### **Gás Brasileiro Acquisition Closing**

Rio de Janeiro, July 29, 2011, Petróleo Brasileiro S.A. – Petrobras announces that, as informed to the market on May 27, 2010 press release, it has executed through its subsidiary Petrobras Gás S.A. (“Gaspetro”), a contract to acquire the totality of the shares of Gas Brasileiro Distribuidora S.A. (“GBD”) from ENI International B.V. by the amount of US\$ 250 million, subject to adjustments based on the company’s working capital on the transaction’s settlement date.

GBD has concession of natural gas distribution activities in the Northeastern part of the state of São Paulo, in an area that encompasses 375 municipalities and satisfies the region’s industrial, commercial, residential and transportation needs. The concession contract began in December 1999 with a 30-year period of duration, and may be extended by an additional 20 years. In 2010, the company’s distribution network reached 750 km and the sales volume was approximately 650 thousand cubic meters of gas per day.

With authorization from the São Paulo State Sanitation and Energy Regulatory Agency (ARSESP) and execution of the amendment to GBD’s concession contract on July 18, 2011, all the preceding conditions have been met and the transaction was completed today.

GBD’s financial position indicates an additional working capital of US\$ 21 million. Thus, Gaspetro will pay US\$ 271 million to ENI International B.V., subject to a final adjustment related to the working capital as of July 31, 2011.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
