Bradesco concludes pricing for an issuance of US\$750m subordinated notes

Dear Sir or Madam:

Banco Bradesco (BOVESPA: BBDC3, BBDC4; NYSE: BBD and Latibex: XBBDC) hereby confirms that it has concluded pricing terms for an issuance of US\$750m 6.75% subordinated notes due 2019 (the notes). The notes will be issued by Banco Bradesco S.A., acting through its Grand Cayman branch. The net proceeds of the notes will be used for general corporate purposes. Subject to the approval of the Central Bank of Brazil, we intend to treat the net proceeds as Tier 2 regulatory capital. The proposed issue date of the notes is September 29, 2009.

The notes have not been and will not be registered under the Securities Act of 1933, as amended, or under any state securities laws. The notes may not be offered or sold (a) in the United States absent registration or an applicable exemption from registration under the Securities Act, or (b) in any other jurisdiction in which such offer or sale is prohibited. The notes were offered only to qualified institutional buyers as defined in Rule 144A under the Securities Act and to non-U.S. persons outside the United States in compliance with Regulation S under the Securities Act.

Cordially,

Banco Bradesco S.A.
Jean Phillippe Leroy
Department Director

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
