Information about partnership at Abreu e Lima Refinery

Rio de Janeiro, October 3, 2011, Petróleo Brasileiro S.A. – Petrobras announces the progress of the negotiations to bring about the participation of PDVSA do Brasil (PDVSA) at the Abreu e Lima Refinery (RNEST).

According to the Press Release disclosed by the Company on September 13, 2011, negotiations are underway and in order to proceed forward PDVSA needs to acquire 40% of RNEST shares and assume 40% of the debt contracted with BNDES (Brazilian Development Bank).

On September 30, 2011, the Company received a favorable opinion from BNDES, which considered acceptable the bank guaranties offered by PDVSA to partially replace the guaranty provided by Petrobras. Approval is conditioned on the presentation of the instruments, which will formalize the bank guaranties in satisfactory terms for BNDES.

Petrobras further announces that the deadline of November 30, 2011 was negotiated with PDVSA for the conclusion of all the necessary negotiations in order for PDVSA to enter the joint venture.

Petrobras will disclose all information relating to PDVSA's entry as a member at RNEST in a timely manner.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
