Forward-Looking Statements:

Certain statements in this press release may include, in addition to historical information, forward-looking statements within the meaning of the safe-harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995.

Forward-looking statements can generally be identified by the use of forward-looking terminology, such as may, will, expect, intend, estimate, anticipate, believe project, or continue or the negative thereof or other similar words, although not all forward-looking statements will contain these words. These forward-looking statements are based on our current assumptions, expectations and projections about future events. All forward-looking statements involve risks and uncertainties that may cause our actual performance, financial condition or results of operations to be materially different from those suggested by the forward-looking statements, including, but not limited to, our ability to diversify revenue; our ability to collect, and in a timely manner, license fees and royalty payments from overseas licensees; our ability to acquire, develop, license, launch, market or operate commercially successful online games; our ability to compete effectively in a highly competitive industry; our ability to anticipate and access technological developments in our industry; our ability to recruit and retain quality employees as we grow; our ability to implement our growth strategies; and economic and political conditions globally. Investors should consider the information contained in our submissions and filings with the United States Securities and Exchange Commission (the SEC), including our registration statement on Form F-1, as amended, and our annual report on Form 20-F, together with such other documents and we may submit to or file with the SEC from time to time, including on Form 6-K. The forward-looking statements speak only as of this press release and we assume no duty to update them to reflect new, changing or unanticipated events or circumstances.
