PRESS RELEASE

Payment of Interest on own Capital

Rio de Janeiro, June 24, 2009 PETRÓLEO BRASILEIRO S/A - PETROBRAS, informs that, the Board of Directors, meeting today, approved an anticipated payment of interest on own capital to its shareholders, in accordance with Brazilian legislation (Article 9 of Law 9,249/95 and Decrees nº 2,673/98 and 3,381/00).

The amount of R\$ 2,632 million to be distributed, corresponding to a gross value of R\$ 0.30 per common and preferred shares, is being accrued in our Financial Statements on June 30, 2009. Payment date has not been set, but will be no later than December 31, based on the shareholding position as of July 03, 2009.

The shares will be negotiated ex-interest on capital from July 6, 2009.

This interest on own capital, restated at the Brazilian Interest Rate SELIC from the payment date to the end of 2009 fiscal year, will be offset against the remuneration (dividends plus interest on own capital) to be paid related to the 2009 fiscal earnings and will be subject to withhold income tax of 15% (fifteen per cent) except to the exempt shareholders.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
