Adjustment in Gasoline and Diesel Prices

(Rio de Janeiro, June 08, 2009). PETRÓLEO BRASILEIRO S/A - PETROBRAS, [Bovespa: PETR3/PETR4, NYSE: PBR/PBRA, Latibex: XPBR/XPBRA, BCBA: APBR/APBRA], a Brazilian international energy company, is adjusting the price of the below-listed products at the refineries, as of midnight of June 9th, 2009 according to the following table:

Adjustment in realization price:	without CIDE, PIS/Cofins and ICMS (*)
Gasoline A	- 4,5 %
Diesel	- 15,0 %

(*) Brazilian average

The prices of gasoline and diesel which the adjustment applies do not include federal taxes (CIDE, PIS/Cofins) and state taxes (ICMS).

These price adjustments are in line with Strategic Plan and were calculated based on the current price of the oil products in the international market and its medium and long-term perspectives.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
