preservation. As a result, the Compensation Committee determined that Mr. Mumma achieved the maximum performance under the qualitative component (i.e., 300%) and thus earned \$420,000 under this component. In the case of Mr. Reese, the Board, with the input of our Chief Executive Officer and President, determined that, among other things, Mr. Reese was (a) actively involved in the successful implementation of the investment and financing strategies of the Company and (b) instrumental in successfully establishing and executing our 2015 business plan. As a result, the Compensation Committee determined that Mr. Reese achieved the maximum performance under this component (i.e., 150%) and thus earned \$170,625 under this component. In the case of Ms. Nario, the Board, with the input of our Chief Executive Officer and President, determined that, among other things, Ms. Nario was successful in directing the activities performed by our finance and accounting staff in support of our business activities. As a result, the Compensation Committee determined that Ms. Nario achieved her target objectives under this component (i.e., 75%) and thus earned \$154,688 under this component.

Total Incentive Compensation Earned and Paid Under the Incentive Plan. In accordance with the Incentive Plan, our NEOs earned the following amounts of total incentive compensation in 2015:

Named Executive Officer	Incentive Compensation Earned Under Quantitative Component	Incentive Compensation Earned Under Qualitative Component	Total Incentive Compensation Earned in 2014	% of Incentive Compensation Paid in Cash	% of Incentive Compensation Paid in Restricted Stock
Steven R. Mumma	\$—	\$420,000	\$420,000	75%	25%
Nathan R. Reese	\$—	\$170,625	\$170,625	75%	25%
Kristine R. Nario	\$—	\$154,688	\$154,688	75%	25%

Equity Incentive Compensation Under the Incentive Plan. As noted above, NEOs were eligible to earn incentive compensation under the Incentive Plan that is payable in cash, or depending on the size of the total award earned under the Incentive Plan, a combination of cash and shares of restricted stock. Shares of restricted stock issued as part of the compensation earned under the Incentive Plan are issued from our 2010 Stock Plan and vest ratably on an annual basis over a three-year period. The following table sets forth the percentage of aggregate compensation earned under the Incentive Plan at various payout levels for fiscal year 2015 that are required to be paid in restricted common stock:

Named Executive Officer	Minimum	Target	Maximum
Steven R. Mumma	25%	38%	50%
Nathan R. Reese	25%	25%	25%
Kristine R. Nario	25%	25%	25%

For 2015, the Compensation Committee awarded, in accordance with the terms of the Incentive Plan, a total of 25,240 shares of restricted stock to Mr. Mumma (having a grant date fair value of approximately \$105,000, which is based on the closing sale price of our common stock on February 25, 2016, the date the stock award was approved by our Compensation Committee), 10,254 shares of restricted stock to Mr. Reese (having a grant date fair value of approximately \$42,656, which is based on the closing sale price of our common stock on February 25, 2016, the date the stock award was approved by our Board) and 9,296 shares of restricted stock to Ms. Nario (having a grant date fair value of approximately \$38,672, which is based on the closing sale price of our common stock on February 25, 2016, the date the stock award was approved by our Board). The formulaic approach of having equity incentive awards subject to time-based vesting conditions tied directly to incentive compensation earned under the Incentive Plan was influenced by (i) our desire to increase the executive's ownership stake in the Company and better align the executive's interests with those of our stockholders, (ii) our desire to tie total incentive compensation (including equity incentive awards) to a single incentive performance plan weighted, in the case of two of our NEOs, more heavily upon quantitative performance measures, (iii) our desire to increase the amount of non-cash, equity incentive compensation earned by our Chief Executive Officer and President as a percentage of his total compensation, (iv) our desire to provide our NEOs with a competitive balance of current cash compensation and equity compensation subject to time-based vesting conditions that rewards performance and increases the executive's incentive to remain with the Company over the longer-term, and (v) our desire to create an incentive compensation plan that spreads the expense of a portion of the incentive compensation program over a three-year period.

The Compensation Committee expects to continue to issue equity incentive awards subject to time-based vesting conditions to our NEOs during the first quarter of each fiscal year in the future, pursuant to an incentive compensation plan that is similar to the Incentive Plan or otherwise. Restricted stock is the preferred equity incentive award of the Compensation Committee due, in part, to the distribution policies and requirements of REITs and the effect that those distribution requirements tend to have on our common stock price, which tends to make stock options a less desirable

form of equity incentive award.

Performance Share Award

On May 28, 2015, the Compensation Committee approved a PSA to Mr. Mumma. The PSA is a performance-based equity award under which the number of underlying shares of our common stock that can be earned will generally range from 0% to 200% of the target number of PSA granted, with the target number of PSA granted increased to reflect the value of the reinvestment of any dividends declared on our common stock during the measurement period (as further described below). The PSA generally will be earned at the end of three years (on April 30, 2018) based on three-year total TSR, as follows:

- if three-year TSR is less than 33%, then 0% of the target number of PSA will vest;
- if three-year TSR is greater than or equal to 33% and the TSR is not in the bottom quartile of the identified peer group, then 100% of the target number of PSA will vest;
- if three-year TSR is greater than or equal to 33% and the TSR is in the top quartile of the identified peer group then 200% of the target number of PSA will vest; and
- if three-year TSR is greater than or equal to 33% and the TSR is in the bottom quartile of an identified peer group then 50% of the target number of PSA will vest.

For purposes of the PSA, the “peer group” means Arlington Asset Investment Corp., Apollo Residential Mortgage, Inc., Chimera Investment Corporation, Dynex Capital, Inc., Ellington Financial LLC, Invesco Mortgage Capital Inc., Javelin Mortgage Investment Corp., MFA Financial, Inc., AG Mortgage Investment Trust, Inc., American Capital Mortgage Investment Corp., Five Oaks Investment Corp., Two Harbors Investment Corp. and Western Asset Mortgage Capital Corporation. The Compensation Committee determined to use the above peer group to determine the PSA earned by Mr. Mumma because each of these companies have a comparable strategy and invest in similar types of assets as to those of the Company. In the event the common stock of any of these companies ceases to be publicly-traded before April 30, 2018, such company shall be excluded from the calculation of the peer group's TSR.

Subject to vesting, shares of our common stock, equal in number to the product of the applicable percentage (0%, 50%, 100% or 200%) times the target number of PSA, will be distributed to Mr. Mumma not later than May 15, 2018 (or, if earlier, the date of a Change in Control (as defined in the 2010 Stock Plan)). The value of any dividends declared during the measurement period will be reflected in the target number of PSA by increasing the target number of PSA granted by an amount corresponding to the incremental number of shares of common stock that a stockholder would have acquired during the three-year TSR measurement period had all dividends during that period been reinvested in our common stock.

If a Change in Control occurs before April 30, 2018, Mr. Mumma will earn the PSA and be entitled to receive shares of our common stock based on achievement of the TSR objectives set forth above (measured from May 1, 2015 until the control change), pro-rated based on the period from May 1, 2015 until the Change in Control.

Mr. Mumma generally will vest in the earned PSA if employment continues until April 30, 2018 or, if earlier, the date of a Change of Control. In the event Mr. Mumma's employment ends before April 30, 2018 and before a Change in Control, for a reason other than death, disability, a termination without cause or a resignation with good reason, Mr. Mumma will forfeit all of the PSA. If Mr. Mumma's employment ends before April 30, 2018 and before a Change in Control, on account of death or disability, the PSA will remain outstanding and Mr. Mumma (or his beneficiary) will receive the number of shares of our common stock issuable on account of the TSR performance during the three-year measurement period or until a Change in Control, as applicable. If Mr. Mumma's employment ends before April 30, 2018 and before a change in control, on account of a termination without cause or a resignation with good reason, the PSA will remain outstanding and Mr. Mumma will receive the number of shares of common stock issuable on account of the TSR performance during the three-year measurement period or a Change in Control, as applicable, but pro-rated for the period of employment on and after May 1, 2015 (or the date of the Change in Control).

The PSA granted to Mr. Mumma on May 28, 2015 consisted of 89,629 shares of common stock and had a grant date fair value of \$372,000, which was determined in accordance with FASB Accounting Standards Codification Topic 718 at the time the grant was made and based on the closing sale price of the Company's common stock on May 28, 2015. The terms of the PSA include, without limitation, provisions relating to a change-in-control and forfeiture and mandatory net settlement for income tax withholding purposes.

Benefits

Benefits are also established based upon a determination of what is needed to aid in attracting and retaining executive talent, as well as providing long-term financial security to our employees and their families. The NEOs are eligible to participate in our health, dental and vision plans, and various insurance plans, including disability and life insurance, and in our 401(k) plan. The primary benefits for the NEOs are as follows:

- receipt of dividends on all unvested restricted stock awards; and

- with respect to Mr. Mumma only, life insurance policies and supplemental long-term disability insurance policies purchased by Mr. Mumma in his name and reimbursed by the Company.

Severance Benefits Payable Upon Termination of Employment or a Change in Control

In order to achieve our compensation objective of attracting, retaining and motivating qualified senior executives, we believe that we need to provide our Chief Executive Officer and President with severance protections that are consistent with the severance protections offered by companies similar to us. Consistent with this philosophy, we believe that severance should be payable to Mr. Mumma in the event his employment is terminated under certain circumstances. In November 2014, the Company entered into a Second Amended and Restated Employment Agreement with Mr. Mumma which amends, restates and supersedes the Amended and Restated Employment Agreement between the Company and Mr. Mumma dated November 22, 2011. For more information regarding the terms of this agreement, see “—Other Compensation Arrangements—Employment Agreements.” Mr. Mumma’s employment agreement is reviewed annually by the Compensation Committee. We have not entered into employment agreements with our other NEOs.

NEO Compensation Determinations for 2016

In February 2016, our Board of Directors approved a 2016 base salary of \$350,000 for Mr. Reese and a base salary of \$300,000 for Ms. Nario. Mr. Mumma’s 2015 base salary will remain at \$700,000 in accordance with his employment agreement. The Compensation Committee has approved using the Incentive Plan for purposes of determining the compensation of our NEOs for performance in 2016 or as such plan may be amended from time to time in the future.

Share Ownership Guidelines

The NEOs are not formally required to achieve or maintain any particular level of stock ownership in us. For more information on the share ownership of our executive officers, see “Share Ownership of Certain Beneficial Owners and Our Directors and Executive Officers” herein.

Tax Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code places a limit on the amount of compensation that may be deducted annually by the Company on our tax return with respect to each of our Chief Executive Officer, Chief Financial Officer and the two other most highly compensated executives. In general, compensation paid for achieving pre-established and objective performance goals pursuant to a plan that has been approved by our stockholders is not subject to this limit. Our 2010 Stock Plan is designed so that performance-based restricted stock awards granted to our NEOs under the plan can be exempt from the compensation deduction limitation described above. Time-based awards are subject to the compensation deduction limitation. Although the Compensation Committee generally seeks to preserve the federal income tax deductibility of compensation paid, in order to maintain flexibility in compensating executives, including our NEOs, in a manner designed to promote our corporate goals, including retaining and

incentivizing the NEOs, the Compensation Committee has not adopted a policy that all compensation must be deductible.

Adjustment or Recovery of Awards

Under Section 304 of the Sarbanes-Oxley Act, if we are required to restate our financial results due to material noncompliance with any financial reporting requirement as a result of misconduct, our Chief Executive Officer and Chief Financial Officer must reimburse us for (i) any bonus or other incentive-based or equity-based compensation received during the twelve months following the public issuance of the non-compliant document and (ii) any profits realized from the sale of our securities during those twelve months. Following the SEC's adoption of final rules regarding executive compensation recoupment policies pursuant to the Dodd-Frank Act, we will consider and adopt a separate executive compensation recoupment policy in accordance with the final rules.

Relationship of Compensation Practices to Risk Management

When structuring our overall compensation practices for our employees generally, consideration is given as to whether the structure creates incentives for risk-taking behavior and therefore impacts our risk management practices. Attention is given to the elements and the mix of pay as well as ensuring that employees' awards align with stockholders' value.

The Compensation Committee has assessed the compensation policies and practices for our employees, including our NEOs, and concluded that they do not create risks that are reasonably likely to have a material adverse effect on the Company. The Compensation Committee generally considers whether our compensation programs encourage excessive risk taking during its annual review of such programs, which typically occurs during the first quarter of each year.

Executive Compensation Information

Summary Compensation Table

The following tables should be read in conjunction with the related footnotes set forth below, the information under the caption “Compensation Discussion and Analysis” beginning on page 21 and the information under the caption “—Other Compensation Arrangements.” We summarize below the compensation information for the fiscal years ended December 31, 2015, 2014 and 2013 for each of Messrs. Mumma and Reese, and December 31, 2015 and 2014 for Ms. Nario. Ms. Nario first became an NEO during the 2014 fiscal year:

Steven R. Mumma	2015	\$700,000	\$—	\$315,000	\$105,000	\$256,719	\$1,376,719

	2013	\$425,000	\$—	\$426,750	\$676,750	\$90,914	\$1,619,414
Nathan R. Reese	2015	\$325,000	\$—	\$127,969	\$42,656	\$35,517	\$531,142
Vice President and Secretary	2014	\$260,000	\$—	\$247,730	\$97,729	\$9,208	\$614,667
	2013	\$240,000	\$—	189,446	\$39,446	\$5,384	\$474,276
Kristine R. Nario	2015	\$275,000	\$—	\$116,016	\$38,672	\$28,340	\$458,028
Chief Financial Officer	2014	\$225,000	\$—	\$209,244	\$59,245	\$3,418	\$496,907

Amounts represent annual cash incentive compensation earned under the Incentive Plan. See “—Compensation Discussion and Analysis—Executive Compensation Program Components—Incentive Plan.” In accordance with the Incentive Plan, for fiscal year 2015, Mr. Mumma received total incentive compensation of \$420,000, \$315,000 of which was paid in cash and \$105,000 of which was paid in shares of restricted stock (and thus reported in the “Stock Awards” column in the table above). Similarly, in accordance with the Incentive Plan, Mr. Reese received total incentive compensation of \$170,625, \$127,969 of which was paid in cash and \$42,656 of which was paid in shares of restricted stock (and thus reported in the “Stock Awards” column in the table above) for fiscal year 2015 and Ms. Nario received total incentive compensation of \$154,688, \$116,016 of which was paid in cash and \$38,672 of which was paid in shares of restricted stock (and thus reported in the “Stock Awards” column in the table above) for fiscal year 2015.

(2) The amounts in this column reflect the grant date fair value of the awards computed in accordance with FASB ASC Topic 718. On February 25, 2016, Mr. Mumma, Mr. Reese and Ms. Nario received 25,240, 10,254 and 9,296 shares of restricted stock, respectively, in accordance with the awards payable to each officer under the Incentive Plan for their individual performance and our performance in 2015. Similarly, on February 18, 2015, Mr. Mumma, Mr. Reese and Ms. Nario received 155,957, 12,546 and 7,605 shares of restricted stock, respectively, in accordance with the awards payable to each officer under the Incentive Plan for their individual performance and our performance in 2014. On February 13, 2014, Mr. Mumma, Mr. Reese and Ms. Nario received 91,576, 5,338 and 4,220 shares of restricted stock, respectively, in accordance with the awards payable to each officer under the Incentive Plan for their individual performance and our performance in 2013. For a description of the formula used to calculate the amounts payable under the Incentive Plan in cash and restricted stock, see “—Compensation Discussion and Analysis — Executive Compensation Program Components — Incentive Plan.” Because, in each case, the size of the awards were determined by the Compensation Committee as part of the NEOs compensation for each person’s individual performance and our performance in the respective years set forth in the table above, we have included these restricted stock awards in our NEOs compensation for such year. Consistent with this

approach, a restricted stock grant of 4,220 shares to Ms. Nario on February 13, 2014 has been excluded from Ms. Nario's 2014 compensation because it was awarded by the Compensation Committee as part of Ms. Nario's 2013 compensation package prior to Ms. Nario's appointment as Chief Financial Officer. Pursuant to the terms of the restricted stock award agreements, one-third of the shares awarded as part of the grants will vest and become non-forfeitable on each of the first three anniversaries of the date of grant. All shares issued to the NEOs have been issued under the 2010 Stock Plan.

Table of Contents

Dividends paid on unvested restricted common stock, which are included in “All Other Compensation,” are based on the same dividend rate per share as the dividends on our common stock. For the 2015, 2014 and 2013 fiscal years, (3) we have not included the health care benefits received by NEOs because such benefits are available generally to all employees on similar terms. We do not intend to include health care benefits as part of “All Other Compensation” in the future to the extent such benefits are available generally to all employees on similar terms. All other compensation includes:

2015 for Mr. Mumma: Includes \$226,720 in dividends on outstanding and unvested restricted stock, \$2,415 in premiums paid for life insurance policies, \$8,509 in premiums paid for supplemental disability insurance policies and \$19,075 in 401k distributions.

2014 for Mr. Mumma: Includes \$141,607 in dividends on outstanding and unvested restricted stock, \$2,415 in premiums paid for life insurance policies and \$8,509 in premiums paid for supplemental disability insurance policies.

2013 for Mr. Mumma: Includes \$79,990 in dividends on outstanding and unvested restricted stock, \$2,415 in premiums paid for life insurance policies and \$8,509 in premiums paid for supplemental disability insurance policies.

2015 for Mr. Reese: Includes \$16,442 in dividends on outstanding and unvested restricted stock and \$19,075 in 401k distributions.

2014 for Mr. Reese: Includes \$9,208 in dividends on outstanding and unvested restricted stock.

2013 for Mr. Reese: Includes \$5,384 in dividends on outstanding and unvested restricted stock.

2015 for Ms. Nario: Includes \$9,265 in dividends on outstanding and unvested restricted stock and \$19,075 in 401k distributions.

2014 for Ms. Nario: Includes \$3,418 in dividends on outstanding and unvested restricted stock.

(4) Effective November 1, 2014, Mr. Mumma’s annual base salary increased from \$500,000 to \$700,000.

Discussion of Summary Compensation Table

Cash Bonus. In connection with the adoption of the Incentive Plan, cash incentive amounts granted under the Incentive Plan in 2015, 2014 and 2013 are deemed to be grants of non-equity incentive compensation. See “—Compensation Discussion and Analysis—Executive Compensation Program Components—Incentive Plan.”

Stock Awards. As discussed in footnote 1 to the “Summary Compensation Table” above, we include restricted stock awards granted each year as compensation in the prior year because the size of the annual restricted stock awards are determined and awarded by the Compensation Committee in consideration of the amount earned under our Incentive Plan during those respective years and each person’s individual performance and our performance during those years. Each restricted stock award granted to the NEOs vests ratably on each of the first, second and third anniversaries of the date of grant.

Grants of Plan-Based Awards

The following table presents information regarding plan-based awards to the NEOs during the fiscal year ended December 31, 2015. See the information under the caption “—Other Compensation Arrangements” for information regarding the acceleration of vesting and payment of these awards in certain circumstances.

	RSA	5/28/2015 ⁽⁴⁾	—	—	\$343,750 ⁽⁸⁾	—	—	—	—	—

(1) RSA refers to restricted stock awards; PSA refers to performance share award.

(2) Represents restricted share awards issued as part of the NEOs’ 2014 compensation package under the Incentive Plan, which vest as follows: one third vested on February 18, 2016, one third will vest on February 18, 2017 and the final one-third will vest on February 18, 2018. The grant date fair value of these awards are included in 2014 compensation in the “Summary Compensation Table” and are computed in accordance with FASB ASC Topic 718.

(3) Amounts represent the value of restricted share awards based on the closing sale price for shares of our common stock on the date of grant.

(4) Represents the non-equity incentive plan awards granted under the Incentive Plan for 2015. See “—Compensation Discussion and Analysis—Executive Compensation Program Components—Incentive Plan” above. The Incentive Plan is comprised of two parts: a quantitative component and a qualitative component. The Incentive Plan provides for no minimum award or guaranteed payment, nor does the Incentive Plan provide one specific “target” rate, but rather, rewards participants if (i) the average of three company performance measures, AROE, TER and TSR exceeds various hurdles between 8% and 14% and (ii) the participants qualitative component exceeds zero. The Compensation Committee has the discretion to award non-equity incentive compensation in the event the participant fails to exceed the minimum performance thresholds under the Incentive Plan and similarly, has the discretion to award more or less than the participant’s minimum, target and maximum incentive compensation opportunities in light of the Company’s and the participant’s performance. Incentive compensation under the Incentive Plan may be paid in cash, or depending on the size of the award earned, a combination of cash and shares

of restricted stock.

We have included 100% of the maximum award payable under the Incentive Plan in the “Estimated Future Payouts Under Non-Equity Incentive Plan Awards” column above. In the event the maximum award had been earned in 2015, Mr. Mumma would have received \$1,050,000 of his non-equity incentive compensation plan award in the form of shares of restricted common stock, Mr. Reese would have received \$121,875 of his non-equity incentive compensation plan award in the form of shares of restricted common stock, and Ms. Nario would have received \$85,938 of her non-equity incentive compensation plan award in the form of shares of restricted common stock. The restricted stock vests ratably over three years from the date of grant under the Incentive Plan.

Table of Contents

The PSA is subject to a three year performance measurement period ending on April 30, 2018. The number of underlying shares of our common stock that vest and that the award recipient becomes entitled to receive at the (5) time of vesting are contingent upon our TSR during the performance measurement period according to the following schedule, with the target number of PSA granted being adjusted to reflect the value of any reinvestment of any dividends declared on our common stock during the measurement period:

Three-Year TSR	Vesting of Target Shares
Less than 33%	0%
33% or greater and TSR is in the bottom quartile or the identified peer group	50%
33% or greater and TSR is not in the bottom quartile of the identified peer group	100%
33% or greater and TSR is in the top quartile of the identified peer group	200%

Mr. Mumma's incentive compensation under the Incentive Plan was weighted 80% based on performance under the quantitative component and 20% under the qualitative component. See "—Compensation Discussion and (6) Analysis—Executive Compensation Program Components—Incentive Plan" above for a description of the hurdles and payout amounts applicable to Mr. Mumma under the Incentive Plan.

Mr. Reese's incentive compensation under the Incentive Plan was weighted 65% based on performance under the quantitative component and 35% under the qualitative component. See "—Compensation Discussion and (7) Analysis—Executive Compensation Program Components—Incentive Plan" above for a description of the hurdles and payout amounts applicable to Mr. Reese under the Incentive Plan.

Ms. Nario's incentive compensation under the Incentive Plan was weighted such that 25% was based on performance under the quantitative component and 75% was based on performance under the qualitative (8) component. See "—Compensation Discussion and Analysis—Executive Compensation Program Components—Incentive Plan" above for a description of the hurdles and payout amounts applicable to Ms. Nario under the Incentive Plan.

Represents the target number of shares that can be contingently earned at the end of the performance measurement (9) period as discussed in note 5 to this table. The target number of shares reflects the value of the reinvestment of dividends declared on our common stock from May 28, 2015 through December 31, 2015.

Represents the maximum number of shares that can be contingently earned at the end of the performance (10) measurement period as discussed in note 5 to this table. The maximum number of shares reflects the value of the reinvestment of dividends declared on our common stock from May 28, 2015 through December 31, 2015.

This PSA was approved by the Compensation Committee of the Board of Directors and granted pursuant to the Company's 2010 Stock Plan. The value of the PSA is determined in accordance with FASB Accounting Standards (11) Codification Topic 718. Information regarding the assumptions used to value our NEO's PSAs is provided in Note 17 to our consolidated financial statements included in our Annual Report on Form 10-K filed February 25, 2016.

Outstanding Equity Awards at Fiscal Year End

The following table lists the shares of restricted common stock awarded to our NEOs that are unvested and outstanding as of December 31, 2015. No discount has been taken to reflect risk of forfeiture or restrictions on transferability.

Table of Contents

(2) Represents unearned shares of common stock underlying the PSA granted to Mr. Mumma on May 28, 2015, as of December 31, 2015. The unearned shares of common stock underlying the PSA are shown based on the target number of award shares. The PSA is a performance-based equity award under which the number of underlying shares of common stock that vest and that the award recipient becomes entitled to receive at the time of vesting will generally range from 0% to 200% based on TSR over the three-year performance period. The PSA was granted in May 2015 and vests, if at all, on April 30, 2018.

(3) Mr. Mumma received a restricted stock grant of 70,126 shares on March 7, 2013 as part of his 2012 compensation package. Of this amount, 23,376 shares were unvested as of December 31, 2015 (although such unvested shares subsequently vested on March 7, 2016). Mr. Mumma received a restricted stock grant of 91,576 shares on February 13, 2014 as part of his 2013 compensation package. Of this amount, 61,051 shares were unvested as of December 31, 2015 (with 30,525 having vested on February 13, 2016 and 30,526 shares vesting on February 13, 2017, provided the NEO remains employed with the Company as of such date). Mr. Mumma received a restricted stock grant of 155,957 shares on February 18, 2015 as part of his 2014 compensation package, all of which were unvested and outstanding as of December 31, 2015 (with 51,986 shares having vested on February 18, 2016, while an additional 51,986 shares will vest on February 18, 2017 and an additional 51,985 shares will vest on February 18, 2018, provided the NEO remains employed with the Company as of such date). The shares issued as part of the February 2016 grant are not included in the table above because they were not outstanding at December 31, 2015. Vesting of all of these shares may be accelerated in the event of the NEO's death, disability, termination without cause or resignation for good reason. See “—Other Compensation Arrangements—Restricted Stock Award Agreements” and “Other Compensation Arrangements—Employment and Other Agreements.”

(4) Mr. Reese received a restricted stock grant of 5,259 shares on March 7, 2013 as part of his 2012 compensation package. Of this amount, 1,753 shares were unvested as of December 31, 2015 (although such unvested shares subsequently vested on March 7, 2016). Mr. Reese received a restricted stock grant of 5,338 shares on February 13, 2014 as part of his 2013 compensation package. Mr. Reese received a restricted stock grant of 12,546 shares on February 18, 2015 as part of his 2014 compensation package, all of which were unvested and outstanding as of December 31, 2015 (with 4,182 shares having vested on February 18, 2016, while an additional 4,182 shares will vest on February 18, 2017 and an additional 4,182 shares will vest on February 18, 2018, provided the NEO remains employed with the Company as of such date). The shares issued as part of the February 2016 grant are not included in the table above because they were not outstanding at December 31, 2015. See the information under the caption “—Other Compensation Arrangements” for information regarding the acceleration of vesting and payment of these shares in certain circumstances.

(5) Ms. Nario received a restricted stock grant of 4,220 shares on February 13, 2014 as part of her 2013 compensation package prior to Mr. Nario's appointment as Chief Financial Officer. Restricted Stock Award Agreements

The restricted stock award agreements we entered into with our NEOs contain certain vesting and acceleration provisions with respect to a termination of employment as a result of death or disability or in the event of a change in control. Under the restricted stock award agreements, if the NEO's employment with us is terminated due to death, the restricted shares issued under the agreement will become fully vested and non-forfeitable upon the date of death. If the NEO's employment with us is terminated due to disability, the restricted shares issued under the agreement will become fully vested and non-forfeitable upon the date of the termination of the NEO's employment. If we experience a change in control, the restricted shares issued under the agreement will become fully vested and non-forfeitable immediately upon the occurrence of the event causing the change in control. Restricted stock award agreements entered into by us with the NEOs provides for the grant of shares of restricted common stock, one-third of which will vest and become non-forfeitable on each of the first, second and third anniversaries of the date of grant subject to certain conditions. The holders of these restricted shares of common stock issued in 2015, 2014 and 2013 are entitled to (i) the payment of dividends on their unvested shares based on the same dividend rate per share as the dividends on our unrestricted common stock and (ii) vote their unvested shares.

Performance Share Award Agreement

We first entered into a performance share award agreement in May 2015 with Mr. Mumma. See "—Executive Compensation Program Components—Performance Share Award" for a description of the PSA.

Employment Agreement

On November 3, 2014, we entered into a Second Amended and Restated Employment Agreement with Steven R. Mumma (the "Executive"), the Company's Chief Executive Officer and President (the "Employment Agreement"). The Employment Agreement amends, restates and supersedes the Amended and Restated Employment Agreement between the Company and the Executive dated November 22, 2011 (the "Prior Employment Agreement"). The Employment Agreement expired on December 31, 2015 and is now subject to automatic annual one-year renewals. Pursuant to the Employment Agreement, in the event we fail to provide Mr. Mumma with written notice of our determination to not extend the term of the Employment Agreement at least 90 days prior to the expiration date of the agreement, the Employment Agreement will be automatically extended for an additional one-year period following the expiration date.

Pursuant to the Employment Agreement, Mr. Mumma is entitled to an initial base salary of \$700,000 effective as of November 1, 2014, subject to future increases at the discretion of the Compensation Committee. Under the terms of the Employment Agreement, Mr. Mumma is also eligible to participate in our annual cash incentive bonus plan (the “Bonus Plan”) to be established by the Compensation Committee. The Employment Agreement requires the Compensation Committee to adopt a Bonus Plan by not later than March 31 of each fiscal year and provides that the Bonus Plan will contain both individual and corporate performance goals. In the event we or Mr. Mumma, as the case may be, satisfies the performance criteria to be established by the Compensation Committee, Mr. Mumma will be entitled to receive the bonus amount provided for in the Bonus Plan and shall be paid no later than March 14 of the year immediately following the year for which the applicable Bonus Plan was adopted. Under the terms of the Employment Agreement, in the event the performance criteria under the Bonus Plan is not satisfied, the Compensation Committee may grant a discretionary bonus.

Table of Contents

In addition, under the terms of the Employment Agreement, any restricted stock grants to Mr. Mumma under the 2010 Stock Plan will be subject to forfeiture restrictions that will lapse one-third on the first anniversary of the date of grant, one-third on the second anniversary of the date of grant and the final one-third on the third anniversary of the date of grant. Notwithstanding the foregoing, these forfeiture restrictions will lapse upon (i) a Change in Control (as defined in the Employment Agreement), (ii) a termination by the Company without Cause (as defined below), (iii) a termination by Mr. Mumma for Good Reason (as defined below), (iv) Mr. Mumma's death, or (v) Mr. Mumma's disability, and Mr. Mumma will forfeit all unvested shares if he is terminated for Cause or he terminates his employment with the Company for other than Good Reason. Any common stock issued to Mr. Mumma as restricted stock will have voting and dividend rights prior to and following vesting.

The Employment Agreement permits us to terminate Mr. Mumma's employment with appropriate notice for or without Cause, and permits Mr. Mumma to resign for Good Reason or other than for Good Reason. If Mr. Mumma's employment is terminated for Cause or he resigns other than for Good Reason, we will pay his full base salary through to the date of termination and reimburse him for all reasonable and customary expenses incurred by him through the date of termination in the performance of his duties. If however, we terminate Mr. Mumma without Cause (other than for death or disability) or Mr. Mumma terminates his employment for Good Reason, we have agreed to pay Mr. Mumma (i) any earned and accrued but unpaid installment of base salary through the date of termination and all other unpaid and pro rata amounts to which he was entitled as of the date of termination under any compensation plan or program of the Company; (ii) liquidated damages in an amount equal to the greater of (A) \$1,000,000 or (B) one and one-half (1 ½) multiplied by the sum of Mr. Mumma's base salary in effect at the date of termination and the average annual cash incentive bonus earned by Mr. Mumma during the two most recently completed fiscal years prior to the year in which a Change in Control or termination event occurs; (iii) the payment of premiums for group health coverage for 18 months following the date of termination; and (iv) other benefits as provided for in the Employment Agreement.

Under the Employment Agreement, we will have Cause to terminate Mr. Mumma's employment upon a determination by at least a majority of the Board (excluding Mr. Mumma) that Mr. Mumma has:

committed fraud or misappropriated, stolen or embezzled funds or property from us or our affiliates, or secured or attempted to secure personally any profit in connection with any transaction entered into on our behalf or on behalf of our affiliates;

been convicted of, or entered a plea of guilty or "nolo contendere" to, a felony which in the reasonable opinion of the Board brings the executive into disrepute or is likely to cause material harm to our business, financial condition or prospects;

failed to perform his material duties under the Employment Agreement, which failure continues for a period of at least 30 days after written notice to Mr. Mumma;

violated or breached any material law or regulation to the material detriment of the Company or our affiliates; or

breached any of his duties or obligations under the Employment Agreement that causes or is reasonably likely to cause material harm to the Company.

Pursuant to the Employment Agreement, Good Reason means (i) a failure by us or our successors or assigns to comply with any material provision of the Employment Agreement which is not cured within 30 days after written notice of such non-compliance; (ii) the assignment to Mr. Mumma of any material duties inconsistent with his position with the Company or a substantial adverse alteration in the nature or status of his responsibilities without his

consent, except that (A) a determination by our Nominating and Corporate Governance Committee not to nominate Mr. Mumma for re-election as a director of our Company or (B) a failure by our stockholders to elect Mr. Mumma as a director of the Company shall not be deemed to be Good Reason; (iii) without Mr. Mumma's consent, a material reduction in employee benefits other than a reduction generally applicable to our other similarly situated executives; (iv) without Mr. Mumma's consent, relocation of our principal place of business outside of the Borough of Manhattan in the City of New York; (v) any failure by us to pay Mr. Mumma's base salary or any cash incentive bonus to which he is entitled under a Bonus Plan, which failure has not been cured within ten (10) days after notice of such noncompliance, or any failure of the Compensation Committee to approve a Bonus Plan for any fiscal year commencing with the 2015 fiscal year; or (vi) delivery to Mr. Mumma from us of a notice of non-renewal in accordance with the notice requirement described above; provided, however, that Mr. Mumma shall only have the right to resign for Good Reason in the case of clause (vi) above if he provides us with notice of termination prior to the expiration date of the Employment Agreement.

Table of Contents

The Employment Agreement also provides that if any amount payable to, or other benefit receivable by Mr. Mumma pursuant to the Employment Agreement or under other agreements or plans is deemed to constitute a “parachute payment” as defined in Section 280G of the Internal Revenue Code, then such payments or benefits shall be reduced in accordance with, and to the extent required by, the provisions of the 2010 Stock Plan. In addition, the Employment Agreement contains certain covenants against competition, with Mr. Mumma not to engage or participate in a “Competing Business” (as defined in the Employment Agreement) for a period of one year following his date of termination, except that the non-compete period shall be for 180 days following the date of termination in the event of Mr. Mumma’s termination for Cause.

As of the date of this proxy statement, Mr. Reese and Ms. Nario were not party to an employment, severance or change in control agreement with us.

Potential Payments Upon Change in Control, Death or Disability, Termination Without Cause or Resignation for Good Reason

The following tables represent the payments due to (i) Mr. Mumma in the event of termination due to death or disability, his termination without Cause or resignation for Good Reason, or a change in control, assuming such event occurred on December 31, 2015, that would have been triggered under the 2010 Stock Plan, the restricted stock award agreements for Mr. Mumma and Mr. Mumma’s Employment Agreement, (ii) Mr. Reese in the event of termination due to death or disability or in connection with a change in control under the 2010 Stock Plan and the restricted stock award agreements for Mr. Reese and (iii) Ms. Nario in the event of termination due to death or disability or in connection with a change in control under the 2010 Stock Plan and the restricted stock award agreement for Ms. Nario. Because neither Mr. Reese nor Ms. Nario is a party to an employment or severance agreement with us, neither of these NEOs were eligible to receive any payments upon the occurrence of a termination without Cause or for resignation for Good Reason and as such, we have not included these NEOs in such table below. The PSA granted to Mr. Mumma in May 2015 is not included in the calculations in the tables below because the pro-rated TSR objectives, pro-rated based on the period from May 2, 2015 to December 31, 2015, were not achieved and therefore, would not vest under the conditions described in the tables below.

Limitation on Liability and Indemnification

Maryland law permits a corporation to include in its charter a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages, except for liability resulting from:

• actual receipt of an improper benefit or profit in money, property or services; or

- a final judgment based upon a finding of active and deliberate dishonesty by the director or officer that was material to the cause of action adjudicated.

Our charter contains such a provision which eliminates such liability to the maximum extent permitted by Maryland law.

Our charter authorizes us to obligate ourselves, and our bylaws obligate us, to the maximum extent permitted by Maryland law, to indemnify, and to pay or reimburse reasonable expenses in advance of final disposition of a final proceeding to, any of our present or former directors or officers or any individual who, while a director or officer and at our request, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or any other enterprise as a director, officer, partner or trustee. The indemnification covers any claim or liability arising from such status against the person.

Maryland law requires a corporation (unless its charter provides otherwise, which our charter does not) to indemnify a director or officer who has been successful in the defense of any proceeding to which he is made a party by reason of his service in that capacity.

Maryland law permits us to indemnify our present and former directors and officers against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in any proceeding to which they may be made a party by reason of their service in those or other capacities unless it is established that:

• the act or omission of the director or officer was material to the matter giving rise to the proceeding and (i) was committed in bad faith or (ii) was the result of active and deliberate dishonesty;

• the director or officer actually received an improper personal benefit of money, property or services; or

• in the case of a criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful.

However, Maryland law prohibits us from indemnifying our present and former directors and officers for an adverse judgment in a suit by or in the right of the corporation or for a judgment of liability on the basis that personal benefit was improperly received unless in either case a court orders indemnification and then only for expenses. Maryland law permits a corporation to advance reasonable expenses to a director or officer upon the corporation's receipt of:

• a written affirmation by the director or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification; and

• a written undertaking by him or her, or on his or her behalf, to repay the amount paid or reimbursed by us if it is ultimately determined that the standard of conduct is not met.

Our charter and bylaws also permit us to indemnify and advance expenses to any person who served a predecessor of ours in any capacity described above and to any of our or our predecessors' employees or agents.

Table of Contents

In addition, indemnification could reduce the legal remedies available to us and our stockholders against our officers and directors. The SEC takes the position that indemnification against liabilities arising under the Securities Act of 1933 is against public policy and unenforceable. Indemnification of our directors and officers may not be allowed for liabilities arising from or out of a violation of state or federal securities laws, unless one or more of the following conditions are met:

• there has been a adjudication on the merits in favor of the director or officer on each count involving alleged securities law violations;

• all claims against the director or officer have been dismissed with prejudice on the merits by a court of competent jurisdiction; or

- a court of competent jurisdiction approves a settlement of the claims against the director or officer and finds that indemnification with respect to the settlement and the related costs should be allowed after being advised of the position of the SEC and of the published position of any state securities regulatory authority in which the securities were offered as to indemnification for violations of securities laws.

Each of Alan L. Hainey, Steven G. Norcutt and David R. Bock served as a member of the Compensation Committee during 2015. No member of the Compensation Committee was an employee of the Company during the 2015 fiscal year or an officer of the Company during any prior period. AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors is composed of David R. Bock (Chairman), Alan L. Hainey and Steven G. Norcutt, and operates under a written charter.

The Audit Committee oversees New York Mortgage Trust, Inc.'s financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In this context, the Audit Committee has reviewed and discussed with management the audited financial statements for the year ended December 31, 2015 included in our Annual Report on Form 10-K for the year ended December 31, 2015.

The Audit Committee has discussed with Grant Thornton LLP, the Company's independent registered public accounting firm, the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA Professional Standards, Vol. 1 AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, including the overall scope and plan for their audit, the auditor's judgment as to the quality, not just the acceptability, of the accounting principles, the consistency of their application and the clarity and completeness of the audited financial statements.

The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence and has discussed with the independent registered public accounting firm its independence from the Company.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board of Directors agreed) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2015 for filing with the SEC. The Audit Committee also recommended that Grant Thornton LLP be retained as the Company's independent registered public accounting firm for the 2016 fiscal year.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Principal Accountant Fees and Services

Aggregate fees for professional services rendered for the Company for the years ended December 31, 2015 and December 31, 2014 by Grant Thornton LLP were as follows:

Fee Type	2015	2014
Audit Fees ⁽¹⁾	\$903,645	\$895,580
Tax Fees ⁽²⁾	—	9,690
All Other Fees	—	—
Total Fees	\$903,645	\$905,270

Audit Fees represent the aggregate fees billed for professional services rendered to us and our subsidiaries with respect to the audit of our consolidated financial statements included in our annual reports and the reviews of the financial statements included in our quarterly reports. Additionally, Audit Fees also represent the aggregate fees (1) billed for professional services for the issuance of comfort letters, consents and related services in connection with public offerings of common stock and registration statements filed on Form S-3 and on Form S-8 under the Securities Act of 1933.

Tax Fees represent the aggregate fees billed for professional services rendered in the preparation of our tax returns (2) and consulting services related to income and sales tax audit. In 2014, the Company determined to obtain these services from another service provider.

Policies and Procedures

The Audit Committee has adopted procedures for pre-approving audit and non-audit services provided by the independent auditor. These procedures include reviewing a budget for audit and permitted non-audit services. The budget includes a description of, and a budgeted amount for, particular categories of non-audit services that are recurring in nature and therefore anticipated at the time the budget is submitted. Audit Committee approval is required for payment of fees that exceed the budget amount for a particular category of non-audit services and to engage the independent registered public accounting firm for any non-audit services not included in the budget. For both types of pre-approval, the Audit Committee considers whether such services are consistent with the SEC's rules on auditor independence. The Audit Committee also considers whether the independent registered public accounting firm is best positioned to provide the most effective and efficient service, for reasons such as its familiarity with our business, employees, culture, accounting systems, risk profile, and whether the services enhance our ability to manage or control risks and improve audit quality. The Audit Committee may delegate pre-approval authority to one or more members of the Audit Committee. The Audit Committee periodically monitors the services rendered and actual fees paid to the independent registered public accounting firm to ensure that such services are within the parameters approved by the Audit Committee. In accordance with this policy, the Audit Committee pre-approved all services performed by Grant Thornton LLP for the year ended December 31, 2015.

The Audit Committee has determined that the provision of non-audit services performed by Grant Thornton LLP during 2015 is compatible with maintaining its independence from the Company as an independent registered public accounting firm. For the year ended December 31, 2015, the Audit Committee pre-approved all services rendered by Grant Thornton LLP.

OTHER MATTERS

As of the date of this proxy statement, the Board of Directors does not know of any matters to be presented at the Annual Meeting other than those specifically set forth in the Notice of Annual Meeting of Stockholders. If other proper matters, however, should come before the Annual Meeting or any adjournment thereof, the persons named in the proxy being made available to stockholders intend to vote the shares represented by them in accordance with their best judgment in respect to any such matters.

ANNUAL REPORT

A copy of our 2015 Annual Report, including the financial statements and financial statement schedules, is being furnished to stockholders along with this proxy statement. These materials are available at <http://www.proxyvote.com>. Paper copies may be requested in accordance with the instructions included in the Notice that was sent to stockholders of record beginning on or about March 31, 2016. A copy of the 2015 Annual Report is also available online at <http://www.nymtrust.com>.

“HOUSEHOLDING” OF PROXY STATEMENT AND ANNUAL REPORTS

The SEC rules allow for the delivery of a single copy of the Notice or set of proxy materials to any household at which two or more stockholders reside, if it is believed the stockholders are members of the same family. This delivery method, known as “householding,” will save us printing and mailing costs. Duplicate account mailings will be eliminated by allowing stockholders to consent to such elimination, or through implied consent, if a stockholder does not request continuation of duplicate mailings. Brokers, dealers, banks or other nominees or fiduciaries that hold shares of our common stock in “street” name for beneficial owners of our common stock and that distribute proxy materials and the Notice they receive to beneficial owners may be householding. Depending upon the practices of your broker, bank or other nominee or fiduciary, you may need to contact them directly to discontinue duplicate mailings to your household. If you wish to revoke your consent to householding, you must contact your broker, bank or other nominee or fiduciary.

If you hold shares of our common stock in your own name as a holder of record, householding will not apply to your shares. Also, if you own shares of our common stock in more than one account, such as individually and also jointly with your spouse, you may receive more than one set of our proxy statements and annual reports to stockholders. To assist us in saving money and to provide you with better stockholder services, we encourage registered holders of our stock to have all of your accounts registered in the same name and address.
