(847) 446-0245. 3 SUMMARY This summary highlights selected information in this proxy statement/prospectus and may not contain all of the information that is important to you. To understand the merger more fully, you should read this entire document carefully, including the annexes and the documents referred to in this proxy statement/prospectus. A list of the documents incorporated by reference appears on page 49. INFORMATION ABOUT WINTRUST AND NORTHVIEW WINTRUST FINANCIAL CORPORATION (See page 20) 727 North Bank Lane Lake Forest, Illinois 60045 (847) 615-4096 Wintrust Financial Corporation, an Illinois corporation, is a financial holding company headquartered in Lake Forest, Illinois. Wintrust operates ten community banks, all located in the Chicago metropolitan area, which provide community-oriented, personal and commercial banking services primarily to individuals and small to mid-size businesses through 42 banking facilities as of June 30, 2004. Wintrust also provides wealth management services through its trust company, investment adviser and broker-dealer subsidiaries to customers located primarily in the Midwest, as well as to customers of its banks. In addition, Wintrust is involved in specialty lending through a number of operating subsidiaries or divisions of certain of its banks. As of June 30, 2004, Wintrust had consolidated total assets of \$5.33 billion, deposits of \$4.32 billion and shareholders' equity of \$374 million. Wintrust's common stock trades on the Nasdaq National Market under the symbol "WTFC." NORTHVIEW FINANCIAL CORPORATION (See page 21) 245 Waukegan Road Northfield, Illinois 60093 (847) 446-0245 Northview Financial Corporation, an Illinois corporation, is a bank holding company headquartered in Northfield, Illinois. Its primary business is operating its bank subsidiary, Northview Bank and Trust, an Illinois chartered bank with offices in Northfield, Mundelein and Wheaton, Illinois, and its indirect subsidiary, Northview Mortgage, LLC, an Illinois limited liability company. Northview Mortgage is a mortgage broker and does not originate mortgage loans. In addition to Northview Bank and Northview Mortgage, Northview conducts limited business activities through 245 Waukegan Road, L.P., an Illinois limited partnership. We sometimes refer to all of Northview's subsidiaries as the "subsidiaries." As of June 30, 2004, Northview had consolidated total assets of approximately \$343.9 million, deposits of \$311.9 million and shareholders' equity of \$19.7 million. Northview is not a public company and, accordingly, there is no established trading market for Northview's common stock. THE MERGER AND THE MERGER AGREEMENT (See pages 20-42) Wintrust's acquisition of Northview is governed by a merger agreement. The merger agreement provides that, if all of the conditions set forth in the merger agreement are satisfied or waived, Northview will be merged with and into Wintrust and will cease to exist. After the consummation of the merger, Northview Bank will become a wholly owned subsidiary of Wintrust. We encourage you to read the merger agreement, which is included as Annex A to this proxy statement/prospectus. REASONS FOR THE MERGER (See pages 25-26) Northview's board of directors determined that the merger agreement and the merger consideration were in the best interests of Northview and its shareholders and unanimously recommends that Northview's shareholders vote in favor of approval and adoption of the merger agreement and the transactions contemplated therein. 4 In its deliberations and in making its determination, Northview's board of directors considered many factors, including, without limitation, the following: o The opinion of its financial advisor that the merger consideration was fair to Northview's shareholders from a financial point of view, and the relationship between the merger consideration and the historical and current value of Northview's common stock; o The results of operations, overall financial condition and management of Northview Bank and Wintrust; o General banking conditions, including bank merger and acquisition activity, and the competitive environment for community banks; o The effects of the proposed merger on Northview's employees and its customers; o The support of Northview's principal shareholders for the proposed merger and their willingness to enter into a voting agreement; o Future economic conditions and their potential impact on Northview Bank's profitability as well as increasing competition in Northview Bank's market areas; and o The fact that Wintrust is a publicly traded company with greater access to capital and managerial resources than Northview. Wintrust's board of directors concluded that the merger is in the best interests of Wintrust and its shareholders. In deciding to approve the merger, Wintrust's board of directors considered a number of factors, including: o management's view that the acquisition of Northview provides an attractive opportunity to expand into certain suburban communities within the Chicago metropolitan area in which Wintrust does not currently operate and which management considers to be desirable markets; o Northview's community banking orientation and its compatibility with Wintrust and its subsidiaries; o a review of the demographic, economic and financial characteristics of the markets in which Northview operates, including existing and potential competition and history of the market areas with respect to financial institutions; o management's review of Northview's business, operations, earnings and financial condition, including its management, capital levels and asset quality, since its de novo

formation in 1993; and o the likelihood of regulators approving the merger without undue conditions or delay.

**BOARD RECOMMENDATION TO NORTHVIEW SHAREHOLDERS** (See page 25) Northview's board of directors believes that the merger of Northview with Wintrust is in the best interests of Northview and Northview's shareholders. **NORTHVIEW'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE MERGER.**

**FAIRNESS OPINION OF NORTHVIEW'S FINANCIAL ADVISOR** (See page 26) In deciding to approve the merger, Northview's board of directors considered, among other things, the opinion of William Blair & Company, L.L.C. that the merger consideration is fair, from a financial point of view, to the holders of Northview common stock. You should read the full text of the fairness opinion, which is attached to this proxy statement/prospectus as Annex D, to understand the assumptions made, limits of the reviews undertaken and other matters considered by William Blair & Company, L.L.C. in rendering its opinion.

**5 NORTHVIEW SPECIAL MEETING** (See page 18) The special meeting of shareholders will be held at the offices of Northview Bank and Trust, located at 245 Waukegan Road, Northfield, Illinois on September 15, 2004 at 5:00 p.m., Chicago time. Northview's board of directors is soliciting proxies for use at the special meeting. At the special meeting, Northview shareholders will be asked to vote on a proposal to approve the merger agreement.

**RECORD DATE FOR THE SPECIAL MEETING; REVOCABILITY OF PROXIES** (See page 18) You may vote at the special meeting if you own shares of Northview common stock of record at the close of business on August 13, 2004. You will have one vote for each share of Northview common stock you owned on that date. You may revoke your proxy at any time before the vote at the special meeting.

**VOTE REQUIRED** (See page 18) To approve the merger, at least two-thirds of the voting power of the shares of Northview common stock entitled to vote at the meeting must be voted in favor of the merger agreement. To satisfy the quorum requirements set forth in Northview's by-laws, shareholders holding at least a majority of the voting power of the outstanding shares of Northview common stock entitled to vote at the special meeting must be present in person or by proxy at the special meeting. Shareholders may vote their shares in person at the special meeting or by signing and returning the enclosed proxy form. All of Northview's directors who own shares of Northview common stock have committed to vote their shares in favor of the merger. At the record date, these shareholders owned, directly or indirectly, 63,285 shares, constituting approximately 38% of the shares entitled to vote at the meeting. See "Description of the merger--Voting agreements" on page 33.

**WHAT NORTHVIEW SHAREHOLDERS WILL RECEIVE IN THE MERGER** (See page 34) If the merger is completed, each share of Northview common stock that you own immediately before the completion of the merger will be converted into the right to receive shares of Wintrust common stock, plus cash in the amount of \$123.75. For each of your shares of Northview common stock, you will receive a number of shares of Wintrust common stock equal to the "per share stock consideration" to be calculated as set forth in the merger agreement. The per share stock consideration will be determined by dividing \$151.25 (55% of the aggregate per share merger consideration of \$275) by the average of the high and low sales prices of Wintrust's common stock during the 10-day trading period ending two trading days before the merger closing date, if the average price is at least \$42.80 per share but not more than \$52.80 per share. If the average price of Wintrust's common stock during this period is less than \$42.80, you will receive 3.534 shares of Wintrust common stock for each share of Northview common stock that you own, and if such average price of Wintrust's common stock is greater than \$52.80 per share, you will receive 2.865 shares of Wintrust common stock for each share of Northview common stock that you own. In effect, the merger agreement provides that the average high and low per share price of Wintrust's common stock to be used in determining the per share stock consideration may not be higher than \$52.80 nor less than \$42.80. Within that price range, the per share stock consideration varies as the average price of Wintrust's common stock changes so that the per share value of merger consideration which Northview shareholders receive remains constant and the number of Wintrust shares you receive will change. However, if the average price of Wintrust's common stock is outside of that range, then the per share stock consideration does not change as Wintrust's stock price changes. As a result, if the average price of Wintrust's common stock is less than \$42.80, then you will receive a lower per share value of merger consideration at closing than you would receive if the average price of Wintrust's common stock is within or above the range, but if the average price of Wintrust's common stock is greater than \$52.80, then you will receive a higher per share value of merger consideration at closing than you would receive if the average price of Wintrust's common stock is within or below the range. Northview shareholders will not receive fractional shares of Wintrust common stock. Instead, they will receive a cash payment for any fractional shares based on the value of Wintrust common stock determined in the manner described above.

**6** Five days prior to the closing date of the merger, Illinois Stock Transfer Company,

Wintrust's exchange agent, will mail you materials and instructions for exchanging your Northview stock certificates for Wintrust stock certificates. You should not send in your Northview stock certificates until you receive the transmittal materials and instructions from the exchange agent. Additionally, if Northview's "closing adjusted net equity" is greater than its "base adjusted net equity" (both terms as defined in the merger agreement) as of two business days prior to the closing date, then Northview shareholders will be entitled to a special dividend equal, in the aggregate, to 50% of the amount of the excess. Northview will not be able to definitively determine the amount of the dividend, if any, until the second business day prior to the closing date. Northview will pay the special dividend prior to the closing date. REGULATORY APPROVALS (See page 32) The merger cannot be completed until Wintrust receives the necessary regulatory approval of each of the Board of Governors of the Federal Reserve System, or the Federal Reserve, and the Illinois Department of Financial & Professional Regulation or the IDFPFR (formerly known as the Illinois Office of Banks and Real Estate). Wintrust submitted an application to the Federal Reserve Bank of Chicago seeking approval of the merger, which was approved on July 13, 2004. Wintrust also filed the required notice with the IDFPFR. Wintrust must also file applications with the IDFPFR and the Florida Department of Financial Services to become the indirect owner of Northview Mortgage. NEW WINTRUST SHARES WILL BE ELIGIBLE FOR TRADING ON NASDAQ (See page 42) The shares of Wintrust common stock to be issued in the merger can be traded on the Nasdaq National Market. CONDITIONS TO THE MERGER (See page 39) The completion of the merger is subject to the fulfillment of a number of conditions, including: o approval of the merger agreement at the special meeting by at least two-thirds of the voting power of the shares of Northview common stock entitled to vote at the meeting; o no more than 10% of Northview's shareholders shall have exercised their dissenters' rights under Illinois law; o approval of the transaction by the appropriate regulatory authorities, including the Federal Reserve, and IDFPFR, and expiration or termination of all waiting periods required by law; o maintenance by Northview of certain minimum net worth and shareholders' equity requirements; and o the representations and warranties made by the parties in the merger agreement must be materially true and correct as of the effective date of the merger or as otherwise required in the merger agreement. TERMINATION (See page 40) Subject to conditions and circumstances described in the merger agreement, either Wintrust or Northview may terminate the merger agreement if, among other things, any of the following occur: o the merger is not completed by December 31, 2004 (or March 31, 2005, if there is a delay due to regulatory approval); o in certain circumstances, if a condition to the merger has become impossible to satisfy; o a party has materially breached the merger agreement and failed to cure the breach; o the holders of at least two-thirds of the voting power of Northview common stock do not approve the merger; or 7 o in certain circumstances, if Northview has received a superior offer to sell to a third party. Additionally, subject to the satisfaction of certain conditions, Wintrust may terminate the merger agreement if the "closing adjusted net equity" of Northview is less than or equal to its "minimum net equity." Northview's "closing adjusted net equity" and "minimum net equity" will be determined in accordance with the applicable provisions of the merger agreement. TERMINATION FEE (See page 41) Under certain circumstances described in the merger agreement, Wintrust may be owed a \$1,000,000 termination fee from Northview if the transaction is not consummated. See "Description of the merger agreement--Termination fee." INTERESTS OF OFFICERS AND DIRECTORS IN THE MERGER THAT ARE DIFFERENT THAN YOURS (See page 32) You should be aware that some of Northview's directors and officers may have interests in the merger that are different from, or in addition to, their interests as shareholders. Northview's board of directors was aware of these interests and took them into account in approving the merger. For example, the merger agreement obligates certain officers of Northview and Northview Bank to enter into employment agreements with Wintrust, and certain of Northview's executive officers are entitled to receive bonuses, totaling \$1.2 million in the aggregate, in connection with and at the closing of the merger. Wintrust is also obligated under the merger agreement to provide continuing indemnification to Northview's and Northview Bank's directors and officers, and to provide such directors and officers with directors' and officers' liability insurance for a period of five years following the merger, subject to certain conditions set forth in the merger agreement. VOTING AGREEMENTS (See page 33) All of Northview's directors who are shareholders of Northview have agreed to vote all of their shares of common stock in favor of the merger agreement at the special meeting. Together, they own, directly or indirectly, approximately 38% of Northview's outstanding shares of common stock. These voting agreements terminate if the merger agreement is terminated in accordance with its terms. A copy of the form of voting agreement is attached to this proxy statement/prospectus as Annex C. ACCOUNTING TREATMENT OF THE MERGER (See page 30) The merger will be accounted for as a purchase transaction in accordance with accounting principles generally accepted in

the United States. CERTAIN DIFFERENCES IN SHAREHOLDER RIGHTS (See page 42) When the merger is completed, Northview shareholders, whose rights are governed by Illinois law and Northview's articles of incorporation and by-laws, automatically will become Wintrust shareholders, and their rights will continue to be governed by Illinois law, as well as Wintrust's articles of incorporation and by-laws, in addition to laws and requirements that apply to public companies. DISSENTERS' RIGHTS (See page 19) Northview shareholders may dissent from the merger and, upon complying with the requirements of Illinois law, receive cash in the amount of the fair value of their shares instead of the merger consideration. A copy of the section of the Illinois Business Corporation Act pertaining to appraisal rights is attached as Annex B to this proxy statement/prospectus. You should read the statute carefully and consult with your legal counsel if you intend to exercise these rights. 8 CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER (See page 30) Your receipt of shares of Wintrust common stock as part of the merger consideration generally will be tax-free for United States federal income tax purposes. However, you will recognize gain (but not loss) limited to the amount of cash you receive in the merger. Additionally, you will recognize gain or loss on any cash that you receive instead of fractional shares of Wintrust common stock. You should consult your tax adviser for a full understanding of the federal, state, local and foreign tax consequences of the merger to you. (1) Wintrust completed its acquisition of Lake Forest Capital Management Company on February 1, 2003. The results for the year ended December 31, 2003 include the results of Lake Forest Capital Management Company since that date. (2) Wintrust completed its acquisition of the Wayne Hummer Companies effective as of February 1, 2002. The results for the year ended December 31, 2002 include the results of the Wayne Hummer Companies since February 1, 2002. (3) In 2000, Wintrust recorded a \$4.3 million pre-tax charge (\$2.6 million after-tax) related to a fraudulent loan scheme perpetrated against its premium finance subsidiary. The amount of this charge was not included in loans charged-off because a lending relationship had never been established. In the first quarter of 2002, Wintrust recovered \$1.25 million (pre-tax) of this amount (\$754,000 after-tax). Additionally, in the fourth quarter of 2003, Wintrust recovered \$500,000 (pre-tax) of this amount (\$302,000 after tax). (4) Wintrust declared its first semi-annual dividend payment in January 2000. Dividend data reflected for the interim periods reflect semi-annual, not quarterly, dividends. (5) Certain financial ratios for interim periods have been annualized. (6) Non-interest expense less non-interest income divided by average total assets. 14 RISK

**FACTORS** In addition to the other information contained in or incorporated by reference into this proxy statement/prospectus, including the matters addressed under the caption "Caution About Forward-Looking Statements" on page 17, you should consider the following risk factors carefully in deciding whether to vote for the adoption of the merger agreement. **THERE IS FLUCTUATION IN THE TRADING MARKET OF WINTRUST'S COMMON STOCK AND THE MARKET PRICE OF THE COMMON STOCK YOU WILL RECEIVE IN THE MERGER IS UNCERTAIN.** You will receive Wintrust common stock in the merger. The number of shares you receive will depend on the average price of Wintrust common stock prior to the merger. Changes in the market price of Wintrust common stock may result from a variety of factors, including general market and economic conditions, the future financial condition and operating results of Wintrust, changes in Wintrust's business, operations and prospects and regulatory considerations, many of which are beyond Wintrust's control. The price of Wintrust common stock at completion of the merger may vary from its price on the date the merger agreement was signed, from its price on the date of this proxy statement/prospectus, from its price on the date of the special meeting and from the average price during the 10-day pricing period used to determine the number of shares you are to receive. You will not be entitled to receive additional cash or shares in the merger if the price of Wintrust common stock on the closing date of the merger is less than the average price during the pricing period. Because the merger will be completed after the date of the special meeting, at the time of the special meeting you will not know what the market value of the Wintrust common stock you will receive after the merger will be. See "Description of the merger agreement--Consideration to be received in the merger." Wintrust's common stock is traded on the Nasdaq National Market under the symbol "WTFC". The maintenance of an active public trading market depends, however, upon the existence of willing buyers and sellers, the presence of which is beyond Wintrust's control or the control of any market maker. In addition to the shares of Wintrust common stock to be issued in the merger, Wintrust also has shares of common stock covered by

resale registration statements and estimates that there are currently approximately up to 1,075,000 of those shares outstanding that have not yet been resold. These remaining shares may be freely sold from time to time in the market. The market price of Wintrust's common stock could drop significantly if shareholders sell or are perceived by the market as intending to sell large blocks of its shares. **NORTHVIEW'S SHAREHOLDERS WILL NOT CONTROL WINTRUST'S FUTURE OPERATIONS.** Together, Northview's shareholders own 100% of Northview and have absolute power to approve or reject any matters requiring shareholder approval under Illinois law and Northview's articles of incorporation and by-laws. After the merger, Northview shareholders will become owners of less than 3% of the outstanding shares of Wintrust common stock. Even if all former Northview shareholders voted together on all matters presented to Wintrust shareholders from time to time, the former Northview shareholders most likely would not have a significant impact on the approval or rejection of future Wintrust proposals submitted to a shareholder vote. **DE NOVO OPERATIONS AND BRANCH OPENINGS IMPACT WINTRUST'S PROFITABILITY.** Wintrust's financial results have been and will continue to be impacted by its strategy of de novo bank formations and branch openings. Wintrust has employed this strategy to build an infrastructure that management believes can support additional internal growth in its banks' respective markets. Wintrust opened its eighth de novo bank in April 2004, and expects to undertake additional de novo bank formations or branch openings as it expands into additional communities in and around Chicago. In addition, Wintrust's recent and pending acquisitions involve relatively recently formed de novo banks. Based on Wintrust's experience, its management believes that it generally takes from 13 to 24 months for new banks to first achieve operational profitability, depending on the number of branch facilities opened, the impact of organizational and overhead expenses, the start-up phase of generating deposits and the time lag typically involved in redeploying deposits into attractively priced loans and other higher yielding earning assets. However, it may take longer than expected or than the amount of time Wintrust has historically experienced for new banks and/or branch facilities to reach profitability, and there can be no guarantee that these new banks or branches will ever be profitable. To the extent Wintrust undertakes additional de novo bank, 15 branch and business formations, its level of reported net income, return on average equity and return on average assets will be impacted by start-up costs associated with such operations, and it is likely to continue to experience the effects of higher expenses relative to operating income from the new operations. These expenses may be higher than Wintrust expected or than its experience has shown. **WINTRUST'S ALLOWANCE FOR LOAN LOSSES MAY PROVE TO BE INSUFFICIENT TO ABSORB LOSSES THAT MAY OCCUR IN ITS LOAN PORTFOLIO.** Wintrust's allowance for loan losses is established in consultation with management of its operating subsidiaries and is maintained at a level considered adequate by management to absorb loan losses that are inherent in the portfolios. At June 30, 2004, Wintrust's allowance for loan losses was 191.34% of total nonperforming loans and 0.76% of total loans. The amount of future losses is susceptible to changes in economic, operating and other conditions, including changes in interest rates, that may be beyond its control, and such losses may exceed current estimates. Rapidly growing and de novo bank loan portfolios are, by their nature, unseasoned. As a result, estimating loan loss allowances for Wintrust's newer banks is more difficult, and, therefore, the banks may be more susceptible to changes in estimates, and to losses exceeding estimates, than banks with more seasoned loan portfolios. Although management believes that the allowance for loan losses is adequate to absorb losses that may develop in Wintrust's existing portfolios of loans and leases, there can be no assurance that the allowance will prove sufficient to cover actual loan or lease losses in the future. **WINTRUST'S PREMIUM FINANCE BUSINESS INVOLVES UNIQUE OPERATIONAL RISKS AND COULD EXPOSE IT TO SIGNIFICANT LOSSES.** Of Wintrust's total loans at June 30, 2004, 21%, or \$790.9 million, were comprised of commercial insurance premium finance receivables that it generates through First Insurance Funding Corporation. These loans, intended to enhance the average yield of earning assets of its banks, involve a different, and possibly higher, level of risk of delinquency or collection than generally associated with loan portfolios of more traditional community banks. First Insurance also faces unique operational and internal control challenges due to the relatively rapid turnover of the premium finance loan portfolio and high volume of new loan originations. The average term to maturity of these loans is less than 12 months, and the average loan size when originated is approximately \$30,000. Because Wintrust conducts lending in this segment primarily through relationships with a large number of unaffiliated insurance agents and because the borrowers are located nationwide, risk management and general supervisory oversight may be more difficult than in its banks. Wintrust may also be more susceptible to third party fraud. Acts of fraud are difficult to detect and deter, and Wintrust cannot assure investors that its risk management procedures and controls will prevent losses from fraudulent activity. For example, in the third quarter of 2000, Wintrust recorded a non-recurring after-tax

charge of \$2.6 million in connection with a series of fraudulent loan transactions perpetrated against First Insurance by one independent insurance agency located in Florida. Although Wintrust has since enhanced its internal controls system at First Insurance, it may continue to be exposed to the risk of significant loss in its premium finance business. Due to continued growth in origination volume of premium finance receivables, since the second quarter of 1999, Wintrust has been selling some of the loans First Insurance originates to an unrelated third party. Wintrust has recognized gains on the sales of the receivables, and the proceeds of sales have provided it with additional liquidity. Consistent with its strategy to be asset driven, Wintrust expects to pursue similar sales of premium finance receivables in the future; however, it cannot assure you that there will continue to be a market for the sale of these loans and the extent of Wintrust's future sales of these loans will depend on the level of new volume growth in relation to its capacity to retain the loans within its subsidiary banks' loan portfolios. Because Wintrust has a recourse obligation to the purchaser of premium finance loans that it sells, it could incur losses in connection with the loans sold if collections on the underlying loans prove to be insufficient to repay to the purchaser the principal amount of the loans sold plus interest at the negotiated buy-rate and if the collection shortfall on the loans sold exceeds Wintrust's estimate of losses at the time of sale. **WINTRUST MAY BE ADVERSELY AFFECTED BY INTEREST RATE CHANGES.** Wintrust's interest income and interest expense are affected by general economic conditions and by the policies of regulatory authorities, including the monetary policies of the Federal Reserve. Changes in interest rates may influence the growth rate of loans and deposits, the quality of the loan portfolio, loan and deposit pricing, the volume of loan originations in Wintrust's mortgage banking business and the value that Wintrust can recognize on the sale of mortgage loans in the secondary market. While Wintrust has taken measures intended to manage the risks of operating in a changing interest rate environment, there can be no assurance that such measures will be effective in avoiding undue interest rate risk. If market interest rates should move contrary to Wintrust's "gap" position on interest earning assets and interest-bearing liabilities, the "gap" will work against it and Wintrust's net interest income may be negatively affected. The success of Wintrust's covered call option program, which Wintrust has used in effect to hedge its interest rate risk, may also be affected by changes in interest rates. With the decline in interest rates over the last three years to historically low levels, Wintrust has been able to augment the total return of its investment securities portfolio by selling call options on fixed-income securities it owns. Wintrust recorded fee income of \$7.9 million during 2003, compared to \$6.0 million in 2002, from premiums earned on these covered call option transactions. During the first six months of 2004, Wintrust recorded fee income of \$4.6 million on these transactions. In a rising interest rate environment, particularly if the yield curve remains steep, the amount of premium income Wintrust earns on these transactions will likely decline. Wintrust's opportunities to sell covered call options may be limited in the future if rates continue to rise. **WINTRUST'S SHAREHOLDER RIGHTS PLAN AND PROVISIONS IN ITS ARTICLES OF INCORPORATION AND BY-LAWS MAY DELAY OR PREVENT AN ACQUISITION OF WINTRUST BY A THIRD PARTY.** Wintrust's board of directors has implemented a shareholder rights plan. The rights, which are attached to Wintrust's shares and trade together with its common stock, have certain anti-takeover effects. The plan may discourage or make it more difficult for another party to complete a merger or tender offer for Wintrust's shares without negotiating with Wintrust's board of directors or to launch a proxy contest or to acquire control of a larger block of Wintrust's shares. If triggered, the rights will cause substantial dilution to a person or group that attempts to acquire Wintrust without approval of its board of directors and, under certain circumstances, the rights beneficially owned by the person or group may become void. The plan also may have the effect of limiting shareholder participation in certain transactions such as mergers or tender offers whether or not such transactions are favored by Wintrust's incumbent directors and key management. In addition, Wintrust's executive officers may be more likely to retain their positions with the company as a result of the plan, even if their removal would be beneficial to shareholders generally. Wintrust's articles of incorporation and by-laws contain provisions, including a staggered board provision, that make it more difficult for a third party to gain control or acquire Wintrust without the consent of its board of directors. These provisions also could discourage proxy contests and may make it more difficult for dissident shareholders to elect representatives as directors and take other corporate actions. These provisions of Wintrust's governing documents may have the effect of delaying, deferring or preventing a transaction or a change in control that might be in the best interest of Wintrust's shareholders. **CAUTION ABOUT FORWARD-LOOKING STATEMENTS** Certain statements contained in this document, including information incorporated into this document by reference, that are not historical facts may constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, or the Securities Act, and Section 21E of the Securities Exchange Act

of 1934, as amended, or the Securities Exchange Act, and are intended to be covered by the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. The sections of this document which contain forward-looking statements include, but are not limited to, "Questions and answers about the merger," "Summary," "Risk Factors," "Description of the merger--Background of the merger," "Description of the merger--Wintrust's reasons for the merger" and "Description of the merger--Northview's reasons for the merger and recommendation of the board of directors." You can identify these statements from our use of the words "may," "will," "should," "could," "would," "plan," "potential," "estimate," "project," "believe," "intend," "anticipate," "expect," "target" and similar expressions. These forward-looking statements include statements relating to: o Wintrust's goals, intentions and expectations; 17 o Wintrust's business plans and growth strategies; and o estimates of Wintrust's risks and future costs and benefits. These forward-looking statements are subject to significant risks, assumptions and uncertainties, and could be affected by many factors including, among other things, the risks and other factors set forth in the "Risk Factors" section beginning on page 15 as well as changes in economic conditions, competition, or other factors that may influence the anticipated growth rate of loans and deposits, slower than anticipated development and growth of Tricom and the trust and investment business, unanticipated changes in the temporary staffing industry, the ability to adapt successfully to technological changes to compete effectively in the marketplace, competition and the related pricing of brokerage and asset management products and Wintrust's ability to pursue acquisitions and expansion. Because of these and other uncertainties, Wintrust's actual results, performance or achievements, or industry results, may be materially different from the results indicated by these forward-looking statements. In addition, Wintrust's past results of operations do not necessarily indicate Wintrust's future results. You should not place undue reliance on any forward-looking statements, which speak only as of the dates on which they were made. Wintrust is not undertaking an obligation to update these forward-looking statements, even though its situation may change in the future, except as required under federal securities law. Wintrust qualifies all of its forward-looking statements by these cautionary statements. Further information on other factors which could affect the financial results of Wintrust before and after the merger is included in Wintrust's filings with the SEC, incorporated by reference into this proxy statement/prospectus. See "Where You Can Find More Information" on page 48.

**SPECIAL MEETING OF NORTHVIEW SHAREHOLDERS DATE, PLACE, TIME AND PURPOSE** Wintrust's and Northview's boards of directors are sending you this proxy statement/prospectus and proxy form to use at the special meeting. At the special meeting, the Northview board of directors will ask you to vote on a proposal to approve the merger. Northview and Wintrust will share equally the costs associated with the solicitation of proxies for the special meeting. The special meeting will be held at the offices of Northview Bank and Trust, located at 245 Waukegan Road, Northfield, Illinois, on September 15, 2004 at 5:00 p.m., Chicago time.

**RECORD DATE, VOTING RIGHTS, QUORUM AND REQUIRED VOTE** Northview has set the close of business on August 13, 2004, as the record date for determining the holders of its common stock entitled to notice of and to vote at the special meeting. Only Northview shareholders at the close of business on the record date are entitled to notice of and to vote at the special meeting. As of the record date, there were 165,880 shares of Northview common stock outstanding and entitled to vote at the special meeting. There must be at least a majority of the voting power of Northview's shares entitled to vote, present in person or by proxy, at the special meeting in order for the vote on the merger to occur. Approval of the merger agreement will require the affirmative vote of at least two-thirds of the voting power of Northview's shares entitled to vote at the meeting. Certain shareholders of Northview, whose aggregate direct and indirect ownership represents approximately 38% of Northview's outstanding shares, have committed to vote their shares in favor of the merger. Wintrust does not own any shares of Northview common stock. See "Description of the merger--Voting agreements" on page 33 for a description of the provisions of the voting agreement. Abstentions from voting will have the same effect as voting against the merger agreement.

**VOTING AND REVOCABILITY OF PROXIES** You may vote in person at the special meeting or by proxy. To ensure your representation at the special meeting, we recommend you vote by proxy even if you plan to attend the special meeting. You can always change your vote at the meeting. 18 Voting instructions are included on your proxy form. If you properly complete and timely submit your proxy, your shares will be voted as you have directed. You may vote for, against, or abstain with respect to the approval of the merger. If you are the record holder of your shares and submit your proxy without specifying a voting instruction, your shares will be voted "FOR" approval of the merger agreement. You may revoke your proxy before it is voted by: o filing with Northview's secretary a duly executed revocation of proxy; o submitting a new proxy with a later date; or o voting in person at the special meeting. Attendance at the special meeting will not, in and of itself, constitute a revocation of a proxy. All written notices of

revocation and other communication with respect to the revocation of proxies should be addressed to: Northview Financial Corporation, 245 Waukegan Road, Northfield, Illinois, 60093, Attention: Secretary. DISSENTERS' RIGHTS Under Illinois law, you are entitled to exercise dissenters' rights and obtain a cash payment for your shares as a result of Wintrust's acquisition of Northview, provided that you comply with the provisions of Sections 11.65 and 11.70 of the Illinois Business Corporation Act, or the IBCA. A copy of those sections are attached as Annex C and incorporated in this proxy statement/prospectus by reference. If you comply with the provisions of Section 11.70 of the IBCA, then, upon consummation of the merger, you are entitled to receive payment from Wintrust for the fair value of your shares, with accrued interest. The term "fair value" means the value of the shares immediately before the merger closing excluding any appreciation or depreciation in anticipation of the merger, unless the exclusion would be inequitable. If Wintrust and you cannot agree on the fair value of your shares or the accrued interest, then the IBCA provides for a judicial determination of these amounts. The value determined by an Illinois court may be more or less than the value you are entitled to under the merger agreement. If you desire to exercise dissenters' rights, you should refer to the statute in its entirety and should consult with legal counsel before taking any action to ensure that you comply strictly with the applicable statutory provisions. In summary, to exercise dissenters' rights, you must do all of the following: o deliver to Northview a written demand for payment of your shares before the vote on the merger is taken; o not vote in favor of the merger; note, however, that a vote, in person or by proxy, against approval and adoption of the merger agreement will not constitute a written demand for appraisal; and o continue to hold your shares of Northview common stock through the effective time of the merger. Your failure to vote against the proposal to adopt the merger agreement will not constitute a waiver of your dissenters' rights under the IBCA. Also, a vote against approval of the merger agreement will not by itself be sufficient to satisfy your obligations if you are seeking an appraisal. You must follow the procedures set forth in Section 11.70 of the IBCA to obtain dissenters' rights. Each outstanding share of Northview common stock for which a legally sufficient demand in accordance with Section 11.70 of the IBCA has been made and that was not voted in favor of approval of the merger will, after the effective time of the merger, represent only the rights of a dissenting shareholder under the IBCA. This includes the right to obtain payment for the estimated fair value of those shares as provided under the IBCA. If you make a legally sufficient demand, within ten days after the effective date of the merger or 30 days after you have delivered your written demand for payment, whichever is later, Wintrust will send to you a statement setting forth its opinion as to the fair value of your shares, as well as certain financial statements and a commitment to pay to you the estimated fair value for your shares. If you do not agree with the opinion of Wintrust as to the estimated fair value of the shares, then within 30 days of your receipt of Wintrust's valuation statement, you must 19 notify Wintrust of your estimated fair value of your shares and demand the difference between your estimated fair value and the amount of the payment by Wintrust. If, within 60 days from delivery of Wintrust's notice to the dissenting shareholders, you and Wintrust have not agreed in writing to the fair value of the shares, Wintrust either will pay the difference in value demanded by you, or file a petition in the circuit court requesting the court to determine the fair value of the shares. Wintrust will be required to then make all dissenters to the merger a party to this proceeding. If Wintrust does not commence the action, you are permitted by law to commence an action. In a proceeding brought by Wintrust to determine value, the court will determine the costs of the proceeding, including the reasonable compensation of expenses of the appraisers appointed by the court and excluding fees and expenses of counsel and experts for the respective parties. If the fair value of the shares, as determined by the court, materially exceeds the price that Wintrust estimated to be the fair value of the shares or, if no estimate was given, then all or any part of the costs may be assessed against Wintrust. If the amount that any dissenter estimated to be the fair value of the shares materially exceeds the fair value of the shares, as determined by the court, then all or any part of the costs may be assessed against that dissenter. The costs may be awarded to the dissenter if the court finds that Wintrust did not substantially comply with the procedure to dissent in the statute. In addition, costs can be assessed against either party if the court finds that that party acted arbitrarily or not in good faith with respect to the dissenter's rights. A share for which you have properly exercised your dissenters' rights and followed the correct procedures in the IBCA will not be converted into, or represent, a right to receive Wintrust common stock and cash as provided under the merger agreement. Any of these shares will not, after the effective time of the merger, be entitled to vote for any purpose or receive any dividends or other distributions. If, however, you, as the holder of the shares, fail to properly perfect, effectively withdraw, waive or lose, or otherwise become ineligible to exercise dissenting shareholder's rights under the IBCA, then at that time the shares held by you will be converted into Wintrust common stock and cash as provided in the merger agreement.

**DESCRIPTION OF THE MERGER** The following information describes certain aspects of the merger. The merger agreement, which you should read carefully, is attached as Annex A to this proxy statement/prospectus, and incorporated herein by reference. **GENERAL** When the merger is consummated, Northview will merge with and into Wintrust and will cease to exist. Wintrust will survive the merger and Northview Bank will become a wholly-owned subsidiary of Wintrust. At the effective time of the merger, holders of Northview common stock will exchange their shares for shares of Wintrust common stock and cash. Each share of Northview common stock will be exchanged for a number of Wintrust shares equal to the "per share stock consideration" which cannot be determined until two trading days before completion of the merger. See "Description of the merger agreement--Consideration to be received in the merger" for a detailed description of the method for determining the per share stock consideration. Only whole shares of Wintrust common stock will be issued in the merger. As a result, cash will be paid instead of any fractional shares. Shares of Northview common stock held by Northview shareholders who elect to exercise their dissenters' rights will not be converted into Wintrust common stock and cash. **THE COMPANIES** Business of Wintrust--General Wintrust Financial Corporation, an Illinois corporation, is a financial holding company headquartered in Lake Forest, Illinois. Wintrust operates ten community banks, all located in the Chicago metropolitan area, which provide community-oriented, personal and commercial banking services primarily to individuals and small to mid-size businesses through 42 banking facilities as of June 30, 2004. Wintrust also provides wealth management 20 services through its trust company, investment adviser and broker-dealer subsidiaries to customers, primarily in the Midwest, as well as to customers of its banks. In addition, Wintrust is involved in specialty lending through a number of operating subsidiaries or divisions of certain of its banks. Its specialty lending niches include commercial insurance premium finance, accounts receivable financing and administrative services to the temporary staffing industry and indirect auto lending in which Wintrust purchases loans through Chicago-area automobile dealerships. As of June 30, 2004, Wintrust had consolidated total assets of \$5.33 billion, deposits of \$4.32 billion and shareholders' equity of \$374.0 million. Financial and other information relating to Wintrust, including information relating to Wintrust's current directors and executive officers, is set forth in Wintrust's 2003 Annual Report on Form 10-K, Wintrust's Proxy Statement for its 2004 Annual Meeting of Shareholders filed with the SEC on April 23, 2004, Wintrust's Quarterly Reports on Form 10-Q for each of the quarters ended March 31, 2004 and June 30, 2004 and Wintrust's Current Reports on Form 8-K filed during 2004, which are incorporated by reference to this proxy statement/prospectus. Copies of these documents may be obtained from Wintrust as indicated under "Where You Can Find More Information" on page 48. See "Incorporation of Certain Information by Reference" on page 49. **Business of Wintrust--Recent Developments** On June 14, 2004, Wintrust announced the signing of a definitive agreement to acquire Town Bankshares, Ltd. ("Town Bankshares") in a merger transaction. Town Bankshares is the parent company of Town Bank which has locations in Delafield and Madison, Wisconsin. Town Bank began operations as a de novo bank in 1998 as Delafield State Bank and had total assets of approximately \$234.3 million as of June 30, 2004. In the proposed merger, each share of Town Bankshares' outstanding common stock will be converted into the right to receive cash and a number of shares of Wintrust's common stock to be determined based on Wintrust's average trading price at closing determined in accordance with the merger agreement. The aggregate per share consideration equates to approximately \$129.10, subject to possible adjustment depending on Wintrust's average trading price at closing. At June 30, 2004, Town Bankshares had outstanding 298,206 shares of common stock and in-the-money options to acquire approximately 41,000 shares of common stock at exercise prices ranging from \$50.00 to \$60.00 per share, with a weighted average exercise price of approximately \$57.41. The merger is expected to close by the early part of the fourth quarter of 2004 and is not expected to have a material effect on Wintrust's 2004 earnings per share. **Business of Northview** Northview Financial Corporation, an Illinois corporation, is a bank holding company headquartered in Northfield, Illinois. Its primary business is operating its bank subsidiary, Northview Bank and Trust, an Illinois chartered bank with offices in Northfield, Mundelein and Wheaton, Illinois and its indirect subsidiary, Northview Mortgage, LLC, an Illinois limited liability company. Northview Mortgage is a mortgage broker. It does not originate mortgage loans. In addition to Northview Bank and Northview Mortgage, Northview conducts limited business activities through 245 Waukegan Road, L.P., an Illinois limited partnership. We sometimes refer to all of Northview's subsidiaries as the "subsidiaries." As of June 30, 2004, Northview had consolidated total assets of approximately \$343.9 million, deposits of \$311.9 million and shareholders' equity of \$19.7 million. **BACKGROUND OF THE MERGER** Northview is a bank holding company headquartered in Northfield, Illinois. Its primary business is operating Northview Bank with two offices located in Northfield, one in Mundelein and one in Wheaton, Illinois.

Northview Bank was organized in 1992 by a group of prominent local businessmen led by Eugene E. White and Blair K. Robinson. In the 1970's and 1980's, the primary investors of Northview successfully organized and operated a five-bank holding company called Charter Bank Group. The Charter Bank Group consisted of banks in Northfield, Glenview, Wheaton, Clarendon Hills and Winfield, Illinois. The banks were subsequently sold to NBD Bancorp in 1988. Almost without exception, the investors in Charter Group decided to invest in the new Northview chaired by Mr. White with Mr. Robinson as its president. Mr. Robinson had previously been senior vice president of the Bank 21 of Northfield, one of the Charter Bank Group banks, and subsequently served as president of the Bank of Glenbrook, also a Charter Bank Group bank. In the early 1990's, Mr. White, Mr. Robinson and the investor group saw the potential and need for small community banks that aggressively pursue the strategy of offering personalized service to their customers. Mr. White assembled a board of directors at Northview with strong ties to the community and Mr. Robinson, with his personal banking experience and relationships in Glenview and Northfield, built a staff focused on successful community banking. Northview Bank prospered as a de novo institution and by the end of 2003 had grown to \$340 million in assets, \$283 million in deposits, with \$19 million of shareholders' equity. As Northview and Northview Bank grew, it began to strain the capabilities of Messrs. White and Robinson in terms of their management time. In February 2003, Northview's board of directors began to consider how Northview and Northview Bank could be best positioned strategically for the future. Considerations included providing positive returns on investment, the potential for future appreciation and the ability to provide liquidity for shareholders. Over the next few months, Northview's board considered various scenarios on how to grow the bank and maintain its community banking focus. Board members expressed concern over the cost and challenges associated with achieving the bank's aggressive earnings and growth objectives. The board of directors of Northview and Northview Bank were proud of the bank's record and believed it had the financial resources to succeed independently, and some of the directors favored this path. Other Northview directors believed the current active merger and acquisition market provided the opportunity to merge with a banking institution with a larger, stronger and more diversified business profile as a strategic alternative. All of Northview's directors were interested in determining what amount of additional capital would be required to fund the cost of restructuring in order to position Northview for continued growth. In July 2003, Northview received an unsolicited cash offer from an outside investor group to purchase at least 75% of its outstanding common stock at a price of \$275 per share. The offer was discussed at several board meetings and ultimately rejected, primarily because Northview's board believed that the shares remaining outstanding would likely have limited upside potential and restricted marketability. Furthermore, Northview's board recognized that a cash-only transaction would have serious tax consequences for Northview's shareholders. It was during this period that representatives of Wintrust and Northview began informal discussions about a possible combination of the two companies. In September 2003, Northview's board of directors discussed the topic of the sale of Northview Bank among the possible strategic alternatives. Several of Northview's directors expressed the desire to know what the bank was worth, given the current robust merger and acquisition market for community banks in the greater Chicago area. These directors were aware of an active market for bank sales including to recent acquisitions announced by Wintrust as well as those recently announced by other local banking institutions. Representatives of Vedder Price and Grant Thornton LLP ("Grant Thornton"), Northview's outside legal counsel and independent public accountants, respectively, were at this board meeting and expressed the view that the board should consider retaining an investment banking firm for at least a preliminary view of what might be achievable in a sale, so that they could inform themselves more adequately of what Northview and Northview Bank were really worth in a negotiated sale. Northview's board of directors was also interested in exploring the future availability of capital for independent, growing community banks, a possible merger of equals between like-sized and like-minded, independent community banks, and other possible strategic options, including an initial public offering. After considering several possible investment banking firms to advise the board in these matters, Northview's board of directors chose William Blair & Company ("William Blair"), a well known and well regarded Chicago-based investment banking firm that has significant expertise in advising financial institutions on strategic matters, including bank mergers. Northview's board of directors met with a representative of William Blair in October 2003. William Blair made a detailed presentation to the board on current market conditions for the acquisition of community banks in northern Illinois, the market for bank mergers in that marketplace, and possible values Northview might expect to achieve in a merger. William Blair also gave the board a briefing on a "merger of equals" strategy and discussed how such a transaction could work and how certain community banks in the north/northwest suburbs of Chicago might be positioned with Northview and Northview Bank in such a

transaction. William Blair identified a number of potential acquirers in a conventional merger and presented certain background information on likely acquirers. Following the October meeting, Northview's board of directors decided to retain William Blair to pursue a potential sale of the company. Northview's board of directors and William Blair jointly developed a preliminary list of eight potential interested parties, which William Blair contacted. William Blair, working with Northview's management, developed an offering memorandum containing important confidential information on the company and the bank. Following the receipt of executed confidentiality agreements, William Blair distributed the offering memorandum to seven of the eight identified parties. The eighth party declined to participate in the process. William Blair and Northview's management met with five of the interested potential acquirers to discuss a possible affiliation, and requested that the interested potential acquirers provide a written non-binding indication of interest. Of the seven interested parties, five parties submitted initial written non-binding indications of interest, including Wintrust and another Chicago-area bank holding company ("Holding Company"). Wintrust initially indicated that it would be interested in acquiring Northview for approximately \$46-48 million, payable in part cash and part stock, subject to Wintrust board approval, regulatory approval and due diligence. The Holding Company submitted an initial indication of interest with a purchase price of \$47-48 million, payable in cash, subject to the same contingencies. A third local institution made a verbal offer with a purchase price of \$35-40 million, payable in either cash or cash and stock, and yet another local financial institution offered \$36-38 million in cash. Of these parties submitting written non-binding indications of interest, only two met the criteria established by Northview's board to conduct due diligence. Northview's board considered the size, community banking focus, culture, reputation and ability to offer expanded financial services to its customers, as well as obtaining a fair price for its shareholders, as key factors in determining the parties with which to continue discussions. Based on its own analysis and the input of William Blair, the board's pricing goal was approximately \$48 million. Accordingly, the board decided to allow Wintrust and the Holding Company to conduct onsite loan review/due diligence in the month of March 2004. Following this due diligence review, Wintrust and the Holding Company provided revised indications of interest. Wintrust presented a revised initial offer of \$47.4 million, again payable in cash and stock, subject to the same contingencies. The Holding Company revised its offer to \$47 million, but required that \$5 million of the consideration be placed in escrow as a reserve for future possible loan charge-offs, or, alternatively, a purchase price of \$43.3 million in cash. Northview's board considered the range of the dollar amount of the consideration being offered, as well as the community banking philosophy of Wintrust and the Holding Company, and evaluated their potential ability to support the future growth of Northview Bank. Northview's board of directors felt that Wintrust's size, capital structure and the diversity of its subsidiary organizations would enable it to offer additional support to the bank to further its strategic growth plans, better serve its customers and compete more effectively in its marketplace. Northview's board of directors, with its advisors, determined that the revised Wintrust proposal was the superior offer, and decided to proceed with the negotiation of a definitive agreement with Wintrust. The purchase price offered by Wintrust was predicated on a number of assumptions regarding Northview's shareholders' equity at closing, receipt of various legal opinions, shareholder and regulatory approvals, and the employment of key bank personnel, including Mr. Robinson, pursuant to employment agreements. As mentioned above, one of the conditions of the Wintrust written non-binding indication of interest (and of all the written non-binding indications of interest submitted) was that Mr. Robinson and other key members of the Northview management team would agree to continue on in their current capacities at Northview Bank throughout and following the merger. Mr. Robinson understood throughout the process that his agreement to work for Wintrust, or any other buyer of the company, would be required for Northview to receive what it perceived to be full value for its shares. Northview's board recognized that Mr. Robinson's strong ties to Northview personnel, its customers and markets, particularly Northfield, were a key determinant in the ultimate value of the company. At a meeting of Northview's board of directors held in March 2004, with members of Vedder Price and William Blair in attendance, Mr. Robinson proposed that a bonus pool be established for himself and other key bank 23 executives as an incentive for them to remain with Northview and to enter into the requisite employment agreements. Northview's board of directors considered this request from Mr. Robinson given that Wintrust's offer was contingent on Mr. Robinson's remaining with the Bank after the merger. Furthermore, Northview's board of directors was not confident that any purchase price approaching the current Wintrust offer of \$47.4 million could be achieved without Mr. Robinson and other key employees agreeing to work for and enter into a long-term non-compete arrangement with the surviving company. As a result of and in recognition of Mr. Robinson's and his management team's efforts during the negotiations with Wintrust, among other considerations, Northview's board of directors

approved a \$1.2 million bonus pool payable to Messrs. Robinson, Thoelecke and Kaiser, conditional upon closing of the proposed merger and their agreeing to sign long-term employment contracts. Northview's board understood that the tax-affected amount of the bonus pool would be subtracted from the merger consideration offered by Wintrust, but viewed the downside potential as far greater than the size of the approved bonus pool. Negotiations of a definitive merger agreement began in earnest, with Northview represented by William Blair, its financial advisor, and Vedder Price, Northview's outside counsel. Wintrust was represented by Schiff Hardin LLP in the negotiations. Further pricing discussions with Wintrust ensued, including evaluation and discussion by the parties of Northview's projected earnings, certain under-performing assets of Northview Bank and certain contingencies existing at the bank, as well as the cost of the bonus pool and other costs associated with the merger that would impact the final price. Due to Mr. White's failing health, at a meeting in April 2004, Northview's board of directors appointed Arthur G. Bess, III, a current director and member of the board's executive committee, as vice chairman of the board, and directed him to participate with Mr. Robinson in the contract negotiations with Wintrust, assisted by William Blair and Vedder Price. Also at this meeting, Vedder Price gave the board a thorough briefing on its fiduciary duties under Illinois corporate law and relevant considerations for its decision on whether or not to sell the company at this time and at the price and other terms being considered. The various contract provisions of the proposed merger agreement and the shareholder voting agreement proposed by Wintrust were discussed in detail. The proposed voting agreement called for each Northview board member to vote his or her shares in favor of the merger, subject to the exercise of their fiduciary duties as a director. The effect of certain provisions of the merger agreement that made completion of the merger more likely, and which might impede a third party offer for the company at a higher price, were covered in detail. Continuing negotiations of the definitive merger agreement and related agreements with Wintrust occurred thereafter during April and Northview's executive committee and its board of directors were provided with drafts of the merger agreement as negotiations progressed. In order to secure Mr. Robinson's ongoing commitment to the company after the proposed merger with Wintrust, Mr. Robinson and Northview agreed to enter into an employment agreement with a one-year term and a two-year non-compete agreement substantially similar to the one proposed by Wintrust as part of the merger. Under the terms of that agreement, Mr. Robinson will be paid \$460,000 in cash at the closing of the merger, payable from the established bonus pool, as compensation to him for agreeing to the two-year non-competition provision. Northview also agreed to pay Mr. Robinson a bonus of \$540,000 for his efforts related to the merger transaction, also payable from the established bonus pool. As a result of the merger, a buy-back restriction on certain of Mr. Robinson's stock options, which relates to 2,000 shares of Northview common stock, will terminate. As price and related terms firmed up during late April 2004, Wintrust and Northview agreed that Wintrust would purchase all of Northview's outstanding common shares for \$275 per share, payable 55% in stock and 45% in cash. Depending on the resolution of certain business contingencies, the merger agreement also provides for the payment of a final cash dividend to Northview's shareholders in an amount to be determined under the terms of the merger agreement. On May 4, 2004, Northview's board of directors was apprised by its management, William Blair and Vedder Price of the finalization of the terms of the merger, including the voting agreement to be signed by certain directors/shareholders of Northview. William Blair presented the board with its opinion that, from a financial point of view, the consideration to be paid to Northview's shareholders in the merger was fair. Northview's board of directors approved the merger agreement. Mr. White was absent from the meeting due to his poor health. He had been enthusiastically in favor of the merger throughout the process, but was unable to participate in the meeting at which the merger was approved. The merger was publicly announced at the close of trading on May 10, 2004, through a joint announcement by Wintrust and Northview.

**NORTHVIEW'S REASONS FOR THE MERGER AND RECOMMENDATION OF THE BOARD OF DIRECTORS** Northview's board of directors believes that the merger is in the best interest of Northview and its shareholders. Accordingly, Northview's board of directors has approved and unanimously ratified the merger agreement and unanimously recommends that its shareholders vote "FOR" the approval of the merger agreement and the transactions it contemplates. As indicated above under "Description of the Merger - Background of the merger," the Northview board of directors unanimously determined that the terms of the merger agreement are in the best interests of Northview and its shareholders. In reaching its decision to approve the merger agreement and the merger and not remain an independent company, Northview's board of directors consulted with its legal and financial advisors, as well as management, and considered a number of factors. The following are the material factors considered by Northview's board:

- o A review of the results of operations, current financial condition, management, capital levels and asset quality of Northview Bank and Wintrust.
- o Information regarding

general banking conditions, such as the current state of bank mergers and acquisitions activity and increased competition from diversified financial institutions. o The effects of the proposed merger on the employees and customers of Northview Bank and the communities in which it operates, including Wintrust's similar focus on community banking. o Support of the merger agreement and the merger expressed by certain principal shareholders of Northview and their willingness to enter into a voting agreement. o An analysis of the future economic climate, which led Northview's board of directors to conclude that current general competitive and economic factors most likely would continue to place pressure on Northview Bank's interest margins in the future and, thereby, potentially lead to diminished profitability. The aggressive opening of new branch banks by Northview Bank's competitors in its market areas was also an important factor considered by Northview's board. o The fact that Wintrust, as a publicly traded and larger and more diversified company, possesses greater access to capital and managerial resources than Northview does. o The opinion of William Blair that the aggregate per share merger consideration of approximately \$275.00, consisting of shares of Wintrust's common stock and \$123.75 in cash, is fair to Northview's shareholders from a financial point of view, as more fully discussed below under "Description of the Merger -- Fairness Opinion of Northview's Financial Advisor." o The relationship between the aggregate per share merger consideration and the historical and then-current market prices for Northview's common stock taking into account the fact that Northview's common stock is highly illiquid. o The prices and premiums paid in comparable acquisition transactions of which Northview's board was aware, based on, among other things, information supplied by William Blair. Northview's board noted that the merger consideration offered by Wintrust compared favorably with similar transactions involving other financial institutions with comparable financial performance and capitalization structures. 25 The above discussion of the information and factors considered by the Northview board is not intended to be exhaustive but includes all material factors considered by the Northview board in arriving at its determination to approve, and recommend that the Northview shareholders vote to approve, the merger agreement and related transactions. The Northview board did not assign any relative or specific weights to the above factors and individual directors may have given differing weights to different factors. The Northview board unanimously recommends that Northview's shareholders vote to approve the merger agreement and related transactions. WINTRUST'S REASONS FOR THE MERGER Wintrust's board of directors believes that the merger is in the best interests of Wintrust and its shareholders. In deciding to approve the merger, Wintrust's board of directors considered a number of factors, including: o management's view that the acquisition of Northview provides an attractive opportunity to continue expansion into desirable suburban Chicago metropolitan communities in which Wintrust does not currently operate; o Northview's community banking orientation and its compatibility with Wintrust and its subsidiaries; o a review of the demographic, economic and financial characteristics of the markets in which Northview operates, including existing and potential competition and history of the market areas with respect to financial institutions; o management's review of the business, operations, earnings and financial condition, including capital levels and asset quality, of Northview Bank since its de novo formation in 1993; and o the likelihood of regulators approving the merger without undue conditions or delay. While Wintrust's board of directors considered these and other factors, the board of directors did not assign any specific or relative weights to the factors considered and did not make any determination with respect to any individual factor. Wintrust's board of directors collectively made its determination with respect to the merger based on the conclusion reached by its members, based on the factors that each of them considered appropriate, that the merger is in the best interests of Wintrust's shareholders. The terms of the merger were the result of arm's-length negotiations between representatives of Wintrust and representatives of Northview. FAIRNESS OPINION OF NORTHVIEW'S FINANCIAL ADVISOR William Blair acted as financial advisor to Northview in connection with the merger. Northview selected William Blair based on its experience, expertise and familiarity with Northview and its business. In connection with William Blair's engagement, Northview asked William Blair to evaluate the fairness of the merger consideration to Northview's shareholders from a financial point of view. At a meeting of Northview's board of directors held on May 4, 2004 to discuss and evaluate the merger, William Blair orally informed Northview's board of directors that it was prepared to deliver a written opinion as to the fairness of the merger consideration to Northview's shareholders from a financial point of view upon execution of the Agreement and Plan of Merger. On May 10, 2004, the date the Agreement and Plan of Merger was executed, William Blair delivered its written opinion to Northview's board of directors that, as of May 10, 2004, and based upon and subject to various matters set forth in its opinion, the merger consideration was fair to Northview's shareholders from a financial point of view. Northview did not impose any limitations upon the scope of investigation or procedures William Blair followed in connection

with its opinion, nor did Northview give William Blair any specific instructions in connection with its opinion. The merger consideration was determined through arm's-length negotiations between Northview and Wintrust, although William Blair advised Northview during the merger negotiations. William Blair's opinion is attached to this proxy statement/prospectus as Annex D and is incorporated into this proxy statement/prospectus by reference. You should read William Blair's opinion completely, along with this 26 summary of the opinion, to understand the assumptions made, procedures followed, matters considered and limitations of the review William Blair undertook in providing its opinion. William Blair's opinion was provided for the use and benefit of Northview's board of directors and addresses only the fairness of the merger consideration to holders of Northview common stock from a financial point of view. William Blair's opinion does not address the merits of Northview's underlying decision to engage in the merger nor does it constitute a recommendation to any shareholder as to how such shareholder should vote with respect to the proposed merger. The summary of William Blair's opinion in this proxy statement/prospectus is qualified in its entirety by reference to the full text of the opinion. In arriving at its opinion, William Blair, among other things: o reviewed the Agreement and Plan of Merger; o reviewed certain audited historical financial statements of Northview and Wintrust for the years ended December 31, 2000, 2001, 2002 and 2003; o reviewed the unaudited financial statements of Northview and Wintrust for the three months ended March 31, 2004; o discussed Northview's historical and prospective business, financial position and financial performance with Northview's senior management; o reviewed certain internal business, operating and financial information and forecasts of Northview (the "Forecasts"), prepared by Northview senior management; o compared the merger consideration to selected market pricing multiples and ratios of certain other publicly traded companies William Blair deemed relevant; o compared the merger consideration with the financial terms, to the extent publicly available, of certain other financial institution merger-and-acquisition transactions that William Blair deemed relevant; o performed a discounted cash flow analysis of Northview on a "stand-alone" basis and compared the merger consideration to the imputed values yielded by this analysis; and o reviewed certain other publicly available information on Northview and Wintrust. In connection with its engagement, and at the request of Northview's board of directors, William Blair approached and held discussions with certain third parties to solicit indications of interest in a possible transaction with Northview. In arriving at its opinion, William Blair considered the nature, extent and results of these efforts on Northview's behalf. In rendering its opinion, William Blair assumed and relied, without independent verification, upon the accuracy and completeness of all the information examined by or otherwise reviewed or discussed with William Blair for purposes of its opinion including, without limitation, the Forecasts provided by Northview's senior management. William Blair did not make or obtain an independent valuation or appraisal of the assets, liabilities or solvency of Northview. The following is a summary of the material financial analyses William Blair employed and summarized for Northview's board of directors. In the following analyses, for comparison purposes, William Blair interchangeably uses per-share merger consideration of \$275.00 and aggregate merger consideration of \$47.4 million, reflecting the purchase of Northview's issued and outstanding stock options at their net values. Comparable Companies. William Blair compared selected pricing multiples and ratios implied by the merger consideration to corresponding current trading-market multiples and ratios of comparable companies William Blair deemed relevant to Northview. William Blair selected publicly traded bank and thrift holding companies according to the following criteria: 27 o geographic emphasis on metropolitan and mid-size Midwestern markets; and o market capitalization between \$150 million and \$1.6 billion. The selected Northview comparable companies included the following thirteen organizations: First Midwest Bancorp Inc., Itasca, IL Republic Bancorp Inc., Louisville, KY Wintrust Financial Corp., Lake Forest, IL First Oak Brook Bancshares, Oak Brook, IL MB Financial Inc., Chicago, IL Mercantile Bank Corp., Wyoming, IL PrivateBancorp Inc., Chicago, IL Macatawa Bank Corp., Holland, MI Midwest Banc Holdings Inc., Melrose Park, IL State Financial Services Corp., Milwaukee, WI Old Second Bancorp Inc., Aurora, IL Taylor Capital Group Inc., Rosemont, IL S.Y. Bancorp Inc., Louisville, KY William Blair calculated and presented the selected market pricing multiples and ratios summarized below using market price data as of April 29, 2004, and financial data as of the then-most-recently available financial statement date, and for the twelve-month period then ended. COMPARABLE MARKET RANGE NORTHVIEW ----- MERGER CONSIDERATION LOW MEDIAN HIGH -----

comparable companies. Comparable Transactions. William Blair compared selected pricing multiples and ratios implied by the merger consideration to corresponding merger-and-acquisition pricing multiples and ratios observed in transactions William Blair deemed relevant to the merger. William Blair selected bank- and thrift-industry merger-and-acquisition transactions according to the following criteria: o transactions announced since January 1, 2001; o geographic emphasis on selling companies operating in Midwestern markets; and o transaction value between \$40 million and \$250 million. financial data for Northview and each acquired company as of the most-recent financial-statement date available at the time the transaction was announced, and for the twelve-month period then ended. William Blair used merger-and-acquisition transaction prices and related multiples and ratios as of the respective announcement dates for each of the comparable transactions. COMPARABLE TRANSACTIONS RANGE NORTHVIEW -----

MERGER LOW MEDIAN HIGH CONSIDERATION --- ----- Multiple of transaction price to: Net income..... 12.3x 16.8x 26.4x 24.7x Ratio of transaction price to: Book value.....

116% 181% 337% 249% Tangible book value..... 116% 184% 337% 273% The analysis showed that the

merger consideration represented multiples of earnings near the corresponding high value for the comparable transactions and ratios of book value and tangible book value above the median values for the comparable transactions. Stand-Alone Discounted Cash Flows. William Blair compared the merger consideration to the imputed values yielded by a discounted cash flow analysis William Blair performed of Northview on a "stand-alone" basis, assuming Northview would continue to operate as an independent, privately-held company. The discounted cash flow analysis involved a review of Northview's historical and present earnings and growth patterns and a projection of income statements and balance sheets for a five-year period using Northview's assumptions of its prospective growth, interest margins, loan losses, non-interest income and expenses, income taxes and cash dividends. The financial projections and underlying assumptions in the discounted cash flow analysis were reviewed with Northview's senior management. The terminal value (the value of cash flows following the five-year projection period) was based upon a multiple of net income of the fifth projected year's estimated net income. To estimate the present value of the five years' estimated net cash flows and terminal value, a discount rate of 14.0% was used. The discounted cash flow

analysis, which William Blair tested over a range of balance sheet growth, net interest spread, loan-loss provision and discount rate, yielded imputed values for Northview ranging from \$37.1 million to \$49.8 29 million, with a midpoint of \$43.5 million. This compares to merger consideration of \$47.4 million. Accordingly, William Blair observed that the merger consideration was above the midpoint and near the maximum imputed values yielded by the discounted cash flow analysis. General. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Selecting portions of the analyses or of the summary set forth above, without considering the analyses as a whole, could create an incomplete view of the process underlying William Blair's opinion. In arriving at its fairness determination, William Blair considered the results of all such analyses. No company or transaction used in the above analyses as a comparison is identical to Northview or the merger. The analyses were prepared solely for the purposes of William Blair's opinion provided to Northview's board of directors as to the fairness from a financial point of view of the merger consideration to be received by the shareholders of Northview pursuant to the merger and do not purport to be appraisals or necessarily reflect the prices at which businesses or securities actually may be sold. Analyses based upon projections of future results are not necessarily indicative of actual future results, which may be significantly more or less favorable than suggested by such analyses. Because such analyses are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of the parties or William Blair, none of Northview, William Blair or any other person assumes responsibility if future results are materially different from those projected. William Blair's Engagement. Northview retained William Blair by engagement letter agreement dated December 9, 2003, to render certain investment-banking services in connection with a possible business-combination transaction whereby Northview would be acquired by another entity. In connection with this engagement, Northview paid William Blair a cash retainer fee of \$25,000 and a cash fairness opinion fee of \$100,000 following delivery of its May 10, 2004 fairness opinion. Upon closing of the merger, Northview will pay William Blair a cash completion fee equal to approximately \$472,500, reduced by the retainer and fairness opinion fees previously paid in connection with the merger. Northview also agreed in the engagement letter agreement to reimburse William Blair for its out-of-pocket expenses reasonably incurred in connection with its engagement and to indemnify William Blair against certain liabilities, including liabilities under securities laws. ACCOUNTING TREATMENT Wintrust will account for the merger under the "purchase" method of accounting in accordance with accounting principles generally accepted in the United States. Using the purchase method of accounting, the assets and liabilities of Northview will be recorded by Wintrust at their respective fair values at the time of the completion of the merger. The excess of Wintrust's purchase price over the net fair value of the assets acquired and liabilities assumed will then be allocated to identified intangible assets, with any remaining unallocated cost recorded as goodwill. CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER General. The following discussion addresses the material United States federal income tax consequences of the merger that are generally applicable to Northview shareholders. It does not address the tax consequences of the merger under foreign, state, or local tax laws or the tax consequences of transactions completed before or after the merger. Also, the following discussion does not deal with all federal income tax considerations that may be relevant to certain Northview shareholders in light of their particular circumstances, such as shareholders who: o are dealers in securities; o are insurance companies or tax-exempt organizations; o are subject to alternative minimum tax; o hold their shares as part of a hedge, straddle, or other risk reduction transaction; or o are foreign persons. YOU ARE URGED TO CONSULT YOUR OWN TAX ADVISORS REGARDING THE TAX CONSEQUENCES OF THE MERGER TO YOU BASED ON YOUR OWN CIRCUMSTANCES, INCLUDING THE APPLICABLE FEDERAL, STATE, LOCAL AND FOREIGN TAX CONSEQUENCES. 30 The following discussion is based on the Internal Revenue Code of 1986, as amended, or the Code, applicable Treasury Regulations, judicial decisions, and administrative rulings and practice, all as of the date of this document and all of which are subject to change. Any change could be applied to transactions that were completed before the change, and could affect the accuracy of the statements and conclusions in this discussion and the tax consequences of the merger to Wintrust, Northview and Northview's shareholders. Tax Opinion of Vedder, Price, Kaufman & Kammholz, P.C. Neither Wintrust nor Northview has requested, nor will they request, a ruling from the Internal Revenue Service with regard to the federal tax consequences of the merger. Instead, as a condition to the closing of the merger, Vedder Price, legal counsel to Northview, will render its opinion to Northview, subject to customary representations and assumptions referred to in the opinion, substantially to the effect that: o the merger will constitute a reorganization within the meaning of Section 368(a) of the Code and Northview and Wintrust will each be a "party to a reorganization" within the meaning of

Section 368(b) of the Code; and no gain or loss will be recognized by Northview shareholders upon the receipt of Wintrust common stock in exchange for Northview common stock, except with respect to the cash portion of the merger consideration and cash received for a fractional share of Wintrust common stock. Vedder Price's opinion will be based upon the assumption that the merger will take place in the manner described in the merger agreement and will also assume the truth and accuracy of certain factual representations that will have been made by Wintrust and Northview and which are customarily given in transactions of this nature. Vedder Price's opinion will not be binding on the Internal Revenue Service or the courts and there can be no assurance that the Internal Revenue Service will not take a contrary position to one or more positions reflected herein or that the opinion will be upheld by the courts if challenged by the Internal Revenue Service. Gain recognition on receipt of cash. Northview shareholders will recognize gain (but not loss) with respect to the cash portion of the merger consideration they receive. The amount of gain will be limited to the amount of cash received. Additionally, any cash received by Northview shareholders instead of fractional shares of Wintrust's common stock will result in gain or loss. The amount of the recognized gain to Northview shareholders will generally be treated as capital gain, unless the receipt of cash has the effect of the distribution of a dividend, in which case, the gain recognized will generally be treated as a dividend. Net capital gain recognized by non-corporate taxpayers from the sale or exchange of stock or securities held for more than twelve months, and certain dividend income, are generally taxed at a maximum federal rate of 15%. Withholding. The cash portion of the merger consideration and any cash payments in respect of a fractional share of Wintrust common stock may be subject to the information reporting requirements of the Internal Revenue Service and to backup withholding at the current rate of 28%. Backup withholding will not apply to a payment made to you if you complete properly and timely and sign the substitute Form W-9 that will be included as part of the transmittal letter and notice from Wintrust's exchange agent, or you otherwise prove to Wintrust and its exchange agent that you are exempt from backup withholding. Backup withholding is not an additional tax, but an advance payment. Any amount withheld from the payment of the merger consideration may be credited against the United States federal income tax liability of the beneficial owner subject to the withholding and may be refunded to the extent it results in an overpayment of tax. You should consult with your tax advisor as to your qualification for exemption from backup withholding and the procedures for obtaining this exemption. Reporting and Record Keeping. If you exchange shares of Northview common stock in the merger for Wintrust common stock, you are required to retain records of the transaction, and to attach to your federal income tax return for the year of the merger a statement setting forth all relevant facts with respect to the nonrecognition of gain or loss upon the exchange. At a minimum, the statement must include: o your tax basis in the Northview common stock surrendered; and 31 o the amount of cash (if any) received and the fair market value, as of the effective date of the merger, of the Wintrust common stock received in exchange therefor. THE PRECEDING DISCUSSION DOES NOT PURPORT TO BE A COMPLETE ANALYSIS OF ALL POTENTIAL TAX CONSEQUENCES OF THE MERGER THAT MAY BE RELEVANT TO A PARTICULAR NORTHVIEW SHAREHOLDER. YOU ARE URGED TO CONSULT WITH YOUR OWN TAX ADVISOR REGARDING THE SPECIFIC TAX CONSEQUENCES TO YOU AS A RESULT OF THE MERGER, INCLUDING THE APPLICABILITY AND EFFECT OF FOREIGN, STATE, LOCAL AND OTHER TAX LAWS. REGULATORY APPROVALS The merger of Wintrust and Northview is subject to prior approval of each of the Federal Reserve and the IDFP. Wintrust submitted an application to the Federal Reserve Bank of Chicago seeking the necessary approval, which was approved on July 13, 2004. Wintrust also filed the required notice with the IDFP on June 21, 2004. The IDFP is required to render a decision on the IDFP notice within 60 days of the filing. The merger may not be consummated until 15 days after receipt of Federal Reserve approval, during which time the United States Department of Justice may challenge the merger on antitrust grounds. The commencement of an antitrust action would stay the effectiveness of the Federal Reserve's approval, unless a court specifically orders otherwise. Wintrust must also file applications with the IDFP and the Florida Department of Financial Services to become the indirect owner of Northview Mortgage. The merger cannot proceed without obtaining all requisite regulatory approvals. Wintrust has agreed to take all appropriate actions necessary to obtain the required approvals. INTERESTS OF CERTAIN PERSONS IN THE MERGER As of August 13, 2004, Northview's and Northview Bank's directors and officers beneficially owned, directly or indirectly, in the aggregate, 63,285 shares of Northview's common stock, representing approximately 38% of Northview's outstanding shares of common stock. Additionally, certain executive officers of Northview hold options to purchase shares of Northview common stock. Blair K. Robinson holds an option to purchase 4,000 shares at \$75.00 per share and an option to purchase 6,000 shares at \$115.00 per share. Richard

Gauthier holds an option to purchase 600 shares at \$90.00 per share and Jeffrey Thoelecke holds an option to purchase 250 shares at \$100.00 per share. Employment Agreements. The merger agreement requires three of Northview's executive officers, Blair Robinson, George Kaiser and Jeff Thoelecke, to enter into employment agreements with Northview Bank. The employment agreements of Messrs. Kaiser and Thoelecke are substantially similar and the term of each of their agreements will commence on the closing date of the merger. The term of each of their employment agreements is five years. Each of the agreements is subject to automatic renewal for successive one-year terms unless either of the parties to each of the agreements gives notice of its intention not to renew at least 90 days before the expiration of the then-current term. Each of the employment agreement contains a non-compete and non-solicitation provision and a confidentiality provision. Each of the non-compete and non-solicitation provisions will remain in effect for two years after termination of employment and the confidentiality provisions will survive indefinitely. Neither Mr. Kaiser's nor Mr. Thoelecke's employment agreement specifies a title or a specific position with Northview Bank. Each of the agreements provides for a base salary as may, from time to time, be agreed upon by the parties. Additionally, Messrs. Kaiser and Thoelecke may receive annual discretionary bonuses and salary increases, and are entitled to participate in any employee insurance and fringe benefit programs of Wintrust, including the Wintrust 1997 Stock Incentive Plan. The employment agreement of Mr. Robinson provides that he will be employed by Northview Bank as its President and Chief Executive Officer. The term of Mr. Robinson's employment agreement commenced on May 10, 2004, the date on which Wintrust and Northview entered into the merger agreement. The initial term of the 32 agreement is one year, subject to automatic renewal for successive one-year terms unless either of the parties to each of the agreements gives notice of its intention not to renew at least 90 days before the expiration of the then-current term. The employment agreement contains a non-compete and non-solicitation provision that will remain in effect for two years after termination of Mr. Robinson's employment and a confidentiality provision that will survive indefinitely. Mr. Robinson's employment agreement provides for an annual base salary in an amount not less than \$185,000 as may, from time to time, be agreed upon by Mr. Robinson and Northview Bank. Mr. Robinson is also entitled to participate in any employee insurance and fringe benefit programs of Wintrust, including the Wintrust 1997 Stock Incentive Plan. Mr. Robinson's employment agreement also provides that, upon closing of the merger, Mr. Robinson will be entitled to receive a bonus of \$460,000 as additional compensation for agreeing to the non-compete and non-solicitation and confidentiality provisions of the agreement, payable from the \$1.2 million bonus pool discussed below. Upon closing of the merger, Mr. Robinson's current employment agreement will terminate, and he will enter into another employment agreement with Wintrust, with substantially similar terms as his existing agreement, except that the initial term of the new agreement is five years, and the agreement does not specify any specific annual base salary dollar amount. Bonuses to Messrs. Robinson, Thoelecke and Kaiser. Northview's board of directors has approved the payment of bonuses, in the aggregate, of \$1.2 million to Messrs. Robinson, Thoelecke and Kaiser upon the closing of the merger and each of them entering into employment agreements with Northview Bank. The bonuses are to be paid in consideration of the efforts of Messrs. Robinson, Thoelecke and Kaiser in connection with the merger. Mr. Robinson is entitled to receive \$1 million, of which \$460,000 is to be paid pursuant to the employment agreement described above, and each of Messrs. Thoelecke and Kaiser are entitled to receive \$100,000. Continued Director and Officer Liability Coverage. For a period of five years after the effective time, Wintrust has agreed to indemnify and hold harmless the current and former directors and officers of Northview and each of its subsidiaries for all actions taken by them prior to the effective time of the merger, to the same extent as Northview and each of its subsidiaries currently provide for indemnification of their officers and directors. Pursuant to the terms of the merger agreement, Wintrust has agreed to provide to each of the directors and officers of Northview and each of its subsidiaries, following the effective time, coverage against personal liability for actions taken after the effective time of the merger for a period of five years after the effective time. Wintrust's obligation to provide directors' and officers' liability insurance is conditioned on Northview's and its subsidiaries' insurer maintaining existing coverage after the completion of the merger. If such insurer terminates or declines to continue coverage, Wintrust has agreed to use commercially reasonable efforts to obtain similar coverage. If Wintrust is unable to obtain such similar coverage, Wintrust is obligated to obtain the best coverage available, in its reasonable judgment, for a cost not exceeding a specified maximum dollar amount. VOTING AGREEMENTS All directors of Northview who own shares of Northview common stock have entered into voting agreements with Wintrust. Under these agreements, these shareholders have each agreed to vote their respective shares of Northview common stock, which are owned either directly or indirectly: o in favor of the merger and the transactions contemplated by the merger agreement; o against

any action or agreement that would result in a material breach of any term or obligation of Northview under the merger agreement; and o against any action or agreement that would impede, interfere with or attempt to discourage the transactions contemplated by the merger agreement. Furthermore, each of these shareholders has also agreed not to grant any proxies, deposit any shares of Northview common stock into a voting trust or enter into any other voting agreement with respect to any shares of 33 Northview common stock that they own or, without the prior approval of Wintrust, solicit, initiate or encourage any inquiries or proposals for a merger or other business combination involving Northview. The shares subject to the voting agreements represent approximately 38% of Northview's outstanding shares of common stock on the record date. The voting agreements will terminate upon the earlier of the consummation of the merger or termination of the merger agreement in accordance with its terms.

**RESTRICTIONS ON RESALE OF WINTRUST COMMON STOCK** All shares of Wintrust common stock issued to Northview's shareholders in connection with the merger will be freely transferable, except that shares received by persons deemed to be "affiliates" of Northview under the Securities Act at the time of the special meeting may be resold only in transactions permitted by Rule 145 under the Securities Act or otherwise permitted under the Securities Act. This proxy statement/prospectus does not cover any resales of the shares of Wintrust common stock to be received by Northview's shareholders upon completion of the merger, and no person may use this proxy statement/prospectus in connection with any resale. Based on the number of shares of Wintrust common stock anticipated to be received in the merger, it is expected that Rule 145 will not limit the amount of shares that former Northview shareholders will be able to sell into the market. Persons who may be deemed affiliates of Northview for this purpose generally include directors, executive officers, and the holders of 10% or more of the outstanding shares of Northview's common stock.

**DESCRIPTION OF THE MERGER AGREEMENT** The following summary of the merger agreement is qualified by reference to the complete text of the merger agreement. A copy of the merger agreement is attached as Annex A to this proxy statement/prospectus and is incorporated by reference into this proxy statement/prospectus. You should read the merger agreement completely and carefully as it, rather than this description, is the legal document that governs the merger.

**TIME OF COMPLETION** The completion of the merger will take place on the fifth business day after the day on which the last of the conditions to closing set forth in the merger agreement have been fulfilled or waived, or at another time that both parties mutually agree upon. The completion of the merger sometimes is referred to in this proxy statement/prospectus as the closing date. The time at which the merger becomes effective is sometimes referred to in this proxy statement/prospectus as the "effective time."

**CONSIDERATION TO BE RECEIVED IN THE MERGER** If the merger is completed, the shares of Northview common stock which you own immediately before the completion of the merger will be converted into a right to receive shares of Wintrust common stock and cash. The number of Wintrust shares that you will receive for each share of Northview common stock that you own--a number referred to as the "per share stock consideration"--will be determined by dividing \$151.25 (55% of the per share merger consideration) by the average of the high and low sales prices of Wintrust's common stock during a set "pricing period," provided that the average price is neither higher than \$52.80 nor less than \$42.80. The pricing period is the 10-day trading period ending two trading days before the closing date of the merger. The amount of cash that you will receive for each share of Northview common stock that you own will be \$123.75. In effect, the merger agreement provides that the average price of Wintrust's common stock used to calculate the exchange ratio will not be higher than \$52.80 or less than \$42.80. When the average price of Wintrust's common stock is within that range, there is an inverse relationship between the Wintrust average price and the number of Wintrust shares that you will receive. As the average price of Wintrust's common stock approaches \$52.80, you would receive a lower number of shares of Wintrust common stock than you would receive when the average price of Wintrust's common stock nears \$42.80. If Wintrust's common stock price is within the range, the per share value of the merger consideration that you receive would be \$275.00. If the average price of Wintrust's common stock during the 10-day pricing period is greater than \$52.80 per share, then the per share stock consideration will be \$151.25 divided by \$52.80, or 2.865 shares of Wintrust common stock to be issued for each share of Northview common stock, which means the per share value of the 34 consideration you will receive in the merger will be greater than it is within the range, as illustrated in the table below. If the average price of Wintrust's common stock during the 10-day pricing period is less than \$42.80 per share, then the per share stock consideration will be \$151.25 divided by \$42.80, or 3.534 shares of Wintrust common stock to be issued for each share of Northview common stock, which means the per share value of the consideration you will receive in the merger will be less than it is within the range. The following table illustrates the per share value of merger consideration that Northview shareholders will receive in the merger based on a range of Wintrust common

stock prices. VALUE OF PER SHARE TOTAL PER SHARE WINTRUST AVERAGE PER SHARE STOCK

column represent the number of shares of Wintrust common stock which you will receive for each share of Northview common stock that you own. (2) Assumes the closing price of Wintrust's common stock on the date of the merger is the same as the average price during the pricing period. The actual trading price of Wintrust's common stock is subject to market fluctuations, and Northview shareholders will not be entitled to receive additional shares in the merger if the trading price of Wintrust's common stock on the closing date of the merger is less than the average price during the pricing period. Instead of issuing a fractional share of Wintrust common stock in connection with payment of the stock consideration, cash will be paid in an amount determined by multiplying the fractional share by the average price during the pricing period. Stock Options. Options to purchase Northview common stock that are outstanding and unexercised immediately before the effective time of the merger will become options to purchase Wintrust common stock. The number of shares of Wintrust common stock subject to the converted stock options will be equal to the number of shares of Northview common stock subject to Northview stock options multiplied by the quotient obtained by dividing the aggregate per share merger consideration by the average price of Wintrust common stock at the end of the pricing period. We sometimes refer to this ratio as the "option exchange ratio." The exercise price of a converted stock option will equal the original Northview stock option's exercise price divided by the option exchange ratio. Except as described above, a converted stock option will have the same terms and conditions as the original Northview stock options. All outstanding original Northview stock options, subject to limited exceptions, will become vested and immediately exercisable at the effective time of the merger. 35 Special Dividend. If Northview's "closing adjusted net equity" is greater than its "base adjusted net equity," then Northview shareholders will be entitled to receive 50% of the amount by which the closing adjusted net equity exceeds the base adjusted net equity in the form of a cash dividend to be paid by Northview prior to the closing date. The amount by which the closing adjusted net equity exceeds the base adjusted net equity is sometimes referred to in this proxy statement/prospectus as the "net equity surplus." The closing adjusted net equity is the amount that, as of the second business day prior to the closing date, is equal to Northview's shareholders' equity, subject to certain adjustments, specifications and/or charges described in the merger agreement, which include the following: (1) Northview's debt will not exceed \$2.57 million; (2) certain loan losses up to a maximum total of \$1.7 million will be charged against Northview's reserve for loan losses and a provision for losses will be charged against earnings so that its loan loss reserve is not less than 1% of Northview Bank's net loans; (3) certain scheduled bonus, severance and other executive employment compensation up to a maximum total of \$1.2 million will be charged against Northview's earnings; (4) Northview will take a charge of \$680,000, on a pre-tax basis, against its earnings in connection with certain contingencies (subject to reduction proportionately if the contingencies are resolved prior to the closing date); and (5) all legal and professional fees incurred by Northview prior to closing, other than the portion of such fees and expenses payable by Wintrust pursuant to the merger agreement, will be expensed. The base adjusted net equity is an amount equal to \$17,882,029 plus any cash receipts and tax benefits recorded by Northview from the exercise of outstanding options prior to the merger.

EXCHANGE OF CERTIFICATES Wintrust has engaged Illinois Stock Transfer Company to act as its exchange agent to handle the exchange of Northview common stock for the merger consideration and the payment of cash for any fractional share interest. Five days prior to the effective time, the exchange agent will send to each Northview shareholder a letter of transmittal for use in the exchange with instructions explaining how to surrender Northview common stock certificates to the exchange agent. Northview shareholders that surrender their certificates to the exchange agent, together with a properly completed letter of transmittal, will receive the merger consideration. Northview shareholders that do not exchange their Northview common stock will not be entitled to receive any dividends or other distributions by Wintrust until their certificates are surrendered. After surrender of the certificates

representing Northview shares, any unpaid dividends or distributions with respect to the Wintrust common stock represented by the certificates will be paid. CONDUCT OF BUSINESS PENDING THE MERGER AND CERTAIN COVENANTS Under the merger agreement, Northview has agreed to certain restrictions on its activities until the merger is completed or terminated. In general, Northview and its subsidiaries are required to conduct their business in the usual and ordinary course, consistent with prudent banking practice. Subject to the exceptions set forth in the merger agreement, Northview may not do, among other things, any of the following: o except with respect to the exercise of outstanding options to purchase Northview common stock, effect any change in the capitalization or the number of issued and outstanding shares of Northview or any of its subsidiaries; o pay any dividends or other distributions to the extent paying them would cause the adjusted net equity of Northview to fall below the base adjusted net equity or would violate applicable law; o pay any dividends or other distributions to the extent paying them would cause the minimum net worth of Northview Bank to fall below "well-capitalized" status under applicable Federal Deposit Insurance Corporation regulations or would violate applicable law; o amend its articles of incorporation or by-laws, the charter or by-laws of Northview Bank or the organizational documents of the other subsidiaries; o increase the compensation of the officers or key employees of Northview or any of its subsidiaries or paying any bonuses; 36 o except for certain leasehold improvements at Northview Bank's Northfield facility, the total cost of which may not exceed \$300,000, make any expenditure for fixed assets in excess of \$25,000 for any single item, or \$100,000 in the aggregate, or enter into any leases for any fixed assets having an annual rental in excess of \$25,000; o make or become party to a contract, commitment, or transaction, acquiring or disposing of any property or asset, or incurring any liabilities or obligations, other than in the ordinary course of business consistent with prudent banking practice and its current policies; o do or fail to do anything that will cause a breach or default under any material contract; o make, review or restructure any loan in excess of \$750,000 other than in the ordinary course of business consistent with prudent banking practice and Northview Bank's current loan policies and applicable government rules and regulations; o enter into employment, consulting, or similar agreements that cannot be terminated with less than 30 days notice without penalty; o accept or renew any brokered deposits; o buy or invest in government securities that have maturities of more than five years and a rating agency rating below "A"; o terminate, curtail or discontinue any of its benefit plans; or o change in any material respect any accounting or recordkeeping procedures, policies or practices. Wintrust has agreed to file all applications and notices to obtain the necessary regulatory approvals for the transactions contemplated by the merger agreement. Northview has agreed to cooperate with Wintrust in connection with obtaining the regulatory approvals. Both parties agree: o to use all reasonable and diligent efforts and to cooperate in the preparation and filing of all applications, notices and documents required to obtain regulatory approval and/or consents from governmental authorities for the merger and the merger agreement; o to use reasonable and diligent good faith efforts to satisfy the conditions required to close the merger and to consummate the merger as soon as practicable; o that neither will intentionally act in a manner that would cause a breach of the merger agreement or that would cause a representation made in the merger agreement to become untrue; and o to coordinate publicity of the transactions contemplated by the merger agreement to the media and Northview's shareholders. Northview has agreed that it will not solicit, encourage or facilitate any third-party inquiries or proposals to acquire Northview and will not participate in any negotiations or discussions regarding a proposal to acquire Northview. However, Northview may provide information and negotiate with a third party if Northview's board of directors determines that failure to do so would be inconsistent with its fiduciary duties. Northview is required under the merger agreement to provide Wintrust notice of any proposal that it receives to acquire Northview. Northview has also agreed to provide Wintrust with certain documents before the closing date, including: o interim financial statements; o prompt notice of any written demands for appraisal; o reasonable notice of any meetings of the boards and committees of Northview or Northview Bank and of the managers of Northview Mortgage; and 37 o certain information regarding the loans in the bank's loan portfolio. The merger agreement also contains certain covenants relating to employee benefits and other matters pertaining to officers and directors. See "Description of the merger agreement--Employee benefit matters" and "Description of the merger--Interests of certain persons in the merger." REPRESENTATIONS AND WARRANTIES The merger agreement contains representations and warranties made by Northview and Wintrust. Northview makes additional representations and warranties to Wintrust in the merger agreement relating to, among other things: o organizational documents and stock records; o title to real property, personal property and other material assets; o insurance matters; o employee benefits; o environmental matters; o ownership of Northview Bank and the other subsidiaries; o compliance with, absence of default under and information regarding material contracts; o loans and its allowance for loan losses; 38 o investment securities; o compliance with the Community Reinvestment Act; o mortgage brokerage activities; o conduct of business and maintenance of business relationships; o technology and intellectual property; o absence of undisclosed liabilities; and o affiliate transactions. **CONDITIONS TO COMPLETION OF THE MERGER Closing Conditions for the Benefit of Wintrust.** Wintrust's obligations are subject to fulfillment of the following conditions: o the accuracy of representations and warranties of Northview in the merger agreement in all material respects as of the closing date; o performance by Northview in all material respects of its agreements under the merger agreement; o the registration statement has been declared effective by the SEC and continues to be effective as of the effective time; o approval of the merger by Northview's shareholders; o no more than 10% of Northview's shareholders shall have exercised their dissenters' rights under Illinois law; o receipt of all necessary regulatory approvals; o no adverse material change in Northview since May 10, 2004; o no litigation resulting from the transactions contemplated by the merger agreement; o receipt of certain certificates and a legal opinion from Northview; o receipt of a voting agreement executed by certain Northview shareholders; o receipt of environmental surveys, to the extent requested by Wintrust; o continued employment of certain Northview employees; o receipt of a written third-party expert report regarding employee compensation matters; and o receipt of necessary consents and opinions. **Closing Conditions for the Benefit of Northview.** Northview's obligations are subject to fulfillment of the following conditions: o accuracy of representations and warranties of Wintrust in the merger agreement in all material respects as of the closing date; o performance by Wintrust in all material respects of their agreements under the merger agreement; 39 o Wintrust's common stock to be issued in the merger shall be approved for trading on the Nasdaq National Market; o approval of the merger by Northview's shareholders; o receipt of all necessary regulatory approvals; o execution and delivery of articles of merger suitable for filing with the Illinois Secretary of State; o the registration statement has been declared effective by the SEC and continues to be effective as of the effective time; o no litigation resulting from the transactions contemplated by the merger agreement; o no material adverse change in Wintrust since May 10, 2004; and o receipt of certain certificates and opinions. **CERTAIN MINIMUM REQUIREMENTS CLOSING CONDITION** Also, as a condition to Wintrust's obligation to close, as of the second business day prior to the closing date: o the closing adjusted net equity of Northview must exceed the sum of (1) \$16,632,029, and (2) any cash receipts and tax benefits recorded by Northview from the exercise of outstanding options to purchase Northview common stock (such sum to be referred to as the "minimum net equity"); o Northview may have no more than \$2,570,000 in debt; and o 245 Waukegan Road may have no more than \$2,300,000 in debt. Additionally, as of the last day of the month preceding the closing date, Northview Bank's reserve for loan losses may not be less than 1% of its net loans. For purposes of calculating the closing adjusted net equity of Northview, the amount of any legal and other professional fees incurred by Northview prior to the closing date must be expensed by Northview on or prior to the closing date. The merger agreement obligates Wintrust to reimburse Northview for 37.5% of the after-tax portion, up to \$300,000, of the transaction costs and expenses, including legal and other professional fees, incurred by Northview in connection with the transaction described in this proxy statement/prospectus. The portion of Northview's expenses which are reimbursed by Wintrust will be disregarded in calculating the closing adjusted net equity of Northview. Northview's closing adjusted net equity is the amount that, as of the second business day prior to the closing date, is equal to Northview's shareholders' equity, subject to certain adjustments, specifications and/or charges described in the merger agreement. See "Description of the Merger Agreement--Consideration to be received in the merger--Special Dividend" above. **TERMINATION** The merger agreement may be terminated under any of the following circumstances, as set forth in the merger agreement: o at any time by written agreement of Wintrust and Northview; o by either party if: o the closing has not occurred by December 31, 2004 or such later date agreed to by the parties; provided, that the termination date will be extended to March 31, 2005 if the sole impediment to closing is due to delays in receiving regulatory approval from the Federal Reserve or in the SEC declaring the registration statement

effective; or 40 o Northview receives and accepts a superior proposal for acquisition by a third party. o by Wintrust, if Northview has not satisfied a condition under the merger agreement required to be met by Northview prior to the closing date, or if it becomes impossible for Northview to satisfy a condition and Northview's inability to satisfy the condition was not caused by Wintrust's failure to meet any of its obligations under the Agreement; o by Northview, if Wintrust has not satisfied a condition under the merger agreement required to be met by Wintrust prior to the closing date, or if it becomes impossible for Wintrust to satisfy a condition and Wintrust's inability to satisfy the condition was not caused by Northview's failure to meet any of its obligations under the Agreement; and o by Wintrust, if the closing adjusted net equity of Northview is less than or equal to its minimum net equity as of the second business day prior to the closing date provided that Wintrust may not terminate the merger agreement unless and until five business days have elapsed following delivery and written notice by Wintrust of its intent to terminate the agreement and Wintrust and Northview are unable to agree to an amendment to the merger agreement.

**TERMINATION FEE** Wintrust may be owed a \$1,000,000 termination fee from Northview if the merger agreement is terminated under the following circumstances: o Northview solicits or facilitates an acquisition proposal by a third party, or receives and accepts a superior proposal for acquisition by a third party; or o If, within six months following a termination of the agreement for certain reasons, Northview consummates or enters into a transaction that would result in a change of control of Northview or Northview Bank pursuant to the terms of a proposal known to Northview before the termination of the agreement, but which was not disclosed to Wintrust.

**BOARD OF DIRECTORS OF WINTRUST AND NORTHVIEW BANK AFTER THE MERGER** After the merger, the Wintrust board of directors will remain the same and the Northview Bank board of directors will likely change to include certain members of Wintrust's management.

**EMPLOYEE BENEFIT MATTERS** The merger agreement requires Northview to terminate all of its employee benefit plans, other than its 401(k) plan, health, life and disability insurance plans, and long-term care plan, and to pay or accrue all liabilities relating to the terminated employee benefit plans prior to closing. Wintrust will assume those plans which Northview does not terminate and former Northview employees may continue to participate in those plans until Wintrust terminates the plans or merges them with existing Wintrust plans. Wintrust reserves the right to amend or terminate these plans and arrangements in accordance with the terms of the plans and arrangements and applicable laws. If Wintrust chooses to terminate any Northview employee benefit or similar plan after the closing date, employees previously covered under the terminated plan will be eligible to participate in a similar Wintrust benefit plan.

**EXPENSES** All expenses incurred in connection with the merger agreement will be paid by the party incurring the expenses, except that the fees paid in connection with the filing of the registration statement will be borne by Wintrust, and Wintrust and Northview have agreed to share equally the costs and expenses incurred in connection with printing and mailing the proxy statement/prospectus. Wintrust and Northview have also agreed to reimburse each other for certain expenses incurred not exceeding \$150,000 in the event the merger is terminated prior to the closing date for certain specified reasons relating to the failure to obtain necessary regulatory approvals. Wintrust has also agreed to reimburse Northview for 37.5% of the after-tax portion of its professional fees and expenses incurred in connection with the merger transaction, up to a maximum of \$300,000.

**41 NASDAQ STOCK LISTING** Wintrust's common stock currently is listed on the Nasdaq National Market under the symbol "WTFC." The shares to be issued to the Northview shareholders as merger consideration also will be eligible for trading on the Nasdaq National Market.

**COMPARISON OF SHAREHOLDER RIGHTS** The rights of shareholders of Northview, an Illinois corporation, are governed by Northview's articles of incorporation and by-laws as well as the Illinois Business Corporation Act (the "IBCA"). Upon completion of the merger, the rights of Northview shareholders who receive shares of Wintrust common stock in exchange for their shares of Northview common stock and become shareholders of Wintrust will be governed by the articles of incorporation and by-laws of Wintrust. Wintrust is also an Illinois corporation governed by the IBCA, as well as the rules and regulations applying to public companies. The following discussion summarizes material differences between the rights of Northview and Wintrust shareholders and is not a complete description of all the differences. This discussion is qualified in its entirety by reference to the IBCA and Wintrust's and Northview's articles of incorporation and by-laws.

**AUTHORIZED CAPITAL STOCK** The authorized capital stock of Northview consists of 200,000 shares of common stock, par value \$1.00 per share. Wintrust is authorized to issue 20 million shares, without par value, of preferred stock, and 30 million shares, without par value, of common stock. At August 9, 2004, Wintrust had 20,529,576 shares of common stock outstanding. No shares of preferred stock have been issued. Issuance of shares of Wintrust's preferred stock would affect the relative rights of the holders of its common stock, depending upon the exact terms, qualifications, limitations and relative

rights and preferences, if any, of the shares of the preferred stock as determined by the Board of Directors.

**PAYMENT OF DIVIDENDS** The IBCA governs the ability of Northview and Wintrust to pay dividends. Under the IBCA, an Illinois corporation may not pay dividends or make other distributions to its shareholders if the distribution would have the effect of making the corporation insolvent or if, after payment of the dividend, the net assets of the corporation would be less than zero or less than the maximum amount payable at the time of distribution to shareholders having preferential rights in the liquidation of the corporation if it were to be liquidated. Wintrust may pay dividends if, as and when declared by its Board of Directors. As noted above, Wintrust's ability to pay dividends is subject to limitations imposed by the IBCA. If Wintrust issues any shares of its preferred stock in the future, the holders of its preferred stock may have a priority over the holders of its common stock with respect to dividends.

**ADVANCE NOTICE REQUIREMENTS FOR PRESENTATION OF BUSINESS AND NOMINATIONS OF DIRECTORS AT ANNUAL MEETINGS OF SHAREHOLDERS** Wintrust's by-laws provide that nominations for the election of directors may be made by its board of directors or by any shareholder entitled to vote for the election of directors, subject to the nomination having been made in compliance with certain notice and informational requirements. Wintrust's by-laws provide that Wintrust must receive written notice of any shareholder director nomination or proposal for business at an annual meeting of shareholders no later than 60 days in advance of the meeting if the date of the meeting is within 30 days preceding the anniversary date of the prior year annual meeting. Notice must be delivered to Wintrust no later than 90 days before the meeting if the meeting is to be held on or after the anniversary date of the previous year's annual meeting. With respect to any other annual or special meeting, the required notice must be received no later than the tenth day following the date that the date of such meeting is publicly announced.

Under Northview's by-laws and articles of incorporation, there are no advance notice requirements or other restrictions on the presentation of business or the nomination or election of directors at shareholder meetings.

**42 QUORUM** Northview's by-laws provide that a majority of its outstanding shares entitled to vote on a matter, in person or by proxy, constitutes a quorum for the taking of action at a meeting of shareholders. Wintrust's by-laws contain essentially the same provision. Like Northview shareholders, Wintrust shareholders are entitled to one vote for each share owned.

**ELECTION, CLASSIFICATION AND SIZE OF BOARD OF DIRECTORS** Under Northview's articles of incorporation and by-laws, its board of directors consists of eleven directors, subject to change by amendment to its by-laws. Each director is elected to hold office until the next annual meeting of shareholders, or until his successor is elected and qualified. Shareholders have the right to cumulate votes in the election of directors. Wintrust's board of directors is divided into three classes. Each class serves a staggered term, with one class or approximately one-third of the total number of directors being elected for a three-year term at each annual meeting of shareholders. Wintrust's by-laws state that the number of directors shall be 14; however, the Board of Directors may increase or decrease that number so long as there are not less than six directors at any time. The number of directors currently designated by Wintrust is 14. Shareholders do not have any right to cumulate votes in the election of directors. The staggered election of directors ensures that, at any given time, approximately two-thirds of the directors serving will have had prior experience on the board. Staggered terms for directors also moderate the pace of any change in the board by extending the time required to elect a majority of directors from one to two years. It would be impossible, assuming no resignations or removals of directors, for Wintrust's shareholders to change a majority of the directors at any annual meeting should they consider such a change desirable, unless this provision of Wintrust's articles of incorporation is amended by action of at least 85% of Wintrust's voting shares.

**REMOVAL OF DIRECTORS** Northview's directors may be removed, with or without cause, at a duly called meeting of shareholders, by the affirmative vote of the holders of a majority of outstanding shares entitled to vote. However, if less than the entire board is to be removed, no director may be removed, with or without cause, if the votes cast against his or her removal would be sufficient to elect him or her if then cumulatively voted at an election of the entire board of directors. Wintrust's directors may be removed by shareholders, with or without cause, at a duly called meeting of shareholders by the affirmative vote of the holders of a majority of outstanding shares entitled to vote.

**FILLING VACANCIES ON THE BOARD OF DIRECTORS** Wintrust's by-laws provide that any vacancies and newly created directorships on the board of directors shall be filled for the remainder of the unexpired term exclusively by a majority vote of the directors then in office. Shareholders do not have the right to fill vacancies. Northview's by-laws provide that any vacancies on the Board of Directors may be filled by election at an annual meeting or at a special meeting of shareholders called for that purpose. However, the Board may fill vacancies arising between shareholder meetings by reason of an increase in the number of directors or otherwise. Any so elected or appointed directors will serve until the next shareholder meeting

electing directors. **AMENDMENT OF ARTICLES OF INCORPORATION AND BY-LAWS** Northview's articles of incorporation may be amended by the affirmative vote of two-thirds of the shares entitled to vote. Northview's by-laws may be amended or repealed by a majority vote of the board of directors or its shareholders. Any amendment of Wintrust's articles of incorporation must be approved by a majority vote of the board of directors and also by a vote of at least two-thirds of the outstanding shares of common stock. However, amendment of certain provisions of Wintrust's articles of incorporation requires a higher vote of 85% or more of the outstanding 43 shares. These include provisions relating to: prohibiting cumulative voting rights; the prohibition of shareholder action by written consent; indemnification of Wintrust's officers and directors; the number and classification of the board of directors; and the provisions of the by-laws relating to the vote required to amend certain sections of the articles of incorporation. Wintrust's by-laws may be amended only by the board of directors. **MERGERS, ACQUISITIONS AND OTHER TRANSACTIONS** Under the IBCA, unless a corporation's articles of incorporation provide otherwise, approval by two-thirds of the voting power of the corporation is required for mergers and other transactions involving any sale, lease, exchange or disposition of all or substantially all of its assets or dissolution. Northview's articles of incorporation do not specify a different percentage than that required by the IBCA. Northview's by-laws state that if a quorum is present at the meeting, the affirmative vote of the majority of its shares represented at the meeting and entitled to vote is required to approve any business presented at the meeting, unless a greater vote is required under the IBCA or Northview's articles of incorporation. Since the IBCA requires approval by two-thirds for any merger or other consolidating transaction, such higher vote is required to approve the merger. Wintrust's articles of incorporation do not specify a different percentage than that required by law, except as discussed below regarding business combinations with certain persons. See "Business combinations with interested shareholders." **BUSINESS COMBINATIONS WITH INTERESTED SHAREHOLDERS** As a public company, Wintrust is governed by the provisions of Section 7.85 of the IBCA which applies to a transaction with an "Interested Shareholder" (as defined below) (the "IBCA fair price provision"). Fair price provisions are designed to impede two-step takeover transactions which might otherwise result in disparate treatment of Wintrust's shareholders. Northview is not governed by Section 7.85. Under the IBCA fair price provision, the approval of at least 80% of the shares is required in connection with any transaction involving an Interested Shareholder except (i) in the cases where the proposed transaction has been approved in advance by a majority of those members of the corporation's board of directors who are unaffiliated with the Interested Shareholder and were directors prior to the time when the Interested Shareholder became an Interested Shareholder or (ii) if the proposed transaction meets certain conditions set forth therein which are designed to afford the shareholders a fair price in consideration for their shares, in which case approval of only a majority of the outstanding shares of voting stock is required. The term "Interested Shareholder" is defined in the IBCA to include any individual, corporation, partnership or other entity (other than the corporation or any subsidiary) which owns beneficially or controls, directly or indirectly, 15% or more of the outstanding shares of the corporation's voting stock or is an affiliate or associate of the corporation and was the owner of 15% or more of the outstanding voting stock of the corporation at any time within the three year period immediately before the date on which the determination whether the person is an Interest Shareholder is sought. **LIMITATIONS ON DIRECTORS' LIABILITY** Wintrust's articles of incorporation provides that no director will be personally liable to the corporation or any of its shareholders for monetary damages for any breach of fiduciary duty except, as required by the IBCA, as follows: (1) for breach of duty of loyalty to the corporation or the shareholders; (2) for acts and omissions not in good faith or which involved intentional misconduct or a knowing violation of law; (3) for deriving an improper personal benefit from a transaction with the corporation; or (4) under Section 8.65 of the IBCA, which creates liability for unlawful payment of dividends and unlawful stock purchases or redemptions. 44 Northview's articles of incorporation are silent as to the limitation on director's liability. As a result, Northview's directors are subject to personal liability to the corporation or any of its shareholders to the extent required by the IBCA. **INDEMNIFICATION** Northview's articles of incorporation and by-laws provide that Northview shall, to the extent permitted by applicable law, indemnify any person made or threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a director or officer of the corporation against liabilities and expenses in any action, suit or proceeding. Northview's articles of incorporation and by-laws provide that Northview may, to the extent permitted by applicable law, indemnify any person made or threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was an employee or agent of Northview, or is or was

serving at the request of Northview as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against liabilities and expenses reasonably incurred or paid by such person in connection with such action, suit or proceeding. As used in Northview's articles of incorporation and by-laws, the terms "liabilities" and "expenses" include, without limitation, liabilities, losses, damages, judgments, fines, penalties, amounts paid in settlement, expenses, attorneys' fees and costs. Under the IBCA, a corporation may indemnify its directors, officers, employees and certain other individuals against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement in connection with actions, suits or proceedings arising because of the person's relationship to the corporation. The indemnification generally will cover expenses regardless of whether it is a civil, criminal, administrative or investigative proceeding if the individual acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interest of the corporation and, in the case of a criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful. A similar standard applies in an action or suit by or in the right of the corporation, but extends to only expenses, including attorneys' fees, incurred in defense of the proceeding. In these cases, court approval is required before there can be any indemnification when the person seeking indemnification has been found liable to the corporation. To the extent a person otherwise eligible for indemnification is successful on the merits or otherwise in defense of any action, suit or proceeding described above, indemnification for expenses, including attorneys' fees, actually and reasonably incurred is required under the IBCA. Wintrust's articles of incorporation and by-laws generally provide for the same indemnification as the IBCA, including the advancement of expenses to the extent permitted by law. Both Northview's by-laws and articles of incorporation and Wintrust's articles of incorporation and by-laws provide for the continuation of indemnification after the termination of the indemnified person's association with the company.

**ACTION BY SHAREHOLDERS WITHOUT A MEETING** Under the IBCA, unless the articles of incorporation provide otherwise, shareholders may act by written consent if the consent is signed by shareholders who collectively own the number of shares that would have been required to take action at an actual shareholder meeting. Wintrust's articles of incorporation and by-laws provide that its shareholders are not permitted to act by written consent. All action required or permitted to be taken by Wintrust's shareholders must be effected at a duly called annual or special meeting of its shareholders. Northview's articles of incorporation are silent as to action by shareholders without a meeting. Its by-laws provide that shareholders may act without a vote or a meeting if a consent in writing, setting forth the action to be taken, is signed (i) if five days prior notice of the proposed action is given in writing to all shareholders entitled to vote on the matter, by the holders of outstanding shares having not less than the minimum number of votes required to authorize the action at a meeting at which all shareholders entitled to vote were present and voting, or (ii) by all of the shareholders entitled to vote on the subject matter of the consent.

**45 SPECIAL MEETINGS OF SHAREHOLDERS** Northview's by-laws state that a special meeting may be called at any time by the chairman of the board of directors or the president and must be called at the written request of (i) a majority of the board of directors, or (ii) holders of not less than one-fifth of all outstanding shares entitled to vote on the matter for which the meeting is called. Wintrust's by-laws state that special meetings only may be called by the chairman of the board of directors or the president of Wintrust.

**PREEMPTIVE RIGHTS** Under the IBCA, preemptive rights will not be available unless a corporation's articles of incorporation specifically provide for these rights. Neither Wintrust's nor Northview's articles of incorporation provide for preemptive rights. Accordingly, Wintrust shareholders are not entitled to preemptive rights with respect to any shares that Wintrust may issue in the future.

**DISSENTERS' RIGHTS OF DISSENTING SHAREHOLDERS** Under the IBCA, the rights of dissenting shareholders to obtain the fair value for their shares may be available in connection with a merger or consolidation in certain situations. Dissenters' rights are available to Northview shareholders in connection with the merger because the merger requires shareholder approval. For a description of dissenters' rights, see "Special meeting of Northview shareholders--Dissenters' rights."

**CERTAIN ANTI-TAKEOVER EFFECTS OF WINTRUST'S ARTICLES AND BY-LAWS AND ILLINOIS LAW** Certain provisions of Wintrust's articles of incorporation, by-laws and the IBCA may have the effect of impeding the acquisition of control of Wintrust by means of a tender offer, a proxy fight, open-market purchases or otherwise in a transaction not approved by Wintrust's board of directors. These provisions may have the effect of discouraging a future takeover attempt which is not approved by Wintrust's board of directors but which individual Wintrust shareholders may deem to be in their best interests or in which Wintrust shareholders may receive a substantial premium for their shares over then-current market prices. As a result, shareholders who might desire to participate in such a transaction may not have an opportunity to do so. Such provisions will also render the removal of Wintrust's

current board of directors or management more difficult. These provisions of Wintrust's articles of incorporation and by-laws include the following: (1) Wintrust's board of directors may issue additional authorized shares of Wintrust's capital stock to deter future attempts to gain control of Wintrust, including the authority to determine the terms of any one or more series of preferred stock, such as voting rights, conversion rates, and liquidation preferences. As a result of the ability to fix voting rights for a series of preferred stock, the board has the power, to the extent consistent with its fiduciary duty, to issue a series of preferred stock to persons friendly to management in order to attempt to block a merger or other transaction by which a third party seeks control, and thereby assist the incumbent board of directors and management to retain their respective positions; (2) Wintrust's staggered board is intended to provide for continuity of its board of directors and to make it more difficult and time consuming for a shareholder group to fully use its voting power to gain control of the board of directors without the consent of Wintrust's incumbent board of directors; (3) Wintrust's articles of incorporation do not provide for cumulative voting for any purpose, and its articles of incorporation and by-laws also provide that any action required or permitted to be taken by its shareholders may be taken only at an annual or special meeting and prohibit shareholder action by written consent in lieu of a meeting; (4) Wintrust's articles of incorporation expressly elect to be governed by the provisions of Section 7.85 of the IBCA, as discussed above. Under the IBCA fair price provision and Wintrust's articles of incorporation, the approval of at least 80% of its shares is required in connection with any transaction involving an Interested Shareholder, subject to certain exceptions. Fair price provisions are designed to 46 impede a two-step takeover transactions which might otherwise result in disparate treatment of Wintrust's shareholders; and (5) Amendment of Wintrust's articles of incorporation must be approved by a majority vote of the board of directors and also by a two-thirds vote of the outstanding shares of Wintrust common stock, provided, however, that an affirmative vote of at least 85% of the outstanding voting stock entitled to vote is required to amend or repeal certain provisions of the articles of incorporation, including provisions (a) prohibiting cumulative voting rights, (b) relating to certain business combinations, (c) limiting the shareholders' ability to act by written consent, (d) regarding the number, classification of directors, filling of board vacancies and newly created directorships, (e) indemnification of directors and officers by Wintrust and limitation of liability for directors, and (f) regarding amendment of the foregoing supermajority provisions of Wintrust's articles of incorporation. Wintrust's by-laws may be amended only by the board of directors. The provisions described above are intended to reduce Wintrust's vulnerability to takeover attempts and certain other transactions which have not been negotiated with and approved by members of its board of directors. RIGHTS PLAN Wintrust has a shareholders rights plan which could discourage unsolicited or hostile takeover attempts which are not negotiated with its board of directors. The plan discourages such attempts by causing substantial dilution to any person who acquires an amount in excess of a specified percentage of Wintrust's common stock and by making an acquisition of Wintrust, without the consent of its board of directors, prohibitively expensive. The description of the rights plan set forth below does not purport to be complete and is qualified in its entirety by reference to the description of the rights plan set forth in Wintrust's Registration Statement on Form 8-A dated August 28, 1998. See "Incorporation of certain information by reference" on page 49. Each share of Wintrust common stock has attached to it a stock purchase right having the terms set forth in a rights agreement between Wintrust and Illinois Stock Transfer Company, as rights agent. Each right will entitle its registered holder to purchase from Wintrust one one-hundredth of a share of Junior Serial Preferred Stock A, without par value, at a price of \$85.00 per one one-hundredth share, subject to certain adjustments. Generally, the rights become exercisable when any person or group (i) acquires or obtains the right to acquire 15% or more of Wintrust's common stock, or (ii) commences (or announces its intention to commence) a tender or exchange offer to acquire 15% or more of Wintrust's common stock. In the event that any person or group becomes the beneficial owner of 15% or more of Wintrust's common stock, rights owned by that person or group will immediately become null and void. Thereafter, other registered rights holders will have the right to receive, upon exercise at the then-current exercise price of the right, Wintrust common stock having a value equal to two times the exercise price of the right. Additionally, if, after any person or group has acquired 15% or more Wintrust's common stock, Wintrust is acquired in a merger or other business combination or 50% or more of Wintrust's assets or earning power are sold, then each registered right holder will receive the right to purchase, for the exercise price, common stock of the entity which acquires or survives Wintrust having a value equal to twice the exercise price of the right. Prior to any person or group acquiring 15% or more of Wintrust's common stock, Wintrust may redeem the rights in whole, but not in part, at a price of \$0.01 per right, to be paid in cash, shares of Wintrust common stock or other consideration. In addition, at any time after a person or group acquires 15% of Wintrust's common stock, but prior to such person or group acquiring

50% or more of Wintrust's common stock, Wintrust may exchange the rights, in whole or in part, at an exchange ratio of one share of common stock per right. The rights will expire on July 31, 2008 unless exercised, redeemed, exchanged or otherwise cancelled before that date. Northview does not have a shareholders rights plan. 47 LEGAL MATTERS Certain matters pertaining to the validity of the authorization and issuance of the Wintrust common stock to be issued in the proposed merger and certain matters pertaining to the federal income tax consequences of the proposed merger have been passed upon by Vedder, Price, Kaufman & Kammholz, P.C., 222 North LaSalle Street, Chicago, Illinois 60601. Vedder Price also represented Northview, but not Wintrust, in the negotiation of the merger agreement with the consent of both parties. EXPERTS The consolidated financial statements of Wintrust as of December 31, 2003 and 2002, and for each of the years in the three years in the period ended December 31, 2003, included in Wintrust's Annual Report on Form 10-K for the year ended December 31, 2003, have been audited by Ernst & Young LLP, an Independent Registered Public Accounting Firm, as set forth in their report thereon included in Wintrust's Annual Report on Form 10-K for the year ended December 31, 2003, and are incorporated by reference herein in reliance upon such report given on the authority of Ernst & Young LLP as experts in accounting and auditing. SHAREHOLDER PROPOSALS After the merger is completed, the next annual meeting of Wintrust's shareholders will be held in 2005. To be considered for inclusion in Wintrust's proxy materials for that annual meeting, any shareholder proposal must be received in writing at Wintrust's principal office at 727 North Bank Lane, Lake Forest, Illinois 60045, no later than December 24, 2004. All shareholder proposals submitted for inclusion in Wintrust's proxy materials will be subject to the requirements of the proxy rules adopted under the Securities Exchange Act, and, as with any shareholder proposal, Wintrust's articles of incorporation and by-laws and Illinois law. Furthermore, in order for any shareholder to properly propose any business for consideration at Wintrust's 2005 annual meeting, including the nomination of any person for election as a director, or any other matter raised other than pursuant to Rule 14a-8 of the proxy rules adopted under the Exchange Act, written notice of the shareholder's intention to make such proposal must be furnished to Wintrust in accordance with its by-laws. Under the existing provisions of Wintrust's by-laws, if the 2005 annual meeting is held on May 26, 2005, the deadline for such notice is March 27, 2005. EXHIBITS Exhibit A Form of Option Conversion Agreement Exhibit B Form of Opinion of Company Counsel Exhibit C-1, C-2, C-3 Forms of Key Management Employment Agreement Exhibit D Form of Voting Agreement Exhibit E Form of Opinion of Wintrust Counsel A-vii AGREEMENT AND PLAN OF MERGER This AGREEMENT AND PLAN OF MERGER (this "Agreement"), is entered into as of the 10th day of May, 2004, by and between WINTRUST FINANCIAL CORPORATION, an Illinois corporation ("Wintrust"), and NORTHVIEW FINANCIAL CORPORATION, an Illinois corporation (the "Company"). Wintrust and the Company are together referred to in this Agreement as the "Parties." RECITALS WHEREAS, the boards of directors of each of the Parties have approved and declared it advisable and in the best interest of the Parties and their respective shareholders to effect a reorganization, whereby the Company will merge with and into Wintrust, in the manner and on the terms and subject to the conditions set forth in Article I below (the "Merger"), as a result of which the Company will merge out of existence and Northview Bank & Trust, an Illinois state bank and wholly owned subsidiary of the Company (the "Bank"), will become a wholly owned subsidiary of Wintrust. WHEREAS, for federal income tax purposes the Parties desire and intend that the Merger qualify as a reorganization in accordance with Section 368(a) of the Internal Revenue Code of 1986, as amended (the "Code"). NOW THEREFORE, in consideration of the premises and the mutual promises herein made, and in consideration of the representations, warranties and covenants herein contained, the Parties hereby agree as follows. ARTICLE I THE MERGER 1.1 The Merger. At the Effective Time (as defined in Section 1.2), in accordance with this Agreement and the Illinois Business Corporation Act (the "Illinois Act"), the Company shall be merged with and into Wintrust, and Wintrust shall continue as the corporation surviving the Merger (sometimes referred to herein as the "Surviving Corporation"). 1.2 Effective Time. As of the Closing, the Parties will cause articles of merger (the "Articles of Merger") with respect to the Merger to be executed and filed with the Secretary of State of the State of Illinois as provided in the Illinois Act. The Merger shall become effective on the date and time at which the Articles of Merger are duly filed by the Secretary of State of the State of Illinois, or at such other date and time as is agreed among the Parties and specified in the Articles of Merger (the "Effective Time"). 1.3 Effect of the Merger. At and after the Effective Time, the Merger shall have the effect set forth in Section 11.50 of the

Illinois Act. 1.4 Merger Consideration. At the Effective Time, each common share of the Company, par value \$1.00 per share (each, a "Company Common Share" and collectively, "Company Common Shares"), issued and outstanding immediately prior to the Effective Time, shall by reason of the Merger and without any action by the holder thereof, be converted into the right to receive shares of common stock, no par value, of Wintrust ("Wintrust Common Stock") and cash having an aggregate value of \$275.00 (the "Per Share Merger Consideration"), determined as follows: (a) Per Share Stock Consideration. The number of shares of Wintrust Common Stock issuable upon conversion of each Company Common Share (the "Per Share Stock Consideration") shall be determined as follows: (i) If the unweighted average of the high and low sale prices of a share of Wintrust Common Stock as reported on the Nasdaq National Market for each of the ten trading days ending on the second trading day preceding the Closing Date (as defined in Section 1.10) (the "Wintrust Common Stock Price") is at least \$42.80 and no more than \$52.80, the Per Share Stock Consideration shall be the number of shares, rounded A-1 to the nearest thousandth of a share, equal to the quotient obtained by dividing 55% of the Per Share Merger Consideration (which is equal to \$151.25) by the Wintrust Common Stock Price. (ii) If the Wintrust Common Stock Price is less than \$42.80, the Per Share Stock Consideration shall be equal to the quotient obtained by dividing 55% of the Per Share Merger Consideration by \$42.80. (iii) If the Wintrust Common Stock Price is greater than \$52.80, the Per Share Stock Consideration shall be equal to the quotient obtained by dividing 55% of the Per Share Merger Consideration by \$52.80. (b) Per Share Cash Consideration. The amount of cash payable upon conversion of each Company Common Share (the "Per Share Cash Consideration") shall be equal to 45% of the Per Share Merger Consideration (which is equal to \$123.75). (c) Net Equity Surplus. If the Closing Adjusted Net Equity is greater than the Base Adjusted Net Equity (the amount of such overage, the "Net Equity Surplus"), then fifty percent (50%) of the Net Equity Surplus shall be payable to the shareholders of the Company in the form of a cash dividend which shall be paid prior to the Closing Date. For purposes of this Agreement: (i) "Closing Adjusted Net Equity" shall be the amount that, as of the second business day prior to the Closing Date (the "Determination Date"), is equal to the shareholders' equity in the Company, as determined in conformity with past practices and policies of the Bank and generally accepted accounting principles ("GAAP") applied on a basis consistent with the preparation of the Financial Statements, adjusted to reflect the following adjustments, specifications and charges, which adjustments, specifications and charges shall be made by the Company on or prior to the Determination Date: (1) the Company shall have no more than \$2,570,000.00 in debt; (2) those loan losses described on Schedule 1.4(c)(i)(2) which total \$1,700,000 (the "Scheduled Loan Losses"), or such lesser amount in the event any of such loans are paid in full or in part prior to the Determination Date, shall be charged against the reserve for loan losses and a provision for losses will be charged against the earnings of the Company on or prior to the Determination Date, if necessary, so that the reserve for loan and lease losses is not less than 1% of the Bank's net Loans (gross Loans less unearned discounts); (3) bonus, severance and other executive employment compensation as described on Schedule 1.4(c)(i)(3) (the "Scheduled Executive Compensation"), which shall not exceed \$1,200,000 in the aggregate, shall be charged against the earnings of the Company on or prior to the Determination Date; (4) the Company shall charge \$680,000 on a pre-tax basis against its earnings, on or prior to the Determination Date in connection with the contingencies described on Schedule 1.4(c)(i)(4) (the "Scheduled Contingencies"); these charge(s) shall not be reversed unless and until the Scheduled Contingencies are fully eliminated or resolved on or prior to the Determination Date; and (5) all professional fees and expenses incurred by the Company prior to the Closing Date, including legal, investment banking, appraisal and accounting fees and expenses, whether in connection with this Agreement and the transactions contemplated hereby or otherwise, shall be expensed by the Company on or prior to the Determination Date; provided, however, that the portion of such fees and after-tax expenses paid by Wintrust pursuant to Section 10.1(a) shall be disregarded for purposes of calculating this adjustment. (ii) "Base Adjusted Net Equity" shall be that amount equal to the sum of (1) \$17,551,000, (2) \$331,029, the Northview Mortgage equity adjustment, and (3) any cash receipts and any attendant tax benefits recorded from the exercise of Outstanding Company Options in accordance with Section 5.16. A-2 1.5 Effect on Capital Shares; Dissenting Shares. (a) Each Company Common Share converted into the right to receive the Per Share Merger Consideration in accordance with this Article I shall no longer be outstanding and shall automatically be cancelled and retired and shall cease to exist as of the Effective Time, and each certificate previously representing any such Company Common Shares shall cease to have any rights with respect thereto, except the right to (i) receive (1) in accordance with Section 2.3(a), the Per Share Stock Consideration and cash in lieu of any fractional shares thereof determined pursuant to Section 2.2, and (2) the Per Share Cash Consideration, or (ii) exercise dissenters' rights in

accordance with, and subject to the provisions of, the Illinois Act, as described below. (b) Any holder of Company Common Shares otherwise entitled to receive the Per Share Merger Consideration in exchange for each of his or her Company Common Shares shall be entitled to demand payment of the fair cash value for his or her Company Common Shares as specified in Sections 11.65 and 11.70 of the Illinois Act if the holder follows the procedures specified therein (such shares hereinafter referred to as "Dissenting Shares"). No holder of Dissenting Shares shall, after the Effective Time, be entitled to receive any shares of Wintrust Common Stock or the Per Share Cash Consideration pursuant to this Agreement, or be entitled to vote for any purpose or receive any dividends or other distributions with respect to such Wintrust Common Stock; provided, however, that Company Common Shares held by a dissenting shareholder who subsequently withdraws a demand for payment, fails to comply with the requirements of the Illinois Act, or otherwise fails to establish the right of such shareholder to receive payment in cash of the fair value for such shareholder's shares under the Illinois Act shall be deemed to be converted into the right to receive the Per Share Merger Consideration pursuant to the terms and conditions specified herein.

**1.6 Company Stock Options.** (a) At the Effective Time, each option granted by the Company under the terms of the Northview Financial Corporation 1993 Incentive Stock Program (the "Company Option Plan") to purchase Company Common Shares that is outstanding and unexercised immediately prior to the Effective Time (an "Outstanding Company Option"), shall be converted into an option to purchase shares of Wintrust Common Stock (a "Converted Option") in such number and at such exercise price as set forth herein and otherwise having the same terms and conditions as in effect immediately prior to the Effective Time except to the extent that such Outstanding Company Options shall be altered in accordance with their terms as a result of the Merger contemplated hereby, as follows: (i) the number of shares of Wintrust Common Stock to be subject to the Converted Option shall be equal to the product obtained by multiplying (1) the number of Company Common Shares subject to the original Outstanding Company Option by (2) the quotient obtained by dividing the Per Share Merger Consideration by the Wintrust Common Stock Price (such quotient, the "Option Exchange Ratio"); (ii) the exercise price per share of Wintrust Common Stock under the Converted Option shall be equal to the quotient obtained by dividing (1) the exercise price per Company Common Share under the original Outstanding Company Option by (2) the Option Exchange Ratio; and (iii) upon exercise of each Converted Option by a holder thereof, the aggregate number of shares of Wintrust Common Stock deliverable upon such exercise shall be rounded down, if necessary, to the nearest whole share and the aggregate exercise price shall be rounded up, if necessary, to the nearest cent. (b) The adjustments provided herein with respect to any Outstanding Company Options that are "incentive stock options" (as defined in Section 422 of the Code) shall be effected in a manner consistent with the requirements of Section 424(a) of the Code. (c) The Company Option Plan shall be amended, effective as of the Effective Time, to provide for the conversion of Outstanding Company Options in accordance with Section 1.6(a) (the "Plan Amendment"). The Company shall provide to Wintrust, not less than five (5) business days prior to the Closing Date, copies of an agreement in the form of Exhibit A attached hereto (the "Option Conversion Agreement") from each of the holders of Outstanding Company Options acknowledging their agreement and consent to the Plan Amendment and to such terms of conversion set forth in this Section 1.6.

**1.7 Cancellation of Treasury Shares.** At the Effective Time, each Company Common Share held as treasury stock, if any, immediately prior to the Effective Time shall automatically be cancelled and retired and cease to exist, and no shares of Wintrust Common Stock or other consideration shall be exchanged therefor.

**A-3 1.8 Recapitalization.** In the event that Wintrust changes (or establishes a record date for changing) the number of shares of Wintrust Common Stock issued and outstanding as a result of a stock dividend, stock split, recapitalization, reclassification, combination or similar transaction with respect to the outstanding shares of Wintrust Common Stock, and the record date therefor shall be after the date of this Agreement and prior to the Effective Time, then the calculations of the Per Share Stock Consideration described in Section 1.4(a) shall be appropriately and proportionately adjusted.

**1.9 Tax Treatment.** It is intended that the Merger shall constitute a reorganization within the meaning of Section 368(a) of the Code, and that this Agreement shall constitute a "plan of reorganization" for purposes of Section 368 of the Code.

**1.10 Closing.** The consummation of the transactions contemplated by this Agreement shall take place at a closing (the "Closing") to be held on the fifth business day following the date on which all of the conditions set forth in Sections 7.3 and 7.4 of this Agreement have been satisfied or on such other date as Wintrust and the Company may mutually agree (the "Closing Date"). In the event of the filing of any motion for rehearing or any appeal from the decision of any regulatory authority approving the transactions contemplated in this Agreement or any legal proceedings of the type contemplated by Sections 7.6 or 8.6, Wintrust or the Company may postpone the Closing by written notice to the other parties until such approvals have

been obtained or such motion, appeal or litigation has been resolved, but in no event shall such Closing be postponed beyond the close of business on December 31, 2004 (except as may be extended pursuant to Section 10.2(b)) without the consent of the boards of directors of Wintrust and the Company. To the extent reasonably practicable in Wintrust's sole discretion, and so long as not in contravention of any other term or condition of this Agreement (and assuming the conditions set forth in Sections 7.3 and 7.4 have been satisfied), Wintrust shall use its reasonable efforts to coordinate the timing of the Closing so that the Effective Time and the exchange of certificates described in Section 2.3 may occur prior to the record date for the then next regularly scheduled dividend to be paid with respect to Wintrust Common Stock; provided, however, that the foregoing shall not, and shall not be interpreted to, supersede any of the requirements set forth in Section 2.3(f). The Closing shall take place at 10:00 a.m., local time, on the Closing Date at the offices of Schiff Hardin LLP, 6600 Sears Tower, Chicago, Illinois, or at such other place and time upon which the parties may agree.

**ARTICLE II EXCHANGE OF CERTIFICATES**

**2.1 Wintrust to Make Shares and Cash Available.** At or prior to the Effective Time, Wintrust shall authorize the issuance of and shall make available to the Illinois Stock Transfer Company (the "Exchange Agent"), for the benefit of the holders of certificates of Company Common Shares (the "Company Share Certificates"), for exchange in accordance with this Article II, a sufficient number of certificates for shares of Wintrust Common Stock (the "Wintrust Stock Certificates") to be issued pursuant to Section 1.4(a), and sufficient cash for payment of (a) the aggregate Per Share Cash Consideration in accordance with Section 1.4(b) and (b) cash in lieu of any fractional shares of Wintrust Common Stock in accordance with Section 2.2. Such Wintrust Stock Certificates and cash, together with any dividends or distributions with respect thereto paid after the Effective Time, are referred to in this Article II as the "Conversion Fund." Wintrust shall be solely responsible for the payment of any fees and expenses of the Exchange Agent.

**2.2 No Fractional Shares.** Notwithstanding anything to the contrary contained in this Agreement, no fractional shares of Wintrust Common Stock shall be issued in the Merger. Each holder of Company Common Shares who would otherwise be entitled to receive a fractional part of a share of Wintrust Common Stock pursuant to Section 1.4(a) shall instead be entitled to receive an amount in cash (without interest) rounded to the nearest whole cent, determined by multiplying the Wintrust Common Stock Price by the fractional share of Wintrust Common Stock to which such former holder would otherwise be entitled.

**2.3 Exchange of Certificates.** (a) Not less than five (5) business days preceding the Closing Date, the Surviving Corporation shall cause the Exchange Agent, pursuant to documentation reasonably satisfactory to Wintrust and the Company, to mail to each holder of record of one or more Company Share Certificates a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to Company Share Certificates shall pass, only A-4 upon delivery of such certificates to the Exchange Agent) and instructions for use in effecting the surrender of the Company Share Certificates pursuant to this Agreement. In addition, Wintrust shall cause copies of such letters of transmittal to be available at the Closing for those holders of Company Share Certificates who wish to obtain their respective letters of transmittal at that time. Upon proper surrender of a Company Share Certificate for exchange to the Exchange Agent prior to, on or after the Effective Time, together with such properly completed letter of transmittal, duly executed, the holder of such Company Share Certificate shall be entitled to receive in exchange therefor, (i) a Wintrust Stock Certificate representing that number of whole shares of Wintrust Common Stock to which such holder of Company Common Shares shall have become entitled pursuant to Section 1.4(a) (after taking into account all Company Common Shares then held by such holder), (ii) a check (or wire transfer, as described below) representing the aggregate Per Share Cash Consideration to which such holder of Company Common Shares shall have become entitled pursuant to Section 1.4(b) (after taking into account all Company Common Shares then held by such holder) and (iii) a check (or wire transfer, as described below) representing the amount of any cash in lieu of fractional shares that such holder has the right to receive pursuant to Section 2.2 in respect of such Company Share Certificate, and the Company Share Certificate so surrendered shall forthwith be canceled. No interest will be paid or accrued on any Per Share Cash Consideration or cash in lieu of fractional shares payable to holders of Company Share Certificates. Any holder of Company Common Shares entitled to receive an aggregate amount of Per Share Cash Consideration and cash in lieu of fractional shares equal to or greater than \$500,000 shall be entitled to receive such amount by wire transfer to an account designated in writing by such holder to Wintrust not less than two (2) business days prior to the Closing Date, which wire transfer shall be initiated immediately following the Effective Time. (b) If any Wintrust Stock Certificate is to be issued in a name other than that in which the Company Share Certificate surrendered in exchange therefor is registered, it shall be a condition of the issuance thereof that the Company Share Certificate so surrendered shall be properly endorsed (or accompanied by an appropriate instrument

of transfer) and otherwise in proper form for transfer, and that the person requesting such exchange shall pay to the Exchange Agent in advance any transfer or other taxes required by reason of the issuance of a Wintrust Stock Certificate in any name other than that of the registered holder of the Company Share Certificate surrendered, or required for any other reason, or shall establish to the satisfaction of the Exchange Agent that such tax has been paid or is not payable. (c) After the Effective Time, there shall be no transfers on the stock transfer books of the Company of the Company Common Shares that were issued and outstanding immediately prior to the Effective Time. (d) Any portion of the Conversion Fund that remains unclaimed by the shareholders of the Company for twelve (12) months after the Effective Time shall be paid to the Surviving Corporation. Any shareholders of the Company who have not theretofore complied with this Article II shall thereafter look only to the Surviving Corporation for the issuance of certificates representing shares of Wintrust Common Stock, the payment of the Per Share Cash Consideration, the payment of cash in lieu of any fractional shares and any unpaid dividends and distributions on Wintrust Common Stock deliverable in respect of each Company Common Share such shareholder holds as determined pursuant to this Agreement, in each case, without any interest thereon. Notwithstanding the foregoing, none of Wintrust, the Surviving Corporation, the Exchange Agent or any other person shall be liable to any former holder of Company Common Shares, for any amount delivered in good faith to a public official pursuant to applicable abandoned property, escheat or similar laws. (e) In the event any Company Share Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Company Share Certificate to be lost, stolen or destroyed and, if reasonably required by the Surviving Corporation, the posting by such person of a bond in such amount as the Exchange Agent may determine is reasonably necessary as indemnity against any claim that may be made against it with respect to such Company Share Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Company Share Certificate, (i) a Wintrust Stock Certificate representing the shares of Wintrust Common Stock and cash in lieu of any fractional shares deliverable in respect thereof pursuant to this Agreement and (ii) the Per Share Cash Consideration. (f) No dividends or other distributions declared with respect to Wintrust Common Stock and payable to the holders of record thereof after the Effective Time shall be paid to the holder of any unsurrendered Company Share Certificate until the holder thereof shall surrender such Company Share Certificate in A-5 accordance with this Article II and no interest shall be payable on any cash to be paid in lieu of fractional shares or the Per Share Cash Consideration. Promptly after the surrender of a Company Share Certificate in accordance with this Article II, the record holder thereof shall be entitled to receive any such dividends or other distributions, without interest thereon, which theretofore had become payable with respect to shares of Wintrust Common Stock represented by such Company Share Certificate. No holder of an unsurrendered Company Share Certificate shall be entitled, until the surrender of such Company Share Certificate, to vote the shares of Wintrust Common Stock into which Company Common Shares shall have been converted. Each of the audited Financial Statements has been certified by the Company's independent auditor, who have expressed an unqualified opinion on such Financial Statements. There are no Loans reflected on the books and records of Northview Mortgage. No obligor named in any Loan has provided notice (whether written or, to the knowledge of the Company, oral) to the Company or the Bank that such obligor intends to attempt to avoid the enforceability of any term of any Loan under any such laws or equitable remedies, and no Loan is subject to any valid defense, set-off, or counterclaim that has been asserted with respect to such Loan. All Loans that are secured, as evidenced by the appropriate and sufficient ancillary security documents, are so secured by valid and enforceable liens. Neither the Bank nor the Company has entered into any loan repurchase agreements. (b) The allowance for loan losses shown on each of the balance sheets contained in the Financial Statements are adequate in the reasonable judgment of the Company and are consistent with the standards of the FDIC and GAAP to provide for losses, net of recoveries relating to loans previously charged off on loans outstanding (including accrued interest receivable) as of the applicable date of such balance sheet. Since January 1, 2001, the Company and the Subsidiaries have each timely filed all reports, registrations and statements, together with any amendments required to be made with respect thereto, required to be filed with the Federal Reserve, the FDIC and the IOBRE, and any other Governmental Authority or self-regulatory organization (except filings which individually or in the aggregate are not material to the business of the Company or the Subsidiaries) with jurisdiction over any of the activities of the Company or the Subsidiaries (the "Company Regulatory Reports"), and have paid all fees and assessments due and payable in connection therewith. (a) The Schedule of Material Contracts, attached as Schedule 3.10, includes a complete and correct list of each employee benefit plan within the meaning of Section 3(3) of ERISA (the "ERISA Plans"), each compensation, consulting, employment or collective bargaining agreement, and each stock option, stock purchase, stock appreciation right, life, health, disability or other insurance or benefit, bonus, deferred or incentive compensation, severance or separation, profit sharing, retirement, or other employee benefit plan, practice, policy or arrangement of any kind, oral or written, covering employees or former employees of the Company or the Subsidiaries which the Company or the Subsidiaries maintains or contributes to (or, with respect to any employee pension benefit plan (as defined in Section 3(2) of ERISA) has maintained or contributed to since the date of its incorporation) or to which the Company or the Subsidiaries is a party or by which it is otherwise bound (collectively, together with the ERISA Plans, the "Benefit Plans"). None of the Benefit Plans is a "defined benefit plan" (as defined in Section 414(j) of the Code). Neither the Company nor the Subsidiaries has, nor has ever had, an affiliate that would be treated as a single employer together with the Company or the Subsidiaries (an

"ERISA Affiliate") under Section 414 of the Code. (b) Other than the Company Stock Option Plan and except as set forth on Schedule 3.20(b), none of the Company and the Subsidiaries has entered into or maintained any Benefit Plan which includes A-14 any change of control provisions which would cause an increase or acceleration of benefits or benefit entitlements to employees or former employees of the Company or the Subsidiaries or any other increase in the liabilities of the Company or the Subsidiaries under such Benefit Plan as a result of the transactions contemplated by this Agreement. (c) None of the Company and the Subsidiaries maintains or participates, and has ever maintained or participated, in a multiemployer plan within the meaning of Section 3(37) of ERISA. None of the Company, the Subsidiaries, any director or employee of the Company or the Subsidiaries, or any fiduciary of any ERISA Plan has engaged in any transaction in violation of Section 406 or 407 of ERISA or any "prohibited transaction" (as defined in Section 4975(c)(1) of the Code) for which no exemption exists under Section 408(b) of ERISA or Section 4975(d) of the Code in connection with such ERISA Plan. None of the Company and the Subsidiaries provides nor has ever provided medical benefits to former employees, except as required by Section 601 of ERISA. (d) Each ERISA Plan that is intended to qualify under Section 401 and related provisions of the Code is the subject of a favorable determination letter from the Internal Revenue Service, or satisfies the provisions of Internal Revenue Service Announcement 2001-77, Section II, if applicable, to the effect that it is so qualified under the Code and that its related funding instrument is tax exempt under Section 501 of the Code. Nothing has occurred since the date of such determination letter that would adversely affect such determination or the qualified tax exempt status of such ERISA Plan and its related funding instrument. (e) Each Benefit Plan is, and since its inception, has been administered in material compliance with its terms and with all applicable laws, rules and regulations governing such Benefit Plan, including the rules and regulations promulgated by the Department of Labor, the Pension Benefit Guaranty Corporation and the Internal Revenue Service under ERISA, the Code or any other applicable law. Neither the Company nor any affiliate of the Company that is a fiduciary with respect to any Benefit Plan, has breached any of the responsibilities, obligations or duties imposed on it by ERISA. No Benefit Plan is currently the subject of a submission under the IRS Employee Plans Compliance Resolution System or any similar system, nor under any Department of Labor amnesty program, and neither the Company nor any of the Subsidiaries anticipate any such submission of any Benefit Plan. (f) There is no litigation, claim or assessment pending or, to the Company's knowledge, threatened by, on behalf of, or against any of the Benefit Plans or against the administrators or trustees or other fiduciaries of any of the Benefit Plans that alleges a violation of applicable state or federal law. To the Company's knowledge, there is no reasonable basis for any such litigation, claim or assessment. (g) No Benefit Plan fiduciary or any other person has, or has had, to his, her or its knowledge, any liability to any Benefit Plan participant, beneficiary or any other person under any provisions of ERISA or any other applicable law by reason of any action or failure to act in connection with any Benefit Plan, including, but not limited to, any liability by any reason of any payment of, or failure to pay, benefits or any other amounts or by reason of any credit or failure to give credit for any benefits or rights. Every Benefit Plan fiduciary and official is bonded to the extent required by Section 412 of ERISA. (h) All accrued contributions and other payments to be made by the Company or the Subsidiaries to any Benefit Plan through the date hereof have been made or reserves adequate for such purposes have been set aside therefor and reflected in the Financial Statements. None of the Company and the Subsidiaries is in default in performing any of its contractual obligations under any of the Benefit Plans or any related trust agreement or insurance contract. There are no outstanding liabilities with respect to any Benefit Plan other than liabilities for benefits to be paid to participants in such Benefit Plan and their beneficiaries in accordance with the terms of such Benefit Plan. (i) No Benefit Plan provides for payment of any amount which, considered in the aggregate with amounts payable pursuant to all other Benefit Plans, would exceed the amount deductible for federal income tax purposes by virtue of Section 280G or 162(m) of the Code. (j) There are no obligations or liabilities, whether outstanding or subject to future vesting, for any post-retirement benefits to be paid to participants under any of the Benefit Plans. (b) Except as set forth on Schedule 3.21, the Company or the Subsidiaries has ownership of, or such other rights by license, lease or other agreement in and to, the Intellectual Property as is necessary to permit the Company and the Subsidiaries to use the Intellectual Property in the conduct of their respective businesses as presently conducted. None of the Company and the Subsidiaries has received notice (whether written or, to the knowledge of the Company, oral) alleging that the Company or the Subsidiaries has infringed or violated any trademark, trade name, copyright, patent, trade secret right or other proprietary right of others, and to the Company's knowledge, it has not committed any such violation or infringement. Other than as set forth on Schedule 3.21, to the Company's knowledge, there is no reason to believe that, upon consummation of the transactions contemplated hereby, the Company or the Subsidiaries will be in any way more restricted in its use of any of the Intellectual Property than it was on the date hereof under any contract to which the Company or the Subsidiaries is a party or by which it is bound, or that use of such Intellectual Property by the Company or the Subsidiaries will, as a result of such consummation, violate or infringe the rights of any person, or subject Wintrust, the Company or the Subsidiaries to liability of any kind, under any such contract. (c) The IT Assets operate and perform in all material respects in accordance with their documentation and functional specifications and otherwise as required by the Company and the Subsidiaries in connection with their respective businesses, and have not materially malfunctioned or failed within the past three (3) years. "IT Assets" means the computers, computer software, firmware, servers, workstations, routers, hubs, switches, data communications lines and all other information technology equipment, and all associated documentation, owned or leased by the Company or the Subsidiaries. To the knowledge of the Company and the Subsidiaries, the IT Assets do not contain any worms, viruses, bugs, faults or other devices or effects that (i) enable or assist any person or entity to access without authorization the IT Assets, or (ii) otherwise significantly adversely affect the functionality of the IT Assets, except as disclosed in its documentation. To the knowledge of the Company and the Sellers, no person or entity has gained unauthorized access to the IT Assets. The Company and the Subsidiaries have implemented reasonable back-up and disaster recovery technology consistent with industry practices. To the knowledge of the Company and the Subsidiaries, none of the IT Assets contains any shareware, open source code, or other software the use of which requires disclosure or licensing of any intellectual property.

3.22 Mortgage Brokerage Activities. (a) Northview Mortgage is qualified by the United States Department of Housing and Urban Development ("HUD") as a HUD/United States Federal Housing Administration ("FHA") mortgagee for HUD/FHA loans (including FHA loans secured by real property other than 1-4 family residences). (b) Northview Mortgage has all other certifications, authorizations, licenses, permits and other approvals necessary to conduct its mortgage brokerage business as currently conducted, and is in good standing under all applicable Federal, state and local laws and regulations thereunder as a mortgage broker. (c) As of the date hereof, (i) there is no pending or, to the knowledge of the Company and the Subsidiaries, threatened cancellation, reduction or claim of breach by Northview Mortgage of any mortgage sale agreement to which Northview Mortgage is a party, and (ii) the obligations of Northview Mortgage under each such mortgage sale agreement are being performed by Northview Mortgage in accordance with its terms. (d) Neither the Company nor any of the Subsidiaries is or has engaged in the mortgage banking business. No fact or condition exists with respect to the Company or the Subsidiaries which the Company has reason to believe may cause the Federal Reserve Application or any of the other regulatory approvals referenced in Section 7.3 to be denied or unduly delayed.

3.24 Conduct of Business in Normal Course. Except for actions taken in connection with entering into this Agreement, since December 31, 2003, the businesses of the Company and the Subsidiaries have been conducted only in the ordinary and usual course consistent with past practice.

3.25 Change in Business Relationships. As of the date of this Agreement, none of the Company and the Subsidiaries has received notice (whether written or, to the knowledge of the Company, oral), whether on account of the transactions contemplated by this Agreement or otherwise, (a) that any customer, agent, representative, supplier,

vendor or business referral source of the Company or the Subsidiaries intends to discontinue, diminish or change its relationship with the Company or the Subsidiaries, the effect of which would be material to the Company or the Subsidiaries, or (b) that any executive officer of the Company or the Subsidiaries intends to terminate or substantially alter the terms of his or her employment. There have been no complaints or disputes (in each case set forth in writing) with any customer, employee, agent, representative, supplier or vendor of the Company or the Subsidiaries that have not been resolved which are reasonably likely to be material to the Company.

Neither the execution of this agreement nor the consummation of the transactions contemplated hereby (including, without limitation, such transactions as are embodied in ancillary agreements the forms of which are attached as exhibits hereto, or as are described in Schedules 3.7 and 5.1(e) of the Disclosure Schedules) will result in any payment that would be deemed an "excess parachute payment" under Section 280G of the Code.

The execution and delivery of this Agreement and the performance of Wintrust's obligations hereunder do not and will not result in any default or give rise to any right of termination, cancellation or acceleration under any material note, bond, mortgage, indenture or other agreement by which Wintrust is bound. This Agreement, when executed and delivered, will be a valid, binding and enforceable obligation of Wintrust, subject to applicable bankruptcy, insolvency, reorganization, moratorium or similar laws

Wintrust and its subsidiaries hold all material licenses, certificates, permits, franchises and rights from all appropriate federal, state or other Governmental Authorities necessary for the conduct of its business and the ownership of its assets. (b) Except as may be disclosed in the Wintrust SEC Documents, there are no material claims, actions, suits or proceedings pending or, to the knowledge of Wintrust, threatened or contemplated against or affecting Wintrust, its subsidiaries or any of their respective institution-affiliated parties, at law or in equity, or before any federal, state or other Governmental Authority or any arbitrator or arbitration panel, whether by contract or otherwise, and there is no decree, judgment or order or supervisory agreement of any kind in existence against or restraining Wintrust, its subsidiaries or their respective institution-affiliated parties from taking any action of any kind in connection with their respective businesses. 4.7 Wintrust Regulatory Reports. No fact or condition exists with respect to Wintrust which Wintrust has reason to believe may cause the Federal Reserve Application or any of the other regulatory approvals referenced in Section 7.3 or 8.3 to be denied or unduly delayed.

4.9 Brokers' and Finders' Fees. Wintrust has not incurred any liability for brokerage commissions, finders' fees, or like compensation with respect to the transactions contemplated by this Agreement.

A-19 4.10 Taxation of the Merger. Neither Wintrust nor any subsidiary of Wintrust has engaged in any act that would preclude or adversely affect the Merger from qualifying as a tax-free reorganization under Section 368(a) of the Code.

None of the information furnished by Wintrust or the Company for inclusion in the Registration Statement, the Proxy Statement/Prospectus or any other document filed with the Commission or any state securities commission, at the respective times at which such documents are filed with the Commission or such state securities commission, or, in the case of the Registration Statement, when it becomes effective, or in the case of the Proxy Statement/Prospectus, when mailed or at the time of the Shareholders Meeting, shall be false or misleading with respect to any material fact or shall omit to state any material fact necessary

(b) Wintrust shall file with the Federal Reserve the Federal Reserve Application, and take all other appropriate actions necessary to obtain the regulatory approvals referred to in Section 7.3 hereof, and the Company will use all reasonable and diligent efforts to assist in obtaining all such approvals. The obligation to take all appropriate actions shall not be construed as including an obligation to accept any nonstandard condition or restriction imposed or requested by the Federal Reserve in connection with the Federal Reserve Application unless (i) such condition or restriction was imposed in an approval order issued by the Federal Reserve within two (2) years of the date hereof in a similar transaction involving similarly situated parties and such order was publicly available as of the date hereof, or (ii) such condition or restriction, individually or in the aggregate with any other restrictions and conditions, is not substantially detrimental to the business, prospects or financial condition of Wintrust or its subsidiaries on the one hand, or of the Company or the Subsidiaries, on the other. Notwithstanding the preceding sentence, Wintrust shall have no obligation to accept any such nonstandard condition or restriction imposed by the Federal Reserve due to any facts or circumstances arising from the business, assets, properties, results of operations or financial condition of the Company and the Subsidiaries or any act or omission by the Company or the Subsidiaries. In advance of filing any applications for such regulatory approvals, Wintrust shall provide the Company and its counsel with a copy of such applications (but excluding any information contained therein regarding Wintrust and its business or operations for which confidential treatment has been requested) and provide an opportunity to comment thereon, and thereafter shall promptly advise the Company and its counsel of any material communication received by Wintrust or its counsel from any regulatory authorities with respect to such applications.

**5.5 Listing of Shares.** Wintrust shall use all reasonable and diligent efforts to cause the shares of Wintrust Common Stock issuable in the Merger to be approved for listing on the Nasdaq National Market.

**5.6 Reasonable and Diligent Efforts.** The Parties shall use reasonable and diligent efforts in good faith to satisfy the various conditions to Closing and to consummate the Merger as soon as practicable. None of the Parties will intentionally take or intentionally permit to be taken any action that would be in breach of the terms or provisions of this Agreement (including any action that would impair or impede the timely obtainment of A-22 the regulatory approvals referenced in Sections 7.3 and 8.3) or that would cause any of the representations contained herein to be or become untrue.

**5.7 Business Relations and Publicity.** The Company shall use reasonable and diligent efforts to preserve the reputation and relationship of the Company and the Subsidiaries with suppliers, clients, customers, employees, and others having business relations with the Company or the Subsidiaries. Wintrust and the Company shall coordinate all publicity relating to the transactions contemplated by this Agreement and, except as otherwise required by applicable law or the rules of the Nasdaq National Market, or with respect to employee meetings, neither Party shall issue any press release, publicity statement or other public notice or communication, whether written or oral, relating to this Agreement or any of the transactions contemplated hereby without obtaining the prior consent of the other, which consent shall not be unreasonably withheld, conditioned or delayed. The Company shall obtain the prior consent (which shall not be unreasonably withheld, conditioned or delayed) of Wintrust to the content of any communication to its shareholders. In furtherance of the foregoing the Parties acknowledge that immediately after execution of this Agreement Wintrust shall issue a news release (after consultation with the Company as to its content) and file the same with the Commission on Form 8-K.

**5.8 No Conduct Inconsistent with this Agreement.** (a) The Company shall not, and shall cause each of the Subsidiaries to not, during the term of this Agreement, directly or indirectly, solicit, encourage or facilitate inquiries or proposals or enter into any agreement with respect to, or initiate or participate in any negotiations or discussions with any person or entity concerning, any proposed transaction or series of transactions involving or affecting the Company or the Subsidiaries (or their respective securities or assets) that, if effected, would constitute an acquisition of control of the Company or the Subsidiaries within the meaning of 12 U.S.C.A. ss.1817(j) (disregarding the exceptions set forth in 12 U.S.C.A. ss.1817(j)(17)) and the regulations of the Federal Reserve thereunder (each, an "Acquisition Proposal"), or furnish any information to any person or entity proposing or seeking an Acquisition Proposal. (b) Notwithstanding the foregoing, in the event that the Company Board determines in good faith and after consultation with outside counsel, that in light of a Superior Acquisition Proposal (as defined herein) it is necessary to pursue such Superior Acquisition Proposal in order to act in a manner consistent with such Board's fiduciary duties, the Company Board may, in response to an Acquisition Proposal which was not solicited by or on behalf of the Company or the Subsidiaries or which did not otherwise result from a breach of Section 5.8(a), subject to its compliance with Section 5.8(c), (i) furnish information with respect to the Company or the Subsidiaries to such person or entity making such Superior

Acquisition Proposal pursuant to a customary confidentiality agreement that is no less restrictive than the Confidentiality Agreement, (ii) participate in discussions or negotiations regarding such Superior Acquisition Proposal, (iii) withdraw, modify or otherwise change in a manner adverse to Wintrust, the Company's recommendation to its shareholders with respect to this Agreement and the Merger and/or (iv) terminate this Agreement in order to concurrently enter into an agreement with respect to such Superior Acquisition Proposal; provided, however, that the Company Board may not terminate this Agreement pursuant to this Section 5.8(b) unless and until (x) five (5) business days have elapsed following the delivery to Wintrust of a written notice of such determination by the Company Board and during such five (5) business day period, the Company and the Subsidiaries otherwise cooperate with Wintrust with the intent of enabling the Parties to engage in good faith negotiations so that the Merger and other transactions contemplated hereby may be effected and (y) at the end of such five business day period the Company Board continue reasonably to believe the Acquisition Proposal at issue constitutes a Superior Acquisition Proposal. A "Superior Acquisition Proposal" means any Acquisition Proposal containing terms which the Company Board determines in its good faith judgment (based on the advice of a financial advisor of nationally recognized reputation) to be more favorable to the Company's shareholders than the Merger and for which financing, to the extent required, is then committed or which, in the good faith judgment of the Company Board, is reasonably capable of being obtained by such third party. (c) In addition to the obligations of the Company set forth in Section 5.8(a) and (b), the Company shall immediately advise Wintrust orally and in writing of any request for information or of any Acquisition Proposal, the material terms and conditions of such request or Acquisition Proposal and the identity of the person or entity making such request or Acquisition Proposal. (c) Wintrust and the Company shall negotiate in good faith regarding the write down, in conformity with the provisions of Section 5.9(a) above, of potential Loan losses (net of reasonably conservative estimates of collateral recoveries and of applicable reserves) identified to the Company by Wintrust; provided, however, that (i) the Company shall not be required to take any actions as a result of such good faith negotiations (1) more than five (5) days prior to the Closing Date and (2) until such time as the Company shall have received reasonable assurances that all conditions precedent to Wintrust's obligations under this Agreement (except for the completion of actions to be taken at the Closing) have been satisfied, and (ii) any such actions taken as a result of such good faith negotiation (1) shall not have any effect on the representations and warranties under Section 3.8 made by the Company and the Bank as of the date of this Agreement but (2) shall be taken into account in determining the Closing Adjusted Net Equity.

**5.10 Board of Directors' Notices and Minutes.** The Company shall give reasonable notice to Wintrust of all meetings of the Company Board and any of its committees, the board of directors of the Bank and any of its committees, and the Managers of Northview Mortgage and any of its committees, and if known, the agenda for or business to be discussed at such meetings. To the extent permissible under law, the Company shall promptly transmit to Wintrust copies of all notices, minutes, consents, board packages and other materials that the Company or the Subsidiaries provides to their directors or managers, as the case may be, other than materials relating to any proposed acquisition of the Company or the Bank or this Agreement or the Merger, subject to the Company's compliance with Section 5.8. the Effective Time as is provided to directors and officers of Wintrust, which coverage is substantially the same as provided under the Company's articles of incorporation and by-laws in effect immediately prior to the Effective Time. Wintrust further agrees to cause the Surviving Corporation, or its successor in interest, for a period of five (5) years after the Effective Time to indemnify the current and past directors (or managers) and officers of the Company and each of the Subsidiaries for all actions taken by them prior to the Effective Time in their respective capacities as directors (or managers) and officers of the Company and the Subsidiaries to the same extent as the indemnification provided by the Company and each of the Subsidiaries to such directors (or managers) and officers immediately prior to the Effective Time. A-24 (b) Wintrust agrees that for a period of five (5) years after the Effective Time, Wintrust shall cause to be maintained in effect the Company's and the Subsidiaries' current policy (as in effect on the Closing Date) of directors' and officers' liability insurance maintained by the Company with respect to actions and omissions occurring on or prior to the Effective Time, subject to the following conditions: (i) The Company's and each of the Subsidiaries' current directors' and officers' liability insurer shall agree to maintain such coverage from and after the Effective Time. In the event such insurer terminates or declines to continue such coverage after the Effective Time, Wintrust shall use its commercially reasonable efforts, with the cooperation of the former directors and officers of the Company, to identify and obtain similar coverage from another insurance carrier of substantially similar size and reputation to that of such former insurer, if such coverage is reasonably obtainable from the marketplace. If after such reasonable efforts another such insurance carrier is unable or unwilling to provide such similar coverage, Wintrust shall obtain the best coverage available, in the reasonable judgment of Wintrust, for a cost up to but not exceeding the Maximum Amount (as defined below). (ii) Wintrust may substitute therefor policies of at least the same coverage and amount containing terms and conditions which are substantially no less advantageous. (iii) In no event shall Wintrust be obligated to expend, in order to maintain or provide insurance coverage pursuant to this Section 5.12(b), any amount, in aggregate, in excess of \$40,000 per annum (the "Maximum Amount"). (iv) Prior to the Effective Time, the Company shall notify the appropriate directors' and officers' liability insurers of the Merger and of all pending or threatened claims, actions, suits, proceedings or investigations asserted or claimed against any officer or director of the Company or the Subsidiaries, or circumstances likely to give rise thereto to the extent known by the Company, in accordance with the terms and conditions of the applicable policies. (v) If the amount of the annual premiums necessary to maintain or procure such insurance coverage exceeds the Maximum Amount, Wintrust shall use reasonable efforts to maintain the most advantageous policies of directors' and officers' insurance obtainable for an annual premium equal to the Maximum Amount. (vi) The Company and its directors and officers shall use reasonable and diligent efforts to cooperate with Wintrust in obtaining the above-described insurance coverages.

5.15 Section 368(a) Reorganization. Either prior to or after the Closing Date, none of the Parties shall take or cause to be taken any action, or omit to take any action or cause any omission, which would cause the Merger not to qualify as a reorganization under Section 368(a) of the Code.

5.16 Treatment of Options. Notwithstanding anything contained in this Agreement to the contrary, Wintrust and the Company each acknowledge and agree that the holder of any Outstanding Company Option may, at any time prior to the date of commencement of the ten trading-day period for determining the A-25 Wintrust Common Stock Price pursuant to Section 1.4(a)(i), exercise such Outstanding Company Option in accordance with its terms and conditions.

The Company shall have received certificates signed by the Chief Executive Officer, a Senior Executive Vice President, an Executive Vice President, or a Senior Vice President of Wintrust dated as of the Closing Date, certifying in such detail as the Company may reasonably request, as to the fulfillment of the conditions to the obligations of the Company as set forth in this Agreement. 8.3 Regulatory and Other Approvals. Wintrust shall have obtained the approval of all appropriate regulatory entities of the transactions contemplated by this Agreement and the Merger, all required A-28 regulatory waiting periods shall have expired, and there shall be pending on the Closing Date no motion for rehearing or appeal from such approval or any suit or action seeking to enjoin the Merger or to obtain substantial damages in respect of such transaction. 8.4 Delivery of Agreement. The proper officers of Wintrust shall have executed and delivered to the Company copies of this Agreement and the Articles of Merger, in form suitable for filing with the Secretary of State of the State of Illinois, and shall have executed and delivered all such other certificates, statements or instruments as may be necessary or appropriate to effect such a filing. 8.5 Effectiveness of the Registration Statement. The Registration Statement shall have become effective with respect to the shares of Wintrust Common Stock to be issued in the Merger, no stop order suspending the effectiveness of such Registration Statement shall have been issued, no proceeding for that purpose shall have been instituted or threatened, and all requests for additional information on the part of the Commission shall have been complied with to the Company's satisfaction. 8.6 No Litigation. No suit or other action shall have been instituted or threatened seeking to enjoin the consummation of the Merger or to obtain other relief in connection with this Agreement or the transactions contemplated herein that the Company believes, in good faith and with the written advice of outside counsel, makes it inadvisable to consummate the Merger by reason of the probability that the proceeding would result in the issuance of an order enjoining the Merger or in a determination that Wintrust has failed to comply with applicable legal requirements of a material nature in connection with the Merger or actions preparatory thereto or would have a Material Adverse Effect on Wintrust. 8.7 Opinions of Counsel. (a) The Company shall have received the opinion of Schiff Hardin LLP, special counsel for Wintrust, dated as of the Closing Date, and in form substantially similar to Exhibit E and reasonably satisfactory to the Company and its counsel. (b) The Company shall have received the opinion of Vedder, Price, Kaufman & Kammholz, P.C., counsel to the Company, dated as of the Closing Date, to the effect that the Merger will constitute a "reorganization" within the meaning of Section 368(a) of the Code, that the Company and Wintrust will each be a party to such reorganization within the meaning of Section 368(a) of the Code, and that no gain or loss will be recognized by the holders of Company Common Shares upon the receipt of Wintrust Common Stock in exchange for their Company Common Shares, except to the extent of the Per Share Cash Consideration and any cash received in lieu of fractional share of Wintrust Common Stock. The tax opinion shall be supported by one or more fact certificates or affidavits from Wintrust, in such form and content as may reasonably be requested by counsel to the Company. 8.8 No Adverse Changes. Between the date of this Agreement and the Closing Date, there shall not have occurred any change or any condition, event, circumstance, fact or occurrence, other than as provided in this Agreement, that would have a Material Adverse Effect on Wintrust. 8.9 Nasdaq Listing. The Wintrust Common Stock to be issued to holders of Company Common Shares pursuant to the Merger shall have been approved for listing on the Nasdaq National Market subject to official notice of issuance if required. 8.10 Other Documents. The Company shall have received at the Closing all such other customary documents, certificates, or instruments as they may have reasonably requested evidencing compliance by Wintrust with the terms and conditions of this Agreement.

**ARTICLE IX NON-SURVIVAL OF REPRESENTATIONS, WARRANTIES AND COVENANTS 9.1**

**Non-Survival.** None of the representations warranties, covenants and agreements in this Agreement shall survive the Effective Time, except for those covenants or agreements contained herein which by their terms apply in whole or in part after the Effective Time. Without limiting the foregoing, none of the directors A-29 or officers of the Parties shall have any liability for any of the representations, warranties, covenants and agreements contained herein.

**ARTICLE X GENERAL 10.1 Expenses.** Except as otherwise provided in this Section 10.1, all costs and expenses incurred in the consummation of this transaction, including any brokers' or finders' fees, shall be paid by the Party incurring such cost or expense. (a) Wintrust shall reimburse the Company for 37.5% of the after-tax portion of all transaction costs and expenses actually incurred by the Company prior to Closing, up to a maximum amount of such reimbursement of \$300,000, provided that the tax-deductibility of each item of such expenses and costs shall be determined by Wintrust in its sole discretion. (b) Each of Wintrust and the Company shall bear and pay one-half of the costs and expenses

incurred in connection with the printing and mailing of the Registration Statement, excluding legal, investment banking, appraisal and accounting fees and expenses related thereto which shall be paid by the Party incurring such fees and expenses. Registration Statement filing fees to be paid to the Commission shall be borne and paid by Wintrust. (c) In the event that this Agreement is terminated (i) by Wintrust because the Company or the Subsidiaries committed a material breach of its material obligations under this Agreement, unless such breach is a result of the failure by Wintrust to perform and comply in all material respects with any of its material obligations under this Agreement which are to be performed or complied with by it prior to or on the date of such termination, or (ii) by Wintrust pursuant to Section 10.2(f), then, provided Wintrust is in material compliance with all of its material obligations under this Agreement, the Company shall reimburse Wintrust in an amount, not to exceed \$150,000, for the out-of-pocket expenses and costs, subject to verification thereof, that Wintrust (x) has incurred in furtherance of this Agreement and the transactions contemplated herein and (y) is reasonably expected to incur as a result of the Company's breach of this Agreement, including, but not limited to, reasonable fees of professionals engaged for such purpose by or on behalf of Wintrust; provided, however, that except as provided in Section 10.1(d), such sums shall constitute liquidated damages and the receipt thereof shall be Wintrust's sole and exclusive remedy under this Agreement. Notwithstanding the foregoing, if this Agreement is terminated by Wintrust as a result of the Company's willful breach of this Agreement, then in addition to recovery of its out-of-pocket expenses and costs, Wintrust shall be entitled to recover such other amounts as it may be entitled to receive at law or in equity. (d) In the event that this Agreement is terminated (i) by Wintrust as a result of a breach by the Company of its covenant in Section 5.8(a), (ii) by the Company pursuant to Section 10.2(e), or (iii) pursuant to Sections 10.2(a) or 10.2(b) and within six months after the date of such termination the Company or the Bank has either consummated or entered into a definitive agreement relating to an Acquisition Proposal which was made known to any member of the Company Board and not disclosed to Wintrust prior to the date of such termination, then the Company shall pay to Wintrust a termination fee equal to \$1,000,000. (e) In the event that this Agreement is terminated by the Company because Wintrust committed a material breach of its material obligations under this Agreement, unless such breach is a result of the failure by the Company or the Bank to perform and comply in all material respects with any of its material obligations under this Agreement which are to be performed or complied with by it prior to or on the date of such termination, then, provided the Company and the Bank are each in material compliance with all of its material obligations under this Agreement, Wintrust shall reimburse the Company in an amount, not to exceed \$150,000, for the out-of-pocket expenses, subject to verification thereof, that the Company (i) has incurred in furtherance of this Agreement and the transactions contemplated herein and (ii) is reasonably expected to incur as a result of Wintrust's breach of this Agreement, including, but not limited to, reasonable fees of professionals engaged for such purpose by or on behalf of the Company; provided, however, that such sums shall constitute liquidated damages and the receipt thereof shall be the Company's sole and exclusive remedy under this Agreement. Notwithstanding the foregoing, if this Agreement is terminated by the Company as a result of Wintrust's willful breach of this A-30 Agreement, then in addition to recovery of its out-of-pocket expenses and costs, the Company shall be entitled to recover such other amounts as it may be entitled to receive at law or in equity. (f) In the event this Agreement is terminated pursuant to Section 10.2(b) because Wintrust fails to obtain all of the necessary regulatory approvals described in Sections 7.3 and 8.3 for any reason other than regulatory matters relating solely to the Company or the Subsidiaries, Wintrust shall pay to the Company \$150,000, provided, however, that such sums shall constitute liquidated damages and the receipt thereof shall be the Company's sole and exclusive remedy under this Agreement. (g) In the event this Agreement is terminated pursuant to Section 10.2(b) because Wintrust fails to obtain all of the necessary regulatory approvals described in Sections 7.3 and 8.3 because of regulatory matters relating solely to the Company or the Subsidiaries, the Company shall pay to Wintrust \$150,000, provided, however, that except as provided in Section 10.1(d), such sums shall constitute liquidated damages and the receipt thereof shall be Wintrust's sole and exclusive remedy under this Agreement. All costs and expenses reasonably estimated to have been incurred by the Company shall be either paid or accrued for on or prior to the Closing Date; provided, however, that nothing in this Section 10.1 shall be deemed to relieve the Company of its liability to pay any expenses incurred in connection with this Agreement following the Closing. 10.2 Termination. This Agreement may be terminated: (a) at any time by written agreement between Wintrust and the Company; (b) by either Wintrust or the Company if the Closing has not occurred (other than through the failure of any Party seeking to terminate this Agreement to comply fully with its material obligations under this Agreement) by December 31, 2004, or such later date agreed to by the Parties, provided, however, that such

termination date shall automatically be extended until March 31, 2005, if the sole impediment to Closing is a delay in either (i) the determination of the effectiveness of the Registration Statement or (ii) the Federal Reserve's approval of the Federal Reserve Application; (c) by Wintrust by written notice to the Company, if (i) any of the conditions in Article VII has not been satisfied as of the Closing Date or if satisfaction of such a condition is or becomes impossible (other than through the failure of Wintrust to comply with its obligations under this Agreement); and (ii) Wintrust has not waived such condition on or before the Closing Date; (d) by the Company by written notice to Wintrust, if (i) any of the conditions in Article VIII has not been satisfied as of the Closing Date or if satisfaction of such a condition is or becomes impossible (other than through the failure of the Company or the Subsidiaries to comply with its obligations under this Agreement); and (ii) the Company has not waived such condition on or before the Closing Date; (e) by the Company, if pursuant to Section 5.8(b) the Company Board determines that its fiduciary duties require it to accept an unsolicited Acquisition Proposal from a third party, or by Wintrust if an Acquisition Proposal from a third party is accepted by the Company or consummated, in each case by written notice to the other party; or (f) by Wintrust by written notice to the Company, in the event the Closing Adjusted Net Equity is less than or equal to the Minimum Net Equity as of the Determination Date, provided, however, that Wintrust may not terminate this Agreement pursuant to this Section 10.2(f) unless and until five (5) business days have elapsed following the delivery to the Company of written notice of such termination, and during such five (5) business day period, the Parties in good faith are unable to reach agreement as to an amendment to this Agreement containing terms acceptable to both Parties so that the Merger and transactions contemplated hereby may be effected. Any termination of this Agreement shall not affect any rights accrued prior to such termination.

**10.3 Confidential Information.** Wintrust and the Company each covenant that, in the event the transactions contemplated by this Agreement are not consummated, each such Party will keep in strict confidence A-31 and return all documents containing any information concerning the properties, business, and assets of the other Parties that may have been obtained in the course of negotiations or examination of the affairs of each other Party either prior or subsequent to the execution of this Agreement (other than such information as shall be in the public domain or otherwise ascertainable from public or outside sources), except to the extent that disclosure is required by judicial process or governmental or regulatory authorities.

**10.4 Non-Assignment.** Neither this Agreement nor any of the rights, interests or obligations of the Parties under this Agreement shall be assigned by any Party (whether by operation of law or otherwise) without the prior written consent of the other Party. Notwithstanding the foregoing, Wintrust may assign its rights hereunder to a wholly owned subsidiary of Wintrust. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the respective successors and assigns of the Parties.

**10.7 Knowledge.** References in this Agreement to the "knowledge" of a party shall mean, with respect to a natural person, the actual knowledge of such person after reasonable investigation and with respect to an entity, the actual knowledge of its executive officers and directors, managers or general partners after reasonable investigation.

**10.8 Entire Agreement.** This Agreement, including the Schedules and agreements delivered pursuant hereto, and the Confidentiality Agreement sets forth the entire understanding of the parties and supersedes A-32 all prior agreements, arrangements, and communications, whether oral or written. (b) A shareholder entitled to dissent and obtain payment for his or her shares under this Section may not challenge the corporate action creating his or her entitlement unless the action is fraudulent with respect to the shareholder or the corporation or constitutes a breach of a fiduciary duty owed to the shareholder. (c) A record owner of shares may assert dissenters' rights as to fewer than all the shares recorded in such person's name only if such person dissents with respect to all shares beneficially owned by any one person and notifies the corporation in writing of the name and address of each person on whose behalf the record owner asserts dissenters' rights. The rights of a partial dissenter are determined as if the shares as to which dissent is made and the other shares are recorded in the names of different shareholders. A beneficial owner of shares who is not the record owner may assert dissenters' rights as to shares held on such person's behalf only if the beneficial owner submits to the corporation the record owner's written consent to the dissent before or at the same time the beneficial owner asserts dissenters' rights. (Last amended by P.A. 85-1269, L. `88, eff. 1-1-89.) 5/11.70 PROCEDURE TO DISSENT -- (a) If the corporate action giving rise to the right to dissent is to be approved at a meeting of shareholders, the notice of meeting shall inform the shareholders of their right to dissent and the procedure to dissent. If, prior to the meeting, the corporation furnishes to the shareholders material information with respect to the transaction that will objectively enable a shareholder to vote on the transaction and to determine whether or not to exercise dissenters' rights, a shareholder may assert dissenters' rights only if the shareholder delivers to the corporation before the vote is taken a written demand for payment for his or her shares if the proposed action is consummated, and the shareholder does not vote in favor of the proposed action. (b) If the corporate action giving rise to the right to dissent is not to be approved at a meeting of shareholders, the notice to shareholders describing the action taken under Section 11.30 or Section 7.10 shall inform the shareholders of their right to dissent and the procedure to dissent. If, prior to or concurrently with the notice, the corporation furnishes to the shareholders material information with respect to the transaction that will objectively B-1 enable a shareholder to determine whether or not to exercise dissenters' rights, a shareholder may assert dissenter's rights only if he or she delivers to the corporation within 30 days from the date of mailing the notice a written demand for payment for his or her shares. (c) Within 10 days after the date on which the corporate action giving rise to the right to dissent is effective or 30 days after the shareholder delivers to the corporation the written demand for payment, whichever is later, the corporation shall send each shareholder who has delivered a written demand for payment a statement setting forth the

opinion of the corporation as to the estimated fair value of the shares, the corporation's latest balance sheet as of the end of a fiscal year ending not earlier than 16 months before the delivery of the statement, together with the statement of income for that year and the latest available interim financial statements, and either a commitment to pay for the shares of the dissenting shareholder at the estimated fair value thereof upon transmittal to the corporation of the certificate or certificates, or other evidence of ownership, with respect to the shares, or instructions to the dissenting shareholder to sell his or her shares within 10 days after delivery of the corporation's statement to the shareholder. The corporation may instruct the shareholder to sell only if there is a public market for the shares at which the shares may be readily sold. If the shareholder does not sell within that 10 day period after being so instructed by the corporation, for purposes of this Section the shareholder shall be deemed to have sold his or her shares at the average closing price of the shares, if listed on a national exchange, or the average of the bid and asked price with respect to the shares quoted by a principal market maker, if not listed on a national exchange, during that 10 day period. (d) A shareholder who makes written demand for payment under this Section retains all other rights of a shareholder until those rights are canceled or modified by the consummation of the proposed corporate action. Upon consummation of that action, the corporation shall pay to each dissenter who transmits to the corporation the certificate or other evidence of ownership of the shares the amount the corporation estimates to be the fair value of the shares, plus accrued interest, accompanied by a written explanation of how the interest was calculated. (e) If the shareholder does not agree with the opinion of the corporation as to the estimated fair value of the shares or the amount of interest due, the shareholder, within 30 days from the delivery of the corporation's statement of value, shall notify the corporation in writing of the shareholder's estimated fair value and the amount of interest due and demand payment for the difference between the shareholder's estimate of fair value and interest due and the amount of the payment by the corporation or the proceeds of sale by the shareholder, whichever is applicable because of the procedure for which the corporation opted pursuant to subsection (c). (f) If, within 60 days from delivery to the corporation of the shareholder notification of estimate of fair value of the shares and interest due, the corporation and the dissenting shareholder have not agreed in writing upon the fair value of the shares and interest due, the corporation shall either pay the difference in value demanded by the shareholder, with interest, or file a petition in the circuit court of the county in which either the registered office or the principal office of the corporation is located, requesting the court to determine the fair value of the shares and interest due. The corporation shall make all dissenters, whether or not residents of this State, whose demands remain unsettled parties to the proceeding as an action against their shares and all parties shall be served with a copy of the petition. Nonresidents may be served by registered or certified mail or by publication as provided by law. Failure of the corporation to commence an action pursuant to this Section shall not limit or affect the right of the dissenting shareholders to otherwise commence an action as permitted by law. (g) The jurisdiction of the court in which the proceeding is commenced under subsection (f) by a corporation is plenary and exclusive. The court may appoint one or more persons as appraisers to receive evidence and recommend decision on the question of fair value. The appraisers have the power described in the order appointing them, or in any amendment to it. (h) Each dissenter made a party to the proceeding is entitled to judgment for the amount, if any, by which the court finds that the fair value of his or her shares, plus interest, exceeds the amount paid by the corporation or the proceeds of sale by the shareholder, whichever amount is applicable. (i) The court, in a proceeding commenced under subsection (f), shall determine all costs of the proceeding, including the reasonable compensation and expenses of the appraisers, if any, appointed by the court under subsection (g), but shall exclude the fees and expenses of counsel and experts for the respective parties. If the fair value of the shares as determined by the court materially exceeds the amount which the corporation estimated to be the fair value of the shares or if no estimate was made in accordance with subsection (c), then all or any part of the costs may be assessed against the corporation. If the amount which any dissenter estimated to be the fair value of the shares materially exceeds the fair value of the shares as determined by the court, then all or any part of the costs may be assessed against that dissenter. The court may also assess the fees and expenses of counsel and experts for the respective parties, in amounts the court finds equitable, as follows: (1) Against the corporation and in favor of any or all dissenters if the court finds that the corporation did not substantially comply with the requirements of subsections (a), (b), (c), (d), or (f). (2) Against either the corporation or as a dissenter and in favor of any other party if the court finds that the party against whom the fees and expenses are assessed acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by this Section. If the court finds that the services of counsel for any dissenter were of substantial benefit to other dissenters similarly situated and that the fees for those services should not be assessed against the corporation, the court may award to that counsel reasonable fees to be paid out of

the amounts awarded to the dissenters who are benefited. Except as otherwise provided in this Section, the practice, procedure, judgment and costs shall be governed by the Code of Civil Procedure. (j) As used in this Section: (1) "Fair value", with respect to a dissenter's shares, means the value of the shares immediately before the consummation of the corporate action to which the dissenter objects excluding any appreciation or depreciation in anticipation of the corporate action, unless exclusion would be inequitable. (2) "Interest" means interest from the effective date of the corporate action until the date of payment, at the average rate currently paid by the corporation on its principal bank loans or, if none, at a rate that is fair and equitable under all the circumstances. (Last amended by P.A. 86-1156, L. `90, eff. 8-10-90.)

**B-3 ANNEX C FORM OF VOTING AGREEMENT** This Agreement ("Agreement") is made and entered into as of the 21st day of May, 2004, by and between the undersigned stockholders (each, a "Stockholder," and collectively, the "Stockholders") of Northview Financial Corporation, an Illinois corporation (the "Company"), and Wintrust Financial Corporation, an Illinois corporation ("Wintrust").

**W I T N E S S E T H:** WHEREAS, the Company and Wintrust have entered into an Agreement and Plan of Merger dated as of May 10, 2004 (the "Merger Agreement"); WHEREAS, it is a condition precedent to Wintrust's obligations under the Merger Agreement that the Stockholders shall have executed and delivered this Agreement on or before May 24, 2004; and WHEREAS, each Stockholder owns and is entitled to vote the number of issued and outstanding shares of common stock of the Company (the "Company Common Shares") set forth opposite such Stockholder's name on Schedule 1 attached hereto and has agreed to vote such Stockholder's Company Common Shares pursuant to the terms set forth in this Agreement. NOW, THEREFORE, in consideration of the premises and the respective representations, warranties, covenants and agreements set forth herein, the Stockholders and Wintrust hereby agree as follows:

**Section 1. Voting of Shares.** Each Stockholder hereby agrees that at any meeting of the stockholders of the Company and in any action by written consent of the stockholders of the Company, such Stockholder shall vote the Company Common Shares which such Stockholder owns and is entitled to vote (a) in favor of the transactions contemplated by the Merger Agreement, (b) against any action or agreement which would result in a breach of any term of, or any other obligation of the Company under, the Merger Agreement, and (c) against any action or agreement which would impede, interfere with or attempt to discourage the transactions contemplated by the Merger Agreement; provided, however, that nothing in this Agreement shall prevent a Stockholder, in his or her capacity as a director of the Company, from discharging his or her fiduciary duty to the Company. Each Stockholder agrees that the Company shall be authorized to include in any proxy or material transmitted to stockholders of the Company, a statement to the effect that the Stockholder is a party to this Agreement and has committed to vote in favor of the transactions contemplated by the Merger Agreement.

**Section 2. Term of Agreement.** This Agreement shall be effective from the date hereof and shall terminate and be of no further force and effect upon the earlier of (i) the Effective Time (as defined in the Merger Agreement), or (ii) the termination of the Merger Agreement in accordance with its terms.

**Section 3. Covenants of Stockholders.** Each Stockholder agrees not to: except to the extent contained in this Agreement, grant any proxies, deposit any Company Common Shares into a voting trust or enter into a voting agreement with respect to any of the Company Common Shares; or without the prior written approval of Wintrust, solicit, initiate or encourage any inquiries or proposals for a merger or other business combination involving the Company; provided, however, that nothing in this Agreement shall prevent a Stockholder, in his or her capacity as a director of the Company, from discharging his or her fiduciary duty to the Company.

**Section 4. Representations and Warranties of Stockholders.** Each Stockholder represents and warrants to Wintrust as follows: (a) such Stockholder owns and is entitled to vote in accordance with such Stockholder's commitments under this Agreement the number of Company Common Shares set forth opposite his or her name on Schedule 1 hereto, and, except for options to acquire Company Common Shares listed on Schedule 1 as being held by such Stockholder, does not own or have any right to acquire any other Company Common Shares; (b) such Stockholder has the right, power and authority to execute, deliver and perform under this Agreement; such execution, delivery and performance will not violate, or require any consent, approval, or notice under any provision of law or result in the breach of any outstanding agreements or instruments to which such Stockholder is a party or is C-1 subject; and this Agreement has been duly executed and delivered by such Stockholder and constitutes a legal, valid and binding agreement of such Stockholder, enforceable in accordance with its terms; (c) such Stockholder's Company Common Shares and options to acquire Company Common Shares listed as owned or held on Schedule 1 hereto are now and will remain owned or held by such Stockholder, free and clear of all voting trusts, voting agreements, proxies, liens, claims, liabilities, security interests, marital property rights or any other encumbrances whatsoever (other than (i) pledges for loans entered into in the ordinary course, (ii) pursuant to a

transfer where the transferee has agreed in writing to be bound by the terms of this Agreement, (iii) transfers by will or operation of law, and (iv) rights of Wintrust and encumbrances respecting such Company Common Shares created pursuant to this Agreement or the Merger Agreement); and (d) other than this Agreement and the Merger Agreement, there are no outstanding options, warrants or rights to purchase or acquire, or agreements related to, such Stockholder's Company Common Shares. Section 5. Representations and Warranties of Wintrust. Wintrust has the right, power and authority to execute and deliver this Agreement; such execution and delivery will not violate, or require any consent, approval, or notice under any provision of law or result in the breach of any outstanding agreements or instruments to which Wintrust is a party or is subject; and this Agreement has been duly executed and delivered by Wintrust and constitutes a legal, valid and binding agreement of Wintrust, enforceable in accordance with its terms. Section 6. Transferability. Except as provided herein, neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto (whether by operation of law or otherwise) without the prior written consent of the other parties, except that Wintrust may assign this Agreement to a direct or indirect wholly-owned subsidiary or affiliate of Wintrust, provided that no such assignment shall relieve Wintrust of its obligations hereunder. Section 7. Specific Performance. The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement was not performed by any of the Stockholders in accordance with its specific terms or was otherwise breached. It is accordingly agreed that Wintrust shall be entitled to an injunction(s) to prevent breaches of this Agreement by the Stockholders and to enforce specifically the terms and provisions hereof in addition to any other remedy to which Wintrust is entitled at law or in equity. Section 8. Further Assurances. Each Stockholder agrees to execute and deliver all such further documents and instruments and take all such further action as may be necessary or appropriate in order to consummate the transactions contemplated hereby. Section 9. Entire Agreement and Amendment. (a) Except for the Merger Agreement and its ancillary agreements and instruments, this Agreement contains the entire agreement between the parties hereto with respect to the transactions contemplated hereunder and supersedes all prior arrangements or understandings with respect hereto. (b) This Agreement may not be modified, amended, altered or supplemented except upon the execution and delivery of a written agreement executed by the parties hereto. Section 10. Notices. Each notice, demand or other communication which may be or is required to be given under this Agreement shall be in writing and shall be deemed to have been properly given when delivered personally at the address set forth herein for Wintrust or the address on Schedule 1 for each of the Stockholders, when sent by facsimile or other electronic transmission to the respective facsimile transmission numbers of the parties with telephone confirmation of receipt, or the day after sending by recognized overnight courier or if by the United States registered or certified mail, return receipt requested, postage prepaid two days after deposit therein. Section 11. General Provisions. This Agreement shall be governed by the laws of the State of Delaware. This Agreement may be executed in counterparts, each of which shall be deemed to be an original. Headings are for convenience only and shall not affect the meaning of this Agreement. Any term of this Agreement which is invalid or unenforceable shall be ineffective only to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms of this Agreement.

Box 8078 Northfield, IL 60093 Lady and Gentlemen: You have requested our opinion as to the fairness, from a financial point of view, to the holders of the outstanding shares of common stock (the "Stockholders") of Northview Financial Corporation (the "Company") of the Merger Consideration specified in the Agreement and Plan of Merger dated as of May 10, 2004 (the "Merger Agreement") by and between Wintrust Financial Corporation ("Wintrust") and the Company. Pursuant to the terms of and subject to the conditions set forth in the Merger Agreement, the Company will merge with and into Wintrust and each Company Common Share (as defined in the Merger Agreement) will be converted into and become a right to receive shares of common stock, no par value, of Wintrust and cash having an aggregate value of \$275.00, the Per Share Merger Consideration, as set forth and further described in the Merger Agreement. In connection with our review of the proposed Merger and the preparation of our opinion herein, we have examined: (a) the Merger Agreement; (b) certain audited historical financial statements of the Company and Wintrust for the years ended December 31, 2000, 2001, 2002 and 2003; (c) the unaudited financial statements of the Company and Wintrust for the three months ended March 31, 2004; (d) certain internal business, operating and financial information and forecasts of the Company (the "Forecasts"), prepared by the senior management of the Company; (e) information regarding publicly available financial terms of certain other business combinations we deemed relevant; (f) the financial position and operating results of the Company compared with those of certain other publicly traded companies we deemed relevant; and (h) certain other publicly available information on the Company and Wintrust. We have also held discussions with members of the senior management of the Company to discuss the foregoing, have considered other matters which we have deemed relevant to our inquiry and have taken into account such accepted financial and investment banking procedures and considerations as we have deemed relevant. In connection with our engagement, we were requested to approach, and held discussions with, third parties to solicit indications of interest in a possible acquisition of the Company. In rendering our opinion, we have assumed and relied, without independent verification, upon the accuracy and completeness of all the information examined by or otherwise reviewed or discussed with us for purposes of this opinion including without limitation the Forecasts provided by senior management. We have not made or obtained an independent valuation or appraisal of the assets, liabilities or solvency of the Company. We have been advised by the senior management of the Company that the Forecasts examined by us have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the senior management of the Company, as the case may be. In that regard, we have assumed, with your consent, that (i) the Forecasts will be achieved and (ii) all material assets and liabilities (contingent or otherwise) of the Company are as set forth in the Company's financial statements or other information made available to us. We express no opinion with respect to the Forecasts or the estimates and judgments on which they are based. Our opinion herein is based upon economic, market, financial and other conditions existing on, and other information disclosed to us as of, the date of this letter. It should be understood that, although subsequent developments may affect this opinion, we do not have any obligation to update, revise or reaffirm this opinion. We have relied as to all legal matters on advice of counsel to the Company, and have assumed that the Merger will be consummated on the terms described in the Merger Agreement, without any waiver of any material terms or conditions by the Company. William Blair & Company has been engaged in the investment banking business since 1935. We continually undertake the valuation of investment securities in connection with public offerings, private placements, business combinations, estate and gift tax valuations and similar transactions. We have acted as the investment banker to the D-1 Company in connection with the Merger and will receive a fee from the Company for our services, a significant portion of which is contingent upon consummation of the Merger. In addition, the Company has agreed to indemnify us against certain liabilities arising out of our engagement. Our investment banking services and our opinion were provided for the use and benefit of the Board of Directors of the Company in connection with its consideration of the transaction contemplated by the Merger Agreement. Our opinion is limited to the fairness, from a financial point of view, to the Stockholders of the Merger Consideration in connection with the Merger, and we do not address the merits of the underlying decision by the Company to engage in the Merger and this opinion does not constitute a recommendation to any stockholder as to how such stockholder should vote with respect

to the proposed Merger. It is understood that this letter may not be disclosed or otherwise referred to without prior written consent, except that the opinion may be included in its entirety in a proxy statement mailed to the stockholders by the Company with respect to the Merger. Based upon and subject to the foregoing, it is our opinion as investment bankers that, as of the date hereof, the Merger Consideration is fair, from a financial point of view, to the Stockholders. Very truly yours, /s/ William Blair & Company, L.L.C. ----- WILLIAM BLAIR & COMPANY, L.L.C. D-2
