On December 4, 2007, the Compensation Committee of the Board of Directors of Digital Angel Corporation (the Company or Digital Angel) approved an increase in compensation for Lorraine Breece, the Company's Acting Chief Financial Officer, Vice President, and Treasurer and Applied Digital Solutions, Inc.'s (Applied Digital) Senior Vice President, Acting Chief Financial Officer, Chief Accounting Officer, Treasurer and Assistant Secretary. Ms. Breece's salary was increased from \$150,000 per year to \$210,000 per year and the Compensation Committee confirmed that she is eligible to receive a 60% of base salary target bonus under the Company's Incentive Bonus Plan, consistent with other Company executives.

The issuance of any severance benefit is subject to the execution of a general release by Ms. Breece at the time of separation. The Company reserved the right pay the target bonus portion of the severance payment as a lump sum, or in Company common stock, which would be subject to price protection for three months following the issuance.

Pursuant to a reimbursement arrangement between the Company and Applied Digital, the Company reimburses Applied Digital for one-half of Ms. Breece's compensation.
