**TD Bank Financial Group to Conduct Normal Course Issuer Bid  
to Repurchase Common Shares**

**Toronto, October 19, 2006** - TD Bank Financial Group (TDBFG) (TSX: TD) announced today that, subject to regulatory and stock exchange approval, it intends to launch a normal course issuer bid through the facilities of the Toronto Stock Exchange (TSX) to repurchase up to 5,000,000 of its common shares over the 12 month period following commencement of the bid. This intended repurchase represents approximately 0.7% of the common shares currently issued and outstanding. TDBFG will file a notice of intention with the TSX prior to commencing repurchases.

The number of shares and timing of the repurchases under this bid will be determined by TD, but, it is the bank's goal to repurchase sufficient shares to offset common share dilution from the exercise of stock options over a 12 month period beginning in December, 2006. TDBFG intends to establish a plan under which its broker, TD Securities, will repurchase this number of shares pursuant to the bid. In accordance with a pre-arranged set of criteria, share repurchases up to this level will be made automatically under the plan, until this repurchase limit is reached or the plan is terminated by TDBFG. TDBFG will not be entitled to vary or suspend the plan. All of these repurchases will be made through the facilities of the TSX in accordance with the rules and policies of the TSX. The price paid for any repurchased shares will be the market price of such shares at the time of acquisition. All repurchased shares will be cancelled.

TDBFG may commence purchases after the TSX has accepted the notice of intention. TDBFG expects to begin repurchasing shares under the bid in December 2006, continuing for up to one year.

TDBFG's previous normal course issuer bid for 4,000,000 common shares, which commenced on September 18, 2006, has been completed, following the repurchase of 4,000,000 common shares through the facilities of the TSX, at an average price of \$66.13 per share.

TDBFG also reconfirmed its previously disclosed intention to increase its ownership in TD Banknorth, subject to market conditions, to up to sixty-six and two thirds percent, the maximum ownership level currently permitted under the TDBFG/Banknorth stockholders agreement.
